

## **Chemesis International Inc. to Expand Manufacturing Capacity in California**

*Chemesis continues to increase its presence in California by adding an additional 25,000 ft<sup>2</sup> of manufacturing capacity in Cathedral City*

**February 11, 2019**

**Vancouver, BC – Chemesis International Inc. (CSE: [CSI](#)) (OTC: [CADMF](#)) (FRA: [CWAA](#)) (the “Company” or “Chemesis”)**, announces plans to add an additional 25,000 ft<sup>2</sup> of manufacturing, in Cathedral City, California. With the recent commercialization of its fully compliant state-of-the-art extraction facility, the Company is moving forward with this expansion plan and anticipates completion of the additional manufacturing space by Q2, 2019. The facility will be full state compliant for manufacturing, packaging, distribution and transportation allowing for products to be distributed directly to state licensed dispensaries.

With this expansion, the Company has the ability to further increase its finished goods portfolio, which will include [beverages](#), [edibles](#), and other consumer goods. “With the Company’s recent acquisition of a new low temperature extraction methodology, we will also be able to expand our offerings to include other cannabinoids at higher concentration in our finished goods,” said Chemesis CEO, Edgar Montero. The manufacturing expansion will maximize efficiencies, and will also increase production capacity for Chemesis’ brands, including [California Sap](#) and [Jay & Silent Bob’s Private Stash](#), as well as third party brands.

“Chemesis believes this additional manufacturing will not only allow us to increase our capabilities to produce finished goods, but also allow us to further expand our presence in California,” added Montero. “The California market is a key part of Chemesis’ business plan and the Company will continue to take advantage of upcoming opportunities in this market. To date, our brands have garnered significant interest, and this additional manufacturing space gives us the ability to further meet consumer demand.”
