

Refined Metals Corp. to Amend Expiry Date of Warrants

Vancouver, British Columbia, November 13, 2023 – Refined Metals Corp. (CSE: RMC; OTC: RFMCF; FRA: CWA0) (the “**Company**”) announces that it intends, effective November 14, 2023, to extend the expiry date of an aggregate of 5,196,667 outstanding common share purchase warrants (the “**Warrants**”) by one year such that the Warrants, which had been scheduled to expire on November 29, 2023, will now have an expiry date of November 29, 2024 (the “**Warrant Amendment**”). All other terms of the Warrants will remain unchanged. The Warrant Amendment remains subject to acceptance by the Canadian Securities Exchange.

The Warrants were originally issued on November 29, 2021 pursuant to a private placement of units at \$0.12 per unit, with each unit consisting of one common share and one Warrant exercisable at \$0.15 per common share until November 29, 2023. After giving effect to a consolidation, which became effective on June 30, 2022, of the Company’s common shares on the basis of two pre-consolidation shares for one post-consolidation share, the Warrants are currently exercisable at \$0.30 per common share. The Company is proposing to undertake the Warrant Amendment in order to provide holders of the Warrants with an extended opportunity to exercise the Warrants and participate in the ownership of the Company and to provide the Company with an extended opportunity to receive the proceeds of any Warrant exercises.

Eli Dusenbury, the Chief Financial Officer of the Company, and Mark Fields, a director of the Company, beneficially own 29,167 Warrants and 42,500 Warrants, respectively. As a result, the Warrant Amendment is considered to be a “related party transaction” as defined under Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions* (“**MI 61-101**”). The Company is relying on the exemptions from the formal valuation and minority approval requirements found in Sections 5.5(a) and 5.7(1)(a) of MI 61-101, as the fair market value of the Warrant Amendment, insofar as it involves Mr. Dusenbury and Mr. Fields, is not more than 25% of the Company’s market capitalization. The Warrant Amendment was unanimously approved by the directors of the Company (with Mr. Fields abstaining), after the nature and extent of Mr. Dusenbury’s and Mr. Fields’ interest in the Warrant Amendment was disclosed. The Company did not file a material change report at least 21 days before the expected effective date of the Warrant Amendment as the Company was required to complete the Warrant Amendment in an expeditious manner prior to the expiry of the Warrants.
