

West Mining Corp. Issues Shares under Option Agreement for Mineral Claims Located in Northern British Columbia

Vancouver, BC – October 21, 2024 – West Mining Corp. (“West” or the “Company”) (CSE: WEST) (OTC: WESMF) is pleased to announce that it has issued an aggregate of 4,750,000 West common shares (each, a “Share”) at a deemed price of \$0.19 per Share pursuant to an option agreement (the “Option Agreement”) dated as of October 15, 2024 with ESN Investment Corp. (“ESN” or the “Optionor”), under which West has the option to earn a 100% interest in two mineral claims (the “Claims”) located in Northern British Columbia which augment West’s Spanish Mountain West and Junkers properties (see West’s news release dated October 15, 2024 for further details respecting the Option Agreement and the optioned mineral claims).

West has also issued an aggregate of 126,315 Shares at a deemed price of \$0.19 per Share to settle \$24,000 in debt owed to a creditor (see West’s news release dated October 15, 2024 for further details).

The Shares issued under the Option Agreement and pursuant to the debt settlement transaction are subject to a four month hold period expiring February 22, 2025 in accordance with the applicable securities laws.

About West Mining Corp.

West Mining Corp. is a mineral exploration company acquiring and developing advanced and early-stage exploration projects. Its flagship project is its 100% owned, 9000-hectare prospective Kena Project located near Nelson, British Columbia. The Kena Project comprises three adjoining Properties: Kena, Daylight and Athabasca. A 2021 NI43-101 resource estimate for Kena gave 561,900 oz Au indicated and 2,773,100 oz Au inferred in the Gold Mountain, Kena Gold, and Daylight Zones. The Daylight property contains the historic past producing Daylight, Starlight, Victoria, Irene, and Great Eastern gold mines. Along trend to the north is the Athabasca Property, with the historic Athabasca Gold Mine. The Company also holds a 100% interest in its Spanish Mountain and Junker properties.

The Canadian Securities Exchange accepts no responsibility for the adequacy or accuracy of this release.

Certain statements contained in this press release constitute “forward-looking information” as such term is defined in applicable Canadian securities legislation. The words “may”, “would”, “could”, “should”, “potential”, “will”, “seek”, “intend”, “plan”, “anticipate”, “believe”, “estimate”, “expect” and similar expressions as they relate to the Company, are intended to identify forward-looking information. All statements other than statements of historical fact may be forward-looking information. Such statements reflect the Company’s current views and intentions with respect to future events, and current information available to them, and are subject to certain risks, uncertainties and assumptions, including, without limitation: the potential of the Company’s mineral properties; the estimation of capital requirements; the estimation of operating costs; the timing and amount of future business expenditures; and the availability of necessary financing. Many factors could cause the actual results, performance or achievements that may be expressed or implied by such forward-looking information to vary from those described herein should one or more of these risks or uncertainties materialize. Such factors include but are not limited to: changes in economic conditions or financial markets; increases in costs; litigation; legislative, environmental and other judicial, regulatory, political and competitive developments; and exploration or operational difficulties. This list is not exhaustive of the factors that may affect forward-looking information. These and other factors should be considered carefully, and readers should not place undue reliance on such forward-looking information. Should any factor affect the Company in an unexpected manner, or should assumptions underlying the forward-looking information prove incorrect, the actual results or events may differ materially from the results or events predicted. Any such forward-looking information is expressly qualified in its entirety by this cautionary statement. Moreover, the Company does not assume responsibility for the accuracy or completeness of such forward-looking information. The forward-looking information included in this press release is made as of the date of this press release and the Company undertakes no obligation to publicly update or revise any forward-looking information, other than as required by applicable law.
