INFORMATION CIRCULAR

(all information as at November 18, 2022, unless otherwise stated)

Spod Lithium Corp. (“**SPOD**” or the “**Company**”) is providing this Information Circular and a form of proxy in connection with management’s solicitation of proxies for use at the Annual General Meeting (the “**Meeting**”) of shareholders of SPOD to be held on Tuesday, December 20, 2022, and at any adjournments. SPOD will conduct its solicitation by mail and officers and employees of SPOD may, without receiving special compensation, also telephone or make other personal contact. SPOD will pay the cost of solicitation.

PROXY RELATED INFORMATION

Appointment of Proxyholder

The purpose of a proxy is to designate persons who will vote the proxy on a shareholder’s behalf in accordance with the instructions given by the shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy are officers or directors of SPOD (the “**Management Proxyholders**”).

A shareholder has the right to appoint a person other than a Management Proxyholder to represent the shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person’s name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder.

Voting by Proxy

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly.

If a shareholder does not specify a choice and the shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The enclosed form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of SPOD knows of no such amendments, variations or other matters to come before the Meeting.

Completion and Return of Proxy

Completed forms of proxy must be deposited at the office of SPOD’s registrar and transfer agent, Odyssey Trust Company, 350-409 Granville Street, Vancouver, British Columbia, V6C 1T2, not later than forty-

eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting, unless the chairman of the Meeting elects to exercise his discretion to accept proxies deposited subsequently.

Non-Registered Holders

Only shareholders whose names appear on the records of SPOD as the registered holders of shares or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of SPOD are “non-registered” shareholders because the shares they own are not registered in their names but instead registered in the name of a nominee such as a brokerage firm through which they purchased the shares; bank, trust company, trustee or administrator of self-administered RRSP’s, RRIF’s, RESP’s and similar plans; or clearing agency such as The Canadian Depository for Securities Limited (a “**Nominee**”). If you purchased your shares through a broker, you are likely an unregistered holder.

In accordance with securities regulatory policy, SPOD has distributed copies of the Meeting materials, being the Notice of Meeting, this Information Circular and the Proxy, to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order that your Shares are voted at the Meeting.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

In addition, Canadian securities legislation now permits SPOD to forward meeting materials directly to “non-objecting beneficial owners”. If SPOD or its agent has sent these materials directly to you (instead of through a Nominee), your name, address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Nominee holding on your behalf. By choosing to send these materials to you directly, SPOD (and not the Nominee holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions.

Revocability of Proxy

Any registered shareholder who has returned a proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a registered shareholder, his attorney authorized in writing or, if the registered shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of SPOD, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting. **Only registered shareholders have the right to revoke a proxy. Non-Registered Holders who wish to change their vote must, at least seven days before the Meeting, arrange for their Nominees to revoke the proxy on their behalf.**

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized capital of SPOD consists of an unlimited number of Class A common shares without par value (each, a “**Common Share**”). As at the date hereof, there are issued and outstanding 46,468,715 fully paid and non-assessable Common Shares without par value, each share carrying the right to one vote. The Company has no other classes of voting securities.

Persons who are registered shareholders at the close of business on November 18, 2022, will be entitled to receive notice of and vote at the Meeting and will be entitled to one vote for each share held.

To the knowledge of the directors and senior officers of the Company, no persons beneficially own, directly or indirectly, or exercise control or direction over shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company that have the right to vote in all circumstances.

Stock Option Plans and Other Incentive Plans

The Company has adopted a stock option plan (the “**Plan**”) which provides eligible directors, officers, employees and consultants with the opportunity to acquire an ownership interest in the Company and is the basis for the Company’s long-term incentive scheme. The Plan was previously approved by the shareholders of the Company at the Company’s 2021 meeting of shareholders. The key features of the Plan are as follows:

- The maximum number of Common Shares issuable under the Plan shall not exceed 10% of the number of Common Shares of the Company issued and outstanding as of each award date, inclusive of all Common Shares reserved for issuance pursuant to previously granted stock options.
- The options have a maximum term of five years from the date of issue.
- Options vest as the board of directors of the Company may determine upon the award of the options.
- The exercise price of options granted under the Plan will be determined by the board of directors but will not be less than the greater of the closing market price of the Company’s Common Shares on the Canadian Securities Exchange on (a) the trading day prior to the date of grant of the options; and (b) the date of grant of the stock options.
- The expiry date of an option shall be the earlier of the date fixed by the Company’s board of directors on the award date, and: (a) in the event of the death of the option holder while he or she is a director or employee (other than an employee performing investor relations activities), 12 months from the date of death of the option holder, or while he or she is a consultant or an employee performing investor relations activities, 30 days from the date of death of the option holder; (b) in the event that the option holder holds his or her option as a director and such option holder ceases to be a director of the Company other than by reason of death, 90 days following the date the option holder ceases to be a director (provided however that if the option holder continues to be engaged by the Company as an employee or consultant, the expiry date shall remain unchanged), unless the option holder ceases to be a director as a result of ceasing to meet the qualifications set forth in section 124 of the *Business Corporations Act* (British Columbia) or a special resolution passed by the shareholders of the Company pursuant to section 128(3) of the *Business Corporations Act* (British Columbia), in which case the expiry date will be the date that the option holder ceases to be a director of the Company; (c) in the event that the option holder holds his or her option as an employee or consultant of the Company (other than an employee or consultant performing investor relations activities) and such option holder ceases to be an employee or consultant of the Company other than by reason of death, 30 days following the date the option holder ceases to be an employee or consultant, unless the option holder ceases to be such as a result of termination for cause or an order of the British Columbia Securities Commission, the Canadian Securities Exchange or any regulatory body having jurisdiction to so order, in which case the expiry date shall be the date the option holder ceases to be an employee or consultant of the Company; and (d) in the event that the option holder holds his or her option as an employee or consultant of the Company who provides investor relations activities on behalf of the Company, and such option holder ceases to be an employee or consultant of the Company other than by reason of death, the expiry date shall be the date the option holder ceases to be an employee or consultant of the Company.

The Plan may be terminated at any time by resolution of the board of directors, but any such termination will not affect or prejudice rights of participants holding options at that time. If the Plan is terminated, outstanding options will continue to be governed by the provisions of the Plan.

MANAGEMENT CONTRACTS

Other than as described elsewhere in this Information Circular, there are no agreements or arrangements under which management functions of SPOD or any subsidiary of SPOD are, to any substantial degree, performed by a person other than the directors or executive officers of SPOD or a subsidiary of SPOD.

CORPORATE GOVERNANCE DISCLOSURE

On June 30, 2005, National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) and National Policy 58-201 – *Corporate Governance Guidelines* (the “**Guidelines**”), came into force. The Guidelines address matters such as the constitution of and the functions to be performed by the Company’s board. NI 58-101 requires that the Company disclose its approach to corporate governance with reference to the Guidelines. The board of the Company is committed to ensuring that the Company has an effective corporate governance system, which adds value and assists the Company in achieving its objectives.

Board of Directors

Each of Gerald Kelly and Jeannot Theberge is an “independent” director, according to the definition set out in NI 52-110. Each of Chris Cooper and Hani Zabaneh is not independent as he is currently an executive officer of the Company.

The independent directors believe that their knowledge of the Company’s business and their independence are sufficient to facilitate the functioning of the board independently of management. To facilitate open and candid discussion among the board’s independent directors, the independent directors have the discretion to meet in private in the absence of the other directors whenever they believe it is appropriate to do so. To date, the independent directors have not held a meeting at which non-independent directors and members of management were not in attendance.

Other Directorships

The directors of the Company are presently directors of other reporting issuers, as follows:

<u>Director</u>	<u>Other Issuers</u>
Chris Cooper	Reparo Energy Partners Corp. Planet Ventures Inc. Alpha Lithium Corporation Coloured Ties Capital Inc. Sweet Earth Holdings Corporation New Leaf Ventures Inc. Manning Ventures Inc. Level 14 Ventures Ltd. Global Helium Corp. Xcite Resources Inc. Beta Energy Corp. Atco Mining Inc.
Gerald Kelly	Castlebar Capital Corp. Web3 Ventures Inc. Gold Tree Resources Ltd.
Jeannot Theberge	None
Hani Zabaneh	Datum Ventures Inc. Quebec Nickel Corp. Canter Resources Corp.

Orientation and Continuing Education

Management will ensure that a new appointee to the board receives the appropriate written materials to fully apprise him or her of the duties and responsibilities of a director pursuant to applicable law and policy. Each new director brings a different skill set and professional background, and with this information, the board is able to determine what orientation to the nature and operations of the Company's business will be necessary and relevant to each new director.

Ethical Business Conduct

The board expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company's business plan and to meet performance objectives and goals. In addition, the board must comply with conflict of interest provisions in Canadian corporate law, including relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

Nomination of Directors

Given the Company's current stage of development and size of the board, the board is presently of the view that it functions effectively as a committee of the whole with respect to the nomination of directors. The entire board will assess potential nominees and take responsibility for selecting new directors. Any nominees are expected to be generally the result of recruitment efforts by the board members, including both formal and informal discussions among board members and management of the Company.

Compensation

The Company does not have a Compensation Committee. Compensation matters for the Company's directors and officers are dealt with by the full board. The board meets to discuss and determine director and management compensation without reference to formal objectives, criteria or analysis.

Other Board Committees

The only board committee of the Company is the Audit Committee.

Assessments

The board annually reviews its own performance and effectiveness. Neither the Company nor the board has determined formal means or methods to regularly assess the board, its committees or the individual directors with respect to their effectiveness and contributions. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of an individual director are informally monitored by the other board members, having in mind the business strengths of the individual and the purpose of originally nominating the individual to the board.

The board is of the view that the Company's corporate governance practices are appropriate and effective for the Company, given its relatively small size and limited operations. The Company's method of corporate governance allows for the Company to operate efficiently, with simple checks and balances that control and monitor management and corporate functions without excessive administrative burden.

AUDIT COMMITTEE DISCLOSURE

General

The Audit Committee is responsible for reviewing the Company's financial reporting procedures, internal controls and the performance of the financial management and external auditor of the Company. The Audit Committee also reviews the annual and interim financial statements and makes recommendations to the Board.

As the Company is a "venture issuer" (as defined in National Instrument 52-110 – Audit Committees ("NI 52-110")), it is relying on the exemptions provided to it under section 6.1 of NI 52-110 with respect to the composition of the Audit Committee and with respect to Audit Committee reporting obligations. At no time since the commencement of the Company's most recently completed financial year has the Company relied on the exemption in Section 2.4 of NI 52-110 (*De Minimis* Non-Audit Services), or an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110.

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the charter of the Audit Committee under the heading "Responsibilities". At no time since the commencement of the Company's most recently completed financial year was a recommendation of the Audit Committee to nominate or compensate an external auditor not adopted by the board of directors.

The Audit Committee is comprised of Chris Cooper, Gerald Kelly and Jeannot Theberge, all of whom are "financially literate" and two of whom are "independent", as those terms are defined in NI 52-110. Chris Cooper is not independent. The education and experience of each audit committee member that is relevant to the performance of his responsibilities as an audit committee member, and in particular the education or experience that provides each member with (i) an understanding of the accounting principles used by the Company to prepare its financial statements, (ii) the ability to assess the general application of such accounting principles in connection with the accounting for estimates, accruals and provisions, (iii) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, and (iv) an understanding of internal controls and procedures for financial reporting, is as follows:

Chris Cooper	Mr. Cooper has over 20 years of extensive business experience in all facets of corporate development, senior management, finance and operations, in both the private and public sectors. His experience includes spearheading growth strategies, financial reporting, quarterly and annual budgets, overseeing corporate administration, while achieving company objectives and maintaining internal cost controls. He received his Bachelor of Business Administration from Hofstra University and his Master's in Business Administration from Dowling College in New York.
Gerald Kelly	Mr. Kelly graduated from the University of British Columbia with a Bachelor of Arts in 1993 and graduated with a Diploma of Technology in Marketing from the British Columbia Institute of Technology in 1995. He is currently engaged as a Partner at Caymus Advisors Inc., a corporate development and advisory company.

- b) is, as of the date hereof, or has been within the 10 years before the date hereof, a director or executive officer of any company (including SPOD) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or was subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director; or

- c) has within the 10 years before the date hereof, become a bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

In May 2011, Mr. Gerald Kelly, a director of the Company, filed a consumer proposal under the *Bankruptcy and Insolvency Act* and filed for personal bankruptcy in July 2013. The bankruptcy was discharged in April 2014.

Mr. Chris Cooper, a director and CEO of the Company, was an officer and a director of Reparo Energy Partners Corp., a company which subsequently delisted, when it was cease traded on March 6, 2015. On August 5, 2016, Edge received a cease trade order from the Alberta Securities Commission for failure to file financial statements. Since a receiver had been appointed for Edge on April 29, 2016, the officers and directors of Edge were no longer in control of the assets or undertaking of Edge, being replaced by Grant Thornton as receiver. This made it impossible, following such date, for the directors of Edge to affect the continuance of Edge’s public filings.

APPENDIX I

AUDIT COMMITTEE CHARTER

General

The primary function of the Audit Committee is to assist the Board of Directors of Spod Lithium Corp. (the “Board”) in fulfilling its oversight responsibilities by reviewing the financial information to be provided to the shareholders and others, the systems of internal controls and management information systems established by management and SPOD’s external audit process and monitoring compliance with SPOD’s legal and regulatory requirements with respect to its financial statements.

The Audit Committee is accountable to the Board. In the course of fulfilling its specific responsibilities hereunder, the Audit Committee is expected to maintain an open communication between SPOD’s external auditors and the Board.

The responsibilities of a member of the Audit Committee are in addition to such member’s duties as a member of the Board.

The Audit Committee does not plan or perform audits or warrant the accuracy or completeness of SPOD’s financial statements or financial disclosure or compliance with generally accepted accounting procedures as these are the responsibility of management and the external auditors.

Relationship with External Auditors

The external auditor is required to report directly to the Audit Committee. Opportunities shall be afforded periodically to the external auditor and to members of senior management to meet separately with the Audit Committee.

Composition of Audit Committee

The Committee membership shall satisfy the laws governing SPOD and the independence, financial literacy and experience requirements under securities law, stock exchange and any other regulatory requirements as are applicable to SPOD.

Responsibilities

1. The Audit Committee shall be responsible for making the following recommendations to the Board:
 - (a) the external auditor to be nominated for the purpose of preparing or issuing an auditor’s report or performing other audit, review or attest services for SPOD; and
