

## **Ayr Wellness Opens 46<sup>th</sup> Florida Dispensary in Tampa**

**MIAMI, April 29, 2022** - Ayr Wellness Inc. (CSE: AYR.A, OTCQX: AYRWF) (“Ayr” or the “Company”), a leading vertically integrated U.S. multi-state cannabis operator (MSO), today announced the opening of its 46<sup>th</sup> Florida dispensary, located in southern Tampa.

The new dispensary encompasses ~3,000 square feet of retail space in Hillsborough County, and is located just off the Dale Mabry Highway, an artery connecting several major shopping destinations, MacDill Air Force Base and Tampa International Airport. The store features Ayr’s full line of concentrates, edibles, gummies, vapes, and a selection of high-quality flower, including whole flower and pre-rolls.

“We are proud to welcome the latest addition to our Florida footprint,” said Jonathan Sandelman, Founder, Chairman and CEO of Ayr. “This opening, our 46<sup>th</sup> in the state, coincides with the recent launch of Kynd premium flower and Walking STIX pre-rolls, representing further expansion of our product portfolio and selection of high-quality product offerings available to our Florida patients.”

In February 2021, Ayr purchased Florida-based Liberty Health Sciences (“LHS” or “Liberty”), which included 31 dispensaries across the state. Since then, the Company has opened 15 additional locations – bringing the current total to 46 stores. This location marks Ayr’s fourth LHS location serving patients in the Hillsborough area.

In 2021, Ayr relocated its U.S. headquarters from New York City to Miami, underscoring the Company’s commitment to the region. Florida has ~710,000 patients enrolled in its medical marijuana program as of April 22, 2022, per Florida OMMU. Florida’s cannabis market ranks fourth in the nation by total legal cannabis sales, per BDSA, and generated over \$1.8 billion in medical cannabis revenue in 2021. BDSA expects Florida’s cannabis market to generate \$3.4 billion per year by 2026.

### **Forward-Looking Statements**

Certain information contained in this news release may be forward-looking statements within the meaning of applicable securities laws. Forward-looking statements are often, but not always, identified by the use of words such as “target”, “expect”, “anticipate”, “believe”, “foresee”, “could”, “would”, “estimate”, “goal”, “outlook”, “intend”, “plan”, “seek”, “will”, “may”, “tracking”, “pacing” and “should” and similar expressions or words suggesting future outcomes. This news release includes forward-looking information and statements pertaining to, among other things, Ayr’s future growth plans. Numerous risks and uncertainties could cause the actual events and results to differ materially from the estimates, beliefs and assumptions expressed or implied in the forward-looking statements, including,

but not limited to: anticipated strategic, operational and competitive benefits may not be realized; events or series of events, including in connection with COVID-19, may cause business interruptions; required regulatory approvals may not be obtained; laws or the interpretation, administration or enforcement thereof may change; differing regulatory requirements across states may prevent Ayr from achieving economies of scale; favorable locations may be restricted or difficult to obtain; acquisitions may not be able to be completed on satisfactory terms or at all, or if completed may not be successful; the enforcement of contracts may be restricted; scientific research regarding cannabis is still in its early stages and is subject to change as further research is completed; the inherent risks of an agricultural business; cyber-security, transportation, recall, product liability and litigation related risks; and Ayr may not be able to raise additional debt or equity capital if required. Among other things, Ayr has assumed that its businesses will operate as anticipated, that it will be able to complete acquisitions and acquire desirable retail sites on reasonable terms, and that all required regulatory approvals will be obtained on satisfactory terms and within expected time frames.

Estimates and assumptions involve known and unknown risks and uncertainties that may cause actual results to differ materially. While Ayr believes there is a reasonable basis for these assumptions, such estimates may not be met. These estimates represent forward-looking information. Actual results may vary and differ materially from the estimates.
