CERTIFICATE OF AUTHOR

As the individual who has co-authored or supervised the preparation of Section 11 of the Technical Report prepared for United Lithium Corp. (Issuer) entitled "Revised NI43-101 Technical Report on the Bergby Lithium project, East-Central Sweden" dated effective 29th of July, 2021. (Technical Report), I, Mark Saxon, FAusIMM, MAIG do hereby certify that:

1. I am a Principal of Kinetic Raw Materials Consulting, domiciled at 28 Elwood Drive, Strathdale 3550, Australia;
2. This certificate is to accompany the report "Revised NI43-101 Technical Report on the Bergby Lithium project, East-Central Sweden" for United Lithium Corp. with an effective date of reporting on the 29th of July, 2021;
3. I graduated from the University of Melbourne with a Bachelor of Science (Honours) in Geology in 1992;
4. I am a Fellow of the Australasian Institute of Mining and Metallurgy (member number 221846) and a Member of the Australian Institute of Geoscientists (member number 3042);
5. I have worked as a geologist continuously for a total of 28 years since my graduation from university in 1992. I have relevant experience in the evaluation and extraction of gold, copper, rare earth elements, lithium, zinc and graphite deposits. I have sufficient experience in the modifying factors, mining methods, mine life and production rates, mineral reserve and mining costs estimating techniques that are relevant to the deposit under consideration. I have experience with the extraction and processing techniques applicable to this deposit type.
6. I have read the definition of "qualified person" set out in the National Instrument 43-101 ("NI-43-101") and certify that by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past relevant work experience, I fulfil the requirements to be a "qualified person" for the purposes of NI 43-101;
7. I am responsible for the preparation of Section 11 of the technical report titled "Revised NI43-101 Technical Report on the Bergby Lithium project, East-Central Sweden" for United Lithium Corp. with an effective date of reporting on the 29th July, 2021 (the "Technical Report") relating to the Bergby Lithium project. I visited United Lithium Corp's Bergby property most recently during September 2017 for 2 days;
8. I was involved with all facets of the sampling and drilling of the Bergby lithium project since discovery;
9. I am not aware of any material fact or material change with respect to the subject matter of the Technical Report that is not reflected in the Technical Report, the omission to disclose which makes the Technical Report misleading;
10. I am independent of the issuer applying all of the tests in Section 1.5 of NI 43-101.
11. I have read NI 43-101 and Forms 43-101F1, and the Technical Report has been prepared in compliance with that instrument and form;
12. As of the date of this certificate, to the best of my knowledge, information and belief, the portion of the Technical Report for which I am responsible contains all scientific and technical information that is required to be disclosed to make the portion of the Technical Report for which I am responsible not misleading.

Dated this 29th Day of July , 2021.
