

Permex Petroleum Provides Update Regarding Management Cease Trade Order

VANCOUVER, BC, April 12, 2024 – Permex Petroleum Corporation (CSE: OIL) (OTCQB: OILCF) (FSE: 75P) ("Permex" or the "Company") is providing an update with respect to the management cease trade order ("MCTO") issued by the British Columbia Securities Commission (the "BCSC") on January 30, 2024, as previously announced by the Company in news releases dated January 31, 2024, February 19, 2024, February 28, 2024, March 13, 2024 and March 26, 2024. The MCTO was issued by the BCSC in connection with the delay by the Company in filing its audited annual financial statements and accompanying management's discussion and analysis, with related CEO and CFO certificates for the financial year ended September 30, 2023 (collectively, the "Annual Filings").

The completion of such Annual Filings was delayed due to a lack of funds, which prevented the Company from being able to engage its auditor. The Company is in the process of engaging its auditor.

The Company is providing this status update in accordance with National Policy 12-203 – *Management Cease Trade Orders* ("NP 12-203"). The Company intends to follow the provisions of the Alternative Information Guidelines set out in NP 12-203, including the issuance of bi-weekly default status reports in the form of news releases, for as long as the Company remains in default. The Company confirms, as of the date of this news release, that, other than the news release dated March 26, 2024 announcing a delay in the completion of the Annual Filings and an extension of the MCTO granted by the BCSC until April 15, 2024, there has been no material change in the information contained in the default announcement issued January 31, 2024, and the default status reports issued on February 19, 2024, February 28, 2024 and March 13, 2024 and there is no other material information concerning the affairs of the Company that has not been generally disclosed. The Company anticipates filing the Annual Filings and remedying its default on or before May 31, 2024.

About Permex Petroleum Corporation

Permex Petroleum is a uniquely positioned junior oil and gas company with assets and operations across the Permian Basin of West Texas and the Delaware Sub-Basin of New Mexico. The Company focuses on combining its low-cost development of Held by Production assets for sustainable growth with its current and future Blue-Sky projects for scale growth. Forward-Looking Statements

Cautionary Note Regarding Forward-Looking Statements: This release includes certain statements and information that may constitute forward-looking information within the meaning of applicable Canadian securities laws. Forward-looking statements relate to future events or future performance and reflect the expectations or beliefs of management of the Company regarding future events. Generally, forward-looking statements and information can be identified using forward-looking terminology such as "intends" or "anticipates", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would" or "occur". This information and these statements, referred to herein as "forward-looking statements", are not historical facts, are made as of the date of this news release and include without limitation, statements regarding discussions of future plans, estimates and forecasts and statements as to management's expectations and intentions with respect to, among other things, management expectations regarding the Company's ability to file the Annual Filings within the time period described herein.

These forward-looking statements involve numerous risks and uncertainties and actual results might differ materially from results suggested in any forward-looking statements. These risks and uncertainties include, among other things: the Company being unable to file the Annual Filings in the proposed timeframe; recent market volatility; and the state of the financial markets for the Company's securities.

In making the forward-looking statements in this news release, the Company has applied certain material assumptions, including without limitation, that: the Company will be able to file the Annual Filings in the proposed time frame.

Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. Readers are cautioned that reliance on such information may not be appropriate for other purposes. The Company does not undertake to update any forward-looking statement, forward-looking information or financial outlook that are incorporated by reference herein, except in accordance with applicable securities laws. We seek safe harbor.
