Canadian Mining Corp. Announces Non-Brokered Private Placement

Vancouver, BC, July 05, 2017: Canadian Mining Corp. (TSXV: "CNG") (the "**Company**") announces that it has arranged a non-brokered private placement for up to 8,000,000 units at a price of \$0.25 per unit to raise gross proceeds of up to \$2,000,000 (the "**Offering**").

Each unit will consist of one common share and one non-transferable common share purchase warrant. Each common share purchase warrant is exercisable for one additional common share of the Company at a price of \$1.00 for a period of two years from the date of issue.

Proceeds from the Offering will be used to advance the Company's operations and general working capital including potential acquisitions, marketing, corporate accounting and geological services.

The Offering is subject to the approval of the TSX Venture Exchange and all securities issued thereunder will be subject to a four month and a day hold period under applicable securities laws. The Company may pay a finder's fee in connection with the Offering.

ON BEHALF OF THE BOARD OF DIRECTORS

Aman Parmar, Director

FORWARD-LOOKING STATEMENTS

Some statements in this news release contain forward-looking information. These statements include, but are not limited to, statements with respect to the size of the Offering and future expenditures. These statements address future events and conditions and, as such, involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the statements. Such factors include, among others, the ability to complete contemplated work programs and the timing and amount of expenditures. Canadian Mining does not assume the obligation to update any forward-looking statement.
