About United Lithium Corp.

United Lithium Corp. is a lithium exploration and mining company focused on acquiring and developing lithium projects to production. United Lithium Corp. is also actively looking for technologies and software to streamline the mining process to ensure the efficient transport of raw materials from mine to end user along with software to certify environmentally-friendly mining practices and ethically-mined material certifications.

On behalf of the Board of Directors,
UNITED LITHIUM CORP.

George Sharpe
Chief Executive Officer, Director
