

Cannvas Lists on the Frankfurt Stock Exchange

Gains Valuable Access to Investors Across the European Union

TORONTO, July 18, 2018 /CNW/ - **Cannvas MedTech Inc. ("Cannvas" or the "Company") (CSE: MTEC; Frankfurt: 3CM)**, a leading business technology company within the cannabis space, is pleased to announce its listing on the Frankfurt Stock Exchange under the trading symbol "3CM". The Frankfurt Exchange is a major international stock exchange and ranks third in terms of global volume of trading behind the New York and NASDAQ stock exchanges. The listing on the Frankfurt Stock Exchange provides Cannvas with broader access to European and other international investors.

"Our mandate is to continue to build exceptional shareholder value and the listing on the Frankfurt Stock Exchange gains us valuable access to the European and broader global investment market," said Shawn Moniz, Chief Executive Officer, Cannvas. "The listing is another significant milestone for our young company as we look to expand our technological influence to Germany and Europe and around the globe. We invite all new investors to learn more about our company and about Cannvas.me, a scalable and comprehensive solution for the global cannabis community offering interactive tools and physician-backed content to all audiences who wish to learn about healthcare through cannabis."

The Frankfurt Stock Exchange has more than 250 international trading institutions and more than 4,500 traders. The Frankfurt Stock Exchange accounts for over 90% of the volume of all German stock exchanges and represents a large share of the European market. Investors directly connected to the Frankfurt Stock Exchange represent 35% of the world's investment capital. A listing in Frankfurt also provides a tax advantage to German investors.
