

TGOD Secures Supply Agreement with British Columbia

TORONTO, May 9, 2019 – The Green Organic Dutchman Holdings Ltd. (the “Company” or “TGOD”) (TSX: TGOD) (US: TGODF) is pleased to announce that it has secured a cannabis supply agreement with the BC Liquor Distribution Branch (“BCLDB”). The BCLDB, under the brand BC Cannabis Stores, is British Columbia’s public retailer of non-medical cannabis.

“With very positive feedback on TGOD products from our British Columbia medical patients, we are excited to offer our premium certified organic products to the recreational market,” commented Brian Athaide, CEO of TGOD. “As our two Canadian production facilities come online in phases, we remain focused on the execution of our business plan; expanding our distribution channels and increasing the volume we are able to supply to the provincial boards.”

TGOD is Canada’s largest licensed producer of 100% certified organic cannabis flower and oils; all of its plants are grown in living soil without the use of synthetic fertilizers, pesticides or herbicides. The result is a cleaner, premium product for the medical and recreational markets.

The agreement with the BCLDB was negotiated in collaboration with Velvet Management Inc. (“Velvet”). Created by Canada’s largest wine distributor, Philippe Dandurand Wines, Velvet provides fully integrated national sales and distribution capabilities for TGOD’s premium organic cannabis to provincial liquor and cannabis boards.
