

MPV EXPLORATION INC.

(the “Corporation”)

INFORMATION CIRCULAR

(Containing information as at August 29, 2019, unless indicated otherwise)

SOLICITATION OF PROXIES

The management of the Corporation solicits proxies to be used at the annual meeting of shareholders (the “Meeting”) to be held at the time and place and for the purposes set forth in the attached Notice of Meeting and at any adjournment thereof. The cost of this solicitation will be borne by the Corporation. Accordingly, the management of the Corporation has drafted this information circular (the “Circular”) that it is sending to all the security holders entitled to receive a Notice of Meeting.

Proxies will primarily be solicited by mail, but may also be solicited by e-mail, by telephone or in person. Proxies may be solicited by employees, officers, directors or agents of the Corporation. The Corporation does not intend to remunerate anyone for soliciting proxies and will assume all related expenses. The Corporation has not retained the services of a third party for proxy solicitation. However, should it decide to do so, the fees paid to the person doing the solicitation are expected to be reasonable. Pursuant to National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”), arrangements have been made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy-related materials to certain beneficial owners of the shares. See “Advice to Non-Registered Shareholders” below.

A registered shareholder who is unable to attend the Meeting in person is requested to complete and sign the enclosed form of proxy and to deliver it to Computershare Investor Services Inc. (i) by mail or hand delivery to Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, or (ii) by facsimile to 416-263-9524 or 1-866-249-7775. A Registered Shareholder may also vote using the internet at www.investorvote.com or telephone at 1-866-732-8683. In order to be valid and acted upon at the Meeting, the form of proxy must be received no later than 5:00 p.m. (eastern time) on September 26, 2019 or be deposited with the Secretary of the Corporation before the commencement of the Meeting or any adjournment thereof.

QUORUM FOR THE TRANSACTION OF BUSINESS

Pursuant to the Corporation’s by-laws, a quorum exists at a meeting of the shareholders of the Corporation when two shareholders are present in person or represented by proxy at the opening of the meeting.

APPOINTMENT OF PROXYHOLDER AND RIGHT OF REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are directors and officers of the Corporation. **A shareholder has the right to appoint as his or her proxy a person, who need not be a shareholder, other than those whose names are printed on the accompanying form of proxy.** A shareholder who wishes to appoint some other person to represent him or her at the Meeting may do so either by inserting such other person’s name in the blank space provided in the form of proxy and signing the form of proxy or by completing and signing another proper form of proxy.

A shareholder may revoke a proxy at any time by sending an instrument in writing executed by him or, if the shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized in writing, at the same address where the form of proxy was sent and within the delays mentioned therein, or two business days preceding the date the Meeting resumes if it is adjourned, or remit to the chairman of such Meeting on the day of the Meeting or any adjournment thereof if applicable.

Shareholders who are not registered shareholders should refer to “Advice to Non-Registered Shareholders” below.

EXERCISE OF DISCRETION BY PROXIES

The management undertakes to respect the holder's instructions.

In the absence of any indication by the mandator, the agent will exercise the right to vote IN FAVOUR of each question defined on the form of proxy, in the Notice of Meeting or in the Circular.

Unless otherwise specified herein, all resolutions will be adopted by a simple majority of the votes represented at the Meeting.

Management does not know and cannot foresee at the present time any amendments or new points to be brought before the Meeting. If such amendments or new points were to be brought before the Meeting, the persons named in the enclosed form of proxy will vote on such matters in the way they consider advisable.

ADVICE TO NON-REGISTERED SHAREHOLDERS

The information set forth in this section should be reviewed carefully by the non-registered shareholders. Shareholders who do not hold their shares in their own name ("Beneficial Shareholders") should note that only proxies deposited by shareholders whose names appear on the records maintained by the Corporation's registrar and transfer agent as registered holders of shares will be recognized and acted upon at the Meeting. If shares are listed in an account statement provided to a shareholder by a broker, those shares will, in all likelihood, not be registered in the shareholder's name. Such shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). Shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Regulation 54-101 requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the form of proxy provided directly to registered shareholders by the Corporation. However, its purpose is limited to instructing the registered shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder.

The vast majority of brokers now delegate responsibility of obtaining instructions from clients to Broadridge Financial Solutions Inc. ("**BFSI**") in Canada. BFSI typically prepares a machine-readable voting instruction form, mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the forms to BFSI, or otherwise communicate voting instructions to BFSI (by way of the Internet or telephone, for example). BFSI then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. A Beneficial Shareholder who receives a BFSI voting instruction form cannot use that form to vote shares directly at the Meeting. The voting instruction forms must be returned to BFSI (or instructions respecting the voting of shares must otherwise be communicated to BFSI) well in advance of the Meeting in order to have the shares voted. If you have any questions respecting the voting of shares held through a broker or other intermediary, please contact your broker or other intermediary for assistance.

This Circular and accompanying materials are being sent to both registered shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories – those who object to their identity being

known to the issuers of securities which they own (“**Objecting Beneficial Owners**”, or “**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities they own (“**Non-Objecting Beneficial Owners**”, or “**NOBOs**”). Subject to the provision of Regulation 54-101 issuers may request and obtain a list of their NOBOs from intermediaries via their transfer agents. If you are a Beneficial Shareholder, and the Corporation or its agent has sent these materials directly to you, your name, address and information about your holdings of common shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the common shares on your behalf. By choosing to send these materials to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for delivering these materials to you and executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

The Corporation’s OBOs can expect to be contacted by BFSI or their brokers or broker’s agents, as set out above. The Corporation has agreed to pay the intermediaries for delivering the proxy-related materials and related voting instruction form to the OBOs.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting shares registered in the name of his or her broker (or his or her broker's agent), a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the shares as proxyholder for the registered shareholder by entering his or her own name in the blank space on the proxy form provided to him or her by his or her broker (or his or her broker's agent) and return it to that broker (or that broker's agent) in accordance with the broker's instructions (or the agent's instructions).

All references to shareholders in this Circular, the enclosed form of proxy and the notice of meeting are to the registered shareholders unless specifically stated otherwise.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

The Corporation is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of any of the following persons in any matter to be acted upon at the Meeting, other than the election of directors or the appointment of the auditors:

- (a) each person who has been a director or executive officer of the Corporation at any time since the beginning of the Corporation’s last financial year;
- (b) each proposed nominee for election as a director of the Corporation; and
- (c) each associate or affiliate of any of the foregoing.

AUTHORIZED CAPITAL STOCK, VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The authorized capital stock of the Corporation consists of an unlimited number of common shares without par value. Each common share entitles its holder to one vote. On the date hereof, there were 18,105,514 common shares of the Corporation issued and outstanding.

The board of directors of the Corporation (the “**Board**”) fixed the close of business on August 26, 2019, as the record date (the “**Record Date**”) for determining which shareholders shall be entitled to receive notice of the Meeting and to vote in person or by proxy at the Meeting or any adjournment thereof. Pursuant to the *Canada Business Corporations Act*, the Corporation is required to prepare, no later than ten (10) days after the Record Date, an alphabetical list of the shareholders entitled to vote as of the record date that shows the number of shares held by each shareholder. A shareholder whose name appears on the list referred to above is entitled to vote the shares shown opposite his or her name at the meeting. The list of shareholders is available for inspection during usual business hours at the head office of the Corporation and at the Meeting.

To the knowledge of the directors and executive officers of the Corporation, no person beneficially owned,

directly or indirectly, or exercised control or direction over, common shares carrying more than 10% of the voting rights attached to all outstanding common shares of the Corporation as at the date hereof.

MATTERS FOR CONSIDERATION AT THE MEETING

PRESENTATION OF FINANCIAL STATEMENTS

The Corporation's annual financial statements for the financial year ended March 31, 2019, and the auditors' report thereon will be presented at the Meeting but will not be subject to a vote.

The mandates of Messrs. Jean-François Perras, Marc-André Lavoie and Jean Rainville expire at the Meeting of September 30, 2019. Management does not contemplate that any of the nominees will be unable to serve on the Board but, if this should occur for any reason prior to the Meeting, the person named in the enclosed form of proxy reserves the right to vote for another nominee at his discretion unless the shareholder has indicated in the form of proxy his wish to abstain from exercising the voting rights attached to his shares at the time of the election of the directors.

The following table sets out the name of each of the persons proposed to be nominated for election as director, all other positions and offices with the Corporation now held by such person, his or her principal occupation, the year in which such person became a director of the Corporation, and the number of common shares of the Corporation that such person has advised are beneficially owned or over which control or direction is exercised by such person as at the date indicated below:

With the following exception:

Mr. Charette was a director of Euro Sun Mining Inc. ("Euro Sun") a Canadian incorporated and TSX-listed company, when on April 16, 2014, the Ontario Securities Commission issued a permanent management cease trader order, which superseded a temporary management cease trade order dated April 4, 2014, against Guy Charette, in his capacity as Interim CEO of Euro Sun Mining Inc. ("Euro Sun"). The permanent MCTO was issued in connection with Euro Sun's failure to file its (i) audited annual financial statements for the period ended December 31, 2013, (ii) management's discussion and analysis relating to the audited annual financial statements for the period ended December 31, 2013, and (iii) corresponding certifications of the foregoing filings as required by *National Instrument 52-109 – Certification of Disclosure* in the Issuer's Annual and Interim Filings. COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

A - COMPENSATION OF EXECUTIVE OFFICERS

Compensation Discussion and Analysis

Interpretation

"Named executive officer" ("NEO") means:

- (a) a Chief Executive Officer ("**CEO**");
- (b) a Chief Financial Officer ("**CFO**");
- (c) each of the three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and
- (d) each individual who would be a NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Corporation, nor acting in a similar capacity, at the end of that financial year.

For the fiscal years ended March 31, 2017, Jean Rainville, as President of the Corporation, was the sole NEO. For the period ended December 31, 2017, the Corporation had two NEOs: (i) Jean-François Perras, appointed Chief Executive Officer of the Corporation on April 4, 2017; and (ii) Jean Rainville, who served as Chief Executive Officer, from the date of incorporation until April 4, 2017, when he was appointed Chief Financial Officer, serving until December 4, 2017, when Nathalie Laurin was appointed Chief Financial Officer.

Stock Options

The Corporation has a formal plan (the "Plan") designed to help it attract, retain and motivate the directors, officers, employees and consultants (collectively, the "Service Providers") of the Corporation and its subsidiaries and to align their personal interests with those of the Corporation and its shareholders. For more details on the Plan, see "Information on Equity Compensation Plans".

The Board makes these determinations subject to the provisions of the existing Plan and, where applicable, the policies of the TSX Venture Exchange (the "**Exchange**").

TERMS AND CONDITIONS OF THE STOCK OPTION PLAN

Pursuant to the Plan, the Board may, from time to time and at its discretion, grant to directors, officers, employees or consultants of the Corporation (the “**Grantee**”) options to acquire common shares of the Corporation for a maximum of 1,810,521 common shares of the Corporation.

The Plan was approved by the Corporation's shareholders on September 12, 2017. It is intended to help the Corporation attract, retain and motivate the directors, officers, employees and consultants (collectively the “**Service Providers**”) of the Corporation and its subsidiaries and to align their personal interests with those of the Corporation and its shareholders.

In accordance with the Plan, subject to the requirements of the Exchange, the total number of securities reserved for issuance will be equivalent to 10% of the number of common shares of the Corporation issued and outstanding at any given time.

The Plan will be administered by the Board, which has full authority to grant all the options associated with it.

Options may be granted under the Plan to the Service Providers of the Corporation and its subsidiaries, if any, that the Board may designate from time to time. The exercise price is set by the Board, but in any event may not be less than the closing price of the Corporation's securities on the date the options are granted, less the maximum discount allowed under exchange policy. The Plan provides that the number of common shares that may be issued upon the exercise of options granted to any person, as well as all options previously granted by the Corporation, may not exceed 10% of the common shares of the Corporation issued and outstanding, on an undiluted basis, at any given time. In addition, the number of common shares that may be reserved for issuance to any individual upon the exercise of stock options held by them within a one-year period cannot exceed 5% of the common shares issued and outstanding, on an undiluted basis, at the grant date without the approval of the disinterested shareholders of the Corporation. Subject to early termination in case of dismissal for cause, early retirement, voluntary resignation or dismissal without cause, or in the event of death or disability, all options granted under the Plan expire on the date set by the Board as the option expiry date, which must not be later than five years from the option grant date. Options granted under the Plan are not transferable or assignable other than by will or pursuant to the laws of succession.

LOANS TO DIRECTORS AND MANAGEMENT

No individual who is or was at any time during the fiscal year ended March 31, 2019, a director, executive officer or management of the Corporation or individual who is a nominee for director of the Corporation or associate of such persons, is, or has been at any time since the beginning of the year ended March 31, 2019, indebted to the Corporation, nor has such person been indebted, since the beginning of the fiscal year completed on March 31, 2019, to any other entity where such indebtedness is or has been the subject of a guarantee, support agreement, letter of credit or similar agreement or understanding provided by the Corporation.

CORPORATE GOVERNANCE PRACTICES

National Policy 58-201 Corporate Governance Guidelines and Regulation 58-101 Disclosure of Corporate

Governance Practices set out a series of guidelines for effective corporate governance. The guidelines address matters such as the composition and independence of corporate boards, the functions to be performed by boards and their committees, and the effectiveness and education of board members. Each reporting issuer must disclose on an annual basis and in prescribed form, the corporate governance practices that it has adopted. The following is the Corporation's required annual disclosure of its corporate governance practices.

Board of directors

Independent directors

The independent directors of the Corporation are Marc-André Lavoie and Jean Rainville.

Non-Independent directors

Jean-François Perras is a non-independent director of the Corporation in light of his position as President and CEO and his involvement in the day-to-day operations of the Corporation.

Directorships

The following directors are currently directors of other issuers that are reporting issuers (or the equivalent) in a jurisdiction of Canada or a foreign jurisdiction:

Director name	Issuer
Guy Charette	Hampton Bay Capital Inc.

Orientation and Continuing Education

When appointed, new directors receive orientation training based on their previous experience, on the Corporation's business, assets and sector of activity, as well as their new responsibilities. Board meetings are sometimes held in the Corporation's offices and are from time to time combined with presentations by the Corporation's management to give the Corporation's directors added perspective on the Corporation's affairs. In addition, the Corporation's management is available for discussions with all Board members.

Ethical Business Conduct

In light of the Corporation's stage of development and its limited number of employees, the Board has not taken formal steps to encourage and promote a culture of ethical business conduct. Board members consider that the fiduciary responsibilities imposed on directors by the law governing the Corporation and Common Law and the restrictions imposed by legislation governing corporations with respect to the participation of an individual director in conflict of interest in the decisions of a board are sufficient to ensure that the Board operates independently of management and in the Corporation's best interest.

Nomination of Directors

The Board does not have a nominating committee. The current size and composition of the Board allows the entire Board to take the responsibility for finding and nominating new directors, taking into consideration the competencies, skills, experiences, and ability to devote the required time.

Other Board Committees

There are currently no committees other than the Audit Committee.

Assessments

No formal evaluation process has been put in place to evaluate the effectiveness of the directors, the descriptions of the positions held or the competence and qualifications that each director is required to bring to the Board. This task is the responsibility of the Board who punctually reviews its operation as well as its directors' role, and its members are encouraged to give feedback regarding the effectiveness of the Board as a whole, its practices and individual directors will, when necessary, make recommendations to the Board.

The text of the Audit Committee's charter is attached hereto as Schedule "A".

All such members are financially literate and independent members of the Audit Committee, with the exception of Jean-François Perras who is a non-independent member of the Audit Committee, as such terms are defined in *Multilateral Instrument 52-110 Audit Committees* ("MI 52-110").

Education and Relevant Experience

The education and related experience of each of the members of the Audit Committee that is relevant to the performance of his responsibilities as a member of the Audit Committee is set out below:

At no time since the commencement of the Corporation's financial year ended March 31, 2019, was a recommendation of the audit committee to nominate or compensate an external auditor not adopted by the Board.

Reliance on Certain Exemptions

However, the Corporation is not required to comply with Parts 3 (*Composition of the Audit Committee*)

and 5 (*Reporting Obligations*) of MI 52-110 given that it is a venture issuer as defined in MI 52-110.

Pre-Approval Policies and Procedures

The audit committee of the Corporation has adopted specific policies and procedures for the engagement of non-audit services as described in the audit committee's charter attached hereto as Schedule "A".

- (iii) discussing with management and the Corporation's auditor the quality of applicable accounting principles and financial reporting standards, not just the acceptability of thereof;
- (iv) discussing with management any significant variances between comparative reporting periods; and

- (ii) the compensation of the Corporation's auditor.

The Corporation's auditor reports directly to the Committee. The Committee is directly responsible for overseeing the work of the Corporation's auditor engaged for the purpose of preparing or issuing an auditor's report or performing other audit, review or attest services for the Corporation, including the resolution of disagreements between management and the Corporation's auditor regarding financial reporting.

(c) **Relationship with the Auditor**

(e) **Risk and Uncertainty**

The Committee is responsible for reviewing, as part of its approval of the financial statements:

- (i) uncertainty notes and disclosures; and
- (ii) MD&A disclosures.

The Committee, in consultation with management, will identify the principal business risks and decide on the Corporation's "appetite" for risk. The Committee is responsible for reviewing related risk management policies and recommending such policies for approval by the Board. The Committee is then responsible for communicating and assigning to the applicable Board committee such policies for implementation and ongoing monitoring.

The Committee is responsible for requesting the auditor's opinion of management's assessment of significant risks facing the Corporation and how effectively they are managed or controlled.

(f) **Controls and Control Deviations**

The Committee is responsible for reviewing:

- (i) the plan and scope of the annual audit with respect to planned reliance and testing of controls; and
- (ii) major points contained in the auditor's management letter resulting from control evaluation and testing.

The Committee is also responsible for receiving reports from management when significant control deviations occur.

(g) Compliance with Laws and Regulations

The Committee is responsible for reviewing regular reports from management and others (e.g. auditors) concerning the Corporation's compliance with financial related laws and regulations, such as:

- (i) tax and financial reporting laws and regulations;
- (ii) legal withholdings requirements;
- (iii) environmental protection laws; and
- (iv) other matters for which directors face liability exposure.

(h) Related Party Transactions

All transactions between the Corporation and a related party (each a "related party transaction"), other than transactions entered into in the ordinary course of business, shall be presented to the Committee for consideration.

The term "related party" includes (i) all directors, officers, employees, consultants and their associates (as that term is defined in the *Securities Act* (British Columbia), as well as all entities with common directors, officers, employees and consultants (each "general related parties"), and (ii) all other individuals and entities having beneficial ownership of, or control or direction over, directly or indirectly securities of the Corporation carrying more than 10% of the voting rights attached to all of the Corporation's outstanding voting securities (each "10% shareholders").

Related party transactions involving general related parties which are not material to the Corporation require review and approval by the Committee. Related party transactions that are material to the Corporation or that involve 10% shareholders require approval by the Board, following review thereof by the Committee and the Committee providing its recommendation thereon to the Board.

8. Non-Audit Services

All non-audit services to be provided to the Corporation or its subsidiary entities by the Corporation's auditor must be pre-approved by the Committee.

9. Submission Systems and Treatment of Complaints

The Committee is responsible for establishing procedures for:

- (a) the receipt, retention and treatment of complaints received by the Corporation regarding accounting, internal accounting controls, or auditing matters; and

- (b) the confidential, anonymous submission by employees of the Corporation of concerns regarding questionable accounting or auditing matters.

The Committee is responsible for reviewing complaints and concerns that are brought to the attention of the Chairman of the Audit Committee and for ensuring that any such complaints and concerns are appropriately addressed. The Committee shall report quarterly to the Board on the status of any complaints or concerns received by the Committee.

10. Procedure For Reporting Of Fraud Or Control Weaknesses

Each employee is expected to report situations in which he or she suspects fraud or is aware of any internal control weaknesses. An employee should treat suspected fraud seriously, and ensure that the situation is brought to the attention of the Committee. In addition, weaknesses in the internal control procedures of the Corporation that may result in errors or omissions in financial information, or that create a risk of potential fraud or loss of the Corporation's assets, should be brought to the attention of both management and the Committee.

To facilitate the reporting of suspected fraud, it is the policy of Corporation that the employee (the "whistleblower") has anonymous and direct access to the Chairman of the Audit Committee. Should a new Chairman be appointed prior to the updating of this document, the current Chairman will ensure that the whistleblower is able to reach the new Chairman in a timely manner. In the event that the Chairman of the Audit Committee cannot be reached, the whistleblower should contact the Chairman of the Board.

In addition, it is the policy of the Corporation that employees concerned about reporting internal control weaknesses directly to management are able to report such weaknesses to the Committee anonymously. In this case, the employee should follow the same procedure detailed above for reporting suspected fraud.

11. Hiring Policies

The Committee is responsible for reviewing and approving the Corporation's hiring policies regarding partners, employees and former partners and employees of the present and former auditor of the Corporation.
