

The Green Organic Dutchman launches exciting new products Fall 2022 in British Columbia, Alberta & Ontario

- 7 core SKU expansions in BC and Alberta
- 4 new innovative products launch, starting in Ontario

TORONTO, September 21, 2022- The Green Organic Dutchman Holdings Ltd. (the “**Company**” or “**TGOD**”) (CSE: TGOD) (US-OTC: TGODF), a sustainable cannabis company, announces new Fall 2022 SKU launches.

With record yields and increased growing capacity, the organization will now offer products in additional size options which will serve market preference and offer consumers increased flexibility.

- Highly Dutch Organic Cherry Mints 28g – Launching in British Columbia
- TGOD Organic Dried Flower 14g – Launching in Alberta
- Highly Dutch Organic Rotterdam Indica 7g & Amsterdam Sativa 7g – Launching in Alberta
- Organic Skunk Haze 5 X .5g pre-rolls – Launching in Alberta
- Organic Afghan Black hash 2g & Organic Marrakech Gold hash 2g – Launching in Alberta

Further to size expansion, there are four innovation SKUs which will launch in Ontario this Fall, followed by other provinces in the months ahead.

TGOD Organic Gold Butter MAC 3.5g Whole Flower - Organic Gold Butter MAC - 3.5g Whole Flower - A certified organic Indica dominant hybrid, grown in living soil using natural sunlight and purified rainwater. This innovative TGOD original phenotype is grown from a Peanut Butter Breath x (Quebec Gold x Gorilla Glue) male, and a MAC-1 female. The result is a truly unique cultivar, bringing pungent frosty buds with smooth, roasted butter and nut flavour. This unique flower will be sold in TGOD’s award winning sustainable green glass jars. Available in November.

TGOD Natural Leaf Wrap – Organic Gold Butter Mac 1g Ultra-Premium Pre-Roll - a natural, sustainably grown tendu leaf is rolled and filled with a TGOD original pheno, Organic Gold Butter MAC. This unique Tendu Leaf Wrap is made with whole flower and no sugar leaves, giving a consistent, high-quality burn that’s slow and refined. Each pre-roll will be sold in a recyclable glass tube. Available in November.

Highly Dutch Organic Rotterdam n’ Rosin 0.5g – Organic Rosin-infused vape - a 20:80 rosin infused distillate indica vape, made from organic cannabis and native cannabis terpenes. Available in November.

Cruzy Strawberry Jerry 3.5g Whole Flower - a rare sativa known for its mysterious BC lineage with terps delivering a strong berry and earthy aroma. Available in October.

“With our record yields and flower quality from both the Ancaster and Valleyfield greenhouses, we’ve been afforded the opportunity to meet customer requests and expand some core skus into larger sizes. The combination of core sku expansion plus innovation is an exciting time for the organization as we grow to support increased consumer demand. 2022 has been a year of ongoing distribution growth and these latest additions will further help drive sales revenues while delivering unique, consistent performers in the market.” said Sean Bovingdon, CEO of The Green Organic Dutchman.

About The Green Organic Dutchman Holdings Ltd.

The Green Organic Dutchman Holdings Ltd. (CSE: TGOD) (US-OTC: TGODF) is a sustainable cannabis company with a focus on innovation, quality, consistency, integrity and transparency. By leveraging science and technology, TGOD harnesses the power of nature from seed to sale. The Company is committed to cultivating a better tomorrow by producing its products responsibly, with less waste and impact on the environment. In Canada, TGOD serves the recreational market with a brand portfolio including The Green Organic Dutchman, Highly Dutch Organics, Ripple by TGOD and Cruuzu brands, and the medical markets in Canada, South Africa, Australia, and Germany. All cannabis utilized in products for The Green Organic Dutchman and Highly Dutch Organics brands is grown through a certified organic process, which includes living soil, filtered rainwater, sunlight, and natural inputs.

Cautionary Statements

This news release includes statements containing certain "forward-looking information" within the meaning of applicable securities law ("forward-looking statements"). Forward looking statements in this release include, but are not limited to, statements about future production quantity and timing, statements about the offering of any particular products by the Company and statements regarding the future performance of the Company, statements about future development, growth and delivery of products, and statements about the level of demand for TGOD's products. Forward-looking statements are frequently characterized by words such as "plan", "continue", "expect", "project", "intend", "should", "believe", "anticipate", "estimate", "may", "will", "potential", "proposed" and other similar words, or statements that certain events or conditions "may" or "will" occur. These statements are only predictions. Various assumptions were used in drawing the conclusions or making the projections contained in the forward-looking statements throughout this news release. Forward-looking statements are based on the opinions and estimates of management at the date the statements are made and are subject to a variety of risks and uncertainties (including market conditions) and other factors that could cause actual events or results to differ materially from those projected in the forward-looking statements, including those risk factors described in the Company's most recent Annual Information Form filed with Canadian securities regulators and available on the Company's issuer profile on SEDAR at www.sedar.com. Although the Company believes that the assumptions and factors used in preparing the forward-looking information or forward-looking statements in this news release are reasonable, undue reliance should not be placed on such information and no assurance can be given that such events will occur in the disclosed time frames or at all. The forward-looking information and forward-looking statements included in this news release are made as of the date of this news release. The Company is under no obligation, and expressly disclaims any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by applicable law.

Neither the CSE nor the CSE's Regulation Services Provider (as that term is defined in the policies of CSE) accept responsibility for the adequacy or accuracy of this release.
