

News Release

SPOD LITHIUM CLOSES NON-BROKERED PRIVATE PLACEMENT

Vancouver, B.C. – December 27, 2023 – SPOD LITHIUM CORP. (“SPOD” or the “Company”) (CSE: SPOD) (OTCQB:SPODF) announces that it has closed its previously announced non-brokered private placement (the “Financing”), raising gross proceeds of up to \$1,443,750 through the issuance of 10,694,444 units (each, a “Unit”) at a price of \$0.135 per Unit, each Unit consisting of one “flow-through” Class A common share (each, a “Common Share”) and one-half of one transferable Class A common share purchase warrant (each whole warrant, a “Warrant”, exercisable for a non-flow-through common share (each, a “Warrant Share”) at \$0.12 for 24 months from the date of issuance). The securities issued are subject to a four-month hold period according to applicable securities laws of Canada, which will expire April 28, 2024.

The Company did not pay any finder's fees in connection with the Offering. Proceeds from the Financing will be used to incur eligible “Canadian exploration expenses” that are “flow-through mining expenditures” (as such term is defined in the *Income Tax Act* (Canada)).

On Behalf of the Board of Directors

Chris Cooper
Chief Executive Officer

Forward-Looking Information

Certain statements in this news release are forward-looking statements, including with respect to future plans, and other matters. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Such information can generally be identified by the use of forwarding-looking wording such as “may”, “expect”, “estimate”, “anticipate”, “intend”, “believe” and “continue” or the negative thereof or similar variations. The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company, including but not limited to, business, economic and capital market conditions, the ability to manage operating expenses, and dependence on key personnel. Such statements and information are based on numerous assumptions regarding present and future business strategies and the environment in which the Company will operate in the future, anticipated costs, and the ability to achieve goals. Factors that could cause the actual results to differ materially from those in forward-looking statements include,

the continued availability of capital and financing, litigation, failure of counterparties to perform their contractual obligations, loss of key employees and consultants, and general economic, market or business conditions. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The reader is cautioned not to place undue reliance on any forward-looking information.

The forward-looking statements contained in this news release are made as of the date of this news release. Except as required by law, the Company disclaims any intention and assumes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

The CSE has not reviewed, approved or disapproved the contents of this news release.
