

WEST MINING CORP. ANNOUNCES MINING EXECUTIVE SHELDON INWENTASH TO THE ADVISORY BOARD

Not for distribution to United States newswire services or for dissemination in the United States.

Vancouver, B.C. – March 2nd 2021 – West Mining Corp. (“West” or the “Company”) (CSE: **WEST**, OTC: **WESMF**, FRA: **1HL**) is pleased to announce that it welcomes Sheldon Inwentash to the advisory board of West Mining Corp.

Mr. Inwentash has more than 30 years of experience in the investment industry, and a deep understanding of progressive investment and financial management strategies, having been successfully investing for most of his career.

Sheldon previously held the position of Chairman for Mega Uranium Ltd., Executive Chairman of Northern Sphere Mining Corp., Partner at KBL Capital Corp., Principal at Enghouse Systems Ltd., Chairman & Chief Executive Officer of Pinetree Capital Ltd. (he founded the company in 2009), Chairman & Chief Executive Officer of Pinetree Capital Ltd. (Investment Management) (he founded the company in 2010), Chairman for Titan Uranium, Inc., Chief Executive Officer & Director at Mega Precious Metals, Inc., Principal at Aurelian Resources, Inc. and Principal at Southern Star Resources, Inc.

Nicholas Houghton, President & CEO commented: "We are very pleased to welcome Sheldon to our advisory board team. He has a wealth of mining experience in all aspects including finance, exploration and production. His wide range of expertise will be helpful in developing our projects and guiding West as a company."

Mr. Inwentash co-founded Visible Genetics, the first commercial pharmacogenomics company, in 1994 and exited in 2001 to Bayer. Through two decades leading Pinetree Capital, Mr. Inwentash created significant shareholder value through early investments in Queenston Mining (acquired by Osisko Mining Corp. for \$550-million), Aurelian Resources (acquired by Kinross for \$1.2-billion) and Gold Eagle Mines (acquired by Goldcorp for \$1.5- billion) to name a few.

Mr. Inwentash is also the founder, chairman and CEO of ThreeD Capital Inc. (CSE: **IDK**) an investment issuer focused on investing in six main verticals. Though they are primarily early-stage companies, and therefore may have significant risk but at the same time, they have the ability to grow quickly and outperform.

Mr. Inwentash received an undergraduate degree from the University of Toronto and is a chartered accountant. In 2007, he was an Ontario finalist for the Ernst & Young entrepreneur of the year award. In 2012, Sheldon received an honorary degree, doctor of laws (LL.D) from the University of Toronto for his valuable leadership as an entrepreneur, his philanthropy, and inspirational commitment to making a difference in the lives of children, youth and their families.

Mr. Inwentash and ThreeD Capital are both shareholders in West Mining Corp.

Certain statements contained in this press release constitute "forward-looking information" as such term is defined in applicable Canadian securities legislation. The words "may", "would", "could", "should", "potential", "will", "seek", "intend", "plan", "anticipate", "believe", "estimate", "expect" and similar expressions as they relate to the Company, are intended to identify forward-looking information. All statements other than statements of historical fact may be forward-looking information. Such statements reflect the Company's current views and intentions with respect to future events, and current information available to them, and are subject to certain risks, uncertainties and assumptions, including, without limitation: the potential of the Company's mineral properties; the estimation of capital requirements; the estimation of operating costs; the timing and amount of future business expenditures; and the availability of necessary financing. Many factors could cause the actual results, performance or achievements that may be expressed or implied by such forward-looking information to vary from those described herein should one or more of these risks or uncertainties materialize. Such factors include but are not limited to: changes in economic conditions or financial markets; increases in costs; litigation; legislative, environmental and other judicial, regulatory, political and competitive developments; and exploration or operational difficulties. This list is not exhaustive of the factors that may affect forward-looking information. These and other factors should be considered carefully, and readers should not place undue reliance on such forward-looking information. Should any factor affect the Company in an unexpected manner, or should assumptions underlying the forward-looking information prove incorrect, the actual results or events may differ materially from the results or events predicted. Any such forward-looking information is expressly qualified in its entirety by this cautionary statement. Moreover, the Company does not assume responsibility for the accuracy or completeness of such forward-looking information. The forward-looking information included in this press release is made as of the date of this press release and the Company undertakes no obligation to publicly update or revise any forward-looking information, other than as required by applicable law.
