

MPV Exploration to commence trading on the CSE May 3rd, 2018 under symbol “MPV”

MONTREAL, May 2nd 2018 -- M.P.V. EXPLORATION ("MPV" or the "Company") is pleased to announce that it has received final approval from the Canadian Securities Exchange (“CSE”) for the official listing of its common shares. Trading will begin on Thursday, May 3rd 2018 under the symbol “MPV”.

“Our listing on the CSE represents an exciting step in the continuing development of the company. Combined with the Company’s recently completed IPO raise of \$1,193,100 and planned exploration program on the UMEX property, we expect to generate considerably increased general awareness for our company in the coming weeks and months” stated Jean-Francois Perras, President and CEO of MPV.

About M.P.V. Exploration Inc.

M.P.V. Explorations Inc. (MPV) is a mineral exploration company focused on base metals projects in the Chibougamau region of Northern Quebec. Its main asset is the Umex Copper-Zinc project, which is located approximately 50 kilometers West of the town of Chapais. Documented mineralization on the Umex property consist of volcanic massive sulphides (VMS) within the Abitibi Greenstone Belt, which is known for its numerous precious metals and polymetallic deposits.
