Re: **Refiling of FY2019 Audited Annual Financial Statements
Chemesis International Inc. (the "Company")**

This letter is being furnished to you in connection with the refiling of the Company's audited annual consolidated financial statements for the years ended June 30, 2019, and 2018 (the "**Financial Statements**"). These Financial Statements were originally filed on November 4, 2019; however, the Independent Auditor's Report contained therein referenced a financial position of the Company as at July 31, 2019, as opposed to June 30, 2019, in error.

The refiled audited annual consolidated financial statements for the years ended June 30, 2019, and 2018 (the "**Refiled Financial Statements**"), contain a corrected Independent Auditor's Report.

In addition, although the amount of total operating expenses remains unchanged, the travel expense amount has been corrected in the Refiled Financial Statements.

Sincerely,

CHEMESIS INTERNATIONAL INC.
