OF SHAREHOLDERS**

**THURSDAY, MARCH 29, 2018**

**UNITED LITHIUM CORP.**  
Suite 1080, 789 West Pender Street

**MANAGEMENT INFORMATION CIRCULAR**

(containing information as at February 22, 2018, unless otherwise stated)

**For the Annual General Meeting to be held on Thursday, March 29, 2018**

**SOLICITATION OF PROXIES**

This Management Information Circular (the “**Circular**”) is furnished in connection with the solicitation of proxies by the management (the “**Management**”) of United Lithium Corp. (the “**Company**”), for use at the annual general meeting (the “**Meeting**”) of the shareholders (“**Shareholders**”) of the Company to be held on Thursday, March 29, 2018, at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof.

The enclosed form of proxy (the “**Proxy**”) is solicited by Management. The solicitation will be primarily by mail; however, proxies may be solicited personally or by telephone by the regular officers and employees of the Company. The cost of solicitation will be borne by the Company.

**APPOINTMENT OF PROXYHOLDERS**

The persons named in the Proxy are representatives of the Company.

**A Shareholder entitled to vote at the Meeting has the right to appoint a person (who need not be a Shareholder) to attend and act on the Shareholder's behalf at the Meeting other than the persons named in the accompanying form of proxy. To exercise this right, a Shareholder shall strike out the names of the persons named in the accompanying form of proxy and insert the name of the Shareholder's nominee in the blank space provided, or complete another suitable form of proxy.**

**VOTING BY PROXYHOLDER**

**Manner of Voting**

The common shares represented by the Proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and, if the Shareholder specifies a choice on the Proxy with respect to any matter to be acted upon, the shares will be voted accordingly. On any poll, the persons named in the Proxy (the “**Proxyholders**”) will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the Proxyholder will do so in accordance with such direction.

The Proxy, when properly signed, confers discretionary authority on the Proxyholder with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Circular, Management is not aware that any such amendments, variations or other matters to be presented for action at the Meeting. However, if any other matters which are not now known to Management should properly come before the Meeting, the proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the Proxyholder.

**In the absence of instructions to the contrary, the Proxyholders intend to vote the common shares represented by each Proxy, properly executed, in favour of the motions proposed to be made at the Meeting as stated under the headings in this Circular.**

### **REVOCABILITY OF PROXY**

A Shareholder who has given a Proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by instrument in writing executed by the Shareholder or by his or her attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer and deposited with the Company's registrar and transfer agent, Computershare Trust Company of Canada ("**Computershare**") by hand or mail at 100 University Avenue, 8<sup>th</sup> Floor, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department, or by fax within North America at 1-866-249-7775 or outside North America at 1-416-263-9524 at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or to the Chair of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

### **Voting Thresholds Required for Approval**

In order to approve a motion proposed at the Meeting, a majority of not less than one-half of the votes cast will be required (an "**Ordinary Resolution**") unless the motion requires a special resolution (a "**Special Resolution**"), in which case a majority of not less than two-thirds of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested Shareholder approval, common shares held by Shareholders of the Company who are also "insiders", as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

### **ADVICE TO REGISTERED SHAREHOLDERS**

Shareholders whose names appear on the records of the Company as the registered holders of common shares in the capital of the Company (the "**Registered Shareholders**") may choose to vote by proxy whether or not they are able to attend the Meeting in person.

Registered Shareholders who choose to submit a Proxy may do so by completing, signing, dating and depositing the Proxy with Computershare, by hand or mail at 100 University Avenue, 8<sup>th</sup> Floor, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department, or by fax within North America at 1-866-249-7775 or outside North America at 1-416-263-952, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof. The Proxy may be signed by the Shareholder or by his or her attorney in writing, or, if the Registered Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

### **ADVICE TO BENEFICIAL SHAREHOLDERS**

**The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold shares in their own name.**

Shareholders who do not hold their shares in their own name (the "**Beneficial Shareholders**") should note that only proxies deposited by Registered Shareholders can be recognized and acted upon at the Meeting. If shares are listed in an account statement provided to a Shareholder by an intermediary, such as a

brokerage firm, then, in almost all cases, those shares will not be registered in the Shareholder's name on the records of the Company. Such shares will more likely be registered under the name of the Shareholder's intermediary or an agent of that intermediary, and consequently the Shareholder will be a Beneficial Shareholder. In Canada, the vast majority of such shares are registered under the name CDS & Co. (being the registration name for the Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). The shares held by intermediaries or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, an intermediary and its agents are prohibited from voting shares for the intermediary's clients. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their shares are communicated to the appropriate person.

These proxy-related materials are being sent to both Registered Shareholders and Beneficial Shareholders of the Company. If you are a Beneficial Shareholder and the Company or its agent has sent these proxy-related materials directly to you, your name, address, and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding your securities on your behalf. By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a Proxyholder for a Registered Shareholder and vote their shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their shares as Proxyholder for a Registered Shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their shares as a Proxyholder.

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities that they own (“**OBOs**” for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (“**NOBOs**” for Non-Objecting Beneficial Owners).

### **Non-Objecting Beneficial Owners**

Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs. This year, the Company will not be relying on those provisions of NI 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, proxy materials are being sent to registered shareholders directly and to intermediaries to be forwarded to all NOBOs, who can expect to receive a voting instruction form (“**VIF**”). These VIFs are to be completed and returned in accordance with the mailing, and/or telephone voting, and/or internet voting instructions contained therein. Results of the VIFs received from NOBOs will be tabulated and appropriate instructions will be provided at the Meeting with respect to the shares represented by the VIFs received.

### **Objecting Beneficial Owners**

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their shares are voted at the Meeting.

Applicable regulatory rules require intermediaries to seek voting instructions from OBOs in advance of Shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by OBOs in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to an OBO by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the OBO.

The form of proxy provided to OBOs by intermediaries will be similar to the Proxy provided to Registered Shareholders. However, its purpose is limited to instructing the intermediary on how to vote your shares on your behalf. The majority of intermediaries now delegate responsibility for obtaining instructions from OBOs to Broadridge. Broadridge typically supplies voting instruction forms, mails those forms to OBOs, and asks those OBOs to return the forms to Broadridge or follow specific telephonic or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **An OBO receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure that such shares are voted.**

#### **INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON**

Except as otherwise disclosed herein, none of the directors or officers of the Company, at any time since the Company's incorporation on April 28, 2017, nor any proposed nominee for election as a director, or any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matters to be acted upon at the Meeting other than the election of directors or the appointment of auditors.

#### **VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES**

The Board of Directors of the Company (the "Board") has fixed Thursday, February 22, 2018, as the record date (the "Record Date") for determining persons entitled to receive notice of the Meeting. Only Shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

The Company is authorized to issue an unlimited number of Common Shares. As of the Record Date, there were 13,974,842 Common Shares without par value issued and outstanding, each carrying the right to one vote. No group of Shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Common Shares.

To the knowledge of the directors and executive officers of the Company, no individuals or corporations beneficially own, directly or indirectly, or exercised control or direction over, Common Shares carrying more than 10% of the voting rights attached to all outstanding Common Shares of the Company as at the Record Date.

No compensation securities were granted or issued to any NEO or director by the Company or one of its subsidiaries during the period of inception on April 28, 2017, to the financial year end of July 31, 2017, for services provided or to be provided, directly or indirectly, to the Company or any of its subsidiaries.

### Stock Option Plans and Other Incentive Plans

The Company implemented a stock option plan on June 19, 2017 (the “**Stock Option Plan**”), enabling the Board to grant stock options to purchase common shares in the capital of the Company from time to time to eligible persons (collectively, “**Optionees**”) in consideration of such Optionees providing services to the Company or a subsidiary of the Company. The number of stock options granted by the Company to Optionees is determined by the Board, within the guidelines established by the Plan. The stock options enable such persons to purchase common shares at a price fixed under such guidelines. The stock options are exercisable by the Optionee giving the Company notice and payment of the exercise price for the number of common shares to be acquired.

The purpose of the Stock Option Plan is to attract and retain directors, officers, employees and consultants and to motivate them to advance the interests of the Company by affording them with the opportunity to acquire an equity interest in the Company through options granted under the Stock Option Plan to purchase shares.

Under the Stock Option Plan, the maximum number of common shares reserved for issuance, including stock options currently outstanding, is equal to ten (10%) percent of the common shares outstanding from time to time (the “**10% Maximum**”). The 10% Maximum is an “evergreen” provision, meaning that,

following the exercise, termination, cancellation or expiration of any stock options, a number of common shares equivalent to the number of options so exercised, terminated, cancelled or expired would automatically become reserved and available for issuance in respect of future stock option grants.

The following information summarizes the key terms and is intended to be a brief description of the Company's Stock Option Plan. Such summary is qualified in its entirety by the full text of the Stock Option Plan, a copy of which will be available for inspection at the Meeting. A Shareholder may also obtain a copy of the Stock Option Plan by contacting the Company at Suite 1080, 789 West Pender Street, Vancouver, British Columbia, V6C 1H2.

#### Summary

- the aggregate number of shares that may be issued pursuant to options granted under the Stock Option Plan, unless otherwise approved by Shareholders, may not exceed that number which is equal to 10% of the issued and outstanding shares of the Company at the time of the grant;
- the term of any stock option will not exceed ten years;
- if a director or officer ceases to hold office for any reason other than death, such director or officer shall have the right to exercise any vested option granted to him under the Stock Option Plan and not exercised prior to such cessation of office within a period of 90 days after the date of such cessation of office, or such shorter period as may be set out in the Optionee's written agreement;
- if an employee or consultant ceases to be so engaged by the Company for any reason other than death, such employee or consultant shall have the right to exercise any vested option granted to him under the Stock Option Plan and not exercised prior to such cessation of office within a period of 30 days after the date of such termination, or such shorter period as may be set out in the Optionee's written agreement;
- if an Optionee who is engaged in Investor Relations Activities ceases to be so engaged by the Company, such Optionee shall have the right to exercise any vested option granted to the Optionee under the Stock Option Plan and not exercised prior to such termination within a period of 30 days after the date of termination, or such shorter period as may be set out in the Optionee's written agreement;
- the aggregate number of common shares subject to an option that may be granted to any one individual in any 12-month period under the Stock Option Plan shall not exceed 5% of the issued and outstanding common shares determined at the time of such grant;

During the period from inception on April 28, 2017, to the financial year end of July 31, 2017, there were no agreements or arrangements that provided for compensation to NEOs or directors of the Company, or that provided for payments to a NEO or director at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, severance, a change of control in the Company or a change in the NEO or director's responsibilities.

## **Oversight and Description of Director and NEO Compensation**

### ***Compensation of Directors***

Compensation of directors of the Company is reviewed annually and determined by the Board. There are no formal objectives, criteria or analyses for determining compensation of directors of the Company and primarily relies on discussions and determinations of the Board.

The Company had no arrangements, standard or otherwise, pursuant to which directors were compensated by the Company for their services in their capacity as directors, or for committee participation, involvement in special assignments or for services as a consultant or expert during the period from inception on April 28, 2017, to the financial year end of July 31, 2017, or subsequently, up to and including the date of this Circular with the exception of stock-based compensation as detailed in this Circular.

In the Board's view, there is, and has been, no need for the Company to design or implement a formal compensation program for directors. While the Board considers option grants to directors under the Company's Stock Option Plan from time to time, the Board does not employ a prescribed methodology when determining the grant or allocation of stock options. Other than the Stock Option Plan, as discussed above, the Company does not offer any long-term incentive plans, share compensation plans or any other such benefit programs for directors.

The type and amount of future compensation to be paid to directors has not been determined.

### ***Compensation of NEOs***

Compensation of NEOs is reviewed annually and determined by the Board. There are no formal objectives, criteria or analyses for determining compensation of NEOs of the Company and primarily relies on discussions and determinations of the Board.

In the Board's view, during the period from inception on April 28, 2017, to the financial year end of July 31, 2017, there was no need for the Company to design or implement a formal compensation program for NEOs.

The type and amount of future compensation to be paid to NEOs has not been determined.

### ***Elements of NEO Compensation***

As discussed above, the Company provides a Stock Option Plan to motivate NEOs by providing them with the opportunity, through stock options, to acquire an interest in the Company and benefit from the Company's growth. The Board does not employ a prescribed methodology when determining the grant or allocation of stock options to NEOs. Other than the Stock Option Plan, the Company does not offer any long-term incentive plans, share compensation plans, retirement plans, pension plans, or any other such benefit programs for NEOs.

### **Pension Plan Benefits**

No pension, retirement or deferred compensation plans, including defined contribution plans, have been instituted by the Company and none are proposed at this time.

## **CORPORATE GOVERNANCE**

### **General**

This section sets out the Company's approach to corporate governance pursuant to National Instrument 58-101 - *Disclosure of Corporate Governance Practices* ("**NI 58-101**"), which requires issuers to disclose their corporate governance practices, and addresses the Company's compliance with National Policy 58-201 - *Corporate Governance Guidelines* ("**NP 58-201**"), which provides guidance on corporate governance practices.

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and are accountable to a company's shareholders. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management.

The Board is committed to sound corporate governance practices as such practices are both in the interests of Shareholders and help to contribute to effective and efficient decision-making.

### **Board of Directors**

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A "material relationship" is a relationship which could, in the Board's opinion, be reasonably expected to interfere with the exercise of a director's independent judgment. As at the date of the Circular, the Board consists of George Sharpe, Sheri Rempel, Lan Shangguan, and Charn Deol. Lan Shangguan and Charn Deol are considered to be independent. George Sharpe and Sheri Rempel are not considered to be independent as Mr. Sharpe currently serves as the Company's President and CEO and Ms. Rempel servers as the Company's CFO.

Management was delegated the responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company's business in the ordinary course, managing cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board facilitates its independent supervision over management through frequent meetings of the Board and by reviewing and approving long-term strategic, business and capital plans, material contracts and business transactions, and all debt and equity financing transactions. Through its audit committee, the Board examines the effectiveness of the Company's internal control processes and management information systems. The Board reviews executive compensation and recommends stock option grants.

### ***Directorships***

The following directors of the Company are currently directors of the following other reporting issuers:

Director	Reporting Issuer
Sheri Rempel	Lanebury Growth Capital Inc. Norsemont Capital Inc. Victory Square Technologies Inc. Graphite Energy Corp.
Charn Deol	Berkwood Resources Ltd. Saville Resources Inc. Matica Enterprises Inc.

## Orientation and Continuing Education

The Board does not have a formal process for the orientation of new Board members and orientation is done on an informal basis. New Board members are provided with such information as is considered necessary to ensure that they are familiar with the Company's business and understand the responsibilities of the Board.

The Board does not have a formal program for the continuing education of its directors. The Company expects its directors to pursue such continuing education opportunities as may be required to ensure that they maintain the skill and knowledge necessary to fulfill their duties as members of the Board. Directors can consult with the Company's professional advisors regarding their duties and responsibilities, as well as recent developments relevant to the Company and the Board.

## Ethical Business Conduct

The Board has determined that the fiduciary duties placed on individual directors by the Company's governing corporate legislation, common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest are sufficient to ensure that the Board operates independently of management and in the best interests of the Company. Furthermore, the Board promotes fair dealing with all its stakeholders and requires compliance with the laws of each jurisdiction in which the Company operates.

The Board of Directors is also required to comply with the conflict of interest provisions of the *Business Corporations Act* (British Columbia) and relevant securities regulation in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director is required to declare the nature and extent of his interest and is not entitled to vote on any matter that is the subject of the conflict of interest.

## Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of view and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. Potential candidates are primarily identified through referrals by business contacts.

## **Compensation**

The compensation of directors and NEOs is determined by the Board as a whole. Such compensation is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

## **Other Board Committees**

The Board does not have any standing committees other than the Audit Committee.

## **Assessments**

The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committee(s), or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time. The entire Board is responsible for selecting new directors and assessing current directors. A proposed director's credentials are reviewed in advance of a Board meeting by one or more members of the Board prior to the proposed director's nomination.

## **AUDIT COMMITTEE**

The Company is a venture issuer as defined under National Instrument 52-110 - *Audit Committees* ("NI 52-110") and each venture issuer is required to disclose annually in its information circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth below.

### **Audit Committee Charter**

The audit committee has a charter as adopted by the Board, a copy of which is attached to this Circular as Schedule "A", and is specifically incorporated by reference into, and forms an integral part of this Circular.

### **Composition of the Audit Committee**

NI 52-110 provides that a member of an audit committee is "independent" if the member has no direct or indirect material relationship with the Company, which could, in the view of the Board, reasonably interfere with the exercise of the member's independent judgment.

NI 52-110 provides that an individual is "financially literate" if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.

The current members of the Audit Committee are George Sharpe, Lan Shangguan and Charn Deol, all of whom are financially literate as defined by NI 52-110. Lan Shangguan and Charn Deol are considered independent and George Sharpe is not independent as defined by NI 52-110 as he is the President and CEO of the Company.
