Cannvas Exhibits Cannabis Data AI Technologies at Cantech Conference

Speaking Engagements to Demonstrate Importance of Big Data and Analytics

TORONTO, Jan. 29, 2019 /CNW/ - **Cannvas MedTech Inc. ("Cannvas" or the "Company") (CSE: MTEC) (Frankfurt: 3CM) (OTCPK: CANVF)**, a leading digital cannabis educator and data company, is pleased to announce it will have a substantial presence at the 2019 Cantech Investment Conference, taking place January 29-30 at the Metro Toronto Convention Centre in the heart of the city's downtown core.

"We are thrilled to be exhibiting our Cannabis Data AI technology and being part of the Cannabis and Big Data Panel. We have a significant presence at this year's Cantech Investment Conference, and with it the opportunity to signal to investors how our Cannabis Data AI is at the cusp of driving substantial growth in the industry as a major catalyst for licensed producers and dispensaries here in Canada" said Shawn Moniz, Chief Executive Officer, Cannvas MedTech Inc.

Cannvas MedTech will be at booth 622 at this year's Cantech conference, with speaking engagements scheduled on each day of the conference. On Tuesday, January 29, CEO Shawn Moniz will participate in a discussion panel on the subject of Cannabis and Big Data, moderated by a member of Toronto law firm Fogler Rubinoff LLP. On Wednesday, January 30, Shawn will take to the Paradigm Stage for a featured speaking appearance expected to stress the importance of cannabis analytics in a nascent industry, positioning Cannvas as a leading source of comprehensive and unbiased information on the behaviours of active and potential cannabis consumers across Canada.

While at the conference, the senior management team at Cannvas expects to meet and connect with hundreds of leading Canadian technology companies, schedule private meetings with business leaders and influencers, and learn more about potential partnership opportunities with like-minded organizations.

The Cantech Investment Conference is put on by Cambridge House International, producing North America's largest resource conferences and Canada's largest technology investment conference. For 25 years, Cambridge House has produced flagship must-attend events and provided industries with platforms for networking, education and investment discovery. Cantech is a hallmark event attracting investors and media from across North America to meet with Canadian innovation entrepreneurs.
