

## **Direct Communication Solutions to Participate in the Wialon Global Telematics Conference for Outstanding Partner Performance and AGM Details**

San Diego, California--(Newsfile Corp. – December 6, 2023) - **Direct Communication Solutions, Inc. (OTCQX: DCSX) (CSE: DCSI) (FSE: 7QU0)** ("DCS" or the "Company"), a leading provider of information technology solutions for the Internet of Things (IoT) market, is pleased to announce its participation in the Wialon Global Telematics Conference in Vilnius Lithuania, in recognition of our outstanding performance in continuing to grow our subscriber base in the telematics market in North America. DCS continues to demonstrate excellence and innovation in the telematics sector and has been ranked #7 in North America, which includes the United States, Canada and Mexico markets.

The Wialon Global Telematics Conference, renowned for bringing together top industry players and fostering collaboration, will provide DCS with a platform to showcase their expertise, share insights, and engage in discussions that will shape the future of the telematics industry.

CEO of Direct Communication Solutions Chris Bursey, expressed gratitude for the invitation, "Being recognized as the #7 top partner in North America is a testament to the hard work and dedication of our team. We are excited to participate in the Wialon Global Telematics Conference and contribute to the advancements in the industry."

### **Upcoming AMG Information**

Direct Communication Solutions wishes to inform stakeholders of our upcoming Annual General Meeting (AGM) on Monday, December 11, 2023, at 10 AM PST at 11021 Frontera, Suite C, San Diego, California, 92127.

We seek Safe Harbor.

### **Forward-Looking Statements**

This release contains forward-looking statements reflecting management's current views of future events and operations. These statements are based on current expectations and assumptions, subject to risks and uncertainties that could cause results to differ materially. DCS believes that these potential risks and uncertainties include, without limitation: the ongoing COVID-19 pandemic, the Company's dependence on third-party manufacturers, suppliers, technologies, and infrastructure; risks related to intellectual property; industry risks, including competition, online security, government regulation, and global economic conditions; and the Company's financial position and need for additional funding. Statements in this release should be evaluated in light of these factors. These risk factors and other important factors that could affect our business and financial results are discussed in our Management's Discussion and Analysis, periodic reports, and other public filings available on SEDAR+ at [www.sedarplus.ca](http://www.sedarplus.ca) and posted with the OTC Disclosure and News Service. DCS undertakes no duty to update or revise any forward-looking statements.

Neither the Canadian Securities Exchange nor its Regulation Services Provider (as that term is defined in the policies of the Canadian Securities Exchange) accepts responsibility for the adequacy or accuracy of this release
