

DCS Acknowledged as Top 50 Global Partner by Wialon

San Diego, California--(Newsfile Corp. - August 6, 2020) - DCS (OTC: DCSX) (CSE: DCSI) announced today it has been awarded a Wialon Top 50 Global Award as a result of its increase in MiFleet Subscriber base. MiFleet, DCS's Fleet & Asset Management Solution, ranks 27th overall globally in the Wialon Ecosystem, the largest division in Gurtam. The award was received during Wialon's virtual live streaming awards ceremony which included partners from around the world confined by travel restrictions due to COVID-19.

"Being recognized for this award by Wialon demonstrates our global relationships. Our collaboration with the Wialon team gives us the flexibility to create new and unique solutions. Our partnership allows us to be creative and stay in front of global market trends and demands," said Chris Bursey, CEO of DCS. "This award is special considering all the challenges we have all faced over the last 6 months with COVID-19."

"We are pleased to announce DCS as #27 in our Top 50 Global Partner awards. Having partners like DCS in our global partner ecosystem is crucial to our strategy of continued growth. DCS has a creative approach to the market and builds real-world solutions based on the Wialon platform," said Aliaksandr Kuushynau, Chief Wialon Officer. "We value our partnership and look forward to continuing to collaborate and grow the North American market with DCS."

Forward-Looking Statements

This release contains forward-looking statements, which reflect management's current views of future events and operations. These statements are based on current expectations and assumptions that are subject to risks and uncertainties that could cause actual results to differ materially. We believe that these potential risks and uncertainties include, without limitation: the ongoing COVID-19 pandemic, the Company's dependence on third-party manufacturers, suppliers, technologies and infrastructure; risks related to intellectual property; industry risks including competition, online security, government regulation and global economic conditions; and the Company's financial position and need for additional funding. Statements in this release should be evaluated in light of these factors. These risk factors and other important factors that could affect our business and financial results are discussed in our Management's Discussion and Analysis, periodic reports and other public filings which are available on SEDAR at www.sedar.com and posted with the OTC Disclosure and News Service. DCS undertakes no duty to update or revise any forward-looking statements.
