

## **Nerds On Site Retains CHF Capital Markets to Provide Investor Relations and Corporate Communications Services**

TORONTO--(BUSINESS WIRE)--March 9, 2021--Nerds On Site Inc. (CSE: NERD) (“NERD” or the “Company”), a mobile IT solutions company servicing small and medium enterprise (SME) marketplace in Canada and the USA, is pleased to announce that it has engaged CHF Capital Markets (“CHF”), a highly-regarded Canadian investor relations and capital markets firm, as its representative.

“For a long time, NERD has been focused on building its brand and solidifying the business foundation. Now that we are on the trajectory of constant and fast growth, we feel that the time has come for NERD to do more in the IR and Stakeholder Relations departments in order for the investment community to notice what has been so carefully and persistently built over the years of the Company’s existence. CHF seemed like a perfect fit for this. We are very excited to be working with Cathy Hume and her team to improve NERD’s investor relations campaigns and show potential investors all that we have to offer,” said Charles Regan, CEO of Nerds On Site.

Effective immediately, the services agreement for corporate communications, shareholder relations, investment industry outreach, and social and digital marketing is for a term of twelve months ending February 28, 2022. Thereafter, the contract may be extended with a two-month termination notice. Under the terms of the agreement, CHF will receive a monthly fee of \$7,000 in addition to reimbursement of any expenses incurred. CHF will be granted shares options once the Board of Directors has approved the terms. Upon termination of this contract, the option will expire in 30 days.
