Ubican brings well-known brands and is a trusted vendor with an established sales and marketing program.

December 3, 2020

Vancouver, BC – Chemesis International Inc. ([CSE: CSI.U](#)) ([OTC: CADMF](#)) ([FRA: CWAA](#)) (the “Company” or “Chemesis”), announces Ubican Global (“Ubican”) as its primary supplier for its United States VICKI program. Ubican is a trusted supplier of a family of brands, each with multiple types of products. The products include tinctures, digestibles, edibles, pet, beauty/skincare, topical, edible, fitness, and smokable products.

The team has carefully cultivated over 10+ brands that are now recognized throughout the CBD industry. Each brand has a specific tailored approach for its demographic, which allows brands to build brand loyalty and reoccurring revenues.

Bryce Davis, CEO of Ubican remarked. “Ubican’s focus is to bring high-quality and diversified brands and products to the marketplace. The scope of our portfolio allows us to cater to a wide variety of demographics, which fits well with the VICKI program. As retail and consumer habits continue to evolve, we are enthusiastic about providing our consumers the ability to interact with the VICKI platform. We are excited about our partnership with Chemesis and look forward to jointly building both brands in the US market.”

Chemesis will work with Ubican to place VICKI machines in high traffic areas that can help build consistent revenues. The teams will work in tandem to ensure each VICKI is stocked with a specific set of brands and products that support the demographic.

“Partnering with Ubican is a significant step forward in our development program for the VICKI sales strategy, the team provides a strong and robust set of brands and products,” said President of Chemesis, Josh Rosenberg. “With the support of Ubican as our primary supplier, Chemesis will apply to ensure a consistent supply of high quality products for our VICKI machines across the U.S.”
