Q BATTERY METALS CORP Appoints CFO and Director

March 7, 2023, Vancouver, BC – Q Battery Metals Corp. (“Q Battery Metals” or the “Company”) (CSE: QMET, OTC: BTKRF, FRA: ONB) announces that Krystal Pineo has been appointed as Chief Financial Officer and as a Director of the Company. In addition, the Company announces that Renat Mataev has resigned as Chief Financial Officer and as a director of the Company. The Company thanks Mr. Mataev for his contributions and wishes him the best in his endeavors.

Krystal Pineo is the founder of KP Capital Inc, a family office and corporate advisory firm. Krystal was a co-founder and former director of Better Plant Sciences Inc., a CSE listed company offering a collection of high efficacy, plant based products for optimum health and wellness. Krystal was a board member of CSE listed Ultra Brands Ltd an agri-food holdings company focused on innovative products and technologies in the food services industry. Krystal is the also the acting COO at AbsolomHealth Corp. a company focused on creating natural solutions for human health optimization through functional and medicinal products. In 2022, Krystal formed Quartier Minerals Inc a privately held battery metals focused project generator.

On behalf of the Board of Directors

Cautionary Statement

This press release contains forward-looking statements based on assumptions as of that date. These statements reflect management's current estimates, beliefs, intentions and expectations; they are not guarantees of future performance. The Company cautions that all forward-looking statements are inherently uncertain and that actual performance may be affected by a number of material factors, many of which are beyond the Company's control. Such factors include, among other things: risks and uncertainties relating to exploration and development; the ability of the Company to obtain additional financing; the Company's limited operating history; the need to comply with environmental and governmental regulations; fluctuations in the prices of commodities; operating hazards and risks; competition and other risks and uncertainties, including those described in the Company's Prospectus dated September 8, 2017 available on www.sedar.com. Accordingly, actual and future events, conditions, and results may differ materially from the estimates, beliefs, intentions, and expectations expressed or implied in the forward-looking information. Except as required under applicable securities legislation, the Company undertakes no obligation to publicly update or revise forward-looking information.
