**November 1, 2019**

**Vancouver, BC – Chemesis International Inc. (CSE: CSI) (OTC: CADMF) (FRA: CWAA) (the “Company” or “Chemesis”)**, announces, further to its news release dated October 23, 2019, that, alongside several other companies operating in Puerto Rico, certain of the cannabis licenses (“**Licenses**”) held by its subsidiary, Natural Ventures PR, LLC (“**Natural Ventures**”), remain subject to the administrative review (“**Review**”) being undertaken by the Puerto Rico Department of Health. The Company continues to work with the Puerto Rico Department of Health regarding this matter and remains optimistic that the Review will be concluded promptly, however, it is unable at this time to provide guidance as to when that may occur. The Company notes that at the current time the Licenses are effectively in abeyance, as Natural Ventures is not permitted to carry out any licensed activities under the Licenses, though it is permitted to carry out certain activities for the purposes of preserving and maintaining inventory.
