

CHEMESIS INTERNATIONAL INC. ACQUIRES VIVERIAN CBD PRODUCT CATALOGUE

On the verge of signing the 2018 farm bill, US CBD distribution channels are about to become main stream

December 17, 2018

Vancouver, BC – Chemesis International Inc. (CSE: [CSI](#)) (OTC: [CADMF](#)) (FRA: [CWAA](#)) (the “Company” or “Chemesis”), announces it has acquired [Viverian](#), a hemp-derived CBD product line that promotes healthy living and provides consumers with quick and easy methods of consumption. This CBD exclusive brand is available via an online e-commerce platform with current distribution in Arizona, Nevada and Florida. The Company will expand into a retail strategy and additional states for online shipping in 2019, once state-by-state regulations have been established for CBD manufacturing and distribution.

For more information on the products, please visit www.viverian.com.

The product line includes CBD tinctures, as well as capsules that may assist with sleep, relaxation, improved concentration, relief for discomfort, and improved overall health and wellness. These products have been lab tested, are THC free, and made of 100% botanical ingredients. Chemesis has secured third-party GMP certified manufacturing for these products.

The expected passing of the U.S. 2018 Farm Bill provides further clarity for hemp derived CBD products on a federal level. Current estimates show the CBD market could grow to over \$2.1 billion by 2020, with \$450 million in sales coming from hemp-based sources¹. The bill is in its final stage, having already passed both the Senate and the U.S. House of Representatives, making this a significant acquisition for the Company.²

“We are extremely excited to bring on a high-quality CBD product catalogue for consumers that is THC free,” said Edgar Montero, CEO of Chemesis. “With the expected passing of the Farm Bill, we believe we are positioning the Company to take advantage of increasing demand for high quality hemp derived CBD products.”

As part of this acquisition for the Viverian product line, the Company will pay US\$500,000 in stock priced at the close of December 14, 2018. The stock will be subject to a 36-month escrow release schedule.
