Judgment on any revised award may be confirmed, entered and docketed in any court having jurisdiction. The same confidentiality provisions that apply to the Parties with respect to the original arbitration will apply to the appeal.
- (viii) If JAMS is no longer in business, an alternative administrative arbitration agency will be selected by mutual agreement of the Parties. If they cannot agree, the Parties will apply to a court of competent jurisdiction to select the agency. In the event of any conflict between the rules and procedures of JAMS or an alternate administrative arbitration agency and the provisions of this Section, the provisions of this Section will prevail.
- (ix) In any civil action, arbitration or other proceeding brought to enforce the terms hereof, or to redress a breach of a term hereof or other dispute, claim or controversy, the prevailing party shall be entitled to payment from the non-prevailing party(ies) of its reasonable attorney fees and expenses in addition to any damages or other relief to which it may become entitled.
- (x) Equitable Remedies. The procedures set forth in this Section 11.b shall be the sole and exclusive procedure for the resolution of disputes; provided, however, that a party may seek temporary or preliminary injunctive relief for the limited purpose of avoiding irreparable harm, and Service Company

may seek to enforce any and all rights and remedies accorded to it by the Uniform Commercial Code in the State of Nevada and other applicable law or in equity, in each case in a court of applicable jurisdiction prior to, during or after arbitration without having to submit such matter to mediation, arbitration or the other procedures set forth in this Section 11.b.

(c) Entire Agreement; Amendment. This Agreement constitutes the entire agreement among the Parties related to the subject matter hereof and supersedes all prior agreements, understandings, and letters of intent relating to the subject matter hereof. This Agreement may be amended or supplemented only by a writing executed by all Parties.

(d) Notices. All notices, requests, demands or consents hereunder shall be in writing and shall be deemed given and received when delivered, if delivered in person, or four (4) days after being mailed by certified or registered mail, postage prepaid, return receipt requested, or one (1) day after being sent by overnight courier such as Federal Express, to and by the parties at the following addresses, or at such other addresses as the parties may designate by written notice in the manner set forth herein:

(e) Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which, when taken together, will constitute one and the same instrument.

(f) Federal Cannabis Laws. The parties hereto agree and acknowledge that no party makes, will make, or shall be deemed to make or have made any representation or warranty of any kind regarding the compliance of this Agreement with any Federal Cannabis Laws. No party hereto shall have any right of rescission or amendment arising out of or relating to any non-compliance with Federal Cannabis Laws unless such non-compliance also constitutes a violation of applicable state law as determined in accordance with the Act or by the Regulator, and no party shall seek to enforce the provisions hereof in federal court unless and until the parties have reasonably determined that the Act is fully compliant with Federal Cannabis Laws. As used herein, “Federal Cannabis Laws” means any U.S. federal laws, civil, criminal or otherwise, as such relate, either directly or indirectly, to the cultivation, harvesting, production, distribution, sale and possession of cannabis, marijuana or related substances or products containing or relating to the same, including, without limitation, the prohibition on drug trafficking under 21 U.S.C. § 841(a), et seq., the conspiracy statute under 18 U.S.C. § 846, the bar against aiding and abetting the conduct of an offense under 18 U.S.C. § 2, the bar against misprision of a felony (concealing another’s felonious conduct) under 18 U.S.C. § 4, the bar against being an accessory after the fact to criminal conduct under 18 U.S.C. § 3, and federal money laundering statutes under 18 U.S.C. §§ 1956, 1957, and 1960 and the regulations and rules promulgated under any of the foregoing.

(g) Assignment. This Agreement shall not be assignable by the Company without the express written consent of the Service Company. This Agreement shall be assignable by Service Company upon notice to Company.

(h) Waiver. Waiver of any agreement or obligation set forth in this Agreement by either Party shall not prevent that Party from later insisting upon full performance of such agreement or obligation and no course of dealing, partial exercise or any delay or failure on the part of any Party hereto in exercising any right, power, privilege, or remedy under this Agreement or any related agreement or instrument shall impair or restrict any such right, power, privilege or remedy or be construed as a waiver therefor. No waiver shall be valid against any Party unless made in writing and signed by the Party against whom enforcement of such waiver is sought.

(i) Binding Effect. Subject to the provisions set forth in this Agreement, this Agreement shall be binding upon and inure to the benefit of the Parties hereto and upon their respective successors and assigns.

(j) Waiver of Rule of Construction. Each Party has had the opportunity to consult with its own legal counsel in connection with the review, drafting and negotiation of this Agreement. Accordingly, the rule of construction that any ambiguity in this Agreement shall be construed against the drafting party shall not apply.

(k) Severability. If anyone or more of the provisions of this Agreement is adjudged to any extent invalid, unenforceable, or contrary to law by a court of competent jurisdiction, each and all of the remaining provisions of this Agreement will not be affected thereby and shall be valid and enforceable to the fullest extent permitted by law.

(l) Force Majeure. Any Party shall be excused for failures and delays in performance of its respective obligations under this Agreement due to any cause beyond the control and without the fault of such party, including without limitation, any act of God, war, terrorism, bio-terrorism, riot or insurrection, law or regulation, strike, flood, earthquake, water shortage, fire, explosion or inability due to any of the aforementioned causes to obtain necessary labor, materials or facilities (but excluding lack of funds). This provision shall not release such Party from using its best efforts to avoid or remove such cause and such Party shall continue performance hereunder with the utmost dispatch whenever such causes are removed. Upon claiming any such excuse or delay for non-performance, such Party shall give prompt written notice thereof to the other party, provided that failure to give such notice shall not in any way limit the operation of this provision.

(m) Authorization for Agreement. The execution and performance of this Agreement by Company and Service Company have been duly authorized by all necessary laws, resolutions, and corporate or partnership action, and this Agreement constitutes the valid and enforceable obligations of Company and Service Company in accordance with its terms.

(n) Cooperation. The Parties acknowledge that the Parties' mutual cooperation is critical to the ability of Service Company and Company to perform successfully and efficiently its duties hereunder.

(o) Competing Interests. Service Company is entitled to have other business interests including those that may be competitive to the Company.

(p) Regulatory Compliance. This Agreement is subject to strict requirements for ongoing regulatory compliance by the parties hereto, including, without limitation, requirements that the parties take no action in violation of either the Nevada Medical Use of Marijuana Act (Nevada Revised Statutes (“NRS”) Chapter 453A) or the Nevada Taxation of Marijuana Act (NRS Chapter 453D) (together with all related rules and regulations thereunder, and any amended or superseding legislation, rules and regulations, the “Act”) or the guidance or instruction of the Nevada Department of Taxation or the Nevada Department of Health and Human Services (together with any successor, collectively, the “Regulator”). The parties acknowledge and understand that the Act and/or the requirements of the Regulator are subject to change and are evolving as the marketplace for state-compliant cannabis businesses continues to evolve. If necessary or desirable to comply with the requirements of the Act and/or the Regulator, the parties hereby agree to (and to cause their respective affiliates and related parties and representatives to) use their respective commercially reasonable efforts to take all actions reasonably requested to ensure compliance with the Act and/or the Regulator, including, without limitation, negotiating in good faith to amend, restate, amend and restate, supplement, or otherwise modify this Agreement to reflect terms that most closely approximate the parties original intentions but are responsive to and compliant with the requirements of the Act and/or the Regulator. In furtherance, not limitation of the foregoing, the parties further agree to cooperate with the Regulator to promptly respond to any informational requests, supplemental disclosure requirements, or other correspondence from the Regulator and, to the extent permitted by the Regulator, keep all other parties hereto fully and promptly informed as to any such requests, requirements, or correspondence.
