

# Trojan Gold Inc. Announces Frankfurt Stock Exchange Listing

Toronto, Ontario--(Newsfile Corp. - April 12, 2023) - Trojan Gold Inc. (CSE: TGI) (OTCQB: TRJGF) ("TGI" or the "Company") is pleased to announce the listing of its common shares on the Frankfurt Stock Exchange ("FSE") under the trading symbol "KC1". The Company's common shares are now cross listed on the Canadian Securities Exchange (CSE) in Canada and OTCQB in the United States. The Frankfurt Stock Exchange is one of the world's leading exchanges and Germany's most active.

"This listing is a natural fit for Trojan. We are excited to open the opportunity to European investors while increasing potential trading liquidity and market awareness for our Company," commented Charles Elbourne, CEO and Director of the Company.

The Frankfurt Stock Exchange (FSE) is one of the world's largest international trading centers for securities. Operated by the Deutsche Boerse AG, FSE, is the largest of Germany's seven stock exchanges, and is responsible for approximately 90 percent of all securities traded in Germany. The FSE facilitates advanced electronic trading, settlement and information systems and enables cross-border trading for international investors.

## About Trojan Gold Inc.

Trojan is an active Ontario-based prospect generator junior exploration company, led by a team of professionals having exploration, engineering, project financing and permitting experience. Trojan has accumulated land positions in the Hemlo Gold Camp and Shebandowan Greenstone Belt which in management's view represent mineral exploration potential. For further information on the Company, please visit [www.trojangold.com](http://www.trojangold.com). Trojan is listed on the Canadian Securities Exchange under the symbol (CSE: TGI) and the OTCQB® Venture Market ("**OTCQB**") under the ticker symbol TRJGF.

## Forward-Looking Statements

*This news release contains "forward-looking information" within the meaning of applicable securities laws. All statements contained herein that are not clearly historical in nature may constitute forward-looking information. In some cases, forward-looking information can be identified by words or phrases such as "may", "will", "expect", "likely", "should", "would", "plan", "anticipate", "intend", "potential", "proposed", "estimate", "believe" or the negative of these terms, or other similar words, expressions, and grammatical variations thereof, or statements that certain events or conditions "may" or "will" happen, or by discussions of strategy. Forward-looking information contained in this press releases includes, but is not limited to the timing and amount of estimated future exploration potential and success of such exploration activities.*

*Where the Company expresses or implies an expectation or belief as to future events or results, such expectation or belief is based on assumptions made in good faith and believed to have a reasonable basis. Such assumptions include, without limitation, that sufficient capital, personnel and other resources will be available to the Company that will allow it to undertake exploration activities on its*

properties.

*However, forward-looking statements are subject to risks, uncertainties, and other factors, which could cause actual results to differ materially from future results expressed, projected, or implied by such forward-looking statements. Such risks include, but are not limited to, the impact of the recovery post COVID 19 pandemic, including but not limited to its impact on precious metals and the mining industry generally; the Company not having access to the resources it needs in order to carry out its proposed exploration activities on the timeline described in this press release or at all; there being no assurance that the exploration program will result in expanded mineral resources; risks and uncertainties inherent to any mineral resource estimates; receipt of necessary approvals; general business, economic, competitive, political and social uncertainties; future gold and other metal prices; accidents, labour disputes and shortages; environmental risks; and other risks relating to mining industry, including the risks set out in the Company's public disclosure documents that can be found on its profile page at [www.SEDAR.com](http://www.SEDAR.com).*

*Accordingly, undue reliance should not be placed on forward-looking statements and the forward-looking statements contained in this press release are expressly qualified in their entirety by this cautionary statement. The forward-looking statements contained herein are made as at the date hereof and are based on the beliefs, estimates, expectations, and opinions of management on such date. The Company does not undertake any obligation to update publicly or revise any such forward-looking statements or any forward-looking statements contained in any other documents whether as a result of new information, future events or otherwise or to explain any material difference between subsequent actual events and such forward-looking information, except as required under applicable securities law. Readers are cautioned to consider these and other factors, uncertainties, and potential events carefully and not to put undue reliance on forward-looking information.*
