

West Mining Announces New CEO and Director

Vancouver, British Columbia--(Newsfile Corp. - July 11, 2023) - **West Mining Corp. (CSE: WEST) (OTC Pink: WESMF)** ("West" or the "Company") is pleased to announce that Mr. Nader Vatanchi has been appointed as Chief Executive Officer of the Company, effective immediately. Mr. Vatanchi's appointment is in conjunction with the resignation by Mr. Aaron Wong as an officer and director of the Company to focus on other interests. West's management and board of directors thank Mr. Wong for his contributions to the Company and wishes him well in his future endeavours.

West also announces that Mr. Ashish "Ash" Misquith has joined the Company as a member of the board of directors. Mr. Misquith has extensive experience in business development and startups. He has invested in multiple private and public companies and IPO's. He is the founder of Swiftgrade, an artificial intelligence (AI) application that allows teachers to grade students in a timely and efficient manner. Mr. Misquith is an advocate for continuous education and is a former semi-professional tennis player.

About West Mining Corp.

West Mining Corp. is a mineral exploration company acquiring and developing advanced and early-stage exploration projects. It is fully focused on its 100% owned, 9000 hectare prospective Kena Project located near Nelson, British Columbia. The Kena Project comprises three adjoining Properties: Kena, Daylight and Athabasca. A recent NI43-101 resource estimate for Kena gave 561,900 oz Au indicated and 2,773,100 oz Au inferred in the Gold Mountain, Kena Gold and Daylight Zones. The Kena Property also hosts the large Kena Copper Zone, along with with the historic Euphrates and Gold Cup gold-silver mines. The Daylight property contains the historic past producing Daylight, Starlight, Victoria, Irene and Great Eastern gold mines. Along trend to the north is the Athabasca Property, with the historic Athabasca Gold Mine. The historic mines and known mineralized zones on these three properties are structurally controlled along a 20 kilometre strike as identified by strong geophysical signatures.

The Canadian Securities Exchange accepts no responsibility for the adequacy or accuracy of this release.

Certain statements contained in this press release constitute "forward-looking information" as such term is defined in applicable Canadian securities legislation. The words "may", "would", "could", "should", "potential", "will", "seek", "intend", "plan", "anticipate", "believe", "estimate", "expect" and similar expressions as they relate to the Company, are intended to identify forward-looking information. All statements other than statements of historical fact may be forward-looking information. Such statements reflect the Company's current views and intentions with respect to future events, and current information available to them, and are subject to certain risks, uncertainties and assumptions, including, without limitation: the potential of the Company's mineral properties; the estimation of capital requirements; the estimation of operating costs; the timing and amount of future business expenditures; and the availability of necessary financing. Many factors could cause the actual results, performance or achievements that may be expressed or implied by such forward-looking information

to vary from those described herein should one or more of these risks or uncertainties materialize. Such factors include but are not limited to: changes in economic conditions or financial markets; increases in costs; litigation; legislative, environmental and other judicial, regulatory, political and competitive developments; and exploration or operational difficulties. This list is not exhaustive of the factors that may affect forward-looking information. These and other factors should be considered carefully, and readers should not place undue reliance on such forward-looking information. Should any factor affect the Company in an unexpected manner, or should assumptions underlying the forward-looking information prove incorrect, the actual results or events may differ materially from the results or events predicted. Any such forward- looking information is expressly qualified in its entirety by this cautionary statement. Moreover, the Company does not assume responsibility for the accuracy or completeness of such forward-looking information. The forward-looking information included in this press release is made as of the date of this press release and the Company undertakes no obligation to publicly update or revise any forward-looking information, other than as required by applicable law.
