

The Green Organic Dutchman to Hold Annual General Meeting on December 15, 2020

TORONTO, June 24, 2020 - The Green Organic Dutchman Holdings Ltd. ("**TGOD**" or the "**Company**") (**TSX: TGOD**) (**US: TGODF**), a leading producer of premium certified organic cannabis, announced today that due to ongoing concerns related to the 2019 novel coronavirus ("**COVID-19**"), and in order to provide its shareholders with the opportunity to have an in-person Annual General Meeting ("**AGM**"), the Company has decided to hold its AGM on December 15, 2020.

"Holding our AGM in December increases the likelihood of being able to have an in-person format, which is preferred, while we will continue to provide regular business updates reflecting our scaled operations to our shareholders through our quarterly disclosures," commented Brian Athaide, CEO of TGOD.

The Company is continuing to closely monitor developments related to COVID-19 and may alter the format of its AGM based on changing conditions and the advice of public health authorities at the time regarding restrictions on the number of people who can safely gather.
