

TGOD Successfully Renews Health Canada Licences for Ancaster Site Until 2022

Toronto, ON, August 2, 2019 – The Green Organic Dutchman Holdings Ltd. (the “Company” or “TGOD”) (TSX: TGOD) (US: TGODF) is pleased to announce that it has successfully renewed its Health Canada licences for the Company’s Ancaster, Ontario facility until August 2022. As per the *Cannabis Regulations*, these licences authorize TGOD to cultivate, process and sell cannabis from its Ancaster site.

“From day one, the entire team at TGOD placed a strong focus on ethics and compliance. These core values have been paramount to our success,” commented Brian Athaide, CEO of TGOD. “Our team continues to work diligently as we ramp up production and execute our business plan.”

TGOD is in the process of completing its third building at Ancaster, a state-of-the-art hybrid greenhouse. Completion is expected by the end of the month, bringing the facility to a total size of 166,000 square feet with an annual production capacity of 17,500 kgs; TGOD is also seeking an eGMP certification to allow for global exports, as laws and regulations permit.

About The Green Organic Dutchman Holdings Ltd.

The Green Organic Dutchman Holdings Ltd. (TSX: TGOD) (US: TGODF) is a publicly traded, premium global organic cannabis company, with operations focused on medical cannabis markets in Canada, Europe, the Caribbean and Latin America, as well as the Canadian adult-use market. TGOD also has organic hemp CBD oil operations in Canada, and through its wholly owned subsidiary HemPoland distributes premium hemp CBD oil in the EU. The Company grows high quality, certified organic cannabis with sustainable, all-natural principles. TGOD's products are laboratory tested to ensure patients have access to a standardized, safe and consistent product. TGOD has a planned capacity of 219,000 kgs and is building 1,643,600 sq. ft. of cultivation and processing facilities across Ontario, Quebec, Jamaica and Denmark.

TGOD's Common Shares and warrants issued under the indenture dated November 1, 2017 trade on the TSX under the symbol "TGOD" and "TGOD.WT", respectively.

Forward-Looking Information Cautionary Statement

This news release includes statements containing certain "forward-looking information" within the meaning of applicable securities law ("forward-looking statements"). Forward looking statements in this release includes, but is not limited to, statements about future facility construction, statements about future production capacity, statements about the achievement of certain certifications in connection with its facilities, statements about the receipt of any regulatory permits or licences, statements about the offering of any particular products by the Company in any jurisdiction and statements regarding the future performance of the Company. Forward-looking statements are frequently characterized by words such as "plan", "continue", "expect", "project", "intend", "believe", "anticipate", "estimate", "may", "will", "potential", "proposed" and other similar words, or statements that certain events or conditions "may" or "will" occur. These statements are only predictions. Various assumptions were used in drawing the conclusions or making the projections contained in the forward-looking statements throughout this news release. Forward-looking statements are based on the opinions and estimates of management at the date the statements are made and are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those projected in the forward-looking statements. The Company is under no obligation, and expressly disclaims any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by applicable law.

Neither TSX nor its Regulation Services Provider (as that term is defined in the policies of Toronto Stock Exchange) accept responsibility for the adequacy or accuracy of this release.
