American Pacific Mining Welcomes Jones Lang as Advisor

VANCOUVER—May 7, 2018—American Pacific Mining Corp (CSE: *USGD* / FWB: *1QC* / OTCPK: *USGDF*) (“APM” or the “Company”) is pleased to announce the addition of business development entrepreneur, Mr. Jones Lang, to the Board of Advisors. Mr. Lang is currently the President of English Bay Capital, a private consulting firm providing capital markets advisory and corporate development services for public companies in the natural resource sector. Mr. Lang joined the team at Maple Gold Mines Ltd. as Vice President of Corporate Development in June 2017, transitioning from Riverside Resources Inc. where he had previously served as a Vice President as well.

“I have known Jones Lang for a number of years now,” commented Warwick Smith, CEO of APM. “I am very familiar with the value he’s delivered for his clients in senior executive roles over the years and his experience, knowledge and network in the gold space runs deep. We are very pleased to have him join our advisory board.”

Mr. Lang has nearly a decade of capital markets experience in the natural resource sector with precious metals being his primary focus. He has raised significant capital in his career and spent several years sourcing new gold-silver assets. During his tenure with Riverside Resources, Mr. Lang secured partner funding by negotiating and structuring new joint-venture, strategic alliance and spin-out partnerships. Mr. Lang earned his Bachelor of Commerce degree from Royal Roads University, graduating with distinction, and was also an honors student at the British Columbia Institute of Technology where he earned his Marketing Management Entrepreneurship diploma.

About Us

American Pacific Mining Corp. is a new gold explorer focused on precious metal opportunities in the Western United States. Tuscarora is a high-grade, early stage gold project located in a prime precious metal district in Nevada, only 35km northeast of the Carlin trend, 20km southwest of the Jerritt Canyon deposit, and 50km east-northeast of the Midas deposit. American Pacific is *Eyeing a Gold Discovery* amidst gold’s next bull market.

On Behalf of the Board of American Pacific Mining Corp.

Forward-looking Information

Some statements in this news release contain forward-looking information (within the meaning of Canadian securities legislation) including, without limitation, statements as to planned exploration activities and the expected timing of the receipt of results. These statements address future events and conditions and, as such, involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the statements. Such factors include, without limitation, customary risks of the mineral resource industry as well as the performance of services by third parties.

Forward-looking statements are statements that are not historical facts; they are generally, but not always, identified by the words "expects," "plans," "anticipates," "believes," "intends," "estimates," "projects," "aims," "potential," "goal," "objective," "prospective," and similar expressions, or that events or conditions "will," "would," "may," "can," "could" or "should" occur, or are those statements, which, by their nature, refer to future events. The Company cautions that Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made and they involve a number of risks and uncertainties. Consequently, there can be no assurances that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements.

The CSE has neither approved nor disapproved the contents of this news release. Neither the CSE nor its Regulation Services Provider (as that term is defined in the policies of the CSE) accepts responsibility for the adequacy or accuracy of this release.
