## WEST MINING CORP.

### NOTICE OF ANNUAL GENERAL MEETING

**NOTICE IS HEREBY GIVEN** that the Annual General Meeting of Shareholders (the “**Meeting**”) of West Mining Corp. (“**West**” or the “**Company**”) will be held at Suite 1700-1030 West Georgia Street, Vancouver, BC V6E 2Y3 at 11:30 a.m., on Wednesday, September 14, 2022, for the following purposes:

1. To receive and consider the audited Financial Statements of West for the fiscal year ended October 31, 2021, together with the auditor’s reports thereon.
2. To fix the number of directors of West at three.
3. To elect the directors for the ensuing year.
4. To appoint an auditor for the ensuing year and to authorize the directors to fix the remuneration to be paid to the auditor.
5. To transact such other business as may properly come before the Meeting.

The accompanying Information Circular provides additional information relating to the matters to be dealt with at the Meeting and is supplemental to and expressly made a part of this Notice. The Meeting will also consider any permitted amendment to, or variation of, any matter identified in this Notice and transact such other business as may properly come before the Meeting or any adjournment thereof.

The Company has elected to use the notice-and-access provisions under National Instrument 54-101 and National Instrument 51-102 (the “**Notice-and-Access Provisions**”) for the Meeting. The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that reduce the volume of materials that must be physically mailed to Shareholders by allowing the Company to post the Information Circular, the Company’s 2021 audited financial statements and the related management’s discussion and analysis, and any additional materials (collectively, the “**Meeting Materials**”) online. Shareholders will still receive this Notice of Meeting, a form of proxy and request for financial information form and may choose to receive a paper copy of the Meeting Materials.

The Company will not use the procedure known as ‘stratification’ in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the Information Circular to some shareholders with this notice package. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of the Meeting Materials.

If you are a registered shareholder of West and are unable to attend the Meeting in person, please complete, date and execute the accompanying form of proxy and deposit it with Computershare Investor Services Inc., 3rd Floor, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9, not less than 48 hours (excluding Saturdays, Sundays and holidays) prior to the Meeting.

If you are a non-registered shareholder of West and received these materials through a broker, a financial institution, a participant, a trustee or administrator of a self-administered retirement savings plan, retirement income fund, education savings plan, or other similar self-administered savings or investment plan registered under the *Income Tax Act* (Canada), or a nominee of any of the foregoing that holds your security on your behalf (the “**Intermediary**”), please complete and return the materials in accordance with the instructions provided to you by your Intermediary.

The Company intends to hold the Meeting in person. However, in view of the current and rapidly evolving COVID-19 outbreak, the Company asks that, in considering whether to attend the Meeting in person, shareholders follow the instructions of the Public Health Agency of Canada (PHAC) (<https://www.canada.ca/en/public-health/services/diseases/2019-novel-coronavirus-infection.html>). **In view of the COVID-19 pandemic, the Company encourages shareholders to consider voting their shares via proxy rather than attending the Meeting in person, particularly if they are experiencing any of the described COVID-19 symptoms of fever, cough or difficulty breathing. Access to the Meeting will, subject to the Articles of the Company, be limited to essential personnel and registered shareholders and proxyholders entitled to attend and vote at the Meeting.** The Company may take additional precautionary measures in relation to the Meeting in response to further developments with the COVID-19 outbreak. In the event it is not possible or advisable to hold the Meeting in person or a decision is made to change the date, time or location of the Meeting, the Company will announce, by press release, alternative arrangements for the Meeting as promptly as practicable. The press release will be available under the Company's profile on SEDAR ([www.sedar.com](http://www.sedar.com)). If you are planning to attend the Meeting, please check our press releases on SEDAR ([www.sedar.com](http://www.sedar.com)) before attending the Meeting.

DATED at Vancouver, British Columbia, as of August 2, 2022.

By Order of the Board of Directors of

**WEST MINING CORP.**

"Nicholas Houghton"

## **INFORMATION CIRCULAR**

(all information as at August 2, 2022, unless otherwise stated)

West Mining Corp. (“**West**” or the “**Company**”) is providing this Information Circular and a form of proxy in connection with management’s solicitation of proxies for use at the Annual General Meeting (the “**Meeting**”) of West to be held on Wednesday, September 14, 2022, and at any adjournments. West will conduct its solicitation by mail and officers and employees of West may, without receiving special compensation, also telephone or make other personal contact. West will pay the cost of solicitation.

## **PROXY RELATED INFORMATION**

### **Appointment of Proxyholder**

The purpose of a proxy is to designate persons who will vote the proxy on a shareholder’s behalf in accordance with the instructions given by the shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy are officers or directors of West (the “**Management Proxyholders**”).

**A shareholder has the right to appoint a person other than a Management Proxyholder to represent the shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person’s name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder.**

### **Voting by Proxy**

**Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting.** Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly.

**If a shareholder does not specify a choice and the shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.**

**The enclosed form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting.** At the date of this Information Circular, management of West knows of no such amendments, variations or other matters to come before the Meeting.

### **Completion and Return of Proxy**

Completed forms of proxy must be deposited at the office of West’s registrar and transfer agent, Computershare Investor Services Inc., 3rd Floor, 510 Burrard Street, Vancouver, British Columbia, V6C

3B9, not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting, unless the chairman of the Meeting elects to exercise his discretion to accept proxies deposited subsequently.

### **Non-Registered Holders**

**Only shareholders whose names appear on the records of West as the registered holders of shares or duly appointed proxyholders are permitted to vote at the Meeting.** Most shareholders of West are “non-registered” shareholders because the shares they own are not registered in their names but instead registered in the name of a nominee such as a brokerage firm through which they purchased the shares; bank, trust company, trustee or administrator of self-administered RRSP’s, RRIF’s, RESP’s and similar plans; or clearing agency such as The Canadian Depository for Securities Limited (a “**Nominee**”). If you purchased your shares through a broker, you are likely an unregistered holder.

In accordance with securities regulatory policy, West has distributed copies of the Meeting materials, being the Notice of Meeting, this Information Circular and the Proxy, to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order that your shares are voted at the Meeting.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

In addition, Canadian securities legislation now permits West to forward meeting materials directly to “non-objecting beneficial owners”. If West or its agent has sent these materials directly to you (instead of through a Nominee), your name, address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Nominee holding on your behalf. By choosing to send these materials to you directly, West (and not the Nominee holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions.

### **Revocability of Proxy**

Any registered shareholder who has returned a proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a registered shareholder, his attorney authorized in writing or, if the registered shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of West, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting. **Only registered shareholders have the right to revoke a proxy. Non-Registered Holders who wish to change their vote must, at least seven days before the Meeting, arrange for their Nominees to revoke the proxy on their behalf.**

## VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized capital of West consists of an unlimited number of common shares without par value. As at the date hereof, there are issued and outstanding 61,127,312 fully paid and non-assessable common shares without par value, each share carrying the right to one vote. The Company has no other classes of voting securities.

Persons who are registered shareholders at the close of business on August 2, 2022, will be entitled to receive notice of and vote at the Meeting and will be entitled to one vote for each share held.

To the knowledge of the directors and senior officers of West, no person beneficially owns, directly or indirectly, or exercises control or direction over shares carrying more than 10% of the voting rights attached to all outstanding shares of West that have the right to vote in all circumstances.

The Plan has not been previously approved by the shareholders of the Company. The key features of the Plan are as follows:

- The maximum number of common shares issuable under the Plan shall not exceed 10% of the number of common shares of the Company issued and outstanding as of each award date, inclusive of all common shares reserved for issuance pursuant to previously granted stock options.
- The options have a maximum term of 10 years from the date of issue.
- Options vest as the board of directors of the Company may determine upon the award of the options.
- The exercise price of options granted under the Plan will be determined by the board of directors but will not be less than the greater of the closing market price of the Company’s common shares on the Canadian Securities Exchange on (a) the trading day prior to the date of grant of the options; and (b) the date of grant of the stock options.
- The expiry date of an option shall be the earlier of the date fixed by the Company’s board of directors on the award date, and: (a) in the event of the death of the option holder while he or she is a director or employee (other than an employee performing investor relations activities), 12 months from the date of death of the option holder, or while he or she is a consultant or an employee performing investor relations activities, 30 days from the date of death of the option holder; (b) in the event that the option holder holds his or her option as a director and such option holder ceases to be a director of the Company other than by reason of death, 90 days following the date the option holder ceases to be a director (provided however that if the option holder continues to be engaged by the Company as an employee or consultant, the expiry date shall remain unchanged), unless the option holder ceases to be a director as a result of ceasing to meet the qualifications set forth in section 124 of the *Business Corporations Act* (British Columbia) or a special resolution passed by the shareholders of the Company pursuant to section 128(3) of the *Business Corporations Act* (British Columbia), in which case the expiry date will be the date that the option holder ceases to be a director of the Company; (c) in the event that the option holder holds his or her option as an employee or consultant of the Company (other than an employee or consultant performing investor relations activities) and such option holder ceases to be an employee or consultant of the Company other than by reason of death, 30 days following the date the option holder ceases to be an employee or consultant, unless the option holder ceases to be such as a result of termination for cause or an order of the British Columbia Securities Commission, the Canadian Securities Exchange or any regulatory body having jurisdiction to so order, in which case the expiry date shall be the date the option holder ceases to be an employee or consultant of the Company; and (d) in the event that the option holder holds his or her option as an employee or consultant of the Company who provides investor relations activities on behalf of the Company, and such option holder ceases to be an employee or consultant of the Company other than by reason of death, the expiry date shall be the date the option holder ceases to be an employee or consultant of the Company.

The Plan may be terminated at any time by resolution of the board of directors, but any such termination will not affect or prejudice rights of participants holding options at that time. If the Plan is terminated, outstanding options will continue to be governed by the provisions of the Plan.

## Employment, Consulting and Management Agreements

*Nicholas Houghton – Chief Executive Officer*

The Company is party to a consulting agreement dated as of January 1, 2022 (the “**Consulting Agreement**”) with Mr. Houghton’s consulting services company Cadiam Investments Limited (“**Cadiah**”). Under such agreement, Cadiam is entitled to receive the compensation described in the foregoing compensation table in consideration for the management and consulting services which Mr. Houghton provides to the Company. The Consulting Agreement will expire and terminate on December 31, 2022, unless renewed by agreement of the parties or terminated earlier as further permitted in the Consulting Agreement. The Company may terminate the Consulting Agreement early for cause or breach or gross negligence, or without cause on notice to Cadiam by providing Cadiam with (i) a lump sum payment of \$180,000, (ii) payment of all outstanding fees and bonuses accrued to the date of termination, (iii) reimbursement of any outstanding expenses, and (iv) immediate vesting of all unvested stock options (if any) as of the date of termination. Cadiam may terminate the Consulting Agreement early on sixty days’ notice to the Company. ### **CORPORATE GOVERNANCE DISCLOSURE**

On June 30, 2005, National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) and National Policy 58-201 – *Corporate Governance Guidelines* (the “**Guidelines**”), came into force. The Guidelines address matters such as the constitution of and the functions to be performed by the Company's board. NI 58-101 requires that the Company disclose its approach to corporate governance with reference to the Guidelines. The board of the Company is committed to ensuring that the Company has an effective corporate governance system, which adds value and assists the Company in achieving its objectives.

#### **Board of Directors**

Each of Alex Klenman and Andrew Lee Smith is an “independent” director, according to the definition set out in NI 52-110. Nicholas Houghton is not independent as he is currently an executive officer of the Company.

The independent directors believe that their knowledge of the Company's business and their independence are sufficient to facilitate the functioning of the board independently of management. To facilitate open and candid discussion among the board's independent directors, the independent directors have the discretion to meet in private in the absence of the other directors whenever they believe it is appropriate to do so. To date, the independent directors have not held a meeting at which non-independent directors and members of management were not in attendance.

The board of the Company is empowered by governing corporate law, the Company's Articles and the corporate policies of the Company adopted by the board to manage, or supervise the management of, the affairs and business of the Company. The board has adopted a formal written mandate that provides that the board has overall responsibility for the stewardship of the Company. This stewardship includes: (i) consideration and (if appropriate) adoption of long-term strategies with respect to the Company's operations as developed by senior management of the Company; (ii) identification of the principal risks of the Company's business, and establishment and maintenance of systems and procedures to monitor those risks; (iii) approval of appointments of senior management, and supervision of senior management to ensure that operations of the Company are conducted in accordance with the objectives established by the board; and (iv) through the board's audit committee, review of compliance of financial reporting with accounting principles and appropriate internal controls. The board's mandate also includes more specific responsibilities and duties in furtherance of the board's general stewardship function. Regular meetings of

the board may be called and held at such time and at such place as the board may by resolution from time to time determine, and any director may call a meeting of the board at any time.

### **Other Directorships**

The directors of the Company are presently directors of other reporting issuers, as follows:

<u>Director</u>	<u>Other Issuers</u>

Andrew Lee Smith	East Africa Metals Inc. Nickel North Exploration Corp. Lithium One Metals Inc. Ultra Lithium Inc. True North Gems Inc. Goldhills Holding Ltd.

### **Orientation and Continuing Education**

Management will ensure that a new appointee to the board receives the appropriate written materials to fully apprise him or her of the duties and responsibilities of a director pursuant to applicable law and policy. Each new director brings a different skill set and professional background, and with this information, the board is able to determine what orientation to the nature and operations of the Company's business will be necessary and relevant to each new director.

### **Ethical Business Conduct**

The board expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company's business plan and to meet performance objectives and goals. In addition, the board must comply with conflict of interest provisions in Canadian corporate law, including relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

On November 4, 2020, the board adopted a written Code of Business Conduct and Ethics (the "Code") for its directors and officers. The Code further establishes the Company's commitment to the highest standards of legal and ethical business conduct and summarizes the legal, ethical and regulatory standards that the Company must follow. Responsibility to oversee adherence to the Code is assigned to the Company's CEO, CFO and legal counsel. Directors and officers of the Company are expected to be familiar with the ethical standards described in the Code and must affirm in writing their agreement to adhere to such standards. Key commitments and principles of the Code include: (i) honest and fair dealing

with service providers, suppliers, competitors, shareholders and other third parties; (ii) avoidance of activity that creates or gives the appearance of a conflict of interest between personal interests and the interests of the Company; (iii) protection and preservation of confidential information and Company assets; (iv) full, fair, accurate, timely and understandable disclosure; and (v) compliance with laws, rules and regulations. Training on the Code is included in the orientation of new directors and officers and provided to existing directors and officers on an on-going basis. Directors and officers are required to report any known or suspected violations of laws, governmental regulations or the Code by themselves or their peers to the board. Additionally, directors and officers may contact the board with a question or concern about the Code or a business practice. Any questions or violation reports will be addressed immediately and seriously and can be made anonymously. All reports will be treated confidentially to every extent possible, and the Company will not allow any retaliation against a director or officer who acts in good faith in reporting any violation. The board will investigate any reported violations and will determine an appropriate response, including corrective action and preventative measures. Violations of the law, the Company's corporate policies, or the Code may lead to disciplinary action, including demotion or dismissal.

### **Nomination of Directors**

Given the Company's current stage of development and size of the board, the board is presently of the view that it functions effectively as a committee of the whole with respect to the nomination of directors. The entire board will assess potential nominees and take responsibility for selecting new directors. Any nominees are expected to be generally the result of recruitment efforts by the board members, including both formal and informal discussions among board members and management of the Company.

### **Compensation**

The Company does not have a Compensation Committee. Compensation matters for the Company's directors and officers are dealt with by the full board. The board meets to discuss and determine director and management compensation without reference to formal objectives, criteria or analysis.

### **Other Board Committees**

The only board committee of the Company is the Audit Committee.

### **Assessments**

The board annually reviews its own performance and effectiveness. Neither the Company nor the board has determined formal means or methods to regularly assess the board, its committees or the individual directors with respect to their effectiveness and contributions. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of an individual director are informally monitored by the other board members, having in mind the business strengths of the individual and the purpose of originally nominating the individual to the board.

The board is of the view that the Company's corporate governance practices are appropriate and effective for the Company, given its relatively small size and limited operations. The Company's method of corporate governance allows for the Company to operate efficiently, with simple checks and balances that control and monitor management and corporate functions without excessive administrative burden.

## Corporate Disclosure

On November 4, 2020, the board adopted a written Corporate Disclosure and Share Trading Policy (the “**Policy**”) applying to all directors, officers and employees of the Company and those authorized or designated to speak on its behalf. The objective of the Policy is to ensure that all communications about the Company to the investing public are timely, factual and accurate, and are broadly disseminated in accordance with all applicable legal and regulatory requirements. The Policy outlines the Company’s approach towards the determination and dissemination of material information, the circumstances under and methods through which the confidentiality of information will be maintained, and associated restrictions on the trading of the Company’s securities. The policy also provides guidelines designed to achieve consistent disclosure practices across the Company. The Policy is administered by the CEO, CFO and Corporate Secretary of the Company, under the supervision and oversight of the board.
