CERTIFICATE OF AUTHOR

As the individual who has co-authored or supervised the preparation of Sections 2 to 6 and 15 to 24 and part of Sections 1, 25, 26 and 27 of the Technical Report prepared for United Lithium Corp. (Issuer) entitled "Revised NI43-101 Technical Report on the Bergby Lithium project, East-Central Sweden" dated effective 29th of July, 2021. (Technical Report), I, Mathieu Gosselin, Engineer do hereby certify that:

1. I am CEO, President and Industry Expert-Mining with Gosselin Mining AB with an office situated at Industrivägen 23, Solna, Sweden 171 48;
2. This certificate is to accompany the report "Revised NI43-101 Technical Report on the Bergby Lithium project, East-Central Sweden" for United Lithium Corp. with an effective date of reporting on the 29th of July, 2021.
3. I graduated with a degree in Bachelor of Engineering, Mining from McGill University, Montréal in 2004;
4. I am a member of Ordre des ingénieurs du Québec (no 135077);
5. I have worked as a mining engineer continuously for a total of 17 years since my graduation from university in 2004. I have relevant experience in the evaluation and extraction of industrial minerals, phosphate, coal and graphite deposits. I have sufficient experience in the modifying factors, mining methods, mine life and production rates, mineral reserve and mining costs estimating techniques that are relevant to the deposit under consideration. I also have appreciation of extraction and processing techniques applicable to that deposit type.
6. I have read the definition of "qualified person" set out in the National Instrument 43-101 ("NI-43-101") and certify that by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past relevant work experience, I fulfil the requirements to be a "qualified person" for the purposes of NI 43-101;
7. I am responsible for the preparation of Sections 2 to 6 and 15 to 24 and part of Sections 1, 25, 26 and 27 of the technical report titled "Revised NI43-101 Technical Report on the Bergby Lithium project, East-Central Sweden" for United Lithium Corp. with an effective date of reporting on the 29th of July, 2021 (the "Technical Report") relating to the Bergby Lithium project. I visited United Lithium Corp's Bergby property on June 15th 2021 for 1 day;
8. I have not had prior involvement with the property that is the subject of the Technical Report;
9. I am not aware of any material fact or material change with respect to the subject matter of the Technical Report that is not reflected in the Technical Report, the omission to disclose which makes the Technical Report misleading;
10. I am independent of the issuer applying all of the tests in Section 1.5 of NI 43-101.
11. I have read NI 43-101 and Forms 43-101F1, and the Technical Report has been prepared in compliance with that instrument and form;
12. As of the date of this certificate, to the best of my knowledge, information and belief, the portion of the Technical Report for which I am responsible contains all scientific and technical information that is required to be disclosed to make the portion of the Technical Report for which I am responsible not misleading.

Dated this 4th Day of August, 2021.
