

Refined Metals Corp Announces Marketing & Issuance of Restricted Share Rights

January 17, 2023

Vancouver, British Columbia – Refined Metals Corp. (CSE: RMC) (OTC: RFMCF) (FRA: CWA0) (the “**Company**” or “**Refined**”) announces it has engaged Orange Unicorn Ltd (“**Orange Unicorn**”) to provide online marketing services for a one-month period, commencing January 23, 2023.

Orange Unicorn will utilize their online programs with the aim of broadening the Company’s reach within the investment community in Europe, increasing investor awareness of the Company and attracting potential new investors through various online platforms and methods of engagement in consideration of €150,000.

The marketing services include distribution and disseminate information provided by Refined to existing and potential shareholders. Orange Unicorn will respond to interested party inquiries and inquiries from shareholders and provide, where appropriate, factual, and public information from the Company. Orange Unicorn is an arm’s-length service provider to the Company.

Refined also announces that it has granted 1,000,000 Restricted Share Rights (“**RSR**”), to certain corporate development consultants of the Company. All RSUs vest four months following the date of grant. Upon settlement, each RSR entitles the holder thereof to receive one common share of the Company.

About Refined Metals Corp.

Refined Metals Corp. is a junior mining company dedicated to identifying, evaluating and acquiring interests in mineral properties in North America. The Company’s business is currently focused on the exploration and development of the Rose Property, a prospective, exploration stage silver-gold-copper-zinc property located near Kamloops, British Columbia. The Company also holds an option to acquire a prospective, exploration stage lithium property located in the Lac Simard region of Quebec pursuant to the Option Agreement. The Company continues to review other mineral properties in North America for possible acquisition in the future.
