

## DCS Provides Update on Quarterly Financial Filings

**SAN DIEGO, CA – May 28, 2020** — The Company announces it is relying on an exemption adopted by the British Columbia Securities Commission ("BCSC") and provided in BC Instrument 51-515 *Temporary Exemption from Certain Corporate Finance Requirements* ("Blanket Exemption Order") for the purpose of extending the time required to comply with filing requirements resulting from the challenges posed by the COVID-19 pandemic.

The Company will (i) delay the filing of its quarterly financial statements and related management discussion and analysis for the three months ended March 31, 2020 (collectively the "Required Quarterly Filings"), and (ii) rely on the extension provided by the Blanket Exemption Order to comply with the delivery requirements of applicable securities laws relating to the Required Quarterly Filings.

Under the Blanket Exemption Order, the Company has an additional 45 days after the June 1, 2020 deadline to complete its filing. The Company currently intends to file the Quarterly Filings on or before July 15, 2020. In accordance with the Blanket Exemption Order, the Company's management and other insiders are subject to a trading black-out policy that reflects the principles in section 9 of National Policy 11-207 *Failure-to-File Cease Trade Orders and Revocations in Multiple Jurisdictions* until the Required Quarterly Filings are filed on SEDAR.

Except for any announcements already previously disclosed by the Company in news releases, including the information herein, the Company confirms there are no other material business developments since May 11, 2020, the date of the Company's audited annual financial statements for the year ended December 31, 2019.
