- (a) the Trustee may deal with such Depository as the authorized representative of the Beneficial Holders of such Notes;
- (b) the rights of the Beneficial Holders of such Notes shall be exercised only through such Depository and the rights of Beneficial Holders shall be limited to those established by applicable law and agreements between the Depository and the Participants and between such Participants and Beneficial Holders, and must be exercised through a Participant in accordance with the rules and procedures of the Depository;
- (c) whenever this Indenture requires or permits actions to be taken based upon instructions or directions of Holders evidencing a specified percentage of the outstanding Notes of any series, the Depository shall be deemed to be counted in that percentage to the extent that it has received instructions to such effect from Beneficial Holders or Participants;
- (d) such Depository will make book-entry transfers among the direct Participants of such Depository and will receive and transmit distributions of principal, premium and interest on the Notes to such direct Participants for subsequent payment to the Beneficial Holders thereof;

- (e) the direct Participants of such Depository shall have no rights under this Indenture or under or with respect to any of the Notes held on their behalf by such Depository, and such Depository may be treated by the Trustee and its agents, employees, officers and directors as the absolute owner of the Notes represented by such Global Notes for all purposes whatsoever;
- (f) whenever a notice or other communication is required to be provided to Holders in connection with this Indenture or the Notes, the Trustee shall provide all such notices and communications to the Depository for subsequent delivery of such notices and communications to the Beneficial Holders in accordance with Applicable Securities Legislation and the procedures of the Depository; and
- (g) notwithstanding any other provision of this Indenture, all payments in respect of Notes issuable in the form of or represented by a Global Note shall be made to the Depository or its nominee for subsequent payment by the Depository or its nominee to the Beneficial Holders thereof. Upon payment over to the Depository, the Trustee, if acting as the Paying Agent, shall have no further liability for the money.

2.9 Interim Notes

Pending the delivery of Definitive Notes of any series to the Trustee, the Issuer may issue and the Trustee authenticate in lieu thereof (but subject to the same provisions, conditions and limitations as set forth in this Indenture) interim printed, mimeographed or typewriter Notes in such forms and in such denominations and signed in such manner as provided herein, entitling the holders thereof to Definitive Notes of such series when the same are ready for delivery; or the Issuer may execute and deliver to the Trustee and the Trustee authenticate a temporary Note for the whole principal amount of Notes of such series then authorized to be issued hereunder and thereupon the Trustee may issue its own interim certificates in such form and in such amounts, not exceeding in the aggregate the principal amount of the temporary Note so delivered to it, as the Issuer and the Trustee may approve entitling the holders thereof to Definitive Notes when the same are ready for delivery; and, when so issued and certified, such interim or temporary Notes or interim certificates shall, for all purposes but without duplication, rank in respect of this Indenture equally with Notes of such series duly issued hereunder and, pending the exchange thereof for Definitive Notes of such series, the holders of the interim or temporary Notes or interim certificates shall be deemed without duplication to be Holders of such series and entitled to the benefit of this Indenture to the same extent and in the same manner as though the said exchange had actually been made. Forthwith after the Issuer shall have delivered the Definitive Notes of such series to the Trustee, the Trustee shall call in for exchange all temporary or interim Notes of such series or certificates that shall have been issued and forthwith after such exchange shall cancel the same. No charge shall be made by the Issuer or the Trustee to the holders of such interim or temporary Notes or interim certificates for the exchange thereof.

2.10 Mutilation, Loss, Theft or Destruction

In case any of the Notes issued hereunder shall become mutilated or be lost, stolen or destroyed, the Issuer, in its discretion, may issue, and thereupon the Trustee shall authenticate and deliver, a new Note upon surrender and cancellation of the mutilated Note, or in the case of a lost, stolen or destroyed Note, in lieu of and in substitution for the same, and the substituted Note shall be in a form approved by the Trustee and shall entitle the Holder thereof to the benefits of this Indenture and shall rank equally in accordance with its terms with all other Notes of such series issued or to be issued hereunder. In case of loss, theft or destruction the applicant for a substituted Note shall furnish to the Issuer and to the Trustee such evidence

of the loss, theft or destruction of the Note as shall be satisfactory to them in their discretion and shall also furnish an indemnity and surety bond satisfactory to them in their discretion. The applicant shall pay all reasonable expenses incidental to the issuance of any substituted Note.

2.11 Concerning Interest

- (a) All Notes of each series issued hereunder, whether originally or upon exchange or in substitution for previously issued Notes (including for certainty Notes issued under Sections 2.9 and 2.10), shall bear interest (i) from and including their respective issue date, or (ii) from and including the last Interest Payment Date therefor to which interest shall have been paid or made available for payment on such outstanding Notes, whichever shall be the later, in all cases, to and excluding the next Interest Payment Date therefor.
- (b) Subject to accrual of any interest on unpaid interest from time to time, interest on a Note of any series will cease to accrue from the Maturity of such Note (including, for certainty, if such Note was called for redemption, the Redemption Date); unless upon due presentation and surrender of such Note for payment on or after the Maturity thereof, such payment is improperly withheld or refused.
- (c) If the date for payment of any amount of principal, premium or interest in respect of a Note of any series is not a Business Day at the place of payment, then payment thereof will be made on the next Business Day and the Holder of such Note will not be entitled to any further interest on such principal, or to any interest on such interest, premium or other amount so payable, in respect of the period from the date for payment to such next Business Day.
- (d) The Holder of any Note of any series at the close of business on any Record Date applicable to a particular series with respect to any Interest Payment Date for such series shall be entitled to receive the interest, if any, payable on such Interest Payment Date notwithstanding any transfer or exchange of such Note subsequent to such Record Date and prior to such Interest Payment Date, except if and to the extent the Issuer shall default in the payment of the interest due on such Interest Payment Date for such series, in which case such defaulted interest shall be paid to the Holder of such Note as at the close of business on a subsequent Record Date (which shall be not less than two Business Days prior to the date of payment of such defaulted interest) established by notice given by mail by or on behalf of the Issuer to the Holders of all affected Notes not less than 15 days preceding such subsequent Record Date. The term “**Record Date**” as used with respect to any Interest Payment Date (except a date for payment of defaulted interest) for the Notes of any series shall mean the date specified as such in the terms of the Notes of such series established as contemplated by Section 2.2, and in respect of the 2026 Notes, shall mean the “**2026 Record Date**” specified in Section 3.1.
- (e) Wherever in this Indenture, any Supplemental Indenture or any Note there is mention, in any context, of the payment of interest, such mention is deemed to include the payment of interest on amounts in default to the extent that, in such context, such interest is, was or would be payable pursuant to this Indenture, the Supplemental Indenture or the Note, and express mention of interest on amounts in default in any of the provisions of this Indenture will not be construed as excluding such interest in those provisions of this Indenture where such express mention is not made.

- (f) Unless otherwise specifically provided in this Indenture or the terms of any Note, interest on Notes of any series shall be computed on the basis of a year of 365 days or 366 days, as applicable. With respect to any series of Notes, whenever interest is computed on the basis of a year (the “**deemed year**”) which contains fewer days than the actual number of days in the calendar year of calculation, such rate of interest shall be expressed as a yearly rate for purposes of the *Interest Act* (Canada) by multiplying such rate of interest by the actual number of days in the calendar year of calculation and dividing it by the number of days in the deemed year.

2.12 Payments of Amounts Due on Maturity

- (a) Subject to Section 2.12(b), the following provisions shall apply to all Notes, except as otherwise specified in a Supplemental Indenture relating to a particular series of Notes (and, in the case of the 2024 Notes, Article 3):
 - (i) in the case of fully registered Notes, the Issuer shall establish and maintain with the Paying Agent a Maturity Account for each series of Notes. On or before 11:00 a.m. (Toronto time) on the Stated Maturity date for each series of Notes outstanding from time to time under this Indenture, the Issuer shall deposit in the applicable Maturity Account by wire transfer or certified cheque an amount sufficient to pay all amounts payable in respect of the outstanding Notes of such series (less any Taxes required by law to be deducted or withheld therefrom). The Paying Agent will pay to each Holder of such Notes entitled to receive payment, the principal amount of, and premium (if any) on, such Notes, upon surrender of such Notes to the Paying Agent or at any branch of the Trustee designated for such purpose from time to time by the Issuer and the Trustee. The deposit or making available of such amounts into the applicable Maturity Account will satisfy and discharge the liability of the Issuer for such Notes to which the deposit or making available of funds relates to the extent of the amount deposited or made available (plus the amount of any Taxes deducted or withheld as aforesaid) and such Notes will thereafter not be considered as outstanding under this Indenture to such extent and such Holder will have no other right than to receive out of the money so deposited or made available the amount to which it is entitled. Failure to make a deposit or make funds available as required to be made pursuant to this Section 2.12(a)(i) will constitute Default in payment on the Notes in respect of which the deposit or making available of funds was required to have been made; and
 - (ii) in the case of any series of Notes issued and outstanding in the form of or represented by Global Notes, on or before 11:00 a.m. (Toronto time) on the day prior to the Stated Maturity date for such Notes, the Issuer shall deliver to the Trustee, for onward payment to the Depository, in each case by electronic funds transfer, an amount sufficient to pay the amount payable in respect of such Global Notes (less any Taxes required by law to be deducted or withheld therefrom). The Issuer shall pay to the Trustee, for onward payment to the Depository, the principal amount of, and premium (if any) on, such Global Notes, against receipt of the relevant Global Notes. The delivery of such electronic funds to the Trustee for onward payment to the Depository will satisfy and discharge the liability of the Issuer for the series of Notes to which the electronic funds relates to the extent of the amount deposited or made available (plus the amount of any Taxes deducted

or withheld as aforesaid) and such Notes will thereafter not be considered as outstanding under this Indenture unless such electronic funds transfer is not received. Failure to make delivery of funds available as required pursuant to this Section 2.12(a)(ii) will constitute Default in payment on the Notes of the series in respect of which the delivery or making available of funds was required to have been made.

- (b) Notwithstanding Section 2.12(a), all payments in excess of CAD\$25,000,000 (or such other amount as determined from time to time by the Canadian Payments Association or any successor thereto) shall be made by the use of the LVTS. Neither the Trustee nor the Paying Agent shall have any obligation to disburse funds pursuant to Section 2.12(a)(i) unless it has received written confirmation satisfactory to it that the funds have been deposited with it in sufficient amount to pay in full all amounts due and payable on the applicable date of Maturity. The Paying Agent shall, if it accepts any funds received by it in the form of uncertified cheques, be entitled to delay the time for release of such funds until such uncertified cheques shall be determined to have cleared the financial institution upon which the same are drawn.

2.13 Legends on Notes

- (a) Each Global Note shall bear a legend in substantially the following form, subject to such modification as required by the applicable Depository (the “**Global Note Legend**”):

“THIS NOTE IS A GLOBAL NOTE WITHIN THE MEANING OF THIS INDENTURE HEREIN REFERRED TO AND IS REGISTERED IN THE NAME OF A DEPOSITORY OR A NOMINEE THEREOF. THIS NOTE MAY NOT BE TRANSFERRED TO OR EXCHANGED FOR NOTES REGISTERED IN THE NAME OF ANY PERSON OTHER THAN THE DEPOSITORY OR A NOMINEE THEREOF AND NO SUCH TRANSFER MAY BE REGISTERED EXCEPT IN THE LIMITED CIRCUMSTANCES DESCRIBED IN THIS INDENTURE. EVERY NOTE AUTHENTICATED AND DELIVERED UPON REGISTRATION OF, TRANSFER OF, OR IN EXCHANGE FOR, OR IN LIEU OF, THIS NOTE SHALL BE A GLOBAL NOTE SUBJECT TO THE FOREGOING, EXCEPT IN SUCH LIMITED CIRCUMSTANCES DESCRIBED IN THIS INDENTURE.

UNLESS THIS NOTE IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF CDS CLEARING AND DEPOSITORY SERVICES INC. (“CDS”) TO [AYR WELLNESS INC.] [AYR WELLNESS CANADA HOLDINGS INC.] OR ITS AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY NOTE ISSUED IN RESPECT THEREOF IS REGISTERED IN THE NAME OF CDS & CO., OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF CDS (AND ANY PAYMENT IS MADE TO CDS & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF CDS), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL SINCE THE REGISTERED HOLDER HEREOF, CDS & CO., HAS A PROPERTY INTEREST IN THIS NOTE HEREIN AND IT IS A VIOLATION OF ITS

RIGHTS FOR ANOTHER PERSON TO HOLD, TRANSFER OR DEAL WITH THIS NOTE.”

- (b) Prior to the issuance of Notes of any series, the Issuer shall notify the Trustee, in writing, concerning which Notes are to be certificated and are to bear the legend or legends described in this Section 2.13.

2.14 Payment of Interest

The following provisions shall apply to Notes of each series, except as otherwise specified in a Supplemental Indenture relating to a particular series of Notes (and, in the case of the 2026 Notes, Article 3 and the 2024 Notes, Article 3.1):

- (a) As interest becomes due on each fully registered Note (except on redemption thereof, when interest may at the option of the Issuer be paid upon surrender of such Note), the Issuer, either directly or through the Trustee or any agent of the Trustee, shall send or forward by prepaid ordinary mail, electronic transfer of funds or such other means as may be agreed to by the Trustee, payment of such interest including any Additional Amounts (less any Taxes required by law to be deducted or withheld therefrom) to the Holders of record on the Record Date immediately preceding the applicable Interest Payment Date. If payment is made by cheque, such cheque shall be forwarded at least two days prior to each Interest Payment Date and if payment is made by other means (such as electronic transfer of funds, provided the Trustee must receive confirmation of receipt of funds prior to being able to wire funds to Holders), such payment shall be made in a manner whereby the Holder receives credit for such payment on the Interest Payment Date. The mailing of such cheque or the making of such payment by other means shall, to the extent of the sum represented thereby, plus the amount of any Taxes deducted or withheld as aforesaid, satisfy and discharge all liability for interest including any Additional Amounts on such Note to such extent, unless in the case of payment by cheque, such cheque is not paid at par on presentation. In the event of non-receipt of any cheque for or other payment of interest by the Person to whom it is so sent as aforesaid, the Issuer shall issue to such Person a replacement cheque or other payment for a like amount upon being furnished with such evidence of non-receipt as it shall reasonably require and upon being indemnified to its satisfaction. Notwithstanding the foregoing, if the Issuer is prevented by circumstances beyond its control (including, without limitation, any interruption in mail service) from making payment of any interest due on any Note in the manner provided above, the Issuer may make payment of such interest or make such interest available for payment in any other manner acceptable to the Trustee with the same effect as though payment had been made in the manner provided above. If payment is made through the Trustee, by 11:00 a.m. (Toronto time) at least one Business Day prior to the related Interest Payment Date for a Note or to the date of mailing the cheques for the interest due on such Interest Payment Date for such Note, whichever is earlier, the Issuer shall deliver sufficient funds to the Trustee by electronic transfer or certified cheque or make such other arrangements for the provision of funds as may be agreeable between the Trustee and the Issuer in order to effect such interest payment hereunder.
- (b) So long as the Notes of any series or any portion thereof are issued in the form of or represented by a Global Note, then all payments of interest on such Global Note shall be made by 11:00 a.m. (Toronto time) at least one Business Day prior to the related Interest

Payment Date by electronic funds transfer made payable to the Trustee for subsequent payment to the Depository on behalf of the Beneficial Holders of the applicable interests in that Global Note, unless the Issuer and the Trustee agree.

- (c) Notwithstanding Sections 2.14(a) and 2.14(b), all payments in excess of CAD\$25,000,000 (or such other amount as determined from time to time by the Canadian Payments Association or any successor thereto) shall be made by the use of the LVTS. Neither the Trustee nor Paying Agent, as applicable, shall have any obligation to disburse funds in respect of any Note pursuant to Section 2.14(a) unless it has received written confirmation satisfactory to it that the funds have been deposited with it in sufficient amount to pay in full all amounts due and payable with respect to such Interest Payment Date for such Note. The Trustee or Paying Agent, as applicable, shall, if it accepts any funds received by it in the form of uncertified cheques, be entitled to delay the time for release of such funds until such uncertified cheques shall be determined to have cleared the financial institution upon which the same are drawn.

2.15 Record of Payment

The Trustee will maintain accounts and records evidencing any payment, by it or any other Paying Agent on behalf of the Issuer, of principal, premium (if any) and interest in respect of Notes of each series, which accounts and records will constitute, in the absence of manifest error, prima facie evidence of such payment.

2.16 Representation Regarding Third Party Interest

The Issuer hereby represents to the Trustee that any account to be opened by, or interest to be held by, the Trustee in connection with this Indenture, for or to the credit of the Issuer, either (a) is not intended to be used by or on behalf of any third party; or (b) is intended to be used by or on behalf of a third party, in which case the Issuer hereby agrees to complete, execute and deliver forthwith to the Trustee a declaration, in the Trustee's prescribed form or in such other form as may be reasonably satisfactory to it, as to the particulars of such third party.

ARTICLE 3 TERMS OF THE 2026 NOTES

3.1 [Reserved]

3.2 Creation and Designation of the 2026 Notes

- (a) In accordance with this Indenture, the Issuer is authorized to issue a series of Notes designated "13.0% Senior Secured Notes due December 10, 2026" consisting of both the 2026 Exchanged Notes and 2026 Additional Notes.
- (b) Each Holder of the 2024 Notes shall receive 2026 Exchanged Notes in exchange for its 2024 Notes, in each case, on a dollar-for-dollar cashless basis under this Indenture (the date on which such 2024 Notes are exchanged, the "**Exchange Date**") pursuant to the 2026 CBCA Proceedings plus any accrued but unpaid interest up to but excluding the Exchange Date. Each Holder hereby agrees and acknowledges that interest on the 2024 Notes commencing on and following the Exchange Date shall accrue and be payable only to Ayr Wellness Holdings, as Holder of the 2024 Notes following the 2026 CBCA Proceedings.

- (c) Each Person listed on Schedule A attached hereto shall receive 2026 Additional Notes, subject to the terms and conditions contained herein.

3.3 Aggregate Principal Amount

The aggregate principal amount of 2026 Notes which may be issued under this Indenture is \$293.25 million, consisting of (a) \$243.25 million in 2026 Exchanged Notes and (b) \$50.0 million in 2026 Additional Notes.

3.4 Authentication

The Trustee shall authenticate one or more Global Notes or, in respect of certain Holders, definitive certificates or Direct Registration System advice for original issue on the Issue Date, with respect to (a) the 2026 Exchanged Notes in an aggregate principal amount of up to \$243.25 million and (b) the 2026 Additional Notes in an aggregate principal amount of up to \$50.0 million (which shall bear US legends for US Securities Law purposes) or otherwise to permit transfers or exchanges in accordance with Section 4.7 upon receipt by the Trustee of a duly executed Authentication Order.

3.5 Date of Issue and Maturity

The 2026 Notes will be dated February 7, 2024 and the 2026 Notes will become due and payable, together with all accrued and unpaid interest thereon, on December 10, 2026 (the “**2026 Note Maturity Date**”).

3.6 Interest

- (a) The 2026 Notes will bear interest on the unpaid principal amount thereof at the rate of 13.0% per annum from the Issue Date to, but excluding, the 2026 Note Maturity Date, compounded semi-annually and payable in arrears on each Interest Payment Date. The first Interest Payment Date for the 2026 Notes will be June 30, 2024.
- (b) Interest will be payable in respect of each Interest Period (after, as well as before, the 2026 Note Maturity Date, default and judgment, with interest overdue on principal and interest at a rate that equal to the applicable rate on the 2026 Notes) on each Interest Payment Date in accordance with Section 2.11 and Section 2.14. Interest on the 2026 Notes will accrue from the Issue Date or, if interest has already been paid, from and including the last Interest Payment Date therefor to which interest has been paid or made available for payment. Interest will be computed on the basis of a 365-day or 366-day year, as applicable, and will be payable in equal semi-annual amounts; except that interest in respect of any period that is shorter than a full semi-annual interest period will be computed on the basis of a 365-day or 366-day year, as applicable, and the actual number of days elapsed in that period.
- (c) Notwithstanding anything in this Indenture or the Notes to the contrary, if at any time the interest rate applicable to Notes, together with all fees, charges and other amounts which are treated as interest on such Notes under applicable law (collectively the “**Charges**”), shall exceed the maximum lawful rate (the “**Maximum Rate**”) which may be contracted for, charged, taken, received or reserved by any of the Holders holding such Notes in accordance with applicable law, the rate of interest payable in respect of such Notes hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Notes but were not payable as a result of the operation of this

Section 3.6(c) shall be cumulated (the “**cumulated amount**”) and the interest and Charges payable to such Holders in respect of other Notes or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the rate of interest payable in respect of such Notes hereunder to the date of repayment, shall have been received by such Holders. Notwithstanding any provision herein to the contrary, in no event will the aggregate “**interest**” (as defined in Section 347 of the Criminal Code (Canada), R.S.C., 1985 c. C-46, as amended from time to time) payable under this Indenture or the Notes exceed the maximum effective annual rate of interest on the “**credit advanced**” (as defined in such Section) permitted under such Section and, if any payment, collection or demand pursuant to this Indenture or the Notes in respect of “**interest**” (as defined in such Section), including the payment of any cumulated amount, is determined to be contrary to the provisions of such Section, the amount of such excess payment or collection will be refunded to the Company. For purposes of this Indenture and the Notes, the effective annual rate of interest will be determined in accordance with generally accepted actuarial practices and principles over the term of this Indenture and the Notes on the basis of annual compounding of the lawfully permitted rate of interest and, in the event of dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Trustee will be prima facie evidence of such determination.

3.7 Optional Redemption

- (a) At any time and from time to time after the Issue Date, the Issuer may redeem all or a part of the 2026 Notes upon not less than 15 days’ nor more than 60 days’ notice, at par plus accrued and unpaid interest on the 2026 Notes redeemed, to the applicable Redemption Date.
- (b) Unless otherwise specifically provided in this Section 3.7, the terms of Article 5 shall apply to the redemption of any 2026 Notes and in the event of any inconsistency, the terms of this Section 3.7 shall prevail.

3.8 Use of Proceeds

The proceeds of the 2026 Additional Notes shall be distributed by Ayr Wellness Holdings as an intercompany obligation to Ayr Wellness concurrently with the issuance thereof pursuant to the 2026 Subordinated Intercompany Note and may be used by the Ayr Wellness and its Restricted Subsidiaries for working capital purposes and in accordance to the “**Limitations**” as set forth in the Support Agreement.

3.9 Mandatory Redemption and Market Purchases

- (a) The Issuer is not required to make mandatory redemption or sinking fund payments with respect to the 2026 Notes; provided, however, that the Issuer may be required to offer to purchase the 2026 Notes pursuant to Sections 6.14, 6.15 and 6.19.
- (b) The Issuer or any of its Subsidiaries may at any time and from time to time purchase 2026 Notes by tender offer, open market purchases, negotiated transactions, private agreement or otherwise at any price in accordance with Applicable Securities Legislation, so long as such acquisition does not violate the terms of this Indenture.

3.10 Form and Denomination of the 2026 Notes

- (a) The 2026 Exchange Notes will be issued at an issue price of \$1,000 per \$1,000 of principal amount (and integral multiples of \$1,000).
- (b) The 2026 Additional Notes will be issued at an issue price of \$800 per \$1,000 of principal amount (and integral multiples of \$1,000).
- (c) Subject to Section 4.2(b), the 2026 Notes will be issuable as Global Notes and/or Definitive Notes, substantially in the form set out in Appendix A-1 or A-2 hereto with such changes as may be reasonably required by the Depository and any other changes as may be approved or permitted by the Issuer, in each case which changes are not prejudicial to the Holders or Beneficial Holders of 2026 Notes, and with such approval in each case to be conclusively deemed to have been given by the officers of the Issuer executing the same in accordance with Article 2.

3.11 Currency of Payment

The principal of, and interest and premium (if any) on, the 2026 Notes will be payable in United States dollars.

3.12 Additional Amounts

- (a) All payments made by any Guarantor under or with respect to any Guarantee will be made free and clear of and without withholding or deduction for or on account of, any present or future tax, duty, levy, impost, assessment or other governmental charge imposed or levied by or on behalf of any United States taxing authority (hereinafter “**United States Taxes**”), unless any Guarantor is required to withhold or deduct United States Taxes by law or by the interpretation or administration thereof. If any Guarantor is so required to withhold or deduct any amount of interest for or on account of United States Taxes from any payment made under or with respect to any Guarantee, such Guarantor will pay such additional amounts of interest (“**Additional Amounts**”) as may be necessary so that the net amount received by each holder (including Additional Amounts) after such withholding or deduction will not be less than the amount the holder would have received if such United States Taxes had not been withheld or deducted; provided that no Additional Amounts will be payable with respect to a payment made to a holder (an “**Excluded Holder**”):
 - (i) which is subject to such United States Taxes by reason of any connection between such holder and the United States or any states political subdivision thereof or authority thereof other than the mere holding of Notes or the receipt of payments thereunder;
 - (ii) which failed to duly and timely comply with a timely request of the Issuer to provide information, documents, certification or other evidence concerning such holder’s nationality, residence, entitlement to treaty benefits, identity or connection with the United States or any political subdivision or authority thereof, if and to the extent that due and timely compliance with such request would have resulted in the reduction or elimination of any United States Taxes as to which

Additional Amounts would have otherwise been payable to such holder of Notes but for this clause (ii);

- (iii) which is a fiduciary, a partnership or not the beneficial owner of any payment on a Note, if and to the extent that, as a result of an applicable tax treaty, no Additional Amounts would have been payable had the beneficiary, partner or beneficial owner owned the Note directly (but only if there is no material cost or expense associated with transferring such Note to such beneficiary, partner or beneficial owner and no restriction on such transfer that is outside the control of such beneficiary, partner or beneficial owner);
 - (iv) to the extent that the United States Taxes required to be withheld or deducted are imposed pursuant to sections 1471 through 1474 of the United States Internal Revenue Code of 1986, as amended (and any amended or successor version that is substantially comparable), and any regulations or other official guidance thereunder or agreements (including any intergovernmental agreements or any laws, rules or practices implementing such intergovernmental agreements) entered into in connection therewith; or
 - (v) any combination of the foregoing clauses of this proviso.
- (b) The Issuer or such Guarantor, as the case may be, will also (i) make such withholding or deduction and, (ii) remit the full amount deducted or withheld to the relevant authority in accordance with applicable law. The Issuer or such Guarantor, as the case may be, will furnish to the holders of the Notes, within 30 days after the date the payment of any United States Taxes is due pursuant to applicable law, certified copies of tax receipts evidencing such payment by such Guarantor, as the case may be. Such Guarantor will indemnify and hold harmless each holder (other than all Excluded Holders) for the amount of (A) any United States Taxes not withheld or deducted by such Guarantor and levied or imposed and paid by such holder as a result of payments made under or with respect to the Guarantees, (B) any liability (including penalties, interest and expenses) arising therefrom or with respect thereto, and (C) any United States Taxes imposed with respect to any reimbursement under clauses (i) or (ii) of this Section 3.12(b).
- (c) At least 30 days prior to each date on which any payment under or with respect to the Notes is due and payable, if any Guarantor is aware that it will be obligated to pay Additional Amounts with respect to such payment, the Issuer will deliver to the Trustee an Officers' Certificate stating the fact that such Additional Amounts will be payable, the amounts so payable and will set forth such other information necessary to enable the Trustee to pay such Additional Amounts to holders on the payment date. Whenever in this Indenture there is mentioned, in any context, the payment of principal (and premium, if any), interest or any other amount payable under or with respect to any note, such mention shall be deemed to include mention of the payment of Additional Amounts provided for in this section to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

- (d) The obligations described under this Section 3.12 will survive any termination, defeasance or discharge of this Indenture and will apply mutatis mutandis to any successor Person and to any jurisdiction in which such successor is organized or is otherwise resident or doing business for tax purposes or any jurisdiction from or through which payment is made by such successor or its respective agents.

3.13 Appointment

- (a) The Trustee will be the trustee for the 2026 Notes, subject to Article 11.
- (b) The Issuer initially appoints CDS to act as Depository with respect to the 2026 Notes.
- (c) The Issuer initially appoints the Trustee at its corporate office in Vancouver, British Columbia to act as the Registrar, transfer agent, authentication agent and Paying Agent with respect to the 2026 Notes. The Issuer may change the Registrar, transfer agent, authentication agent or Paying Agent for the 2026 Notes at any time and from time to time without prior notice to the Holders of the 2026 Notes.

3.14 Inconsistency

In the case of any conflict or inconsistency between this Article 3 and any other provision of this Indenture, Article 3 shall, as to the 2026 Notes, govern and prevail.

3.15 Reference to Principal, Premium, Interest, etc.

Whenever this Indenture refers to, in any context, the payment of principal, Called Principal, premium, if any, interest or any other amount payable under or with respect to any Note, such reference shall include the payment of Additional Amounts or indemnification payments as described hereunder, if applicable.

3.16 Merger, Amalgamation or Winding up of Ayr Wellness Holdings

Notwithstanding anything else contained in this Indenture, following completion of the 2026 CBCA Proceedings, Ayr Wellness and Ayr Wellness Holdings may be merged or amalgamated (after the continuance of the latter to British Columbia) or Ayr Wellness Holdings may be wound up into Ayr Wellness (any of such merger, amalgamation or winding-up, the “**Parent-Issuer Merger**”), and in such case (a) the 2026 Notes issued by Ayr Wellness Holdings in connection with the 2026 CBCA Proceedings shall become direct obligations of the amalgamated entity or of Ayr Wellness, as applicable, and Ayr Wellness (or the amalgamated entity) shall assume all the rights, obligations and liabilities as an Issuer hereunder, and (b) all reference to Ayr Wellness in this Indenture shall be deemed to be the entity continuing thereunder.

ARTICLE 4

REGISTRATION, TRANSFER, EXCHANGE AND OWNERSHIP

4.1 Register of Certificated Notes

- (a) Subject to the terms of any Supplemental Indenture, with respect to each series of Notes issuable in whole or in part as registered Notes, the Issuer shall cause to be kept by and at the principal office of the Trustee in Vancouver, British Columbia or by such other Registrar as the Issuer, with the approval of the Trustee, may appoint at such other place or places, if any, as may be specified in the Notes of such series or as the Issuer may designate with the approval of the Trustee, a register in which shall be entered the names and addresses of the Holders and particulars of the Notes held by them respectively and of all transfers of Notes. Such registration shall be noted on the relevant Notes by the Trustee or other Registrar unless a new Note shall be issued upon such transfer.
- (b) No transfer of a registered Note shall be valid unless made on such register referred to in Section 4.1(a) by the Holder or such Holder's executors, administrators or other legal representatives or an attorney duly appointed by an instrument in writing in form and executed in a manner satisfactory to the Trustee or other Registrar upon surrender of the Notes together with a duly executed form of transfer acceptable to the Trustee or other Registrar and upon compliance with such other reasonable requirements as the Trustee or other Registrar may prescribe, and unless the name of the transferee shall have been noted on the Note by the Trustee or other Registrar.

4.2 Global Notes

- (a) With respect to Notes issuable as or represented by, in whole or in part, one or more Global Notes, the Issuer shall cause to be kept by and at the principal office of the Trustee in Vancouver, British Columbia or by such other Registrar as the Issuer, with the approval of the Trustee, may appoint at such other place or places, if any, as the Issuer may designate with the approval of the Trustee, a register in which shall be entered the name and address of the Holder of each such Global Note (being the Depository, or its nominee, for such Global Note) and particulars of the Global Note held by it, and of all transfers thereof. If any Notes are at any time not Global Notes, the provisions of Section 4.1 shall govern with respect to registrations and transfers of such Notes.
- (b) Notwithstanding any other provision of this Indenture, a Global Note may not be transferred by the Holder thereof and, accordingly, subject to Section 4.6, no Definitive Notes of any series shall be issued to Beneficial Holders except in the following

circumstances or as otherwise specified in any Supplemental Indenture, a resolution of the Trustee, a Board Resolution or an Officers' Certificate:

- (i) Definitive Notes may be issued to Beneficial Holders at any time after:
 - (A) the Issuer has determined that CDS (1) is unwilling or unable to continue as Depository for Global Notes, or (2) ceases to be eligible

to be a Depository, and, in each case the Issuer is unable to locate a qualified successor to its reasonable satisfaction;
 - (B) the Issuer has determined, in its sole discretion, or is required by law, to terminate the book-entry only registration system in respect of such Global Notes and has communicated such determination or requirement to the Trustee in writing, or the book-entry system ceases to exist; or
 - (C) the Trustee has determined that an Event of Default has occurred and is continuing with respect to Notes issued as Global Notes, provided that Beneficial Holders representing, in the aggregate, not less than a majority of the aggregate outstanding principal amount of the Notes of the affected series advise the Depository in writing, through the Participants, that the continuation of the book-entry only registration system for the Notes of such series is no longer in their best interests; and
- (ii) Global Notes may be transferred (A) if such transfer is required by applicable law, as determined by the Issuer and Counsel, or (B) by a Depository to a nominee of such Depository, or by a nominee of a Depository to such Depository, or to another nominee of such Depository, or by a Depository or its nominee to a successor Depository or its nominee.
- (c) Upon the termination of the book-entry only registration system on the occurrence of one of the conditions specified in Section 4.2(b)(i) or upon the transfer of a Global Note to a Person other than a Depository or a nominee thereof in accordance with Section 4.2(b)(i)(A), the Trustee shall notify all Beneficial Holders, through the Depository, of the availability of Definitive Notes for such series. Upon surrender by the Depository of the Global Notes in respect of any series and receipt of new registration instructions from the Depository, the Trustee shall deliver the Definitive Notes of such series to the Beneficial Holders thereof in accordance with the new registration instructions and thereafter, the registration and transfer of such Notes will be governed by Section 4.1 and the remaining provisions of this Article 4.
- (d) It is expressly acknowledged that a transfer of beneficial ownership in a Note of any series issuable in the form of or represented by a Global Note will be effected only (a) with respect to the interests of participants in the Depository ("**Participants**"), through records maintained by the Depository or its nominee for the Global Note, and (b) with respect to interests of Persons other than Participants, through records maintained by Participants. Beneficial Holders who are not Participants but who desire to purchase, sell or otherwise transfer ownership of or other interest in Notes represented by a Global Note may do so only through a Participant.

4.3 Transferee Entitled to Registration

The transferee of a Note shall be entitled, after the appropriate form of transfer is deposited with the Trustee or other Registrar and upon compliance with all other conditions for such transfer required by this Indenture or by law, to be entered on the register as the owner of such Note free from all equities or rights of set-off or counterclaim between the Issuer and the transferor or any previous Holder of such Note, save in respect of equities of which the Issuer is required to take notice by law (including any statute or order of a court of competent jurisdiction).

4.4 No Notice of Trusts

None of the Issuer, the Trustee and any Registrar or Paying Agent will be bound to take notice of or see to the performance or observance of any duty owed to a third Person, whether under a trust, express, implied, resulting or constructive, in respect of any Note by the Holder or any Person whom the Issuer or the Trustee treats, as permitted or required by law, as the owner or the Holder of such Note, and may transfer the same on the direction of the Person so treated as the owner or Holder of the Note, whether named as Trustee or otherwise, as though that Person were the Beneficial Holder thereof.

4.5 Registers Open for Inspection

The registers referred to in Sections 4.1 and 4.2 shall, subject to applicable law, at all reasonable times be open for inspection by the Issuer, the Trustee or any Holder. Every Registrar, including the Trustee, shall from time to time when requested so to do by the Issuer or by the Trustee, in writing, furnish the Issuer or the Trustee, as the case may be, with a list of names and addresses of Holders entered on the registers kept by them and showing the principal amount and serial numbers of the Notes held by each such Holder, provided the Trustee shall be entitled to charge a reasonable fee to provide such a list.

4.6 Issuer to Furnish Trustee Names and Addresses of Holders

- (a) The Issuer will furnish or cause to be furnished to the Trustee in writing, semi-annually, at least seven Business Days before each Interest Payment Date (and in all events at intervals of not more than six months) and at such other times as the Trustee may request in writing within 30 days after the receipt by the Issuer of any such request, a list in such form as the Trustee may reasonably require, of the names and addresses of Holders of securities of each series as of such date, provided that the Issuer shall not be so obligated at any time that the list shall not differ in any respect from the most recent list furnished to the Trustee by the Issuer and provided, however, that, in either case, no such list need be furnished for any series for which the Trustee shall be the Registrar.
- (b) The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders contained in the most recent list furnished to the Trustee as provided in this Section 4.6 and the names and addresses of Holders received by the Trustee in its capacity as Registrar (if acting in such capacity). The Trustee may destroy any list furnished to it as provided in this Section 4.6 upon receipt of a new list so furnished.
- (c) Every holder of Notes, by receiving and holding the same, agrees with the Issuer and the Trustee that neither the Issuer nor the Trustee nor any agent of either of them shall be held accountable by reason of any disclosure of information as to the names and addresses of Holders made pursuant to the Trust Indenture Act.

4.7 Transfers and Exchanges of Notes

- (a) Transfer and Exchange of Global Notes. A Global Note may be transferred in whole and not in part only pursuant to Section 4.2(b)(ii). A beneficial interest in a Global Note may not be exchanged for a Definitive Note other than pursuant to Section 4.2(b)(i). A Global Note may not be exchanged for another Note other than as provided in this Section 4.6(a), however, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 4.7(b) or 4.7(c), as applicable.
- (b) Transfer and Exchange of Beneficial Interests in the Global Notes. The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depository, in accordance with the provisions of this Indenture, applicable laws and the Applicable Procedures. In connection with a transfer and exchange of beneficial interest in Global Notes, the transferor of such beneficial interest must deliver to the Registrar either (A) (1) a written order from a Participant or a Beneficial Holder, in each case, given to the Depository in accordance with the Applicable Procedures directing the Depository to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged, and (2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase, or (B) (1) a written order from a Participant or a Beneficial Holder, in each case, given to the Depository in accordance with the Applicable Procedures directing the Depository to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred, and (2) instructions given by the Depository to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer referred to in (B)(1) above. Upon satisfaction of all of the requirements for transfer of beneficial interests in Global Notes contained in this Indenture and the Notes, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 4.7(e).
- (c) Transfer or Exchange of Beneficial Interests in the Global Notes for Definitive Notes. A holder of a beneficial interest in a Global Note may exchange such beneficial interest for a Definitive Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of a Definitive Note only upon the occurrence of any of the preceding events in Section 4.2(b) and satisfaction of the conditions set forth in Section 4.7(b). Upon the occurrence of any such preceding event and receipt by the Registrar of the instructions referred to in this Section 4.6(c), the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 4.7(e), and the Issuer shall execute and the Trustee shall authenticate and deliver to the Person designated in the instructions a Definitive Note in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest pursuant to this Section 4.6(c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depository and the Participant or Beneficial Holder. The Trustee shall deliver such Definitive Notes to the Persons in whose names such Notes are so registered.
- (d) Transfer and Exchange of Definitive Notes for Definitive Notes. Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 4.7(d)

and Applicable Securities Legislation, the Registrar shall register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder shall present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing.

- (e) Cancellation and/or Adjustment of Global Notes. At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or cancelled in whole and not in part, each such Global Note shall be returned to or retained and cancelled by the Trustee in accordance with Section 4.11 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depository at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depository at the direction of the Trustee to reflect such increase.

- (f) U.S. Restrictions on Transfer. If a Definitive Note tendered for transfer bears the U.S. Legend set forth in Section 2.3(h), the Trustee shall not register such transfer unless the transferor has provided the Trustee with the Definitive Note and: (A) the transfer is made to the Issuer; (B) the transfer is made outside of the United States in a transaction meeting the requirements of Rule 904 of Regulation S, and is in compliance with applicable local laws and regulations, and the transferor delivers to the Trustee and the Issuer a declaration substantially in the form set forth in Appendix B to this Indenture, or in such other form as the Issuer may from time to time prescribe, together with such other evidence of the availability of an exemption or exclusion from registration under the U.S. Securities Act (which may, without limitation, include an opinion of counsel, of recognized standing reasonably satisfactory to the Issuer) as the Issuer may reasonably require; (C) the transfer is made pursuant to the exemption from the registration requirements of the U.S. Securities Act provided by Rule 144 thereunder, if available, and in each case in accordance with any applicable state securities or "blue sky" laws; (D) the transfer is in compliance with another exemption from registration under the U.S. Securities Act and applicable state securities laws, or (E) the transfer is made pursuant to an effective registration statement under the U.S. Securities Act and any applicable state securities laws; provided that, it has prior to any transfer pursuant to Sections 4.7(f)(C) or 4.7(f)(D) furnished to the Trustee and the Issuer an opinion of counsel or other evidence in form and substance reasonably satisfactory to the Issuer to such effect. In relation to a transfer under (C) or (D) above, unless the Issuer and the Trustee receive an opinion of counsel, of recognized standing, or other evidence reasonably satisfactory to the Issuer in form and substance, to the effect that the U.S. Legend set forth in subsection 2.3(h) is no longer required on the Definitive Note representing the transferred Notes, the Definitive Note received by the transferee will continue to bear the U.S. Legend set forth in Section 2.3(h).

- (g) General Provisions Relating to Transfers and Exchanges.
- (i) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon the Issuer's Authentication Order in accordance with Section 2.4 or at the Registrar's request.
 - (ii) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.9 and 10.1).
 - (iii) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.
 - (iv) Neither the Issuer nor the Trustee nor any Registrar shall be required to:
 - (A) issue, register the transfer of or exchange any Notes during a period beginning at the opening of business 15 days before the mailing of a Redemption Notice under Section 5.1 hereof and ending at the close of business on the day of selection, or
 - (B) register the transfer of or exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part or unless upon due presentation thereof for redemption such Notes are not redeemed, or
 - (C) register the transfer of or exchange a Note between a Record Date and the next succeeding Interest Payment Date, or
 - (D) to register the transfer of or to exchange a Note tendered and not withdrawn in connection with a Change of Control Offer or an Asset Sale Offer.
 - (v) Subject to any restriction provided in this Indenture, the Issuer with the approval of the Trustee may at any time close any register for the Notes of any series (other than those kept at the principal office of the Trustee in Vancouver, British Columbia) and transfer the registration of any Notes registered thereon to another register (which may be an existing register) and thereafter such Notes shall be deemed to be registered on such other register. Notice of such transfer shall be given to the Holders of such Notes.
 - (vi) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Registrar or Paying Agent and the Issuer may deem and treat the Person in

whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of (and premium, if any) and interest on such Notes and for all other purposes, and none of the Trustee, any Registrar or Paying Agent or the Issuer shall be affected by notice to the contrary.

- (vii) The Trustee shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.4.
- (viii) Upon surrender for registration of transfer of any Note at the office or agency of the Issuer, the Issuer shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more replacement Notes of any authorized denomination or denominations of a like aggregate principal amount.
- (ix) At the option of the Holder, Notes may be exchanged for other Notes of any authorized denomination or denominations of a like aggregate principal amount upon surrender of the Notes to be exchanged at such office or agency. Whenever any Global Notes or Definitive Notes are so surrendered for exchange, the Issuer shall execute, and the Trustee shall authenticate and deliver, the replacement Global Notes and Definitive Notes which the Holder making the exchange is entitled to in accordance with the provisions of Section 2.4 hereof.
- (x) All certifications, certificates and opinions of counsel required to be submitted pursuant to this Section 4.7 to effect a registration of transfer or exchange may be submitted by facsimile.

4.8 Charges for Registration, Transfer and Exchange

For each Note exchanged, registered, transferred or discharged from registration, the Trustee or other Registrar, except as otherwise herein provided, may make a reasonable charge for its services and in addition may charge a reasonable sum for each new Note issued (such amounts to be agreed upon from time to time by the Trustee and the Issuer), and payment of such charges and reimbursement of the Trustee or other Registrar for any stamp taxes or governmental or other charges required to be paid shall be made by the party requesting such exchange, registration, transfer or discharge from registration as a condition precedent thereto. Notwithstanding the foregoing provisions, no charge shall be made to a Holder hereunder:

- (a) for any exchange, registration, transfer or discharge from registration of a Note of any series applied for within a period of two months from the date of the first delivery thereof;
- (b) for any exchange of any interim or temporary Note of any series or interim certificate that has been issued under Section 2.9 for a Definitive Note of any series;

- (d) for any exchange of a Note of any series resulting from a partial redemption under Section 5.3.

4.9 Ownership of Notes

- (a) The Holder for the time being of any Note shall be entitled to the principal, premium, if any, and/or interest evidenced by such Note, free from all equities or rights of set-off or counterclaim between the Issuer and the original or any intermediate Holder thereof (except in respect of equities of which the Issuer is required to take notice by law) and all Persons may act accordingly and the receipt of any such Holder for any such principal, premium, if any, or interest shall be a valid discharge to the Trustee, any Registrar and to the Issuer for the same and none shall be bound to inquire into the title of any such Holder.
- (b) Where Notes are registered in more than one name, the principal, premium, if any, and interest from time to time payable in respect thereof may be paid to the order of all or any of such Holders, failing written instructions from them to the contrary, and the receipt of any one of such Holders therefor shall be a valid discharge, to the Trustee, any Registrar and to the Issuer.
- (c) In the case of the death of one or more joint Holders, the principal, premium, if any, and interest from time to time payable thereon may be paid to the order of the survivor or survivors of such Holders and to the estate of the deceased and the receipt by such survivor or survivors and the estate of the deceased thereof shall be a valid discharge by the Trustee, any Registrar and the Issuer.
- (d) Unless otherwise required by law, the Person in whose name any Note is registered shall for all purposes of this Indenture (except for references in this Indenture to a “Beneficial Holder”) be and be deemed to be the owner thereof and payment of or on account of the principal of, premium, if any, and interest on such Note shall be made only to or upon the order in writing of such Holder.
- (e) Notwithstanding any other provision of this Indenture, all payments in respect of Notes issuable in the form of or represented by a Global Note shall be made to the Depository or its nominee for subsequent payment by the Depository or its nominee to the Beneficial Holders.

All Notes of any series which are cancelled or required to be cancelled under this or any other provision of this Indenture shall be destroyed by the Trustee and, if required by the Issuer, the Trustee shall furnish to it a destruction certificate setting out the designating numbers of the Notes so destroyed.

ARTICLE 5
REDEMPTION AND PURCHASE OF NOTES

5.1 Redemption of Notes

Subject to the provisions of the Supplemental Indenture relating to the issue of a particular series of Notes or, in the case of the 2026 Notes, Article 3, Notes of any series may be redeemed before the Stated Maturity thereof, in whole at any time or in part from time to time, at the option of the Issuer and in accordance with and subject to the provisions set out in this Indenture and any applicable Supplemental Indenture, including those relating to the payment of any required redemption price (“**Redemption Price**”).

5.2 Places of Payment

The Redemption Price will be payable upon presentation and surrender of the Notes called for redemption at any of the places where the principal of such Notes is expressed to be payable and at any other places specified in the Redemption Notice.

5.3 Partial Redemption

- (a) If less than all of the Notes of any series are to be redeemed at any time, the Trustee will select Notes of such series for redemption as follows:
 - (i) if the Notes are listed on any national securities exchange in Canada or the United States, including the Canadian Securities Exchange, in compliance with the requirements of the principal national securities exchange; or
 - (ii) if the Notes are not so listed, on a pro rata basis, by lot or by such method as the Trustee will deem fair and appropriate; or
 - (iii) if the Notes are included in global form based on a method required by CDS, or, a method that most nearly approximates a pro rata selection as the Trustee deems appropriate.

Subject to the foregoing and the Supplemental Indenture relating to any series of Notes (or, in the case of the 2026 Notes, Article 3), Notes or portions of Notes the Trustee selects for redemption shall be in minimum amounts of \$1,000 or integral multiples of \$1,000.

- (b) If Notes of any series are to be redeemed in part only, the Redemption Notice that relates to such Notes will state the portion of the principal amount of such Notes that is to be redeemed. In the event that one or more of such Notes becomes subject to redemption in part only, upon surrender of any such Notes for payment of the Redemption Price, together with interest accrued to but excluding the applicable Redemption Date, the Issuer shall execute and the Trustee shall authenticate and deliver without charge to the Holder thereof or upon the Holder’s order one or more new Notes of such series for the unredeemed part of the principal amount of the Notes so surrendered or, with respect to Global Notes, the Trustee shall make notations on the Global Notes of the principal amount thereof so redeemed. Unless the context otherwise requires, the terms “Note” or “Notes” as used in

this Article 5 shall be deemed to mean or include any part of the principal amount of any Note which in accordance with the foregoing provisions has become subject to redemption.

5.4 Notice of Redemption

Unless otherwise provided in a Supplemental Indenture or, in the case of the 2026 Notes, Article 3, notice of redemption (the “**Redemption Notice**”) of any series of Notes shall be given to the Holders of the Notes so to be redeemed not more than 60 days nor less than 15 days prior to the date fixed for redemption (the “**Redemption Date**”) in the manner provided in Section 14.2; provided that Redemption Notices in respect of optional redemptions of Notes may be delivered more than 60 days prior to a Redemption Date if the Redemption Notice is issued in connection with a defeasance of the relevant Notes or a satisfaction and discharge of this Indenture. Every such Redemption Notice shall specify the aggregate principal amount of Notes called for redemption, the Redemption Date, the Redemption Price and the places of payment and shall state that interest upon the principal amount of Notes called for redemption shall cease to be payable from and after the Redemption Date. Redemption Notices in respect of redemptions made pursuant to Section 3.7 may, at the Issuer’s discretion, be subject to one or more conditions precedent, as described under Section 5.5. In addition, unless all the outstanding Notes of a series are to be redeemed, the Redemption Notice shall specify:

- (a) the distinguishing letters and numbers of the Notes which are to be redeemed (as are registered in the name of such Holder);
- (b) if such Notes are selected by terminal digit or other similar system, such particulars as may be sufficient to identify the Notes so selected;
- (c) in the case of Global Notes, that the redemption will take place in such manner as may be agreed upon by the Depository, the Trustee and the Issuer; and
- (d) in all cases, the principal amounts of such Notes or, if any such Note is to be redeemed in part only, the principal amount of such part.

Notwithstanding Section 14.2, in the event that all Notes of a series to be redeemed are Global Notes, publication of the Redemption Notice shall not be required.

If Notes of any series are to be redeemed in part only, the Redemption Notice that relates to such Notes will state the portion of the principal amount of such Notes that is to be redeemed. In the event that one or more of such Notes becomes subject to redemption in part only, upon surrender of any such Notes for payment of the Redemption Price, together with interest accrued to but excluding the applicable Redemption Date, the Issuer shall execute and the Trustee shall authenticate and deliver without charge to the Holder thereof or upon the Holder’s order one or more new Notes of such series for the unredeemed part of the principal amount of the Notes so surrendered or, with respect to Global Notes, the Trustee shall make notations on the Global Notes of the principal amount thereof so redeemed. Unless the context otherwise requires, the terms “Note” or “Notes” as used in this Article 5 shall be deemed to mean or include any part of the principal amount of any Note which in accordance with the foregoing provisions has become subject to redemption.

5.5 Qualified Redemption Notice

In connection with any optional redemption of Notes, any such redemption may, at the Issuer’s discretion, be subject to one or more conditions precedent, including the completion of any Permitted Refinancing

Indebtedness or any Equity Offering. In addition, if such redemption notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuer's sole discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuer in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the redemption date so delayed, and that such redemption provisions may be adjusted to comply with any depository requirements.

5.6 Notes Due on Redemption Dates

Upon a Redemption Notice having been given as provided in Section 5.4, all the Notes so called for redemption or the principal amount to be redeemed of the Notes called for redemption, as the case may be, shall thereupon be and become due and payable at the Redemption Price, together with accrued interest to but excluding the Redemption Date, on the Redemption Date specified in such notice, in the same manner and with the same effect as if it were the Stated Maturity specified in such Notes, anything therein or herein to the contrary notwithstanding. If any Redemption Date is on or after a Record Date and on or before the related Interest Payment Date, the accrued and unpaid interest, if any, will be paid to the Person in whose name the Note is registered at the close of business on such Record Date, and no additional interest will be payable to Holders whose Notes shall be subject to redemption by the Issuer. From and after such Redemption Date, if the monies necessary to redeem such Notes shall have been deposited as provided in Section 5.7 and affidavits or other proof satisfactory to the Trustee as to the publication and/or mailing of such Redemption Notices shall have been lodged with it, interest upon the Notes shall cease to accrue. If any question shall arise as to whether any notice has been given as above provided and such deposit made, such question shall be decided by the Trustee whose decision shall be final and binding upon all parties in interest.

5.7 Deposit of Redemption Monies

- (a) Except as may otherwise be provided in any Supplemental Indenture or, in the case of the 2026 Notes, Article 3, upon Notes being called for redemption, the Issuer shall deposit with the Trustee, for onward payment to the Depository, on or before 11:00 a.m. (Toronto time) on the day prior to the Redemption Date specified in the Redemption Notice, such sums of money as may be sufficient to pay the Redemption Price of the Notes so called for redemption, plus accrued and unpaid interest thereon up to but excluding the Redemption Date and including any Additional Amounts, less any Taxes required by law to be deducted or withheld therefrom. The Issuer shall also deposit with the Trustee a sum of money sufficient to pay any charges or expenses which may be incurred by the Trustee in connection with such redemption. Every such deposit shall be irrevocable. From the sums so deposited, the Trustee shall pay or cause to be paid, to the Depository on behalf of the Holders of such Notes so called for redemption, upon surrender of such Notes, the principal, premium (if any) and interest (if any) to which they are respectively entitled on redemption.
- (b) Payment of funds to the Trustee upon redemption of Notes shall be made by electronic transfer or certified cheque or pursuant to such other arrangements for the provision of funds as may be agreed between the Issuer and the Trustee in order to effect such payment hereunder. Notwithstanding the foregoing, (i) all payments in excess of \$25,000,000 (or such other amount as determined from time to time by the Canadian Payments Association) shall be made by the use of the LVTS; and (ii) in the event that payment must be made to

the Depository, the Issuer shall remit payment to the Trustee by LVTS. The Trustee shall have no obligation to disburse

funds pursuant to this Section 5.7 unless it has received written confirmation satisfactory to it that the funds have been deposited with it in sufficient amount to pay in full all amounts due and payable on the applicable Redemption Date. The Trustee shall, if it accepts any funds received by it in the form of uncertified cheques, be entitled to delay the time for release of such funds until such uncertified cheques shall be determined to have cleared the financial institution upon which the same are drawn.

5.8 Failure to Surrender Notes Called for Redemption

In case the Holder of any Note of any series so called for redemption shall fail on or before the Redemption Date so to surrender such Holder's Note, or shall not within such time specified on the Redemption Notice accept payment of the redemption monies payable, or give such receipt therefor, if any, as the Trustee may require, such redemption monies may be set aside in trust, without interest, either in the deposit department of the Trustee or in a chartered bank, and such setting aside shall for all purposes be deemed a payment to the Holder of the sum so set aside and, to that extent, such Note shall thereafter not be considered as outstanding hereunder and the Holder thereof shall have no other right except to receive payment of the Redemption Price of such Note, plus any accrued but unpaid interest thereon to but excluding the Redemption Date and including any Additional Amounts, less any Taxes required by law to be deducted or withheld, out of the monies so paid and deposited, upon surrender and delivery up of such Holder's relevant Note. In the event that any money required to be deposited hereunder with the Trustee or any Paying Agent on account of principal, premium, if any, or interest, if any, on Notes issued hereunder shall remain so deposited for a period of six years from the Redemption Date, then such monies, together with any accumulated interest thereon, shall at the end of such period be paid over or delivered over by the Trustee or such Paying Agent to the Issuer on its demand, and thereupon the Trustee shall not be responsible to Holders of such Notes for any amounts owing to them and subject to applicable law, thereafter the Holders of such Notes in respect of which such money was so repaid to the Issuer shall have no rights in respect thereof except to obtain payment of the money due from the Issuer, subject to any limitation period provided by the laws of British Columbia.

5.9 Cancellation of Notes Redeemed

Subject to the provisions of Sections 5.4 and 5.10 as to Notes redeemed or purchased in part, all Notes redeemed and paid under this Article 5 shall forthwith be delivered to the Trustee and cancelled and no Notes shall be issued in substitution for those redeemed.

All Notes so purchased may, at the option of the Issuer, be delivered to the Trustee and cancelled and no Notes shall be issued in substitution therefor.

- (b) If, upon an invitation for tenders, more Notes of the relevant series are tendered at the same lowest price than the Issuer is prepared to accept, the Notes to be purchased by the Issuer shall be selected by the Trustee on a pro rata basis or in such other manner as the Issuer directs in writing and as consented to by the exchange, if any, on which Notes of such series are then listed which the Trustee considers appropriate, from the Notes of such series tendered by each tendering Holder thereof who tendered at such lowest price. For this purpose the Trustee may make, and from time to time amend, regulations with respect to the manner in which Notes of any series may be so selected, and regulations so made shall be valid and binding upon all Holders thereof, notwithstanding the fact that as a result thereof one or more of such Notes become subject to purchase in part only. The Holder of a Note of any series of which a part only is purchased, upon surrender of such Note for payment, shall be entitled to receive, without expense to such Holder, one or more new Notes of such series for the unpurchased part so surrendered, and the Trustee shall authenticate and deliver such new Note or Notes upon receipt of the Note so surrendered or, with respect to a Global Note, the Depository shall make book-entry notations with respect to the principal amount thereof so purchased.

6.4 Keeping of Books

The Issuer shall keep or cause to be kept, and shall cause each Restricted Subsidiary to keep or cause to be kept proper books of record and account, in which full and correct entries (in all material respects) shall be made of all financial transactions and the property and business of the Issuer and the Restricted Subsidiaries in accordance with U.S. GAAP.

 - (xiii) the Incurrence by Ayr Wellness or any Restricted Subsidiary of (x) Acquired Debt and/or (y) Vendor Take Back Notes in the aggregate amount not exceeding the total amount outstanding as at October 31, 2023, which amount shall increase incrementally for all PIK interest payable under existing Acquired Debt and/or Vendor Take Back Notes or as contemplated by executed amendments thereto; or
 - (xiv) the Incurrence by Ayr Wellness or any of its Restricted Subsidiaries of additional Indebtedness not otherwise permitted under Section 6.10(b)(i) through (xiii) in an aggregate amount at any time outstanding, including all Permitted Refinancing Indebtedness Incurred to refund, refinance, defease, discharge or replace any Indebtedness Incurred pursuant to this Section 6.10(b)(xiv), not to exceed \$30.0 million.
- (c) For purposes of determining compliance with this covenant, in the event that any proposed Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in Section 6.10(b)(i) through (xiv) above, or is entitled to be Incurred or issued pursuant to Section 6.10(a), the Issuer will be permitted to divide and classify such item of Indebtedness at the time of its Incurrence in any manner that complies with this Section 6.10. In addition, any Indebtedness originally divided or classified as Incurred pursuant to Section 6.10(b)(i) through (xiv) above or pursuant to Section 6.10(a) may later be re-divided or reclassified by the Issuer such that it will be deemed as having been Incurred pursuant to another of such clauses or such paragraph; provided that such re-divided or reclassified Indebtedness could be Incurred pursuant to such new clause or such paragraph at the time of such re-division or reclassification. Notwithstanding the foregoing, Indebtedness outstanding on the Issue Date will be deemed to have been Incurred on such date in reliance on the exception provided pursuant to Section 6.10(b)(iii). Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included in such determination.

- (d) Notwithstanding any other provision of this covenant and for the avoidance of doubt, the maximum amount of Indebtedness that may be Incurred pursuant to this covenant will not be deemed to be exceeded with respect to any outstanding Indebtedness due solely to the result of fluctuations in the exchange rates of currencies or increases in the value of property securing Indebtedness which occur subsequent to the date that such Indebtedness was Incurred as permitted by this covenant.
- (e) The Issuer will not, and will not permit any Guarantor to, Incur any Indebtedness that is subordinate in right of payment to any other Indebtedness of the Issuer or such Guarantor unless such Indebtedness is subordinate in right of payment to the Notes and such Guarantor's Guarantee to the same extent.

6.13 Business Activities

Ayr Wellness will not, and will not permit any of its Restricted Subsidiaries to, engage in any business other than Permitted Businesses, except to such extent as would not be material to Ayr Wellness and its Restricted Subsidiaries taken as a whole; provided that, Ayr Wellness Holdings shall not (a) incur any Indebtedness (other than the 2024 Notes and the 2026 Subordinated Intercompany Note) or otherwise engaged in the purchase, sale, lease or exchange of any property or the rendering of any service, between itself and any other Person, (b) own any Equity Interests of any other Person, (c) engage in any business or conduct any activity or transfer any of its assets, other than (i) the performance of ministerial or administrative activities and (ii) payment of taxes, professional and administrative fees necessary for the maintenance of its existence, (d) consolidate or merge with or into any other Person other than pursuant to the Parent-Issuer Merger, or (e) create or suffer to exist any Lien upon any property or assets now owned or hereafter acquired by Ayr Wellness Holdings other than in favor of the Trustee on behalf of the Holders hereunder.

- (a) If a Change of Control occurs, the Issuer will be required to make an offer to each Holder to repurchase all or any part (equal to \$1,000 or an integral multiple of \$1,000) of that Holder's Notes pursuant to the offer described below (the "**Change of Control Offer**"). In the Change of Control Offer, the Issuer will offer a payment (the "**Change of Control Payment**") in cash equal to not less than 105% of the aggregate principal amount of Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased to the date of purchase (the "**Change of Control Payment Date**" which date will be no earlier than the date of such Change of Control).
- (b) No later than 30 days following any Change of Control, the Issuer will mail or electronically transmit notice to each Holder describing the transaction or transactions that constitute the Change of Control, offer to repurchase Notes on the Change of Control Payment Date specified in such notice, which date will be no earlier than 15 days and no later than 60 days from the date such notice is mailed or electronically transmitted and describe the procedures, as required by this Indenture, that Holders must follow in order to tender Notes (or portions thereof) for payment and withdraw an election to tender Notes (or portion thereof) for payment. Notwithstanding anything to the contrary herein, a Change of Control Offer by the Issuer, or by any third party making a Change of Control Offer in lieu of the Issuer as described below, may be made in advance of a Change of Control, conditional upon such Change of Control if a definitive agreement is in place for the Change of Control at the time of making the Change of Control Offer.

- (c) The Issuer will comply with the requirements of any Applicable Securities Legislation to the extent such requirements are applicable in connection with the repurchase of the Notes as a result of a Change of Control. To the extent that the provisions of any Applicable Securities Legislation conflict with the Change of Control provisions of this Indenture, or compliance with the Change of Control provisions of this Indenture would constitute a violation of any such laws or regulations, the Issuer will comply with the Applicable Securities Legislation and will not be deemed to have breached its obligations under the Change of Control provisions of this Indenture by virtue of such compliance.
- (d) On or before the Change of Control Payment Date, the Issuer will, to the extent lawful:

 - (ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

- (e) On the Change of Control Payment Date, the Paying Agent will promptly deliver or wire transfer to each Holder properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and deliver (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; provided that each such new note will be in a principal amount of \$1,000 or an integral multiple of \$1,000 in excess thereof.
- (f) The Issuer will advise the Trustee and the Holders of the Notes of the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.
- (g) If the Change of Control Payment Date is on or after a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest will be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no other interest will be payable to Holders who tender pursuant to the Change of Control Offer.
- (h) If Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Issuer, or any third party making a Change of Control Offer in lieu of the Issuer as described below, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Issuer or such third party, as the case may be, will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem or purchase, as applicable, all Notes that remain outstanding following such purchase at a redemption price or purchase price, as the case may be, in cash equal to the applicable Change of Control Payment plus, to the extent not included in the Change of Control Payment, accrued and unpaid interest, if any, to the Redemption Date.

- (i) The provisions of Section 6.14 that require the Issuer to make a Change of Control Offer following a Change of Control will be applicable whether or not any other provisions of this Indenture are applicable.
- (j) Except as described in Section 6.14, the Holders on Notes shall not be permitted to require that the Issuer repurchase or redeem any Notes in the event of a takeover, recapitalization, privatization or similar transaction. In addition, Holders of Notes are not entitled to require the Issuer to purchase their Notes in circumstances involving a significant change in the composition of the Board of Directors of the Issuer.
- (k) Notwithstanding anything to the contrary in this Section 6.14, the Issuer will not be required to make a Change of Control Offer upon a Change of Control if:
 - (i) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer; or
 - (ii) a Redemption Notice has been given pursuant to Section 3.7, unless and until there is a default in payment of the applicable Redemption Price.

6.15 Repurchase at the Option of Holders – Asset Sales

- (a) Ayr Wellness will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, consummate an Asset Sale unless:
 - (i) Ayr Wellness (or the Restricted Subsidiary, as the case may be) receives consideration in respect of such Asset Sale at least equal to the Fair Market Value of the assets or Equity Interests issued or sold or otherwise disposed of; and
 - (ii) at least 50% of the consideration therefor received by Ayr Wellness or such Restricted Subsidiary is in the form of cash or Cash Equivalents. For purposes of this provision, each of the following will be deemed to be cash:
 - (A) any liabilities, as shown on the Issuer's or such Restricted Subsidiary's most recently available annual or quarterly balance sheet, of Ayr Wellness or any of its Restricted Subsidiaries (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes or any Guarantee) that are assumed by the transferee of any such assets pursuant to a customary novation agreement or similar agreement that releases the Issuer or such Restricted Subsidiary from further liability;
 - (B) any notes or other obligations received by Ayr Wellness or any such Restricted Subsidiary in such Asset Sale that are converted within 365 days by the Issuer or such Restricted Subsidiary into cash, to the extent of the cash received in that conversion.

- (b) [reserved].
- (c) [reserved].
- (d) An amount equal to 100% of the Net Proceeds from Asset Sales will constitute “**Excess Proceeds**.” The Issuer shall make an offer (an “**Asset Sale Offer**”) to all Holders of Notes to purchase the maximum principal amount of Notes that may be purchased out of the Excess Proceeds within fifteen Business Days after receipt of any proceeds from each Asset Sale. The offer price in any Asset Sale Offer will be equal to 100% of principal amount plus accrued and unpaid interest to the date of purchase, and will be payable in cash. The Issuer may satisfy the foregoing obligation with respect to such Excess Proceeds from an Asset Sale by making an Asset Sale Offer in advance of being required to do so by this Indenture (an “**Advance Offer**”) with respect to all or part of the available Excess Proceeds (the “**Advance Portion**”). If any Excess Proceeds remain unapplied after the consummation of an Asset Sale Offer, the Issuer and its Restricted Subsidiaries may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee will select the Notes to be purchased on a pro rata basis (with such adjustments as may be deemed appropriate by the Trustee so that only Notes in denominations of \$1,000, or in integral multiples of \$1,000 in excess thereof, shall be purchased. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero (regardless of whether there are any remaining Excess Proceeds upon such completion), and in the case of an Advance Offer, the Advance Portion shall be excluded in subsequent calculations of Excess Proceeds.
- (e) Notwithstanding the foregoing, the sale, conveyance or other disposition of all or substantially all of the properties or assets of Ayr Wellness and its Restricted Subsidiaries, taken as a whole, will be governed by Section 6.14 and/or Section 10.1, and not by the provisions of this Section 6.15.
- (f) If the Asset Sale Offer purchase date is on or after a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest will be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no other interest will be payable to Holders who tender Notes pursuant to the Asset Sale Offer.
- (g) Within five Business Days after the Issuer is obligated to make an Asset Sale Offer as described in the preceding paragraphs, the Issuer will deliver a written notice to the Holders, accompanied by such information regarding the Issuer and its Affiliates as the Issuer in good faith believes will enable such Holders to make an informed decision with respect to such Asset Sale Offer. Such notice shall state, among other things, the purchase price and the purchase date, which shall be a Business Day no earlier than 30 days nor later than 60 days from the date such notice is delivered.
- (h) Without limiting the foregoing:
 - (i) any Holder may decline any offer of prepayment pursuant to this Section 6.15; and

(ii) the failure of any such Holder to accept or decline any such offer of prepayment shall be deemed to be an election by such Holder to decline such prepayment.

- (i) The Issuer will comply with the requirements of any Applicable Securities Legislation to the extent such requirements are applicable in connection with each repurchase of Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any Applicable Securities Legislation conflict with the Asset Sale provisions of this Indenture, or compliance with the Asset Sale provisions of this Indenture would constitute a violation of Applicable Securities Legislation, the Issuer will comply with the Applicable Securities Legislation and will not be deemed to have breached its obligations under the Asset Sale provisions of this Indenture by virtue of such compliance.

6.16 Payments for Consent

Ayr Wellness will not, and will not permit any Restricted Subsidiary to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder or Beneficial Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid and is paid to all Holders or Beneficial Holders that consent, waive or agree to amend in the time frame set for the in the solicitation documents relating to such consent, waiver or agreement.

Sec. 2510.3 102 on behalf of or for the benefit of employees of the Obligor, (ii) amounts to be used to fund payroll obligations (including, but not limited to, amounts payable to any employment contracts between the Obligor and its respective employees), and (iii) trust or fiduciary accounts, and (b) mortgages with respect to all fee-owned real property owned by the Issuer and each such Restricted Subsidiary. Ayr Wellness shall use commercially reasonable efforts to provide deposit account control agreements and mortgages within 75 days after the Issue Date.
- (b) Ayr Wellness shall use its reasonable best efforts to raise not less than \$20 million of cash through the issuance of Equity Interests (other than Disqualified Stock) in accordance with exchange rules by December 31, 2024, the proceeds of which shall be used to repay (including debt service in the ordinary course) or otherwise restructure, pay down, or service the Indebtedness under the Designated Seller Notes, other Subordinated Indebtedness, or for general corporate purposes; provided, that the cash proceeds raised pursuant to this Section 6.17(b) shall not be included in the calculation of EBITDA for use in determining the Consolidated Net Leverage Ratio under this Indenture; provided further, and for the avoidance of doubt, the cash proceeds raised pursuant to this Section 6.17(b) shall be included as Cash Equivalents for purposes of determining the Consolidated Net Leverage Ratio under this Indenture.

6.18 Future Guarantees

- (a) Ayr Wellness will not permit any of its Restricted Subsidiaries, directly or indirectly, to exist, unless such Restricted Subsidiary is a Guarantor or within 30 days of such formation or acquisition, executes and delivers to the Trustee a Subsidiary Guarantee; provided that Ayr Wellness Holdings shall not be required to deliver any guarantee under this Indenture prior to the Parent-Issuer Merger solely to the extent Ayr Wellness Holdings complies with Section 6.13 hereunder.
- (b) The obligations of each Guarantor formed under the laws of the United States or any state thereof or the District of Columbia will be limited to the maximum amount that will result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law.

6.19 Repurchase at the Option of Holders – Exercise of Warrants

- (a) In the event that the Net Proceeds from the exercise of any Warrant or Warrants (“**Warrant Proceeds**”) exceeds, at any time, together with all other Net Proceeds received from any such exercise at such time, \$5,000,000 (a “**Warrant Offer Threshold Amount**”), then the Issuer shall make an offer (a “**Warrant Proceeds Offer**”) to all Holders of Notes to purchase the maximum principal amount of Notes that may be purchased ratably from 100% of the Warrant Proceeds; *provided* that in the event Warrant Proceeds do not exceed the Warrant Offer Threshold Amount with respect to any specific exercise, such Warrant Proceeds shall be segregated (the “**Accumulated Warrant Proceeds**”) and the requirement to make a Warrant Proceeds Offer shall be triggered immediately upon the aggregate amount of such Accumulated Warrant Proceeds exceeding the Warrant Offer Threshold Amount. The offer price in any Warrant Proceeds Offer will be equal to 100% of principal amount plus accrued and unpaid interest to the date of purchase, and will be payable in cash. Subject to Section 6.19(f), if any Warrant Proceeds remain unapplied after the consummation of a Warrant Proceeds Offer, the Issuer and its Restricted Subsidiaries may use those Warrant Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes tendered into such Warrant Proceeds Offer exceeds the amount of Warrant Proceeds, the Trustee will select the Notes to be purchased on a pro rata basis or in accordance with the Applicable Procedures (with such adjustments as may be deemed appropriate by the Trustee or required by the Applicable Procedures so that only Notes in denominations of \$1,000, or in integral multiples of \$1,000 in excess thereof, shall be purchased). Notwithstanding anything else to the contrary in this Section 6.19, the Issuer shall not be required to (x) conduct more than two Warrant Proceeds Offers in any one calendar year and (y) conduct a Warrant Proceeds Offer within six months of another Warrant Proceeds Offer. The aggregate amount of any Warrant Proceeds Offer shall not be less than \$5,000,000 (or such lesser amount if the Warrant Proceeds Offer price for all then outstanding Notes is less than \$5,000,000). Subject to the other provisions of this Section 6.19, the Issuer shall initiate a Warrant Proceeds Offer within fifteen Business Days of the date the aggregate amount of Warrant Proceeds exceeds the Warrant Offer Threshold Amount and shall conduct such Warrant Proceeds Offer in accordance with this Section 6.19. Upon completion of each Warrant Proceeds Offer, the amount of Warrant Proceeds will be reset at zero (regardless of whether there are any remaining Warrant Proceeds upon such completion).

- (b) If the Warrant Proceeds Offer purchase date is on or after a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest will be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no other interest will be payable to Holders who tender Notes pursuant to the Warrant Proceeds Offer.
- (c) Within five Business Days after the Issuer is obligated to make an Warrant Proceeds Offer as described in the preceding paragraphs, the Issuer will deliver a written notice to the Holders, accompanied by such information regarding the Issuer and its Affiliates as the Issuer in good faith believes will enable such Holders to make an informed decision with respect to such Warrant Proceeds Offer. Such notice shall state, among other things, the purchase price and the purchase date, which shall be a Business Day no earlier than 30 days nor later than 60 days from the date such notice is delivered.
- (d) Without limiting the foregoing:
 - (i) any Holder may decline any Warrant Proceeds Offer pursuant to this Section 6.19; and

To the extent that the provisions of any Applicable Securities Legislation conflict with the Warrant Proceeds Offer provisions of this Indenture, or compliance with the Warrant Proceeds Offer provisions of this Indenture would constitute a violation of Applicable Securities Legislation, the Issuer will comply with the Applicable Securities Legislation and will not be deemed to have breached its obligations under the Warrant Proceeds Offer provisions of this Indenture by virtue of such compliance.
- (f) The Issuer shall not use Warrant Proceeds prior to a Warrant Proceeds Offer comprised of such Warrant Proceeds for any purpose other than to redeem the Notes pursuant to this Section 6.19.

(ii) results in the acceleration of such Indebtedness prior to its Stated Maturity,

(B) is caused by a breach or default of any other covenant other than a Payment Default (“**Non-Payment Default**”), after giving effect to the expiration of the grace period, if any, provided that the principal amount of any such Indebtedness individually, or when taken together with the principal amount of any other such Indebtedness under which there has been a Non-Payment Default, aggregates to \$10.0 million or more;

provided that, in each case (a) if any such Payment Default or Non-Payment Default is cured or waived or any such acceleration is rescinded, as the case may be, such Event of Default under this Indenture and any consequential acceleration of the Notes shall be automatically rescinded, so long as such rescission does not conflict with any judgement or decree and (b) any Non-Payment Default arising from any valid assertion made by a Person who is not an Affiliate of the Issuer that the granting of Liens to the Trustee in collateral securing the those certain Vendor Takeback Notes specified on Schedule B-2 (“**Specified Seller Notes**”) breaches a prohibition (if any) on granting such Liens contained in the definitive documentation governing such Specified Seller Notes shall not constitute an Event of Default;

- (g) failure by Ayr Wellness or any of its Restricted Subsidiaries to pay final non-appealable judgments (to the extent such judgments are not paid or covered by in-force insurance provided by a reputable carrier that has the ability to perform and has acknowledged coverage in writing) aggregating in excess of \$25.0 million, which judgments are not paid, discharged or stayed for a period of 60 days;
- (h) except as permitted by this Indenture, any Guarantee is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force and effect or any

unless such Material Permit(s) are replaced within 60 days by substantially similar Material Permit(s) on terms and conditions no more onerous or restrictive than the Material Permit(s) forfeited or terminated under subsections (i) or (ii) or such Material Permit(s) are to be renewed or replaced by the applicable regulatory authority in accordance with applicable law.

For greater certainty, for the purposes of this Section 7.1, an Event of Default shall occur with respect to a series of Notes if such Event of Default relates to a Default in the payment of principal, premium (if any), or interest on such series of Notes, in which case references to “Notes” in this Section 7.1 shall refer to Notes of that particular series.

For the purposes of this Article 7, where the Event of Default refers to an Event of Default with respect to a particular series of Notes as described in this Section 7.1, then this Article 7 shall apply mutatis mutandis to the Notes of such series and references in this Article 7 to the “Notes” shall be deemed to be references to Notes of such particular series, as applicable

7.2 Acceleration of Maturity; Rescission, Annulment and Waiver

- (a) If an Event of Default (other than as specified in Section 7.1(i) or 7.1(j)) occurs and is continuing, the Trustee or the Holders of not less than 51% in aggregate principal amount of the outstanding Notes may, and the Trustee at the request of such Holders shall, declare by notice in writing to the Issuer and (if given by the Holders) to the Trustee, the principal of (and premium, if any) and accrued and unpaid interest to the date of acceleration on, all of the outstanding Notes immediately due and payable and, upon any such declaration, all such amounts will become due and payable immediately.

If an Event of Default specified in Section 7.1(i) or 7.1(j) occurs and is continuing, then the principal of (and premium, if any) and accrued and unpaid interest on all of the outstanding Notes will thereupon become and be immediately due and payable without any declaration, notice or other action on the part of the Trustee or any Holder. However, the effect of such provision may be limited by applicable laws.

- (b) The Issuer shall deliver to the Trustee, within 10 days after the occurrence thereof, notice of any Payment Default or acceleration referred to in Section 7.1(f)(ii). In addition, for the avoidance of doubt, if an Event of Default specified in Section 7.1(b) occurs in relation to a failure by the Issuer to comply with the provisions of Section 6.14, “premium” shall include, without duplication to any other amounts included in “premium” for these purposes, the excess of:
- (i) the Change of Control Payment that was required to be offered in accordance with Section 6.14, in the event such offer was not made, or, in the event such offer was made, the Change of Control Payment that was required to be paid in accordance with Section 6.14; over
 - (ii) the principal amount of the Notes that were required to be subject to such offer or payment, as applicable.
- (c) At any time after a declaration of acceleration, but before a judgment or decree for payment of the money due has been obtained by the Trustee:

- (i) the Holders of a majority in aggregate principal amount of the outstanding Notes, by written notice to the Issuer, the Holders and the Trustee, may rescind and annul such declaration and its consequences if:
 - (A) all existing Events of Default, other than the non-payment of amounts of principal of (and premium, if any) or interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived; and
 - (B) such rescission would not conflict with any judgment or decree of a court of competent jurisdiction,

provided that if the Event of Default has occurred by reason of the nonobservance or non-performance by the Issuer of any covenant applicable only to one or more series of Notes, then the Holders of a majority of the principal amount of the outstanding Notes of that series shall be entitled to exercise the foregoing power of rescission and the Trustee shall so act and it shall not be necessary to obtain a waiver from the Holders of any other series of Notes; and

- (ii) the Trustee, so long as it has not become bound to declare the principal and interest on the Notes (or any of them) to be due and payable, or to obtain or enforce payment of the same, shall have the power to waive any Event of Default if, in the Trustee's opinion, the same shall have been cured or adequate satisfaction made therefor, and in such event to rescind and annul such declaration and its consequences,

provided that no such rescission shall affect any subsequent Default or impair any right consequent thereon.

- (d) Notwithstanding Section 7.2(a), in the event of a declaration of acceleration in respect of the Notes because an Event of Default specified in Section 7.1(f) shall have occurred and be continuing, such declaration of acceleration shall be automatically annulled if the Indebtedness that is the subject of such Event of Default has been discharged or the holders thereof have rescinded their declaration of acceleration in respect of such Indebtedness, and written notice of such discharge or rescission, as the case may be, shall have been given to the Trustee by the Issuer and countersigned by the holders of such Indebtedness or a trustee, fiduciary or agent for such holders, within 30 days after such declaration of acceleration in respect of the Notes, and no other Event of Default has occurred during such 30 day period which has not been cured or waived during such period.
- (e) The Holders of a majority in aggregate principal amount of the outstanding Notes, by written notice to the Trustee, may on behalf of the Holders of all Notes waive any existing Default or Event of Default and its consequences under this Indenture, except a Default or Event of Default in the payment of interest on, or principal (or premium, if any) of, Notes; provided that if the Default or Event of Default has occurred by reason of the non-observance or non-performance by the Issuer of any covenant applicable only to one or more series of Notes, then the Holders of a majority of the principal amount of the outstanding Notes of such series shall be entitled to waive such Default or Event of Default and it shall not be necessary to obtain a waiver from the Holders of any other series of Notes.

7.3 Collection of Indebtedness and Suits for Enforcement by Trustee

- (a) The Issuer covenants that if:
 - (i) Default is made in the payment of any instalment of interest on any Note when such interest becomes due and payable and such default continues for a period of 30 days, or
 - (ii) Default is made in the payment of the principal of (or premium, if any on) any Note at the Maturity thereof and such default continues for a period of three Business Days,

the Issuer will, upon demand of the Trustee, pay to the Trustee for the benefit of the Holders, the whole amount then due and payable on such Notes for principal (and premium, if any) and interest, and interest on any overdue principal (and premium, if any) and, to the extent that payment of such interest shall be legally enforceable, upon any overdue instalment of interest, at the rate borne by the Notes, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

- (b) If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Issuer or any other obligor (including the Guarantors, if any) upon the Notes and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Issuer or any other obligor upon the Notes, wherever situated.
- (c) If an Event of Default occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders by such appropriate judicial proceedings as the Trustee shall deem most effective to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.
- (d) If an Event of Default occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders by such appropriate judicial proceedings as the Trustee shall deem most effective to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

7.4 Trustee May File Proofs of Claim

- (a) In case of any pending receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Issuer and its debts or any other obligor upon the Notes (including the Guarantors, if any), and their debts or the property of the Issuer or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Notes shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Issuer for the payment of overdue principal (and

premium, if any) or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise:

- (i) to file and prove a claim for the whole amount of principal (and premium, if any) and interest owing and unpaid in respect of the Notes and any additional amount that may become due and payable by the Issuer, and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders allowed in such judicial proceeding; and
 - (ii) to collect and receive any moneys or other securities or property payable or deliverable upon the conversion or exchange of such securities or upon any such claims and to distribute the same, and any custodian, receiver, assignee, trustee, liquidator, sequestrator or similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee hereunder.
- (b) Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

7.5 Trustee May Enforce Claims Without Possession of Notes

All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the rateable benefit of the Holders of the Notes in respect of which such judgment has been recovered.

7.6 Application of Monies by Trustee

- (a) Except as herein otherwise expressly provided, any money collected by the Trustee pursuant to this Article 7 shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (or premium, if any) or interest, upon presentation of the Notes and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:
 - (i) first, in payment or in reimbursement to the Trustee of its reasonable compensation, costs, charges, expenses, borrowings, advances or other monies furnished or provided by or at the instance of the Trustee in or about the execution of its trusts under, or otherwise in relation to, this Indenture, with interest thereon as herein provided;

- (ii) second, but subject as hereinafter in this Section 7.6 provided, in payment, rateably and proportionately to the Holders, of the principal of and premium (if any) and accrued and unpaid interest and interest on amounts in default on the Notes which shall then be outstanding in the priority of principal first and then premium and then accrued and unpaid interest and interest on amounts in default unless otherwise directed by a resolution of the Holders in accordance with Article 12 and in that case in such order or priority as between principal, premium (if any) and interest as may be directed by such resolution; and
- (iii) third, in payment of the surplus, if any, of such monies to the Issuer or its assigns and/or the Guarantors, as the case may be;

provided, however, that no payment shall be made pursuant to Section 7.6(a)(ii) above in respect of the principal, premium or interest on any Notes held, directly or indirectly, by or for the benefit of the Issuer or any Subsidiary of the Issuer (other than any Notes pledged for value and in good faith to a Person other than the Issuer or any Subsidiary of the Issuer but only to the extent of such Person's interest therein), except subject to the prior payment in full of the principal, premium (if any) and interest (if any) on all Notes which are not so held.

- (b) The Trustee shall not be bound to apply or make any partial or interim payment of any monies coming into its hands if the amount so received by it, after reserving thereout such amount as the Trustee may think necessary to provide for the payments mentioned in Section 7.6(a), is insufficient to make a distribution of at least 2% of the aggregate principal amount of the outstanding Notes of each applicable series, but it may retain the money so received by it and invest or deposit the same as provided in Section 11.10 until the money or the investments representing the same, with the income derived therefrom, together with any other monies for the time being under its control shall be sufficient for the said purpose or until it shall consider it advisable to apply the same in the manner hereinbefore set forth. The foregoing shall, however, not apply to a final payment or distribution hereunder.

7.7 No Suits by Holders

Except to enforce payment of the principal of, and premium (if any) or interest on any Note (after giving effect to any applicable grace period specified therefor in Section 7.1(a) and 7.1(b)), no Holder shall have any right to institute any action, suit or proceeding at law or in equity with respect to this Indenture or for the appointment of a liquidator, trustee or receiver or for a receiving order under any Bankruptcy Laws or to have the Issuer or any Guarantor wound up or to file or prove a claim in any liquidation or bankruptcy proceeding or for any other remedy hereunder, unless the Trustee:

- (a) the Holder has previously given the Trustee written notice of a continuing Event of Default;
- (b) the Holder or Holders of at least 51% in aggregate principal amount of outstanding Notes make a written request to the Trustee to pursue the remedy;
- (c) such Holder or Holders offer the Trustee indemnity satisfactory to the Trustee against any costs, liability or expense;

- (d) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of indemnity; and
- (e) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a direction that is inconsistent with the request,

it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders, or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and rateable benefit of all the Holders.

7.8 Unconditional Right of Holders to Receive Principal, Premium and Interest

Notwithstanding any other provision in this Indenture, a Holder shall have the right, which is absolute and unconditional, to receive payment, as provided herein of the principal of (and premium, if any) and interest on the Notes held by such Holder on the applicable Maturity date and to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the consent of such Holder.

7.9 Restoration of Rights and Remedies

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, the Guarantors (if any), the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

7.10 Rights and Remedies Cumulative

Except as otherwise expressly provided herein, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

7.11 Delay or Omission Not Waiver

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 7 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

7.12 Control by Holders

Subject to Section 11.4, the Holders of not less than a majority in principal amount of the outstanding Notes shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, provided that:

- (a) such direction shall not be in conflict with any rule of law or with this Indenture;
- (b) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction;
- (c) nothing herein shall require the Trustee to take any action under this Indenture or any direction from Holders which might in its reasonable judgment involve any expense or any financial or other liability unless the Trustee shall be furnished with indemnification acceptable to it, acting reasonably, including the advance of funds sufficient in the judgment of the Trustee to satisfy such liability, costs and expenses; and
- (d) the Trustee shall have the right to not take any action which might involve it in personal liability or be unjustly prejudicial to the Holders not consenting. For certainty, no Holder shall have any right of action whatsoever against the Trustee as a result of the Trustee acting or refraining from acting under the terms of this Indenture in accordance with the instructions from the Holders.

7.13 Notice of Event of Default

If an Event of Default shall occur and be continuing the Trustee shall, within 30 days after it receives written notice of the occurrence of such Event of Default, give notice of such Event of Default to the Holders in the manner provided in Section 14.2, provided that, notwithstanding the foregoing, unless the Trustee shall have been requested to do so by the Holders of at least 51% of the principal amount of the Notes then outstanding, the Trustee shall not be required to give such notice if and the Trustee in good faith shall have determined that the withholding of such notice is in the best interests of the Holders and shall have so advised the Issuer in writing. Notwithstanding the foregoing, notice relating to a Default or Event of Default relating to the payment of principal or interest shall not in any circumstances be withheld.

7.14 Waiver of Stay or Extension Laws

The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

7.15 Undertaking for Costs

All parties to this Indenture agree, and each Holder of any Note by such Holder's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorney's fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the outstanding Notes of any series, or to any suit instituted by any Holder

for the enforcement of the payment of the principal of (or premium, if any) or interest on any security on or after the Stated Maturity or Maturities expressed in such Note (or, in the case of redemption, on or after the Redemption Date).

7.16 Judgment Against the Issuer

The Issuer covenants and agrees with the Trustee that, in case of any judicial or other proceedings to enforce the rights of the Holders, judgment may be rendered against it in favour of the Holders or in favour of the Trustee, as trustee for the Holders, for any amount which may remain due in respect of the Notes of any series and premium (if any) and the interest thereon and any other monies owing hereunder.

7.17 Immunity of Officers and Others

The Holders, the Beneficial Holders and the Trustee hereby waive and release any right, cause of action or remedy now or hereafter existing in any jurisdiction against any past, present or future officer, director, employee, consultant, contractor, incorporator, member, manager, partner or holder of Capital Stock of the Issuer and of any Guarantor or of any successor for the payment of the principal of or premium or interest on any of the Notes or on any covenant, agreement, representation or warranty by the Issuer contained herein or in the Notes. Each Holder and Beneficial Holder, by accepting its interest in Notes, waives and releases all such claims against, and liability of, such Persons. The waiver and release provided for in this Section 7.17 are part of the consideration for issuance of the Notes.

7.18 Notice of Payment by Trustee

Not less than 15 days' notice shall be given in the manner provided in Section 14.2 by the Trustee to the Holders of Notes of any series of any payment to be made under this Article 7. Such notice shall state the time when and place where such payment is to be made and also the liability under this Indenture to which it is to be applied. After the day so fixed, unless payment shall have been duly demanded and have been refused, the Holders of Notes of the affected series will be entitled to interest only on the balance (if any) of the principal monies, premium (if any) and interest due (if any) to them, respectively, on the relevant Notes, after deduction of the respective amounts payable in respect thereof on the day so fixed.

7.19 Trustee May Demand Production of Notes

The Trustee shall have the right to demand production of the Notes of any series in respect of which any payment of principal, interest or premium (if any) required by this Article 7 is made and may cause to be endorsed on the same a memorandum of the amount so paid and the date of payment, but the Trustee may, in its discretion, dispense with such production and endorsement, upon such indemnity being given to it and to the Issuer as the Trustee shall deem sufficient.

7.20 Statement by Officers

- (a) The Issuer shall deliver to the Trustee, within 120 days after the end of each of its fiscal years, a brief certificate from the principal executive officer, principal financial officer or principal accounting officer as to his or her knowledge of compliance by the Issuer and the Restricted Subsidiaries with all conditions and covenants in this Indenture. For purposes of this Section 7.20(a), such compliance shall be determined without regard to any period of grace or requirement of notice under this Indenture.

- (b) Upon becoming aware of any Default or Event of Default, the Issuer shall promptly deliver to the Trustee by registered or certified mail or by facsimile transmission an Officers' Certificate, specifying such event, notice or other action giving rise to such Default or Event of Default and the action that the Issuer or Restricted Subsidiary, as applicable, is taking or proposes to take with respect thereto.

7.21 Cure Right

Notwithstanding anything set out in Section 6.6(b) or the existence of a Default or Event of Default resulting from a violation thereof, Ayr Wellness shall be permitted to cure any breach of the Consolidated Net Leverage Ratio that is continuing through the new issuance of or out of the net cash proceeds of the sale of, Equity Interests of Ayr Wellness (other than Disqualified Stock), including cash proceeds received from an exercise of warrants or options, or from the contribution of capital to Ayr Wellness in respect of its Equity Interests (other than Disqualified Stock), and the amount of proceeds received by Ayr Wellness shall be included in (i) Ayr Wellness' cash balances and (ii) the calculation of Consolidated EBITDA solely for the purposes of determining compliance with such financial covenant at the end of such fiscal period, but not for any other subsequent period that includes such fiscal period and Ayr Wellness shall be deemed to have cured such breach and/or any applicable Defaults or Events of Default shall be automatically deemed waived without any further act of Ayr Wellness or the Trustee.

ARTICLE 8 DISCHARGE AND DEFEASANCE

8.1 Satisfaction and Discharge

This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder (except as to any surviving rights of registration of transfer or exchange of Notes expressly provided for herein), when

- (a) either:
 - (i) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Issuer, have been delivered to the Trustee for cancellation; or
 - (ii) all Notes that have not been delivered to the Trustee for cancellation have become due and payable, including by redemption, by reason of the mailing of a Redemption Notice or otherwise or will become due and payable within one year and the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption;

- (b) no Default or Event of Default has occurred and is continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit);
- (c) such deposit will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture) to which the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound;
- (d) the Issuer or any Guarantor has paid or caused to be paid all sums payable by the Issuer under this Indenture; and
- (e) the Issuer has delivered irrevocable written instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or the Redemption Date, as the case may be.

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to Section 8.1(a)(ii), the provisions of Sections 8.7 and 8.8 will survive.

8.2 Option to Effect Discharge, Legal Defeasance or Covenant Defeasance

Unless this Section 8.2 is otherwise specified in any series of Notes or Supplemental Indenture providing for Notes of a series to be inapplicable to the Notes of such series, the Issuer may, at the option of the Board of Directors of the Issuer evidenced by a resolution set forth in an Officers' Certificate, at any time, elect to have either Section 8.3 or 8.4 applied to all outstanding Notes upon compliance with the conditions set forth in this Article 8.

8.3 Legal Defeasance and Discharge

- (a) Upon the Issuer's exercise under Section 8.2 of the option applicable to this Section 8.3 in respect of the Notes of any series, the Issuer and each of the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.5, be deemed to have been discharged from their Indenture Obligations, other than the provisions contemplated to survive as set forth below, with respect to all outstanding Notes of such series on the date the conditions set forth below are satisfied (hereinafter, "**Legal Defeasance**") in respect of such series. For this purpose, Legal Defeasance means that the Issuer and the Guarantors shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes of such series (including the Guarantees thereof), which shall thereafter be deemed to be "outstanding" only for the purposes of Sections 8.6 and 8.8 and the other Sections of this Indenture referred to in paragraphs (i) and (ii) below, and to have satisfied all their other obligations under such Notes and, to the extent applicable to such Notes, this Indenture and the Guarantees (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:
 - (i) the rights of Holders to receive payments in respect of the principal of, premium, if any, and interest on such Notes when such payments are due solely out of the trust created pursuant to this Indenture;

- (ii) the Issuer's obligations concerning issuing temporary Notes, mutilated, destroyed, lost, or stolen Notes and the maintenance of a register in respect of the Notes;
 - (iii) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuer's obligations in connection therewith; and
 - (iv) provisions of this Section 8.3.
- (b) Subject to compliance with Section 8.2, the Issuer may exercise its option under this Section 8.3 notwithstanding the prior exercise of its option under Section 8.4.

8.4 Covenant Defeasance

Unless this Section 8.4 is otherwise specified in any Note or Supplemental Indenture providing for Notes of a series to be inapplicable to the Notes of such series, upon the Issuer's exercise under Section 8.2 of the option applicable to this Section 8.4, the Issuer and each of the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.5, be released from each of their obligations under the covenants contained in Sections 6.2 (other than with respect to the Issuer), 6.3, 6.4 6.5, 6.7, 6.9, 6.10, 6.11, 6.12, 6.13, 6.14, 6.15, 7.20, 10.1(a)(ii)(C) and 13.1 (collectively, the "**Defeased Covenants**") with respect to the outstanding Notes of any series on and after the date the conditions set forth in Section 8.5 are satisfied (hereinafter, "**Covenant Defeasance**"), and such Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders thereof (and the consequences of any thereof) in connection with the Defeased Covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes of the applicable series, the Issuer and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any Defeased Covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default hereunder, but, except as specified above, the remainder of this Indenture, such Notes and the obligations of the Guarantors under their respective Guarantees shall be unaffected thereby. In addition, upon the Issuer's exercise under Section 8.2 of the option applicable to this Section 8.4, and subject to the satisfaction of the conditions set forth in Section 8.5, none of the events specified in Section 7.1 shall constitute a Default or Event of Default except for the events specified in Section 7.1(i) or 7.1(j).

8.5 Conditions to Legal or Covenant Defeasance

- (a) In order to exercise either Legal Defeasance under Section 8.3 or Covenant Defeasance under Section 8.4 with respect to a series of Notes:
- (i) the Issuer must deposit or cause to be deposited with the Trustee as trust funds or property in trust for the purpose of making payment on such Notes an amount of cash or Government Securities as will, together with the income to accrue thereon and reinvestment thereof, be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm, or firm of independent public accountants, to pay, satisfy and discharge the entire principal, interest, if any, premium, if any and any other sums due to the Stated Maturity or an optional Redemption Date of the Notes;

- (ii) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and the granting of Liens to secure such borrowing);
- (iii) the Issuer must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders over its other creditors or with the intent of defeating, hindering, delaying, or defrauding any of its other creditors or others;
- (iv) the Issuer must deliver to the Trustee: an Opinion of Counsel or an advance tax ruling from the Canada Revenue Agency (or successor agency) to the effect that the Holders and Beneficial Holders of outstanding Notes will not recognize income, gain, or loss for Canadian federal income tax purposes as a result of such Legal Defeasance or Covenant Defeasance, as the case may be, and will be subject to Canadian Taxes on the same amounts, in the same manner, and at the same times as would have been the case if such Legal Defeasance or Covenant Defeasance, as the case may be, had not occurred;
- (v) the Issuer must satisfy the Trustee that it has paid, caused to be paid or made provisions for the payment of all applicable expenses of the Trustee;
- (vi) the Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a Default under, any material agreement or instrument (other than the Indenture) to which the Issuer or any of its Subsidiaries is a party or by which the Issuer or any of its Subsidiaries is bound; and
- (vii) the Issuer must deliver to the Trustee an Officers' Certificate stating that all conditions precedent set forth in Section 8.1 relating to the Legal Defeasance or Covenant Defeasance, as the case may be, have been complied with.

8.6 Application of Trust Funds

- (a) Any funds or Government Securities deposited with the Trustee pursuant to Section 8.1 or 8.5 shall be (i) denominated in the currency or denomination of the Notes in respect of which such deposit is made, (ii) irrevocable (except as otherwise set out in this Indenture), and (iii) made under the terms of an escrow and/or trust agreement in form and substance satisfactory to the Trustee and which provides for the due and punctual payment of the principal of, premium, if any, and interest on the Notes being satisfied.
- (b) Subject to Section 8.7, any funds or Government Securities deposited with the Trustee pursuant to Section 8.1 or 8.5 in respect of Notes shall be held by the Trustee in trust and applied by it in accordance with the provisions of the applicable Notes and this Indenture, to the payment, either directly or through any Paying Agent as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such funds or Government Securities has been deposited with the Trustee; provided that such funds or Government Securities need not be segregated from other funds or obligations except to the extent required by law.

- (c) If the Trustee is unable to apply any funds or Government Securities in accordance with the above provisions by reason of any legal proceeding or any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and the Guarantors' obligations under this Indenture (including the Guarantees as applicable) and the affected Notes shall be revived and reinstated as though no funds or Government Securities had been deposited pursuant to Section 8.1 and 8.5, as applicable, until such time as the Trustee is permitted to apply all funds or Government Securities in accordance with the above provisions, provided that if the Issuer or any Guarantor has made any payment in respect of principal of, premium, if any, or interest on Notes or, as applicable, other amounts because of the reinstatement of its obligations, the Issuer and such Guarantor, as applicable, shall be subrogated to the rights of the Holders of such Notes to receive such payment from funds or Government Securities held by the Trustee.

8.7 Repayment to the Issuer

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Issuer from time to time upon the request of the Issuer any funds or Government Securities held by it as provided in Section 8.1 or 8.5 which, in the opinion of a nationally recognized firm of independent public accountants selected by the Issuer expressed in a written certification thereof, delivered to the Trustee (which may be the opinion delivered under Section 8.5(a)(iv)), are in excess of the amount thereof that would then be required to be deposited to fully satisfy the obligations of the Issuer under Section 8.1(a)(ii) or to effect an equivalent Legal Defeasance or Covenant Defeasance.

8.8 Continuance of Rights, Duties and Obligations

- (a) Where trust funds or trust property have been deposited pursuant to Section 8.1 or 8.5, the Holders and the Issuer shall continue to have and be subject to their respective rights, duties and obligations under Article 2, Article 3 and Article 5.
- (b) In the event that, after the deposit of trust funds or trust property pursuant to Section 8.1 or 8.5 in respect of a particular series of Notes, the Issuer is required to make an offer to purchase any outstanding Notes of such series pursuant to the terms hereof, the Issuer shall be entitled to use any trust funds or trust property deposited with the Trustee pursuant to Section 8.1 or 8.5 for the purpose of paying to any Holders of such Notes who have accepted any such offer of the total offer price payable in respect of an offer relating to any such Notes. Upon receipt of an Issuer Order, the Trustee shall be entitled to pay to such Holder from such trust funds or trust property deposited with the Trustee pursuant to Section 8.1 or 8.5 in respect of such Notes which is applicable to the Notes held by such Holders who have accepted any such offer of the Issuer (which amount shall be based on the applicable principal amount of the Notes held by accepting offerees in relation to the aggregate outstanding principal amount of all the Notes).

ARTICLE 9 MEETINGS OF HOLDERS

9.1 Purpose, Effect and Convention of Meetings

- (a) Subject to Section 12.2, wherever in this Indenture a consent, waiver, notice, authorization or resolution of the Holders (or any of them) is required, a meeting may be convened in

accordance with this Article 9 to consider and resolve whether such consent, waiver, notice, authorization or resolution should be approved by such Holders. A resolution passed by the affirmative votes of the Holders of at least a majority of the outstanding principal amount of the Notes represented and voting on a poll at a meeting of Holders duly convened for the purpose and held in accordance with the provisions of this Indenture shall constitute conclusively such consent, waiver, notice, authorization or resolution; except for those matters set out in Section 12.2, which shall require the consent of each Holder affected thereby as set out therein.

- (b) At any time and from time to time, the Trustee on behalf of the Issuer may and, on receipt of an Issuer Order or a Holders' Request and upon being indemnified and funded for the costs thereof to the reasonable satisfaction of the Trustee by the Issuer or the Holders signing such Holders' Request, will, convene a meeting of all Holders.
- (c) If the Trustee fails to convene a meeting after being duly requested as aforesaid (and indemnified and funded as aforesaid), the Issuer or such Holders may themselves convene such meeting and the notice calling such meeting may be signed by such Person as the Issuer or those Holders designate, as applicable. Every such meeting will be held in Vancouver, British Columbia or such other place as the Trustee may in any case determine or approve.

9.2 Notice of Meetings

- (a) Not more than 60 days' nor less than at least 21 days' notice of any meeting of the Holders of Notes of any series or of all series then outstanding, as the case may be, shall be given to the Holders of Notes of such series or of all series of Notes then outstanding, as applicable, in the manner provided in Section 14.2 and a copy of such notice shall be sent by post to the Trustee, unless the meeting has been called by it, and to the Issuer, unless such meeting has been called by it. Such notice shall state the time when and the place where the meeting is to be held and shall state briefly the general nature of the business to be transacted thereat and it shall not be necessary for any such notice to set out the terms of any resolution to be proposed or any of the provisions of this Article 9. The accidental omission to give notice of a meeting to any Holder shall not invalidate any resolution passed at any such meeting. A Holder may waive notice of a meeting either before or after the meeting.
- (b) If the business to be transacted at any meeting by resolution of Holder's, or any action to be taken or power exercised by instrument in writing under Section 9.12, especially affects the rights of holders of Notes of one or more series in a manner or to an extent differing in any material way from that in or to which the rights of holders of Notes of any other series are affected (determined as provided in Sections 9.2(c) and 9.2(d)), then:
 - (i) a reference to such fact, indicating each series of Notes in the opinion of the Trustee (or the Person calling the meeting) so especially affected (hereinafter referred to as the "especially affected series") shall be made in the notice of such meeting, and in any such case the meeting shall be and be deemed to be and is herein referred to as a "Serial Meeting"; and

- (ii) the holders of Notes of an especially affected series shall not be bound by any action taken at a Serial Meeting or by instrument in writing under Section 9.12 unless in addition to compliance with the other provisions of this Article 9:
 - (A) at such Serial Meeting: (I) there are Holders present in person or by proxy and representing at least 25% in principal amount of the Notes then outstanding of such series, subject to the provisions of this Article 9 as to quorum at adjourned meetings; and (II) the resolution is passed by such proportion of Holders of the principal amount of the Notes of such series then outstanding voted on the resolution as is required by Sections 12.1 or 12.2, as applicable; or
 - (B) in the case of action taken or power exercised by instrument in writing under Section 9.12, such instrument is signed in one or more counterparts by such proportion of Holders of the principal amount of the Notes of such series then outstanding as is required by Sections 12.1 or 12.2, as applicable.
- (c) Subject to Section 9.2(d), the determination as to whether any business to be transacted at a meeting of Holders, or any action to be taken or power to be exercised by instrument in writing under Section 9.12, especially affects the rights of the Holders of one or more series in a manner or to an extent differing in any material way from that in or to which it affects the rights of Holders of any other series (and is therefore an especially affected series) shall be determined by an Opinion of Counsel, which shall be binding on all Holders, the Trustee and the Issuer for all purposes hereof.
- (d) A proposal:
 - (i) to extend the Maturity of Notes of any particular series or to reduce the principal amount thereof, the rate of interest or premium thereon;
 - (ii) to modify or terminate any covenant or agreement which by its terms is effective only so long as Notes of a particular series are outstanding; or
 - (iii) to reduce with respect to Holders of any particular series any percentage stated in this Section 9.2 or Sections 9.4 and 9.12;

shall be deemed to especially affect the rights of the Holders of such series in a manner differing in a material way from that in which it affects the rights of holders of Notes of any other series, whether or not a similar extension, reduction, modification or termination is proposed with respect to Notes of any or all other series.

9.3 Chair

Some individual, who need not be a Holder, nominated in writing by the Trustee shall be chair of the meeting and if no individual is so nominated, or if the individual so nominated is not present within 15 minutes from the time fixed for the holding of the meeting, a majority of the Holders present in person or by proxy shall choose some individual present to be chair.

9.4 Quorum

Subject to this Indenture, at any meeting of the Holders of Notes of any series or of all series then outstanding, as the case may be, a quorum shall consist of Holders present in person or by proxy and representing at least 25% of the principal amount of the outstanding Notes of the relevant series or all series then outstanding, as the case may be, and, if the meeting is a Serial Meeting, at least 25% of the Notes then outstanding of each especially affected series. If a quorum of the Holders shall not be present within 30 minutes from the time fixed for holding any meeting, the meeting, if convened by the Holders or pursuant to a Holders' Request, shall be dissolved, but in any other case the meeting shall be adjourned to the same day in the next week (unless such day is not a Business Day in which case it shall be adjourned to the next following Business Day thereafter) at the same time and place and no notice shall be required to be given in respect of such adjourned meeting. At the adjourned meeting, the Holders present in person or by proxy shall constitute a quorum and may transact the business for which the meeting was originally convened notwithstanding that they may not represent 25% of the principal amount of the outstanding Notes of the relevant series or all series then outstanding, as the case may be, or of the Notes then outstanding of each especially affected series. Any business may be brought before or dealt with at an adjourned meeting which might have been brought before or dealt with at the original meeting in accordance with the notice calling the same. No business shall be transacted at any meeting unless the required quorum be present at the commencement of business.

9.5 Power to Adjourn

The chair of any meeting at which the requisite quorum of the Holders is present may, with the consent of the Holders of a majority in principal amount of the Notes represented thereat, adjourn any such meeting and no notice of such adjournment need be given except such notice, if any, as the meeting may prescribe.

9.6 Voting

On a poll each Holder present in person or represented by a duly appointed proxy shall be entitled to one vote in respect of each \$1.00 principal amount of the Notes of the relevant series of Notes of which it is the Holder. A proxyholder need not be a Holder. In the case of joint registered Holders of a Note, any one of them present in person or by proxy at the meeting may vote in the absence of the other or others; but in case more than one of them be present in person or by proxy, they shall vote together in respect of the Notes of which they are joint Holders.

9.7 Poll

A poll will be taken on every resolution submitted for approval at a meeting of Holders, in such manner as the chair directs, and the results of such polls shall be binding on all Holders of the relevant series. Every resolution, other than in respect of those matters set out in Section 12.2, will be decided by a majority of the votes cast on the poll for that resolution.

9.8 Proxies

A Holder may be present and vote at any meeting of Holders by an authorized representative. The Issuer (in case it convenes the meeting) or the Trustee (in any other case) for the purpose of enabling the Holders to be present and vote at any meeting without producing their Notes, and of enabling them to be present and vote at any such meeting by proxy and of depositing instruments appointing such proxies at some place other than the place where the meeting is to be held, may from time to time make and vary such regulations as it shall think fit providing for and governing any or all of the following matters:

- (a) the form of the instrument appointing a proxy, which shall be in writing, and the manner in which the same shall be executed and the production of the authority of any individual signing on behalf of a Holder;
- (b) the deposit of instruments appointing proxies at such place as the Trustee, the Issuer or the Holder convening the meeting, as the case may be, may, in the notice convening the meeting, direct and the time, if any, before the holding of the meeting or any adjournment thereof by which the same must be deposited; and
- (c) the deposit of instruments appointing proxies at some approved place or places other than the place at which the meeting is to be held and enabling particulars of such instruments appointing proxies to be mailed, faxed, cabled, telegraphed or sent by other electronic means before the meeting to the Issuer or to the Trustee at the place where the same is to be held and for the voting of proxies so deposited as though the instruments themselves were produced at the meeting.

Any regulations so made shall be binding and effective and the votes given in accordance therewith shall be valid and shall be counted. Save as such regulations may provide, the only Persons who shall be recognized at any meeting as the Holders of any Notes, or as entitled to vote or be present at the meeting in respect thereof, shall be Holders and Persons whom Holders have by instrument in writing duly appointed as their proxies.

9.9 Persons Entitled to Attend Meetings

The Issuer and the Trustee, by their respective directors, officers and employees and the respective legal advisors of the Issuer, the Trustee or any Holder may attend any meeting of the Holders, but shall have no vote as such.

9.10 Powers Cumulative

Any one or more of the powers in this Indenture stated to be exercisable by the Holders by resolution or otherwise may be exercised from time to time and the exercise of any one or more of such powers from time to time shall not be deemed to exhaust the rights of the Holders to exercise the same or any other such power or powers thereafter from time to time. No powers exercisable by resolution will derogate in any way from the rights of the Issuer pursuant to this Indenture.

9.11 Minutes

Minutes of all resolutions and proceedings at every meeting as aforesaid shall be made and duly entered in books to be from time to time provided for that purpose by the Trustee at the expense of the Issuer, and any such minutes as aforesaid, if signed by the chair of the meeting at which such resolutions were passed or proceedings had, or by the chair of the next succeeding meeting of the Holders, shall be prima facie evidence of the matters therein stated and, until the contrary is proved, every such meeting, in respect of the proceedings of which minutes shall have been made, shall be deemed to have been duly held and convened, and all resolutions passed thereat or proceedings taken thereat to have been duly passed and taken.

9.12 Instruments in Writing

Any consent, waiver, notice, authorization or resolution of the Holders which may be given by resolution at a meeting of the Holders pursuant to this Article 9 may also be given by the Holders of not less than 51% of the aggregate principal amount of the outstanding Notes of such series by a signed instrument in one or more counterparts, and the expression “resolution” when used in this Indenture will include instruments so signed. Notice of any resolution passed in accordance with this Section 9.12 will be given by the Trustee to the affected Holders within 30 days of the date on which such resolution was passed.

9.13 Binding Effect of Resolutions

Every resolution passed in accordance with the provisions of this Article 9 at a meeting of Holders of a particular series of Notes or of all series then outstanding, as the case may be, shall be binding upon all the Holders of Notes or of the particular series, as the case may be, whether present at or absent from such meeting, and every instrument in writing signed by Holders in accordance with Section 9.12 shall be binding upon all the Holders, whether signatories thereto or not, and each and every Holder and the Trustee (subject to the provisions for its indemnity herein contained) shall, subject to applicable law, be bound to give effect accordingly to every such resolution and instrument in writing. Notwithstanding anything in this Indenture (but subject to the provisions of any indenture, deed or instrument supplemental or ancillary hereto), any covenant or other provision in this Indenture or in any Supplemental Indenture which is expressed to be or is determined by the Trustee (relying on the advice of Counsel) to be effective only with respect to Notes of a particular series, may be modified by the required resolution or consent of the holders of Notes of such series in the same manner as if the Notes of such series were the only Notes outstanding under this Indenture.

9.14 Evidence of Rights of Holders

- (a) Any request, direction, notice, consent or other instrument which this Indenture may require or permit to be signed or executed by the Holders may be in any number of concurrent instruments of similar tenor signed or executed by such Holders. Proof of the execution of any such request, direction, notice, consent or other instrument or of a writing appointing any such attorney will be sufficient for any purpose of this Indenture if the fact and date of the execution by any Person of such request, direction, notice, consent or other instrument or writing may be proved by the certificate of any notary public, or other officer authorized to take acknowledgements of deeds to be recorded at the place where such certificate is made, that the Person signing such request, direction, notice, consent or other instrument or writing acknowledged to such notary public or other officer the execution thereof, or by an affidavit of a witness of such execution or in any other manner which the Trustee may consider adequate.
- (b) Notwithstanding Section 9.14(a), the Trustee may, in its discretion, require proof of execution in cases where it deems proof desirable and may accept such proof as it shall consider proper.

ARTICLE 10 SUCCESSORS TO THE ISSUER AND THE RESTRICTED SUBSIDIARIES

10.1 Merger, Consolidation or Sale of Assets

When the continuing successor Person assumes all of the Issuer's

obligations under this Indenture pursuant to a supplemental Indenture in form and substance reasonably satisfactory to the Trustee, the Issuer will be discharged from those obligations; provided, however, that the Issuer shall not be relieved from the obligation to pay the principal of and interest on the Notes in the case of a lease of all or substantially all of the Issuer's assets.

The Issuer may not, nor may any Affiliate of the Issuer, serve as Trustee. 11.2 No Conflict of Interest

Nothing herein shall prevent the Trustee from filing with the Commission the application referred to in the second to last paragraph of Section 310(b) of the Trust Indenture Act.
- (b) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article 11 shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of this Section 11.3.

- (c) The Trustee may resign at any time with respect to the Notes of one or more series by giving written notice thereof to the Issuer. In the event of the Trustee resigning or being removed or being dissolved, becoming bankrupt, going into liquidation or otherwise becoming incapable of acting hereunder, the Issuer shall forthwith appoint a new Trustee unless a new Trustee has already been appointed by the Holders in accordance with the provisions hereof. Failing such appointment by the Issuer or if the instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the retiring Trustee or any Holder may apply to a judge of the British Columbia Supreme Court, on such notice as such Judge may direct at the Issuer's expense, for the appointment of a new Trustee but any new Trustee so appointed by the Issuer or by the Court shall be subject to removal as aforesaid by the Holders. The appointment of such new Trustee shall be effective only upon such new Trustee becoming bound by this Indenture. Any new Trustee appointed under any provision of this Section 11.3 shall be a corporation authorized to carry on the business of a trust company in one or more of the Provinces of Canada. On any new appointment the new Trustee shall be vested with the same powers, rights, duties and responsibilities as if it had been originally named herein as Trustee.
- (d) The Trustee may be removed at any time with respect to the Notes of any series by act of the Holders of a majority in principal amount of the outstanding Notes of such series, upon written notice delivered to the Trustee and to the Issuer. If the instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of removal, the Trustee being removed may petition the British Columbia Supreme Court at the Issuer's expense for the appointment of a successor Trustee with respect to the Notes of such series.
- (e) If at any time:
 - (i) the Trustee shall fail to comply with Article 11 after written request therefor by the Issuer or by any Holder who has been a bona fide Holder of a security for at least six months; or
 - (ii) the Trustee shall cease to be eligible under Section 11.1 and shall fail to resign after written request therefor by the Issuer or by any such Holder; or
 - (iii) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or commence a voluntary bankruptcy proceeding or a receiver of the Trustee or of its property shall be appointed or consented to or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then, in any such case, (i) the Issuer by a Board Resolution may remove the Trustee with respect to all Notes, or (ii) subject to Section 7.15, any Holder who has been a bona fide Holder of a security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee with respect to all Notes and the appointment of a successor Trustee or Trustees.
- (f) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause with respect to the Notes of one or more series,

the Issuer, shall promptly appoint a successor Trustee or Trustees with respect to the Notes of that or those series (it being understood that any such successor Trustee may be appointed with respect to the Notes of one or more or all of such series and that at any time there shall be only one Trustee with respect to the Notes of any particular series) and shall comply with the applicable requirements of Article 11. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Notes of any series shall be appointed by act of the Holders of a majority in principal amount of the outstanding Notes of such series delivered to the Issuer and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Article 11, become the successor Trustee with respect to the Notes of such series and to that extent supersede the successor Trustee appointed by the Issuer. If no successor Trustee with respect to the Notes of any series shall have been so appointed by the Issuer or the Holders and accepted appointment in the manner required by Article 11, any Holder who has been a bona fide Holder of a security of such series for at least six months may, on behalf of himself and all others similarly situated, petition the British Columbia Supreme Court for the appointment of a successor Trustee with respect to the Notes of such series.

- (g) The Issuer shall give notice of each resignation and each removal of the Trustee with respect to the Notes of any series and each appointment of a successor Trustee with respect to the Notes of any series by mailing or sending written notice of such event to all Holders of Notes of such series as their names and addresses appear in the security register. Each notice shall include the name of the successor Trustee with respect to the Notes of such series and the address of its corporate trust office.
- (h) Any entity into which the Trustee may be merged or, with or to which it may be consolidated, amalgamated or sold, or any entity resulting from any merger, consolidation, sale or amalgamation to which the Trustee shall be a party, shall be the successor Trustee under this Indenture without the execution of any instrument or any further act. Nevertheless, upon the written request of the successor Trustee or of the Issuer, the Trustee ceasing to act shall execute and deliver an instrument assigning and transferring to such successor Trustee, upon the trusts herein expressed, all the rights, powers and trusts of the retiring Trustee so ceasing to act, and shall duly assign, transfer and deliver all property and money held by such

Trustee to the successor Trustee so appointed in its place. Should any deed, conveyance or instrument in writing from the Issuer or any Guarantor be required by any new Trustee for more fully and certainly vesting in and confirming to it such estates, properties, rights, powers and trusts, then any and all such deeds, conveyances and instruments in writing shall on request of said new Trustee, be made, executed, acknowledged and delivered by the Issuer or such Guarantor, as applicable.

11.4 Rights and Duties of Trustee

- (a) In the exercise of the rights, duties and obligations prescribed or conferred by the terms of this Indenture the Trustee shall act honestly and in good faith and exercise that degree of care, diligence and skill that a reasonably prudent Trustee would exercise in comparable circumstances. Subject to the foregoing, the Trustee will be liable for its own wilful misconduct or gross negligence. The Trustee will not be liable for any act or default on the

part of any agent employed by it or a co-Trustee, or for having permitted any agent or co-Trustee to receive and retain any money payable to the Trustee, except as aforesaid.

- (b) The Trustee shall transmit to Holders such brief reports concerning the Trustee and its actions under this Indenture as may be required pursuant to Section 313(a) of the Trust Indenture Act at the times and in the manner provided pursuant thereto, for so long as any Notes are outstanding hereunder (but if no event described in Section 313(a) of the Trust Indenture Act has occurred, no report need be transmitted). The Trustee shall promptly deliver to the Issuer a copy of any report it delivers to Holders pursuant to this Section 11.4. The Trustee also shall comply with Section 313(b) of the Trust Indenture Act. The Trustee shall also transmit by mail all reports as required by Section 313(c) of the Trust Indenture Act. A copy of each such report, at the time of such transmission to the Holders of Notes, shall be filed by the Trustee with the Issuer, with each stock exchange on which the Notes are listed, if any, and with the Commission in accordance with Section 313(d) of the Trust Indenture Act. The Issuer shall notify the Trustee when the Notes are listed on any stock exchange or delisted therefrom.
- (c) Nothing herein contained shall impose any obligation on the Trustee to see to or require evidence of the registration or filing (or renewal thereof) of this Indenture, any Security Document, or instrument ancillary or supplemental hereto or thereto.
- (d) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own grossly negligent action, its own grossly negligent failure to act, or its own willful misconduct, except that this subsection shall not be construed to limit the effect of Section 11.4 or Section 11.5.
- (e) The Trustee and its officers shall not be:
 - (i) accountable for the use or application by the Issuer of the Notes or the proceeds thereof;
 - (ii) responsible to make any calculation with respect to any matter under this Indenture;
 - (iii) liable for any error in judgment made in good faith unless negligent in ascertaining the pertinent facts; or
 - (iv) liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the outstanding Notes of any series, as provided in Section 7.12, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Notes of such series.
 - (v) responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its control, including, without limitation, any provision of any law or regulation or any act of any governmental authority, acts of God; earthquakes; fire; flood; terrorism; wars and other military disturbances; sabotage;

epidemics; riots; interruptions; loss or malfunctions of utilities, computer (hardware or software) or communication services; cyberterrorism; accidents; labor disputes; acts of civil or military authority and governmental action.

- (f) The Trustee shall have the right to disclose any information disclosed or released to it if, in the reasonable opinion of the Trustee, after consultation with Counsel, it is required to disclose under any applicable laws, court order or administrative directions, or if, in the reasonable opinion of the Trustee, it is required to disclose to its regulatory authority. The Trustee shall not be responsible or liable to any party for any loss or damage arising out of or in any way sustained or incurred or in any way relating to such disclosure.
- (g) The Trustee shall not be responsible for any error made or act done by it resulting from reliance upon the signature of any Person on whose signature the Trustee is entitled to act, or refrain from acting, under a specific provision of this Indenture.
- (h) The Trustee shall be entitled to treat a facsimile, pdf or e-mail communication or communication by other similar electronic means in a form satisfactory to the Trustee from a Person purporting to be (and whom the Trustee, acting reasonably, believes in good faith to be) an authorized representative of the Issuer or a Holder, as sufficient instructions and authority of such party for the Trustee to act and shall have no duty to verify or confirm that Person is so authorized. The Trustee shall have no liability for any losses, liabilities, costs or expenses incurred by it as a result of such reliance upon, or compliance with, such instructions or directions, except to the extent any such losses, cost or expense are the direct result of gross negligence or willful misconduct on the part of the Trustee. The Issuer and the Holders agree: (i) to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including, without limitation, the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting instructions to the Trustee and that there may be more secure methods of transmitting instructions than the method(s) selected by such party; and (iii) that the security procedures (if any) to be followed in connection with its transmission of instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances.

11.5 Reliance Upon Declarations, Opinions, etc.

- (a) The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee.
- (b) In the exercise of its rights, duties and obligations hereunder the Trustee may, if acting in good faith and subject to Section 11.8, rely, as to the truth of the statements and accuracy of the opinions expressed therein, upon statutory declarations, opinions, reports or certificates furnished pursuant to any covenant, condition or requirement of this Indenture or required by the Trustee to be furnished to it in the exercise of its rights and duties hereunder, if the Trustee examines such statutory declarations, opinions, reports or certificates and determines that they comply with Section 11.6, if applicable, and with any other applicable requirements of this Indenture. But in the case of any such certificates or

opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein. The Trustee may nevertheless, in its discretion, require further proof in cases where it deems further proof desirable. Without restricting the foregoing, the Trustee may rely on an Opinion of Counsel satisfactory to the Trustee notwithstanding that it is delivered by a solicitor or firm which acts as solicitors for the Issuer.

- (c) The Trustee shall have no obligation to ensure or verify compliance with any applicable laws or regulatory requirements on the issue or transfer of any Notes provided such issue or transfer is effected in accordance with the terms of this Indenture. The Trustee shall be entitled to process all transfers and redemptions upon the presumption that such transfer and redemption is permissible pursuant to all applicable laws and regulatory requirements if such transfer and redemption is effected in accordance with the terms of this Indenture. The Trustee shall have no obligation, other than to confer with the Issuer and its Counsel, to ensure that legends appearing on the Notes comply with regulatory requirements or securities laws of any applicable jurisdiction.

11.6 Evidence and Authority to Trustee, Opinions, etc.

- (a) The Issuer shall furnish to the Trustee evidence of compliance with the conditions precedent provided for in this Indenture relating to any action or step required or permitted to be taken by the Issuer or the Trustee under this Indenture or as a result of any obligation imposed under this Indenture, including without limitation, the authentication and delivery of Notes hereunder, the satisfaction and discharge of this Indenture and the taking of any other action to be taken by the Trustee at the request of or on the application of the Issuer, forthwith if and when (a) such evidence is required by any other Section of this Indenture to be furnished to the Trustee in accordance with the terms of this Section 11.6, or (b) the Trustee, in the exercise of its rights and duties under this Indenture, gives the Issuer written notice requiring it to furnish such evidence in relation to any particular action or obligation specified in such notice. Such evidence shall consist of:
 - (i) an Officers' Certificate, stating that any such condition precedent has been complied with in accordance with the terms of this Indenture;
 - (ii) in the case of a condition precedent the satisfaction of which is, by the terms of this Indenture, made subject to review or examination by a solicitor, an Opinion of Counsel that such condition precedent has been complied with in accordance with the terms of this Indenture; and
 - (iii) in the case of any such condition precedent the satisfaction of which is subject to review or examination by auditors or accountants, an opinion or report of the Issuer's Auditors whom the Trustee for such purposes hereby approves, that such condition precedent has been complied with in accordance with the terms of this Indenture.
- (b) Whenever such evidence relates to a matter other than the authentication and delivery of Notes and the satisfaction and discharge of this Indenture, and except as otherwise

specifically provided herein, such evidence may consist of a report or opinion of any solicitor, auditor, accountant, engineer or appraiser or any other appraiser or any other individual whose qualifications give authority to a statement made by such individual, provided that if such report or opinion is furnished by a director, officer or employee of the Issuer it shall be in the form of a statutory declaration. Such evidence shall be, so far as appropriate, in accordance with Section 11.6(a).

- (c) Each statutory declaration, certificate, opinion or report with respect to compliance with a condition precedent provided for in this Indenture shall include (i) a statement by the individual giving the evidence that he or she has read and is familiar with those provisions of this Indenture relating to the condition precedent in question, (ii) a brief statement of the nature and scope of the examination or investigation upon which the statements or opinions contained in such evidence are based, (iii) a statement that, in the belief of the individual giving such evidence, he or she has made such examination or investigation as is necessary to enable him or her to make the statements or give the opinions contained or expressed therein, and (iv) a statement whether in the opinion of such individual the conditions precedent in question have been complied with or satisfied.
- (d) In addition to its obligations under Section 7.20, the Issuer shall furnish or cause to be furnished to the Trustee at any time if the Trustee reasonably so requires, an Officers' Certificate certifying that the Issuer has complied with all covenants, conditions or other requirements contained in this Indenture, the non-compliance with which would constitute a Default or an Event of Default, or if such is not the case, specifying the covenant, condition or other requirement which has not been complied with and giving particulars of such non-compliance. The Issuer shall, whenever the Trustee so requires, furnish the Trustee with evidence by way of statutory declaration, opinion, report or certificate as specified by the Trustee as to any action or step required or permitted to be taken by the Issuer or as a result of any obligation imposed by this Indenture.

11.7 Officers' Certificates Evidence

Except as otherwise specifically provided or prescribed by this Indenture, whenever in the administration of the provisions of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or omitting any action hereunder, the Trustee, if acting in good faith, may rely upon an Officers' Certificate.

11.8 Experts, Advisers and Agents

Subject to Sections 11.3 and 11.4, the Trustee may:

- (a) employ or retain and act and rely on the opinion or advice of or information obtained from any solicitor, auditor, valuator, engineer, surveyor, appraiser or other expert, whether obtained by the Trustee or by the Issuer, or otherwise, and shall not be liable for acting, or refusing to act, in good faith on any such opinion or advice and may pay proper and reasonable compensation for all such legal and other advice or assistance as aforesaid; and
- (b) employ such agents and other assistants as it may reasonably require for the proper discharge of its duties hereunder, and may pay reasonable remuneration for all services performed for it (and shall be entitled to receive reasonable remuneration for all services

performed by it) in the discharge of the trusts hereof and compensation for all disbursements, costs and expenses made or incurred by it in the discharge of its duties hereunder and in the management of the trusts hereof and

any solicitors employed or consulted by the Trustee may, but need not be, solicitors for the Issuer.

11.9 Trustee May Deal in Notes

Subject to Sections 11.2 and 11.4, the Trustee may, in its personal or other capacity, buy, sell, lend upon and deal in Notes and generally contract and enter into financial transactions with the Issuer or otherwise, without being liable to account for any profits made thereby. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the British Columbia Supreme Court for permission to continue as Trustee hereunder or resign.

11.10 Investment of Monies Held by Trustee

- (a) Any securities, documents of title or other instruments that may at any time be held by the Trustee subject to the trusts hereof may be placed in the deposit vaults of the Trustee or of any Canadian chartered bank or deposited for safe-keeping in the Province of British Columbia with any such bank. In respect of any moneys so held, upon receipt of a written order from a Participant or a Beneficial Holder, the Trustee shall invest the funds in accordance with such written order in Authorized Investments (as defined below). Any such written order from a Participant or a Beneficial Holder shall be provided to the Trustee no later than 9:00 a.m. (Toronto time) on the day on which the investment is to be made. Any such written order from a Participant or a Beneficial Holder received by the Trustee after 9:00 a.m. (Toronto time) or received on a non-Business Day, shall be deemed to have been given prior to 9:00 a.m. (Toronto time) the next Business Day. For certainty, after an Event of Default, the Trustee shall only be obligated to make investments on receipt of appropriate instructions from the Holders by way of a resolution of Holders of at least a majority in principal amount of the Notes represented and voting at a meeting of Holders, or by a resolution in writing.
- (b) The Trustee shall have no liability for any loss sustained as a result of any investment selected by and made pursuant to the instructions of the Issuer or the Holders, as applicable, as a result of any liquidation of any investment prior to its maturity or for failure of either the Issuer or the Holders, as applicable, to give the Trustee instructions to liquidate, invest or reinvest amounts held with it. In the absence of written instructions from either the Issuer or the Holders as to investment of funds held by it, such funds shall be held uninvested by the Trustee without liability for interest thereon.
- (c) For the purposes of this section, “**Authorized Investments**” means short term interest bearing or discount debt obligations issued or guaranteed by the government of Canada or a Province or a Canadian chartered bank (which may include an affiliate (as defined in this section) or related party of the Trustee) provided that such obligation is rated at least R1 (middle) by DBRS or an equivalent rating service. For certainty, the Issuer and the Holders acknowledge and agree that the Trustee has no obligation or liability to confirm or verify that investment instructions delivered pursuant to this Section 11.10 comply with the definition of Authorized Investments.

11.11 Trustee Not Ordinarily Bound

Except as provided in Section 7.2 and as otherwise specifically provided herein, the Trustee shall not, subject to Section 11.4, be bound to give notice to any Person of the execution hereof, nor to do, observe or perform or see to the observance or performance by the Issuer of any of the obligations herein imposed upon the Issuer or of the covenants on the part of the Issuer herein contained, nor in any way to supervise or interfere with the conduct of the Issuer's business, unless the Trustee shall have been required to do so in writing by the Holders of not less than 25% of the aggregate principal amount of the Notes then outstanding, and then only after it shall have been funded and indemnified to its satisfaction against all actions, proceedings, claims and demands to which it may render itself liable and all costs, charges, damages and expenses which it may incur by so doing.

11.12 Trustee Not Required to Give Security

The Trustee shall not be required to give any bond or security in respect of the execution of the trusts and powers of this Indenture or otherwise in respect of the premises.

11.13 Trustee Not Bound to Act on Issuer's Request

Except as in this Indenture otherwise specifically provided, the Trustee shall not be bound to act in accordance with any direction or request of the Issuer until a duly authenticated copy of the instrument or resolution containing such direction or request shall have been delivered to the Trustee, and the Trustee shall be empowered to act upon any such copy purporting to be authenticated and believed by the Trustee to be genuine.

11.14 Conditions Precedent to Trustee's Obligations to Act Hereunder

- (a) The obligation of the Trustee to commence or continue any act, action or proceeding for the purpose of enforcing the rights of the Trustee and of the Holders hereunder shall be conditional upon any one or more Holders furnishing when required by notice in writing by the Trustee, sufficient funds to commence or continue such act, action or proceeding and indemnity reasonably satisfactory to the Trustee to protect and hold harmless the Trustee against the costs, charges and expenses and liabilities to be incurred thereby and any loss and damage it may suffer by reason thereof.
- (b) None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers unless indemnified as aforesaid.
- (c) The Trustee may, before commencing or at any time during the continuance of any such act, action or proceeding require the Holders of Notes of a series at whose instance it is acting to deposit with the Trustee such Notes held by them for which Notes the Trustee shall issue receipts.
- (d) Unless an action is expressly directed or required herein, the Trustee shall request instructions from the Holders with respect to any actions or approvals which, by the terms of this Indenture, the Trustee is permitted to take or to grant (including any such actions or approvals that are to be taken in the Trustee's "discretion" or "opinion", or to its "satisfaction", or words to similar effect), and the Trustee shall refrain from taking any

such action or withholding any such approval and shall not be under any liability whatsoever as a result thereof until it shall have received such instructions by way of resolution from the Holders in accordance with this Indenture.

11.15 Authority to Carry on Business

The Trustee represents to the Issuer that at the date of execution and delivery by it of this Indenture it is authorized to carry on the business of a trust company in all of the provinces of Canada but if, notwithstanding the provisions of this Section 11.15, it ceases to be so authorized to carry on business, the validity and enforceability of this Indenture and the securities issued hereunder shall not be affected in any manner whatsoever by reason only of such event but the Trustee shall, within 90 days after ceasing to be authorized to carry on the business of a trust company in the province of British Columbia, either become so authorized or resign in the manner and with the effect specified in Section 11.3.

11.16 Compensation and Indemnity

- (a) The Issuer shall pay to the Trustee from time to time compensation for its services hereunder as agreed separately by the Issuer and the Trustee, and shall pay or reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in the administration or execution of its duties under this Indenture (including the reasonable and documented compensation and disbursements of its Counsel and all other advisers and assistants not regularly in its employ), both before any default hereunder and thereafter until all duties of the Trustee under this Indenture shall be finally and fully performed. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust.
- (b) The Issuer hereby indemnifies and saves harmless the Trustee and its directors, officers, employees and shareholders from and against any and all loss, damages, charges, expenses, claims, demands, actions or liability whatsoever which may be brought against the Trustee or which it may suffer or incur as a result of or arising out of the performance of its duties and obligations hereunder save only in the event of the gross negligence or wilful misconduct of the Trustee. This indemnity will survive the termination or discharge of this Indenture and the resignation or removal of the Trustee. The Trustee shall notify the Issuer promptly of any claim for which it may seek indemnity. The Issuer shall defend the claim and the Trustee shall cooperate in the defence. The Trustee may have separate Counsel and the Issuer shall pay the reasonable fees and expenses of such Counsel. The Issuer need not pay for any settlement made without its consent, which consent must not be unreasonably withheld. This indemnity shall survive the resignation or removal of the Trustee or the discharge of this Indenture.
- (c) The Issuer need not reimburse any expense or indemnify against any loss or liability incurred by the Trustee through gross negligence or wilful misconduct on the part of the Trustee.

11.17 Acceptance of Trust

The Trustee hereby accepts the trusts in this Indenture declared and provided for and agrees to perform the same upon the terms and conditions herein set forth and to hold all rights, privileges and benefits conferred

hereby and by law in trust for the various Persons who shall from time to time be Holders, subject to all the terms and conditions herein set forth.

11.18 Anti-Money Laundering

The Trustee shall retain the right not to act and shall not be liable for refusing to act if, due to a lack of information or for any other reason whatsoever, the Trustee, in its sole judgment, acting reasonably, determines that such act might cause it to be in non-compliance with any applicable anti-money laundering or anti-terrorist legislation, regulation or guideline. Further, should the Trustee, in its sole judgment, acting reasonably, determine at any time that its acting under this Indenture has resulted in its being in non-compliance with any applicable anti-money laundering or anti-terrorist legislation, regulation or guideline, then it shall have the right to resign on 10 days' prior written notice sent to all parties hereto; provided that (A) the written notice shall describe the circumstances of such non-compliance; and (B) if such circumstances are rectified to the Trustee's satisfaction within such 10 day period, then such resignation shall not be effective.

11.19 Privacy

- (a) The parties hereto acknowledge that the Trustee may, in the course of providing services hereunder, collect or receive financial and other personal information about such parties and/or their representatives, as individuals, or about other individuals related to the subject matter hereof, and use such information for the following purposes:
 - (i) to provide the services required under this Indenture and other services that may be requested from time to time;
 - (ii) to help the Trustee manage its servicing relationships with such individuals;
 - (iii) to meet the Trustee's legal and regulatory requirements; and
 - (iv) if social insurance numbers are collected by the Trustee, to perform tax reporting and to assist in verification of an individual's identity for security purposes.
- (b) Each party acknowledges and agrees that the Trustee may receive, collect, use and disclose personal information provided to it or acquired by it in the course of providing services under this Indenture for the purposes described above and, generally, in the manner and on the terms described in its privacy code, which the Trustee shall make available on its website or upon request, including revisions thereto. The Trustee may transfer some of that personal information to service providers in the United States for data processing and/or storage. Further, each party agrees that it shall not provide or cause to be provided to the Trustee any personal information relating to an individual who is not a party to this Indenture unless that party has assured itself that such individual understands and has consented to the aforementioned uses and disclosures.

11.20 Subordination Agreements

- (a) The Trustee shall execute the Subordination Agreements, in its capacity as Trustee under this Indenture, in form and substance satisfactory to the 2026 Majority Noteholders as of the Issue Date and attached as Appendix C or otherwise with the approval from a Holders

of a majority of the aggregate principal amount 2026 Notes outstanding. Each Holder, by tendering its approval, (a) authorizes and directs the Trustee to enter into the Subordination Agreement and any subsequent amendments or modifications thereto (without the consent of Holders) that (i) are requested by the Issuer and that are not adverse to the Holders or (ii) are minor or administrative in nature, and the Trustee may request at any time and rely on an Opinion of Counsel confirming that such amendments or modifications meet the requirements of this clause (a), and (b) acknowledges and agrees that the Trustee shall not be responsible to approve, review or otherwise negotiate the terms of the Subordination Agreement, or any subsequent amendment or modification thereof, on behalf of the Holders or the Issuer and that the Trustee shall not be liable to the Holders for any of the terms or provisions contained in the Intercreditor Agreement. The Holders of the Notes further acknowledge that the Trustee has not and will not provide any advice to the Holders of the Notes in respect of the Indenture or Security Documents, the adequacy of the Indenture or Security Documents or as to the priority, registration or perfection of their interest in the Collateral.

- (b) The Trustee is entering into the Subordination Agreements and any document delivered in connection therewith in its capacity as trustee for the Holders. Whenever any reference is made in the Subordination Agreement or in any document delivered in connection therewith to an act to be performed by the Trustee, such reference shall be construed and applied for all purposes as if it referred to an act to be performed by the Trustee for and on behalf of the Holders. Any and all of the representations, undertakings, covenants, indemnities, agreements and other obligations (in this section, collectively “obligations”) made on the part of the Trustee therein are made and intended not as personal obligations of or by the Trustee or for the purpose or with the intention of binding the Trustee in its personal capacity, but are made and intended for the purpose of binding only the Trustee in its capacity as agent for, and the property and assets of, the Holders. No property or assets of the Trustee, whether owned beneficially by it in its personal capacity or otherwise, will be subject to levy, execution or other enforcement procedures with regard to any of the Trustee’s obligations thereunder. Further, no recourse may be had or taken, directly or indirectly, against any incorporator, shareholder, officer, director, employee or agent of the Trustee or of any predecessor or successor of the Trustee, with regard to the Trustee’s obligations thereunder.

11.21 Knowledge of Trustee

Notwithstanding the provisions of this Article 11 or any provision in this Indenture or in the Notes, the Trustee will not be charged with knowledge of the existence of any Event of Default or any other fact that would prohibit the making of any payment of monies to or by the Trustee, or the taking of any other action by the Trustee, unless and until the Trustee has received written notice thereof from the Corporation or any Holder, and such notice to the Trustee shall be deemed to be notice to holders of the Notes. The Trustee will notify Holders as soon as reasonably practicable of such notice.

11.22 Preferential Collection of Claims Against Issuer

The Trustee is subject to Section 311(a) of the Trust Indenture Act, excluding any creditor relationship listed in Section 311(b) of the Trust Indenture Act. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the Trust Indenture Act to the extent indicated therein.

11.23 Evidence of Recording of Indenture

If required pursuant to the Trust Indenture Act, the Issuer shall furnish to the Trustee:

- (a) promptly after the execution and delivery of this Indenture or any Supplemental Indenture, an Opinion of Counsel either stating that in the opinion of such counsel the Indenture has been properly recorded and filed so as to make effective the lien intended to be created thereby, and reciting the details of such action, or stating that in the opinion of such counsel no such action is necessary to make such lien effective; and

F. The Trust Indenture prohibits, *inter alia*, the Borrower from entering into the Guaranty and Opco from entering into the Subordinated Security Agreement unless the Subordinated Creditors, the Borrower and Opco enter into a subordination agreement in favor of the Trustee, in which the Subordinated Creditors agree to subordinate their rights to payment in respect of the Subordinated Notes and their Liens in the Collateral (as defined below).

G. In order to permit, among other things, the Borrower to enter into the Guaranty and Opco to enter into the Subordinated Security Agreement, the Subordinated Creditors have agreed to enter into this Agreement.

(y) “Subordinated Security Agreement” shall have the meaning given to that term in the recitals hereto.

(z) “Trust Indenture” shall have the meaning given to that term in the recitals hereto.

2. Subordination.

(a) Each of the Obligor and each Subordinated Creditor hereby agrees in its capacity as a Subordinated Creditor for itself and for each future holder of Subordinated Indebtedness that, prior to the Senior Termination Date, the obligations of each Obligor under the Subordinated Note Documents and all other Subordinated Indebtedness, are “subordinate and junior in right of payment” (as defined below) to all of the Senior Indebtedness.

(b) “Subordinate and junior in right of payment” means that prior to the Senior Termination Date, except as expressly provided in Section 3 below, (i) no Subordinated Creditor nor any part of the Subordinated Indebtedness shall have any claim to the assets of any Obligor on parity with or prior to the claim of the Senior Indebtedness regardless of how any claim arises, whether by grant, statute, operation of law, subrogation or otherwise, and any claims of any Subordinated Creditor on account of the Subordinated Indebtedness are hereby expressly junior and subordinate in right of payment to the claims and rights of the Senior Creditors on account of the Senior Indebtedness, and (ii) without the prior written consent of the Trustee, no Subordinated Creditor will take any Subordinated Creditor Collateral Enforcement Action; provided that the Subordinated Creditors may (with prior written notice to the Trustee) accelerate the Subordinated Indebtedness, if any, only to the same extent that the Senior Creditors shall have accelerated the Senior Indebtedness but in any event shall not take any other Subordinated Creditor Collateral Enforcement Action.

(c) Notwithstanding anything to the contrary contained in any Senior Note Documents or Subordinated Note Document entered into from time to time and irrespective of the order or time of attachment, or the order, time or manner of perfection, or the order or time of filing, recordation or possession of any document or instrument, or other method of perfecting a Lien and security interest in favor of any of the Subordinated Creditors or the Senior Creditors in any Collateral, and notwithstanding any conflicting terms or conditions which may be contained in any Subordinated Note Document, any and all of each Subordinated Creditors' rights, Liens and security interests in and against Collateral, whether now existing or hereafter granted or arising, shall be subordinate to the rights, Liens and security interests held by the Senior Creditors in any and all Collateral securing or purporting to secure any or all of the Senior Indebtedness.

(d) Each of the Subordinated Creditors agrees that, upon the release of any security interest or Lien that any of the Senior Creditors have in any Collateral, whether through affirmative actions to release, foreclose or otherwise, any security interest or Lien that such Subordinated Creditor has in such Collateral shall automatically and without any further action be deemed released, any provision of the Subordinated Note Documents to the contrary notwithstanding. In furtherance thereof, each of the Subordinated Creditors hereby authorizes the Trustee to (i) file amendments (in form and substance reasonably satisfactory to the Trustee) to each of its UCC financing statements or similar financing statements under the applicable personal property security legislation of any jurisdiction, and any other publicly filed instruments to expressly acknowledge that the Liens evidenced thereby are junior and subordinate to those securing the Senior Indebtedness and (ii) file or record any termination statement, release or other document necessary to effectuate the release of such security interest or Lien, without the signature or any further authorization or action of any Subordinated Creditor.

3. No Payments on Subordinated Indebtedness. Notwithstanding the terms of any of the Subordinated Note Documents to the contrary, the Obligors hereby agree that they may not make nor will they allow any other Obligor to make, and each Subordinated Creditor hereby agrees that it will not accept, any payments or deliveries of cash, securities or other property (other than payment in kind interest represented by a separate note that is subordinated to the same extent as other Subordinated Indebtedness) on or in respect of the Subordinated Indebtedness or as a result of rescission or damages in respect of the Subordinated Indebtedness or obligations or deliveries of cash, securities or other property made on or in respect of the purchase, repurchase, redemption or other acquisition of the Subordinated Indebtedness, in each case whether received through a direct payment, setoff, foreclosure, a deed in lieu of foreclosure, judgment Lien, casualty insurance proceeds or in any other manner and whether inside or outside of a Reorganization until the Senior Indebtedness is Paid in Full; provided that until such time that any Reorganization has commenced, on any date of determination, the Obligors may make (and the Subordinated Creditors may accept) Permitted Junior Payments with respect to the Subordinated Indebtedness unless:

(a) the Subordinated Creditors have received a Payment Blockage Notice from the Trustee prior to such date, or

(b) the Subordinated Creditors or Obligors do not reasonably believe such payment is permitted by the Senior Note Documents.

For the avoidance of doubt, nothing in this Agreement is intended to restrict the payment of accrued amounts due and owing under the Subordinated Note Documents in kind by capitalizing such amounts not previously paid to the principal of the Subordinated Indebtedness or to restrict the exchange, replacement or refinancing of indebtedness evidenced by the Subordinated Note Documents for securities convertible into or exchangeable for Equity Interests in the US Holdco, Equity Interests (other than Disqualified Stock) in the Borrower.

4. No Enforcement of Subordinated Indebtedness. Prior to the Senior Termination Date, (a) the Trustee shall have the exclusive right to enforce rights and exercise remedies with respect to the Senior Indebtedness and the Trustee shall not be required to marshal any Collateral and (b) (i) except as expressly permitted in Section 2, no Subordinated Creditor, in its capacity as such, will exercise any remedy available to a secured or unsecured creditor with respect to the Collateral or (ii) institute any action or proceeding with respect to such rights and remedies, including without limitation, demanding, suing for, taking or receiving from or on behalf of any Obligor, by set-off or in any other manner, the whole or any part of any moneys which may now or hereafter be owing by any Obligor with respect to the Subordinated Indebtedness in any manner in violation of this Agreement or any Subordinated Creditor Collateral Enforcement Action.

5. Prohibition on Contesting Liens and Foreclosure Proceedings. Each Subordinated Creditor, in its capacity as such, agrees that it will not (and hereby waives any right to), directly or indirectly: (a) contest, in any proceeding (including any Reorganization), the perfection, priority, attachment, validity or enforceability of a Lien or security interest held by or on behalf of the Trustee or any of the other Senior Creditors or the provisions of this Agreement or any Senior Note Document or any Senior Indebtedness, (b) contest, protest or object to any foreclosure proceeding or action brought by the Trustee or any other Senior Creditor of any rights and remedies relating to the Collateral under the Senior Note Documents or otherwise, (c) object to the forbearance by the Trustee or any other Senior Creditor from bringing or pursuing any foreclosure proceeding or action or any other exercise of any rights or remedies relating to the Collateral, (d) seek to substantively consolidate any Obligor or the bankruptcy estate of an Obligor with any other Person or the bankruptcy estate of any other Person, (e) seek to pierce the corporate veil of any Obligor, (f) take or cause to be taken any action the purpose or effect of which is to make any Lien in respect of any Subordinated Indebtedness pari passu with or senior to the Liens under the Senior Note Documents, (g) permit any of the Subordinated Note Documents to be amended, modified or otherwise supplemented in a manner inconsistent with the Senior Note Documents or this Agreement or in a manner adverse to the Senior Creditors or (h) support, encourage or assist any other Person in doing any of the foregoing.

6. Application of Proceeds. Prior to the Senior Termination Date, the Subordinated Creditors agree that any Collateral or proceeds thereof received by any of them in connection with the sale or other disposition of, or collection or realization on, such Collateral (whether or not in any Reorganization or upon the exercise of any rights or remedies relating to the Collateral) and all payments or distributions of any kind received by any of them in connection with the same, shall promptly be paid by them to the Trustee to be applied to the Senior Indebtedness in such order as specified in the Senior Note Documents.

7. Insurance; Condemnation. Prior to the Senior Indebtedness Termination Date, subject to the terms of, and the rights of the Obligors under, the Senior Note Documents, the Trustee shall have the sole and exclusive right to deal with and settle any claims under any insurance policy covering the Collateral (or any part thereof) in the event of any loss covered thereby, and to approve any award granted in any condemnation or similar proceeding (or any deed in lieu of condemnation) affecting the Collateral, in accordance with the terms of the Trust Indenture. In furtherance of the foregoing, subject to the terms of the Trust Indenture, the Trustee shall be authorized to instruct any issuer of insurance for any Obligor to pay any checks only to the Trustee and if for any reason, any Subordinated Creditor is named on any such check, such Subordinated Creditor shall promptly sign such check and all documents necessary to enable the Trustee to deposit such check and receive the funds payable under such check, failing which, the Trustee is hereby irrevocably authorized by such Subordinated Creditor to execute such check and documents on behalf of any such Subordinated Creditor without further authorization or action of such Subordinated Creditor. Each of the Subordinated Creditors hereby appoints, which appointment is irrevocable and coupled with an interest, the Trustee, as such Subordinated Creditor's true and lawful attorney-in-fact, with full power of substitution, in the name of such Subordinated Creditor, for the sole use and benefit of the Trustee, to take the actions described in the preceding sentence. Unless and until the Senior Indebtedness

is Paid in Full, and subject to the rights of the Obligors under the Senior Note Documents, all proceeds of any such policy and any such award (or any payments with respect to a deed in lieu of condemnation) in respect of the Collateral (or any part thereof) and to the extent required by the Senior Note Documents shall be paid to the Trustee for the benefit of the Senior Creditors pursuant to the terms of the Senior Note Documents. Prior to the Senior Termination Date, if any of the Subordinated Creditors shall, at any time, receive any proceeds of any such insurance policy or any such award or payment in contravention of this Agreement, it shall promptly segregate and hold such proceeds in trust and forthwith pay such proceeds over to the Trustee in accordance with the terms of Section 9.

8. Authorization of the Trustee. Each Subordinated Creditor authorizes and empowers the Trustee (on behalf of the Senior Creditors and the Subordinated Creditors) to demand, enforce payment by legal proceedings, receive and give acquittances for the Subordinated Indebtedness; provided that neither Trustee nor any other Senior Creditor has any obligation to the Subordinated Creditors to take any steps with regard to these claims or demands or the Subordinated Indebtedness.

9. Turnover. If, prior to the Senior Termination Date, any payment or distribution is received by a Subordinated Creditor upon or with respect to the Subordinated Indebtedness at a time not permitted hereunder, such Subordinated Creditor shall promptly deliver the same to the Trustee in the form received (except for endorsement or assignment by such Subordinated Creditor where required by the Trustee), for application to the Senior Indebtedness. The Trustee is irrevocably authorized to supply any endorsement or assignment which may have been omitted to the extent that the same would have been required by any Subordinated Creditor hereunder. Until so delivered, the same shall be held in trust by such Subordinated Creditor as the property of the Trustee and the Senior Creditors and shall not be commingled with other funds or property of such Subordinated Creditor.

10. Assignment or Transfer of Subordinated Indebtedness. Each Subordinated Creditor covenants and agrees with the Trustee and the Senior Creditors that, prior to the Senior Termination Date and so long as this Agreement is in effect, it shall not make or permit any assignment, transfer, pledge, encumbrance, or disposition, for collateral purposes or otherwise, of all or any part of the Subordinated Indebtedness to any Person unless such Person has executed a counterpart signature to this agreement or otherwise has entered into a joinder agreement hereto in form and substance satisfactory to the Trustee pursuant to which such Person agrees to the subordination and other terms provided for herein as a Subordinated Creditor. Any purported breach of the foregoing by any Subordinated Creditor shall be null and void.

11. Continuing Agreement. The terms of this Agreement, the subordination effected hereby, and the rights and the obligations of each Subordinated Creditor, the Obligors, the Trustee and the Senior Creditors shall not be affected, modified or impaired in any manner or to any extent by (i) the perfection or non-perfection, priority, attachment, validity or enforceability (or lack thereof) of a Lien or security interest held by or on behalf of any Senior Creditor or any Subordinated Creditor (or the terms of any Senior Note Document or any Senior Indebtedness, or any Subordinated Note Document or any Subordinated Indebtedness), or (ii) any exercise or non-exercise by any party of any right, power or remedy under or in respect of the Senior Indebtedness, any Senior Note Document, the Subordinated Indebtedness or any Subordinated Note Document. Each Subordinated Creditor hereby acknowledges that the provisions of this Agreement are intended to be enforceable at all times prior to the Senior Termination Date, whether before or after the commencement of, in connection with, or premised on the occurrence of, any Reorganization.

12. Non-Reliance by the Subordinated Creditors. Each Subordinated Creditor hereby delivers this Agreement based solely on its independent investigation of (or decision not to investigate) the financial condition of the Obligors, and is not relying on any information furnished to it by any Obligor, the Trustee or any Senior Creditor. Each Subordinated Creditor assumes full responsibility for obtaining any further

information concerning the Obligors' financial condition, the status of the Senior Indebtedness or any other matter which such Subordinated Creditor may deem necessary or appropriate now or later. Each Subordinated Creditor waives any duty on the part of the Trustee or any Senior Creditor, and agrees that it is not relying upon nor expecting the Trustee or any Senior Creditor to disclose to it any fact now or later known by the Trustee or any Senior Creditor, whether relating to the operations or condition of any Obligor, the existence, liabilities or financial condition of any guarantor of the Senior Indebtedness or Subordinated Indebtedness, the occurrence of any default with respect to the Senior Indebtedness, or otherwise, notwithstanding any effect such fact may have upon such Subordinated Creditor's risk or such Subordinated Creditor's rights against any Obligor. Each Subordinated Creditor knowingly accepts the full range of risk encompassed in this Agreement, which risk includes, without limitation, the possibility that the Obligors may incur Senior Indebtedness to the Senior Creditors after the financial condition of the Obligors or their ability to pay their debts as they mature, has deteriorated. Each Subordinated Creditor acknowledges and agrees that the Trustee's and the Senior Creditors' rights under this Agreement are not conditioned upon pursuit by the Trustee or the Senior Creditors of any remedy the Trustee or the Senior Creditors may have against the Obligors or any other Person.

13. Modification of Senior Indebtedness. The Trustee and the Senior Creditors shall have the right, without notice to or consent of any Subordinated Creditor and without impairing the terms of subordination set forth herein, to amend, compromise, accelerate, forbear, restate, supplement, extend, increase or modify the Senior Indebtedness, in any manner whatsoever without affecting in any manner the unconditional obligations of the Subordinated Creditors under this Agreement. Without limiting the generality of the foregoing, the Trustee and the Senior Creditors may from time to time, in their sole discretion and without notice to any Subordinated Creditor, take any or all of the following actions:

(a) retain or obtain a Lien in any additional assets of the Obligors, any of the Obligors' subsidiaries or any third party to secure any of the Senior Indebtedness;

(b) retain or obtain the primary or secondary obligation of any Obligor or Obligors or any other Person with respect to any of the Senior Indebtedness;

(c) extend or renew for one or more periods (whether or not longer than the original period), alter or exchange any of the Senior Indebtedness;

(d) waive, ignore or forbear from taking action or otherwise exercising any of its rights or remedies with respect to any default by any of the Obligors or any of their subsidiaries under any documents evidencing the Senior Indebtedness;

(e) release, waive or compromise any obligation of any of the Obligors or any of their subsidiaries or any obligation of any nature of any other Obligor or other Person primarily or secondarily obligated with respect to any of the Senior Indebtedness;

(f) terminate or release any Lien in, or surrender, release or permit any substitution or exchange for, all or any part of any Collateral now or hereafter securing any of the Senior Indebtedness, or extend or renew for one or more periods (whether or not longer than the original period) or release, waive, compromise, alter or exchange any obligations of any nature of any Obligor or other Person with respect to any such property; and

(g) increase the principal amounts of the Senior Indebtedness or the interest rate related thereto; and

(h) demand payment or performance of any of the Senior Indebtedness from the Obligors or any of their subsidiaries when permitted to do so at any time or from time to time, whether or not the Senior Creditors shall have exercised any of its or their rights or remedies with respect to any property securing any of the Senior Indebtedness or proceeded against any other Person primarily or secondarily liable for payment or performance of any of the Senior Indebtedness.

14. Modifications of the Subordinated Indebtedness.

(a) Each Subordinated Creditor agrees that, prior to the Senior Termination Date, no Subordinated Note Document or any other instrument or agreement evidencing all or any part of the Subordinated Indebtedness will be supplemented, modified, amended, restated or extended in a manner adverse to the Senior Creditors or inconsistent with the Senior Note Documents or this Agreement or in any manner that derogates from the full extent of the obligations of such Subordinated Creditor hereunder without the Trustee giving, in its sole and absolute discretion, prior written consent thereto.

(b) Each Subordinated Creditor represents and warrants that, as of the date hereof, such Subordinated Creditor or an Obligor, as applicable, has delivered to the Trustee copies of all Subordinated Note Documents currently in effect evidencing all or any part of the Subordinated Indebtedness held by such Subordinated Creditor. Each Obligor represents and warrants that, as of the date hereof, the Obligors or Subordinated Creditors, as applicable, have delivered to the Trustee copies of all Subordinated Note Documents currently in effect evidencing all or any part of the Subordinated Indebtedness held by the Subordinated Creditors.

15. Reinstatement of Agreement. Notwithstanding any prior revocation, termination, surrender or discharge of this Agreement in whole or in part, the effectiveness of this Agreement shall automatically continue or be reinstated in the event that any payment received or credit given by the Trustee or any Senior Creditor in respect of the Senior Indebtedness is returned, disgorged, or rescinded under any applicable state, provincial, territorial or federal law, including, without limitation, Bankruptcy Laws, in which case this Agreement shall be enforceable against the Subordinated Creditors as if the returned, disgorged, or rescinded payment or credit had not been received or given by the Trustee or any Senior Creditor, and whether or not the Trustee or any Senior Creditor relied upon this payment or credit or changed its position as a consequence of it. In the event of continuation or reinstatement of this Agreement, each Subordinated Creditor agrees upon demand by the Trustee to execute and deliver to such Trustee those documents which such Trustee reasonably determines are appropriate to further evidence (in the public records or otherwise) this continuation or reinstatement, although the failure of a Subordinated Creditor to do so shall not affect in any way such reinstatement or continuation.

16. Reorganization.

(a) In any Reorganization, unless otherwise agreed by the parties or otherwise permitted by this Agreement, all of the Senior Indebtedness shall be Paid in Full before any Subordinated Creditor, in its capacity as a lender or holder of the Subordinated Indebtedness, shall take or receive from any Obligor, or any Obligor shall make, give or permit, directly or indirectly, by set-off, redemption, purchase or in any other manner, (i) any cash payment, payment or any other type or form of distribution (including, but not limited to, any notes, debt or equity securities), or (ii) any security for the whole or any part of the Subordinated Indebtedness, including, without limitation, any letter of credit or similar credit support to support payment of the Subordinated Indebtedness ((i) and (ii) collective, "Reorganization Consideration"). In any Reorganization, until all of the Senior Indebtedness shall be Paid in Full, any such Reorganization Consideration received by any Subordinated Creditor which may be payable or deliverable in respect of the Subordinated Indebtedness shall promptly be paid or delivered directly to the Trustee for the benefit of the Senior Creditors for application in payment of the Senior Indebtedness until the occurrence

of the Senior Termination Date. In the event that, notwithstanding the foregoing, any payment or distribution on or in respect of Subordinated Indebtedness shall be received by a holder of Subordinated Indebtedness before the date on which all Senior Indebtedness shall have been Paid in Full, such payment or distribution shall be immediately paid over to the Trustee for application to the payment and satisfaction of all Senior Indebtedness remaining unpaid until all such Senior Indebtedness shall have been Paid in Full.

(b) In any Reorganization, if any Subordinated Creditor fails to file any claims it may have against the Obligors in respect of the Subordinated Indebtedness within five business days prior to the bar date to file such claims, the Trustee may file such claims. Each of the Subordinated Creditors hereby appoints, which appointment is irrevocable and coupled with an interest, the Trustee, as such Subordinated Creditor's true and lawful attorney-in-fact, with full power of substitution, in the name of such Subordinated Creditor, for the sole use and benefit of the Trustee, to take the actions described in the preceding sentence.

(c) Without limiting the other provisions of this Agreement (including Section 5), each Subordinated Creditor agrees, in its capacity as such, in connection with any such Reorganization, it will: (i) vote as instructed by the Trustee (including, without limitation, in connection with any vote to accept or reject any plan of partial or complete liquidation, reorganization, arrangement, composition or extension); (ii) not (1) support the confirmation of any plan the confirmation of which is opposed by the Trustee or (2) oppose the confirmation of any plan the confirmation of which is supported by the Trustee; (iii) not obtain or seek to obtain a Lien on any property of the Obligors; (iv) not agree or attempt to extend credit to any Obligor, the estate of any Obligor or any representative the estate of any Obligor in connection with any Reorganization without the Trustee's prior written consent; (v) not oppose any motion by the Trustee for relief from the automatic stay or for adequate protection or similar relief or protection; (vi) not oppose any request by the representative of the estate of any Obligor to use Collateral or cash collateral if the Trustee has consented to such use; (vii) take such actions consistent with the terms of this Agreement as may be reasonably requested by the Trustee to effectuate the subordination and agreements provided herein; (viii) not oppose any sale made pursuant to Section 363 of the United States Bankruptcy Code or otherwise that is supported or not opposed by the Trustee; (ix) not (1) oppose any financing provided by the Senior Creditors or any other Person under Section 364 of the Bankruptcy Code or otherwise that is supported or not opposed by the Trustee or (2) propose any financing provided by the Subordinated Creditors that will prime or be *pari passu* to the Senior Creditors; and (x) not oppose any request by the Trustee on behalf of any Senior Creditors to receive post-petition interest on the Senior Indebtedness. In furtherance thereof, each Subordinated Creditor agrees not to oppose any post-petition motion filed or supported by the Trustee for (w) adequate protection in respect of the Senior Indebtedness, (x) relief from the automatic stay in connection with the implementation of any such motion for adequate protection (including any substitution of collateral), (y) the authorization to use Collateral (including cash collateral) by one or more of the Obligors or one or more estates of the Obligors, or (z) post-petition borrowing from some or all of the Senior Creditors.

(d) Each Subordinated Creditor hereby agrees and acknowledges that the Senior Creditors and the Trustee have been granted a senior Lien on the Collateral.

17. Waivers of the Subordinated Creditors. Each Subordinated Creditor waives any right to require the Trustee or any Senior Creditor to: (a) proceed against any Person or property; (b) give notice of the terms, time and place of any public or private sale of Collateral; (c) marshal any Collateral or any other property the Trustee or any Senior Creditor may at any time have as security for the Senior Indebtedness and waives all right to require the Trustee or any Senior Creditor to first proceed against any guarantor or other Person before proceeding against such Collateral or property or (d) pursue any other remedy in the Trustee's or the Senior Creditors' power. Each Subordinated Creditor waives notice of acceptance of this Agreement and presentment, demand, protest, notice of protest, dishonor, notice of dishonor, notice of default, notice of intent to accelerate or demand payment of any Senior Indebtedness, any and all other

notices to which it might otherwise be entitled, and diligence in collecting any Senior Indebtedness. Each Subordinated Creditor waives any defense against the enforceability of this Agreement based upon or arising by reason of the application by an Obligor of the proceeds of any indebtedness for purposes other than the purposes represented by such Obligor to the Trustee or the Senior Creditors or intended or understood by the Trustee, the Senior Creditors or a Subordinated Creditor.

18. Acknowledgment of Senior Creditors' Rights to Sell, Assign etc. Senior Indebtedness. Each Subordinated Creditor acknowledges that the Senior Creditors have the right to sell, assign, transfer, negotiate or grant participations or any interest in, any or all of the Senior Indebtedness and any related obligations, including its rights under this Agreement, but in each case, subject to any restrictions set forth in the applicable Trust Indenture. In connection with the above, but without limiting their ability to make other disclosures to the full extent allowable, the Trustee and the Senior Creditors may, subject to any restrictions set forth in the applicable Trust Indenture, disclose all documents and information which such Trustee or any Senior Creditor now or later has or acquires relating to the Subordinated Creditors and this Agreement, however obtained. Each Subordinated Creditor further agrees that the Trustee and any Senior Creditor may disclose such documents and information to the Obligors. Each Subordinated Creditor further agrees that the Trustee and any Senior Creditor may, subject to any restrictions set forth in the applicable Trust Indenture, provide information relating to this Agreement or relating to such Subordinated Creditor to such Person's parent, affiliates, subsidiaries and service providers.

19. Subrogation. After the Senior Termination Date, and until the Subordinated Indebtedness is paid in full in cash, the Subordinated Creditors shall be subrogated (equally and ratably with all of the other Indebtedness *pari passu* with the Subordinated Note Documents) to the rights of the Senior Creditors to receive payments and distributions applicable to the Senior Indebtedness to the extent that payments and distributions otherwise payable to the Subordinated Creditors have been applied to the payment of Senior Indebtedness in accordance with the provisions of this Agreement. For purposes of such subrogation, no payments or distributions to the Senior Creditors of any cash, property or securities to which a Subordinated Creditor would be entitled except for the provisions of this Agreement, and no payments pursuant to the provisions of this Agreement to the Senior Creditors by a Subordinated Creditor, shall, as among the Obligors, their creditors (other than the Senior Creditors) and such Subordinated Creditor be deemed to be a payment or distribution by such Obligor to or on account of the Senior Indebtedness; it being understood that the provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the Subordinated Creditors, on the one hand, and the Trustee and the Senior Creditors, on the other hand. The Trustee and the Senior Creditors shall have no obligation or duty to protect the Subordinated Creditors' rights of subrogation arising pursuant to this Agreement or under any applicable law, nor shall the Trustee or any Senior Creditor be liable for any loss to, or impairment of, any subrogation rights held by any Subordinated Creditor.

20. Waivers; Modification. No waiver or modification of any of its rights under this Agreement shall be effective unless the waiver or modification shall be in writing and signed by an authorized officer on behalf of the Trustee. Each waiver or modification shall be a waiver or modification only with respect to the specific matter to which the waiver or modification relates and shall in no way impair the rights of the Trustee or any Senior Creditor or the obligations of the Subordinated Creditors to the Trustee or any Senior Creditor in any other respect. Any amendment hereto must be in writing and executed by the Trustee and the Subordinated Creditors.

21. Successors and Assigns. This Agreement shall be binding upon and enure to the benefit of the Subordinated Creditors, the Trustee and the Senior Creditors and their respective permitted successors and assigns. The term "Obligor", as used in this Agreement, includes any person, corporation, partnership or other entity which succeeds to the interests or business of any Obligor named above, and the

terms “Senior Indebtedness” and “Subordinated Indebtedness” include indebtedness of any successor Obligor to any Senior Creditors or Subordinated Creditor, as the case may be.

22. [Reserved].

23. Notices. Unless otherwise specifically provided herein, any notice or other communication required or permitted to be given shall be in writing addressed to the respective party as set forth below opposite their signature to this Agreement (or such other address, e-mail address or facsimile as may be communicated by such party to the other party in accordance with this Section 23) and shall be given only by, and shall be deemed to have been received: (a) when sent by registered or certified mail through the United States Postal Service, return receipt requested, two business days after deposit with the United States Postal Service; (b) upon delivery by a nationally recognized overnight courier, one business day after deposit with such courier; or (c) facsimile or e-mail, in each case upon the sending of such notice during normal business hours of the intended recipient.

24. Counterparts. This Agreement may be executed in any number of identical counterparts, any set of which signed by all the parties hereto shall be deemed to constitute a complete, executed original for all purposes. Transmission by facsimile or electronic mail of a “pdf” of an executed counterpart of this Agreement shall be deemed to constitute due and sufficient delivery of such counterpart.

25. GOVERNING LAW. This Agreement shall be governed by and interpreted and enforced in accordance with the laws of the State of New York.

26. Submission to Jurisdiction. Each of the parties to this Agreement (which shall include each of the Trustee, the Senior Creditors and the Subordinated Creditors) irrevocably submits to the non-exclusive jurisdiction of the courts of the State of New York and agrees that any legal action, suit or proceeding arising out of or relating to this Agreement may be brought against such party in any such courts. Final judgment against any party in any such action, suit or proceeding shall be conclusive and may be enforced in any other jurisdiction by suit on the judgment, a certified or exemplified copy of which shall be conclusive evidence of the judgment, or in any other manner provided by law. Nothing in this Section 26 shall affect the right of any party to commence legal proceedings or otherwise sue any other party in any other appropriate jurisdiction, or concurrently in more than one jurisdiction, or to serve process, pleadings and other papers upon any other party in any manner authorized by the laws of any such jurisdiction. Each of the parties to this Agreement agrees that process served either personally or by registered mail shall, to the extent permitted by law, constitute adequate service of process in any such suit. Each of the parties to this Agreement irrevocably waives to the fullest extent permitted by applicable law (a) any objection which it may have now or in the future to the laying of the venue of any such action, suit or proceeding in any court referred to in the first sentence above; (b) any claim that any such action, suit or proceeding has been brought in an inconvenient forum; (c) its right of removal of any matter commenced by any other party in the courts of the State of New York; (d) any immunity which it or its assets may have in respect of its obligations under this Agreement from any suit, execution, attachment (whether provisional or final, in aid of execution, before judgment or otherwise) or other legal process; and (e) any right it may have to require the moving party in any suit, action or proceeding brought in any of the courts referred to above arising out of or in connection with this Agreement to post security for the costs of any party or to post a bond or to take similar action.

27. WAIVER OF JURY TRIAL. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT.

29. Third Party Beneficiaries. This Agreement is solely for the benefit of the Trustee, the Senior Creditors and the Subordinated Creditors and their respective permitted successors and assigns, and no other persons or entities are intended to be third party beneficiaries hereunder or to have any right, benefit, priority or interest under, or because of the existence of, or to have any right to enforce, this Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, each Guarantor hereby agrees with the Trustee for the benefit of the Noteholders as follows:

1. Guarantee. Each Guarantor, jointly and severally, unconditionally and irrevocably, as primary obligor and not merely as surety, guarantees the full and prompt performance and payment when due, whether by acceleration or otherwise, and at all times thereafter, of: (a) all obligations (monetary or otherwise) of the Issuer to each of the Trustee and each of the Noteholders (as defined below) under or in connection with the Indenture, the 2024 Notes, the 2026 Notes, the Security Documents and any other document or instrument executed in connection therewith and (b) all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees and charges) paid or incurred by the Trustee or any Noteholder in enforcing this Guarantee, any Security Document, or any other document or instrument executed in connection therewith against such Guarantor (all such obligations being herein collectively called the "**Liabilities**"); provided that the liability of such Guarantor hereunder shall be limited to the maximum amount of the Liabilities that such Guarantor may guarantee without violating any fraudulent conveyance or fraudulent transfer law or any other applicable laws.

2. Payment.

(a) Each Guarantor agrees that if any Event of Default occurs under Article 7 of the Indenture, at a time when the Liabilities are not otherwise due and payable (whether due to a judicial stay of acceleration or otherwise), then such Guarantor will pay following demand to the Trustee for the account of the Noteholders forthwith the full amount that would be payable hereunder by such Guarantor if all Liabilities were then due and payable, subject to applicable law.

(b) Section 3.11 of the Indenture shall apply to all payments made by each Guarantor under this Guarantee, and all such payments shall be payable in the currency of the underlying Liability (the "**Relevant Currency**"). The obligation of each Guarantor under this Guarantee shall, notwithstanding any payment in any other currency (whether pursuant to a judgment or otherwise), be discharged only to the extent of the amount in the Relevant Currency that Trustee may purchase at the rate of exchange with the sum paid in such other currency (after any premium and costs of exchange) on the Business Day immediately following the day on which Trustee receives such payment. If the amount of the Relevant Currency which may be so purchased is less than the sum originally due to Trustee in the Relevant Currency, each Guarantor agrees, as a separate obligation and notwithstanding any such payment or judgment, to indemnify Trustee against such loss to the fullest extent permitted by applicable law.

(c) Each Guarantor further agrees that if at any time all or any part of any payment theretofore applied by the Trustee or any Noteholder to any of the Liabilities is or must be rescinded or returned by the Trustee or such Noteholder for any reason whatsoever (including the insolvency, bankruptcy or reorganization of the Issuer or any Guarantor), such Liabilities shall, for purposes of this Guarantee, to the extent that such payment is or must be rescinded or returned, be deemed to have continued in existence, notwithstanding such application by the Trustee or such Noteholder, and this Guarantee shall continue to be effective or be reinstated, as the case may be, as to such Liabilities, all as though such application by the Trustee or such Noteholder had not been made, subject to applicable law.

3. Continuing Obligation. To the fullest extent permitted by applicable law, this Guarantee

shall in all respects be a continuing, irrevocable, absolute and unconditional guarantee of payment and performance and not merely a guarantee of collectability and, without limiting the generality of the foregoing, shall not be released, discharged, limited or otherwise affected by:

(a) any extension, other indulgence, renewal, settlement, discharge, compromise, waiver, subordination or release in respect of any Liabilities, security, person or otherwise, including any extension, other indulgence, renewal, settlement, discharge, compromise, waiver, subordination or release of any of the Liabilities, covenants or undertakings of the Issuer under any of the Indenture, any Note, any Security Document or any other document or instrument executed in connection therewith or any modification or amendment of or supplement to any of the foregoing;

(b) any loss of or in respect of any security held by or on behalf of the Trustee or any Noteholder, whether occasioned by the fault of the Trustee or any Noteholder or otherwise, including any release, non-perfection, irregularity, defect, unenforceability or invalidity of any such security;

(c) any change in the existence, structure, constitution, name, control or ownership of the Issuer or any other person, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Issuer or any other person or their respective assets;

(d) the existence of any set-off, deduction, abatement, recoupment, appropriation, application, reduction, counterclaim, claim or other right which the Guarantor or the Issuer may have at any time against the Trustee or any other person, whether in connection with any agreement, instrument or other document in connection with the Liabilities or any unrelated transaction;

(e) any release, substitution or addition of any Guarantor or any other guarantor of any of the Liabilities;

(f) any provision of applicable law purporting to prohibit or limit the payment by the Issuer of any Liabilities, and any defense arising by reason of any failure of the Trustee or any of the Noteholders or any other person on their behalf to make any presentment, demand, or protest or to give any other notice, including notice of all of the following: (i) notice of the acceptance of this Guarantee by the Trustee or any Noteholder, (ii) notice of the existence or creation or non-payment of all or any of the Liabilities including any new Liabilities, (iii) presentment, demand, notice of dishonor, protest, and all other notices whatsoever, and (iv) all diligence in collection or protection of or realization upon any Liabilities or any security for or guarantee of any Liabilities;

(g) any defense arising by reason of any failure of the Trustee or any other person on behalf of the Trustee or any of the Noteholders to proceed against the Issuer or any other person, or to obtain, register, perfect, apply or exhaust any security held from the Issuer or any other person for the Liabilities or any other obligations, to proceed against, apply or exhaust any security held from the Guarantor or any other person, or to pursue any other remedy available to the Trustee or any of the Noteholders;

(h) any defense arising by reason of the invalidity, illegality or lack of enforceability of the Liabilities or any part thereof or of any security or guarantee in support thereof, in each case by reason of any incapacity, lack of authority, or similar defense of the Issuer or any other person, or by reason of any limitation, postponement or prohibition on the right of the Trustee to payment from any other cause whatsoever other than irrevocable payment or performance, as applicable, in full of the Liabilities;

(i) any defense arising by reason of the failure of the Trustee, or any other person on

behalf of the Trustee, to marshal assets;

(j) to the extent permitted under applicable law, any defense based upon any failure of the Trustee or any other Secured Party or any other person on behalf of the Trustee or any other Secured Party to give to the Issuer or the Guarantor notice of any sale or other disposition of any property securing any or all of the Liabilities or any other guarantee thereof, or any notice that may be given in connection with any sale or other disposition of any such property;

(k) any defense based upon or arising out of any bankruptcy, insolvency, reorganization, moratorium, arrangement, readjustment of debt, composition, winding-up, liquidation or dissolution proceeding commenced by or against the Issuer or any other person, including any discharge or bar against collection of any of the Liabilities; or

(l) any other law, event or circumstance or any other act or failure to act or delay of any kind by the Issuer, or any other person, which might, but for the provisions of this Section, constitute a legal or equitable defense to or discharge, limitation or reduction of the Guarantor's obligations under this Guarantee.

4. Dealing With Issuer and Others. Without limiting any of the foregoing, the Trustee or any Noteholder may, from time to time, at its sole discretion and without further notice to any Guarantor, deal in any way with the Issuer or take or fail to take any or all of the following actions without affecting in any way any of the obligations of any Guarantor hereunder, subject, in each case, to applicable law: (a) retain or obtain a security interest in any property to secure any of the Liabilities or any obligation hereunder, (b) retain or obtain the primary or secondary obligation of any obligor or obligors, in addition to each Guarantor, with respect to any of the Liabilities, (c) extend or renew any of the Liabilities for one or more periods (whether or not longer than the original period), alter or exchange any of the Liabilities, or release or compromise any obligation of any of any Guarantor hereunder or any obligation of any nature of any other obligor with respect to any of the Liabilities, (d) release or fail to perfect or preserve any security interest in, or surrender, release or permit any substitution or exchange for, any part of any property securing any of the Liabilities or any obligation hereunder, or extend or renew for one or more periods (whether or not longer than the original period) or release, compromise, alter or exchange any obligations of any nature of any obligor with respect to any such property, and (e) resort to any Guarantor for payment of any of the Liabilities when due, whether or not the Trustee or such Noteholder shall have resorted to any property securing any of the Liabilities or any obligation hereunder or shall have proceeded against any other Guarantor or any other obligor primarily or secondarily obligated with respect to any of the Liabilities.

5. Information. Each Guarantor assumes all responsibility for being and keeping itself informed of AYR's and each other Guarantor's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Liabilities and the nature, scope and extent of the risks that such Guarantor assumes and incurs hereunder, and agrees that none of the Trustee or the Noteholders have any duty to advise such Guarantor of information known to it, or any of them, regarding such circumstances or risks.

6. No Subrogation. Notwithstanding any payment made by or for the account of any Guarantor pursuant to this Guarantee, no Guarantor shall be subrogated to any right of the Trustee or any Noteholder until such time as the Trustee and the Noteholders shall have received final payment in cash of the full amount of all Liabilities. Upon payment by any Guarantor of any Liabilities, all rights of such Guarantor against AYR or any other Guarantor arising as a result thereof by way of right of subrogation,

contribution, reimbursement, indemnity or otherwise shall in all respects be subordinate and junior in right of payment to the payments that must be made in order for all outstanding 2026 Notes and all other Liabilities to be paid in full (other than contingent indemnity obligations for which no claims have been made). If any amount shall be paid to AYR or any other Guarantor in violation of the foregoing restrictions on account of (a) such subrogation, contribution, reimbursement, indemnity or similar right or (b) any such indebtedness of AYR or any other Guarantor, such amount shall be held in trust for the benefit of the Noteholders and shall forthwith be paid to the Trustee to be credited against the payment of the Liabilities, whether matured or unmatured, in accordance with the terms of the Indenture and the other Security Documents. Subject to the foregoing, to the extent that any Guarantor shall, under this Guarantee or the Indenture as a joint and several obligor, repay any of the Liabilities constituting loans or other advances made to another Guarantor under the Indenture (an “**Accommodation Payment**”), then the Guarantor making such Accommodation Payment shall be entitled to contribution and indemnification from, and be reimbursed by, each of the other Guarantors in an amount equal to a fraction of such Accommodation Payment, the numerator of which fraction is such other Guarantor’s Allocable Amount and the denominator of which is the sum of the Allocable Amounts of all of the Guarantors; provided that such rights of contribution and indemnification shall be subordinated to the prior payment of the payments that must be made in order for all outstanding loans and all other Liabilities (other than contingent indemnity obligations for which no claims have been made) to be paid in full. As of any date of determination, the “**Allocable Amount**” of each Guarantor shall be equal to the maximum amount of liability for Accommodation Payments which could be asserted against such Guarantor hereunder and under the Indenture without (i) rendering such Guarantor “insolvent” within the meaning of Section 101 (32) of the Bankruptcy Code of the United States, Section 2 of the Uniform Fraudulent Transfer Act (“**UFTA**”) or Section 2 of the Uniform Fraudulent Conveyance Act (“**UFCA**”), (ii) leaving such Guarantor with unreasonably small capital or assets, within the meaning of Section 548 of the Bankruptcy Code of the United States, Section 4 of the UFTA, or Section 5 of the UFCA or (iii) leaving such Guarantor unable to pay its debts as they become due within the meaning of Section 548 of the Bankruptcy Code of the United States or Section 4 of the UFTA, or Section 5 of the UFCA.

7. Subordination of Certain Indebtedness.

(a) As used herein, the term “**Guarantor Claims**” shall mean all debts and liabilities of Issuer to any Guarantor whether such debts and liabilities now exist or are hereafter incurred or arise, or whether the obligations of Issuer thereon be direct, contingent, primary, secondary, several, joint and several, or otherwise, and irrespective of whether such debts or liabilities be evidenced by note, contract, open account, or otherwise, and irrespective of the person or persons in whose favor such debts or liabilities may, at their inception, have been, or may hereafter be created, or the manner in which they have been or may hereafter be acquired by any Guarantor. The Guarantor Claims shall include without limitation all rights and claims of any Guarantor against Issuer (arising as a result of subrogation or otherwise) as a result of a Guarantor’s payment of all or a portion of the Liabilities. After the occurrence of an Event of Default that is continuing, no Guarantor shall receive or collect, directly or indirectly, from Issuer or any other party any amount upon Guarantor Claims.

(b) In the event of receivership, bankruptcy, reorganization, arrangement, debtor’s relief, or other insolvency proceedings involving any Guarantor as debtor, Trustee or any Noteholder shall have the right to prove its claim in any such proceeding so as to establish its rights hereunder and receive directly from the receiver, trustee or other court custodian dividends and payments which would otherwise be payable upon Guarantor Claims. Should Trustee receive, for application upon the Liabilities, any such dividend or payment which is otherwise payable to a Guarantor, and which, as between Issuer and a Guarantor, shall constitute a credit upon the Guarantor Claims, then upon payment to Trustee in full of the Liabilities, such Guarantor shall become subrogated to the rights of Trustee to the extent that such payments

to Trustee on the Guarantor Claims have contributed toward the liquidation of the Liabilities, and such subrogation shall be with respect to that proportion of the Liabilities which would have been unpaid if Trustee had not received dividends or payments upon the Guarantor Claims.

(c) In the event that, notwithstanding anything to the contrary in this Guarantee, any Guarantor should receive any funds, payment, claim or distribution which is prohibited by this Guarantee, such Guarantor agrees to hold in trust for Trustee an amount equal to the amount of all funds, payments, claims or distributions so received, and agrees that it shall have absolutely no dominion over the amount of such funds, payments, claims or distributions so received except to pay them promptly to Trustee, and each Guarantor covenants promptly to pay the same to Trustee.

(d) Each Guarantor agrees that any liens, security interests, judgment liens, charges or other encumbrances upon Issuer's assets securing payment of the Guarantor Claims shall be and remain inferior and subordinate to any liens, security interests, judgment liens, charges or other encumbrances in favor of Trustee upon Issuer's assets securing payment of the Liabilities, regardless of whether such encumbrances in favor of a Guarantor or Trustee presently exist or are hereafter created or attach. Without the prior written consent of Trustee, no Guarantor shall at any time (i) exercise or enforce any right it may have against Issuer, or (ii) foreclose, repossess, sequester or otherwise take steps or institute any action or proceedings (judicial or otherwise, including without limitation the commencement of, or joinder in, any liquidation, bankruptcy, rearrangement, debtor's relief or insolvency proceeding) to enforce any liens, mortgages, deeds of trust, security interest, collateral rights, judgments or other encumbrances on assets of Issuer held by such Guarantor.

8. Attorney's Fees. Each Guarantor further agrees to pay all expenses (including reasonable attorneys' fees and charges) paid or incurred by the Trustee or any Noteholder in endeavoring to collect the Liabilities from such Guarantor, or any part thereof; and in enforcing this Guarantee against such Guarantor, including all manner of participation in or other involvement with (a) bankruptcy, insolvency, receivership, foreclosure, winding up or liquidation proceedings, (b) judicial or regulatory proceedings and (c) workout, restructuring or other negotiations or proceedings (whether or not the workout, restructuring or transaction contemplated thereby is consummated).

9. Additional Liabilities. The creation or existence from time to time of additional Liabilities to the Trustee or the Noteholders or any of them is hereby authorized, without notice to any Guarantor, and shall in no way affect or impair the rights of the Trustee or the Noteholders or the obligations of any Guarantor under this Guarantee, including any Guarantor's guarantee of such additional Liabilities.

10. Transfer. The Trustee and any Noteholder may from time to time, without notice to any Guarantor, assign or transfer any of the Liabilities or any interest therein; and, notwithstanding any such assignment or transfer or any subsequent assignment or transfer thereof, such Liabilities shall be and remain Liabilities for the purposes of this Guarantee, and each and every immediate and successive assignee or transferee of any of the Liabilities or of any interest therein shall, to the extent of the interest of such assignee or transferee in the Liabilities, be entitled to the benefits of this Guarantee to the same extent as if such assignee or transferee were an original Noteholder.

11. No Waiver; Cumulative Remedies. No delay on the part of the Trustee or any Noteholder in the exercise of any right or remedy shall operate as a waiver thereof, and no single or partial exercise by the Trustee or any Noteholder of any right or remedy shall preclude other or further exercise thereof or the exercise of any other right or remedy; nor shall any modification or waiver of any provision of this Guarantee be binding upon the Trustee or the Noteholder, except as expressly set forth in a writing duly

signed and delivered on behalf of the Trustee. No action of the Trustee or any Noteholder permitted hereunder shall in any way affect or impair the rights of the Trustee or any Noteholder or the obligations of any Guarantor under this Guarantee. For purposes of this Guarantee, Liabilities shall include all obligations of the Issuer to the Trustee or any Noteholder arising under or in connection with the Indenture, any Note, any Security Document or any other document or instrument executed in connection therewith, notwithstanding any right or power of the Issuer or anyone else to assert any claim or defense as to the invalidity or unenforceability of any obligation, and no such claim or defense shall affect or impair the obligations of any Guarantor hereunder. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

12. Delivery. Pursuant to the Indenture, (a) this Guarantee has been delivered to the Trustee and (b) the Trustee has been authorized to enforce this Guarantee on behalf of itself and each of the Noteholders. All payments by any Guarantor pursuant to this Guarantee shall be made to the Trustee for the benefit of the Noteholders (and any amount received by the Trustee for the account of a Noteholder shall, subject to the other provisions of this Guarantee, be deemed received by such Noteholder upon receipt by the Trustee).

13. Successors and Assigns; Survival of Guarantee. This Guarantee shall be binding upon each Guarantor and the successors and assigns of such Guarantor; and to the extent the Issuer or any Guarantor is a partnership, corporation, limited liability company or other entity, all references herein to the Issuer and any Guarantor, respectively, shall be deemed to include any successor or successors, whether immediate or remote, to such entity. This Guarantee and the obligations of each Guarantor hereunder shall remain in full force and effect until the discharge of the Indenture in accordance with Section 8.1 thereof, or with respect to any individual Guarantor until such Guarantor is otherwise released from its obligations under this Guarantee in accordance with Section 14 below.

14. Release of Guarantors. A Guarantor shall automatically be released from its obligations hereunder and its Guaranty shall be automatically released in the circumstances described in Section 13.2 of the Indenture. In connection with any such release, the Trustee shall promptly execute and deliver a release together with all instruments and other documents reasonably requested by AYR or such Guarantor to evidence the release and termination of any Guarantee upon receipt of a request by the Issuer accompanied by an Officers' Certificate certifying as to compliance with Section 13.2 of the Indenture.

15. Governing Law. THE VALIDITY, CONSTRUCTION AND ENFORCEABILITY OF THIS GUARANTEE SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO CONFLICT OF LAWS PRINCIPLES THEREOF. Whenever possible, each provision of this Guarantee and any other statement, instrument or transaction contemplated hereby or relating hereto shall be interpreted so as to be effective and valid under such applicable law, but if any provision of this Guarantee or any other statement, instrument or transaction contemplated hereby or relating hereto is held to be prohibited or invalid under such applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision, the remaining provisions of this Guarantee or any other statement, instrument or transaction contemplated hereby or relating hereto.

16. Severability. If any of the provisions of this Guarantee shall be held invalid or unenforceable, this Guarantee shall be construed as if not containing such provisions, and the rights and obligations of the parties hereto shall be construed and enforced accordingly.

17. Section Headings; Interpretation. The section headings used in this Guarantee are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in

the interpretation hereof. Words and terms used in this Guarantee denoting inclusiveness (such as “include” or “includes” or “including”), whether or not so stated, are not limited by and do not imply limitation of their context or the words or phrases which precede or succeed them.

18. Time of the Essence. Time shall be of the essence of every provision of this Guarantee.

19. Inconsistencies. To the extent of any conflict or inconsistency between the provisions of the Indenture and this Guarantee, the Indenture shall prevail.

20. Final Agreement. This Guarantee contains the entire and exclusive agreement of the parties hereto with reference to the matters discussed herein. This Guarantee supersedes all prior drafts and communications with respect thereto.

21. Notices. All notices and communications required or provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail as follows:

(a) if to a Guarantor, at its address set forth on its signature page hereto; and

(b) if to the Trustee, at 323-409 Granville Street, Vancouver, BC V6C 1T2, Attn: Corporate Trust.

22. Counterparts. This Guarantee may be executed in any number of counterparts and by the different parties hereto on separate counterparts, and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute one and the same Guarantee. Delivery of a counterpart hereof, or a signature page hereto, by facsimile or in a .pdf or similar file shall be effective as delivery of a manually executed original counterpart thereof.

23. Additional Guarantor. At any time after the date of this Guarantee, one or more additional Persons may become parties hereto by executing and delivering to the Trustee a guarantee supplement in substantially the form of Exhibit A hereto (each a “**Guarantee Supplement**”). Such Person shall be referred to as an “Additional Guarantor” and shall be and become a Guarantor, and each reference in this Guarantee to “Guarantor” shall also mean and refer to such Additional Guarantor.

24. Modifications. Other than automatic modifications related to the addition of a party hereto as described in the preceding paragraph, no amendment, modification or waiver of, or consent with respect to, any provision of this Guarantee shall be effective unless the same shall be in writing and signed and delivered by the Trustee and the Guarantors, and then such amendment, modification, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

25. Regulatory Compliance. This Guarantee is subject to strict requirements for ongoing regulatory compliance by the parties hereto, including, without limitation, requirements that the parties take no action in violation of either the Nevada Revised Statutes Title 56 – Regulation of Cannabis (together with all related rules and regulations thereunder, “**Title 56**”) or the guidance or instruction of the Nevada Cannabis Compliance Board (the “**Nevada Regulator**”). The parties acknowledge and understand that Title 56 and/or the requirements of the Nevada Regulator are subject to change and are evolving as the marketplace for state-compliant cannabis businesses continues to evolve. If necessary or desirable to comply with the requirements of Title 56 and/or the Nevada Regulator, the parties hereby agree to (and to cause their respective affiliates, related parties and representatives) use their respective commercially reasonable efforts to take all actions reasonably requested to ensure compliance with Title 56 and/or the

Nevada Regulator, including, without limitation, negotiating in good faith to amend, restate, amend and restate, supplement, or otherwise modify this Guarantee to reflect terms that most closely approximate the parties original intentions but are responsive to and compliant with the requirements of Title 56 and/or the Nevada Regulator. In furtherance, not limitation of the foregoing, the parties further agree to cooperate with the Nevada Regulator to promptly respond to any informational requests, supplemental disclosure requirements, or other correspondence from the Nevada Regulator and, to the extent permitted by the Nevada Regulator, keep all other parties hereto fully and promptly informed as to any such requests, requirements, or correspondence.

26. Federal Cannabis Laws. Notwithstanding anything to the contrary in (a) this Guarantee, (b) the Indenture, (c) the Security Documents or (d) in any other agreement, arrangement or understanding, in each case, among any of the parties hereto or by any of the Guarantors in favor of the Trustee (the “**Transaction Documents**”), each party hereto acknowledges and agrees on their own behalf and on behalf of any of their affiliates, participants or related parties, that (i) no such Person (A) makes, will make, or shall be deemed to make or have made any representation or warranty of any kind regarding the compliance of any other Transaction Document with any federal laws of the United States imposing restrictions on the production, sale, marketing, distribution or possession of cannabis sativa or paraphernalia used in the production, manufacture or consumption of cannabis, including the Controlled Substances Act, 21 USC Sections 813, 843, 844 and 863; laws relating to the maintenance or use of drug related premises, 21 USC Code section 856; and laws relating to conspiracy or aiding abetting the production, sale, marketing, distribution or possession of cannabis, 18 USC Sections 2 and 371 (“**Federal Cannabis Laws**”), (B) shall have any right of rescission or amendment arising out of or relating to any non-compliance with Federal Cannabis Laws unless such non-compliance also constitutes a violation of applicable state or commonwealth law as determined in accordance with the applicable laws and regulatory authorities, and (C) shall seek to enforce the provisions hereof in a United States federal court unless and until the parties have reasonably determined that applicable state or commonwealth law with respect to cannabis is fully compliant with Federal Cannabis Laws and (ii) (A) the transactions contemplated hereby do not violate public policy and (B) each such Person hereby waives illegality as a defense to contractual claims arising out of the Transaction Documents.

27. Jurisdiction. **EACH GUARANTOR AND THE TRUSTEE ON BEHALF OF ITSELF AND EACH NOTEHOLDER HEREBY IRREVOCABLY SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF ANY UNITED STATES FEDERAL OR STATE COURT SITTING IN NEW YORK, NEW YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS GUARANTEE, IRREVOCABLY AGREES THAT ALL CLAIMS IN RESPECT OF SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN ANY SUCH COURT AND IRREVOCABLY WAIVES ANY OBJECTION IT MAY NOW OR HEREAFTER HAVE AS TO THE VENUE OF ANY SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN SUCH A COURT OR THAT SUCH COURT IS AN INCONVENIENT FORUM. ANY JUDICIAL PROCEEDING BY ANY PARTY PARTY HERETO INVOLVING, DIRECTLY OR INDIRECTLY, ANY MATTER IN ANY WAY ARISING OUT OF, RELATED TO OR CONNECTED WITH THIS GUARANTEE SHALL BE BROUGHT ONLY IN A COURT IN NEW YORK, NEW YORK. EACH GUARANTOR ACKNOWLEDGES THAT IT HAS BEEN ADVISED BY COUNSEL OF ITS CHOICE WITH RESPECT TO THIS PROVISION AND THIS GUARANTEE. EACH GUARANTOR FURTHER IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS BY REGISTERED MAIL, POSTAGE PREPAID, TO THE ADDRESS SET FORTH ON ITS SIGNATURE PAGE HERETO (OR SUCH OTHER ADDRESS AS IT SHALL HAVE SPECIFIED IN WRITING TO THE TRUSTEE AS ITS ADDRESS FOR NOTICES HEREUNDER) OR BY PERSONAL SERVICE AT SUCH ADDRESS OR ELSEWHERE.**

28. Waiver of Jury Trial. EACH GUARANTOR AND THE TRUSTEE AND EACH NOTEHOLDER, BY THEIR ACCEPTANCE OF THIS GUARANTEE, IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS GUARANTEE, ANY OTHER DOCUMENT ASSOCIATED HEREWITH AND ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED OR WHICH MAY IN THE FUTURE BE DELIVERED IN CONNECTION HEREWITH OR THE TRANSACTIONS CONTEMPLATED HEREBY.

29. No Novation. This amendment and restatement of the Original Guarantee is not a novation of any Guarantor's obligations and liabilities under the Original Guarantee. No part of the Liabilities due under the Original Guarantee shall be discharged, canceled or impaired by the amendment, extension and modification of the Original Guarantee as evidenced by this Guarantee, it being the intention of each party hereto that such amendment and restatement shall not constitute a novation and that the execution and delivery of this Guarantee shall not release any of the Liabilities under the Original Guarantee.

30. Defenses Waived. To the fullest extent permitted by applicable law and except for termination or release of a Guarantor's obligations hereunder in accordance with the terms of Section 14 (but without prejudice to Section 2(c)), each Guarantor waives any defense based on or arising out of any defense of AYR or any other Guarantor or the unenforceability of the Liabilities or any part thereof from any cause, or the cessation from any cause of the liability of AYR or any other Guarantor, other than upon termination of the Indenture and the payment in full of all outstanding loans and all other Liabilities (other than contingent indemnity obligations for which no claims have been made). The Trustee and the Noteholders may in accordance with the terms of the Indenture and the other Security Documents, at their election, foreclose on any security held by one or more of them by one or more judicial or non-judicial sales, accept an assignment of any such security in lieu of foreclosure, compromise or adjust any part of the Liabilities, make any other accommodation with AYR or any other Guarantor or exercise any other right or remedy available to them against any Guarantor, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Indenture has been terminated and all outstanding loans and all other Liabilities (other than contingent indemnity obligations for which no claims have been made) have been paid in full. To the fullest extent permitted by applicable law, each Guarantor waives any defense arising out of any such election even though such election operates, pursuant to applicable law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Guarantor against AYR or any other Guarantor, as the case may be, or any security. To the fullest extent permitted by applicable law, each Guarantor waives any and all suretyship defenses. Any and all payments by or on account of any obligation of any Guarantor hereunder or under any other Security Document shall be made in accordance with Section 3.12 of the Indenture.
