

CANNABIS STRATEGIES ACQUISITION CORP.

May 16, 2019

CSAC reports that at a public meeting of the Massachusetts Cannabis Control Commission held today, it was asked to confirm that it had disclosed to the Commission all documents relating to the ownership and control of Sira Naturals, Inc. following the closing of its qualifying acquisition. CSAC will be providing documentation in response to this request, and another meeting of the Commission is expected next week. CSAC's proposed acquisition of Sira Naturals, Inc. today was recommended by the Commission's staff for consideration by the Commission.
