

Chemesis International Inc. Receives Puerto Rico Hemp Cultivation & Production License

Chemesis' subsidiary Natural Ventures will continue to work with First Medical Cannabis to cultivate, manufacture, distribute, & retail CBD products

Natural Ventures will plant the initial crop in the coming weeks

September 9, 2019

Vancouver, BC – Chemesis International Inc. (CSE: [CSI](#)) (OTC: [CADMF](#)) (FRA: [CWAA](#)) (the “Company” or “Chemesis”), is proud to announce its subsidiary, Natural Ventures, in conjunction with First Medical Cannabis LLC, (“**First Medical**”) through its previously [announced](#) partnership, has received one of the first hemp cultivation and processing licenses in Puerto Rico. The Company has now finished the climatization of seeds, and will begin planting an initial high potency hemp CBD crop in the coming weeks.

Through its existing licenses and infrastructure, Natural Ventures will continue to leverage its partnership with First Medical by providing manufacturing, processing, distributing, and retailing to consumers in Puerto Rico. The Company will also manufacture a wide array of finished goods such as cosmetics, tinctures, patches, beverages, edibles, and other hemp-derived CBD infused products. Chemesis will ensure that its facilities are fully compliant for distribution to domestic and international markets, which include the continental United States.

“Our partnership with First Medical brings an incredible amount of potential growth for Chemesis,” said Chief Executive Officer, Edgar Montero. “The partnership gives Chemesis access to a significant land package in Puerto Rico which will allow the Company to manufacture on a large commercial scale. The Company also continues to source other cultivators on the island to further increase the amount of biomass our facilities are able to process.”

On Behalf of The Board of Directors

Edgar Montero
CEO and Director
