

CHEMESIS INTERNATIONAL INC. ANNOUNCES TWO BINDING AGREEMENTS FOR 100 LITRES/MONTH OF HIGH QUALITY TESTED CRUDE & DISTILLATE CANNABIS OIL

Chemesis International Inc. Announces two Binding Agreements for 100 litres/month of high quality tested cannabis oil

July 31, 2018 – Vancouver, BC – [Chemesis International Inc. \(CSE: CSI\)](#) (the “Company” or “Chemesis”), is pleased to announce it has signed two Binding Agreements for sale and distribution of its award winning brand, California Sap. The agreements allow the distribution of 100 litres of high quality tested cannabis oil per month.

Chemesis has signed a binding agreement with a leading California distributor that will be providing high quality cannabis oil directly to wholesalers for sale statewide. The agreement is to provide high quality tested cannabis oil to a manufacturing vendor that specializes in manufacturing a wide variety of high quality vaping products. The second agreement is with a leading manufacturer of high quality edible products with distribution throughout California.

These agreements will allow Chemesis to significantly increase its distribution and sale of high quality tested cannabis oil. Based off the new California regulation implemented on July 1, 2018, this is a significant milestone as the market is in high demand for tested cannabis oil. The state is a key market for Chemesis to create a strong footprint, generating consistent revenue.

“These binding agreements will allow Chemesis to significantly increase its revenue stream and variety of cannabis related products in a short period of time. As demand state wide continues to rise, Chemesis is ensuring it cements itself as a key supplier of clean premium cannabis oil,” said Edgar Montero, CEO of Chemesis. “California Sap is renowned for quality and boasts a high consumer demand. As California Sap’s premium products continue to increase in demand we are ensuring the demand is met with a consistent high-quality supply. We are excited to bring these highly sought-after products to dispensaries around California.”

Due to the competitive nature of the cannabis market in California, the Company will not disclose who the vendors are at this time.

About Chemesis International Inc.

Chemesis International Inc. is a vertically integrated global leader in the cannabis industry, currently operating within California.

Chemesis is developing a strong foothold in key markets, from cultivation, to manufacturing, distribution, and retail. Chemesis has a facility in California, allowing for cost effective production and distribution of its products. In addition, Chemesis leverages exclusive brands and partnerships and uses the highest quality extraction methods, to provide consumers with quality cannabis products.

Chemesis will add shareholder value by exploring opportunities in other emerging markets while consistently delivering quality product to its consumers from seed to sale.

ON BEHALF OF THE BOARD OF DIRECTORS

Edgar Montero
CEO and Director
