

Nerds On Site Announces Commencement of Trading on the Frankfurt Stock Exchange

TORONTO, Dec. 11, 2018 /CNW/ - **Nerds on Site Inc. (the "Company") (CSE:NERD) (FSE: SUB.VTG.)**, a mobile IT solutions company servicing the SME marketplace, is pleased to announce that the company has commenced trading on the Frankfurt Stock Exchange under the symbol SUB.VTG.

Nerds On Site is primarily targeting the small and medium-sized business marketplace, which currently does not have a clear national leader in the U.S. Even though there are many good regional players, there is a strong opportunity for an organization to step in and claim ownership of the SME space on a truly national level. Nerds On Site has achieved this in Canada and intends to replicate its success in the U.S. as well.

"Building upon our recent IPO, this listing on the Frankfurt Stock Exchange will allow European investors to participate in our business model as we expand into the highly fragmented US Market, leveraging our track record of customer satisfaction and our recognizable brand," said Charlie Regan, CEO of Nerds on Site.
