

TROJAN GOLD INC. ANNOUNCES ISSUANCE OF COMMON SHARES

Toronto, Ontario (December 5, 2023) – Trojan Gold Inc. (CSE: TGII) (the “**Company**” or “**Trojan**”) is pleased to announce that, further to the press release of the Company dated November 14, 2023, it has issued 100,000 common shares in the capital of the Company (the “**Shares**”) to Jon Li, the Chief Financial Officer of the Company, at a price of \$0.05 per Share, in exchange for outstanding accounts payable totaling \$5,000.00 owing to Mr. Li.

The Shares will be subject to a four-month and one-day hold period.

The issuance of the Shares to Mr. Li constitutes a “related party transaction” as such term is defined by Multilateral Instrument 61-101 *Protection of Minority Security Holders in Special Transactions* (“**MI 61-101**”). The Company has relied on the exemptions from the MI 61-101 valuation and minority approval requirements for related party transactions in connection with the issuance of the Shares that are set out in sections 5.5(a) and 5.7(1)(a) of MI 61-101 as neither the fair market value (as determined under MI 61-101) of the subject matter of, nor the fair market value of the consideration for, the issuance of the Shares, exceeds 25% of the Company’s market capitalization (as determined under MI 61-101).

This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of these securities, in any jurisdiction in which such offer, solicitation or sale would be unlawful.

Forward-Looking Statements

This news release contains “forward-looking information” within the meaning of applicable securities laws. All statements contained herein that are not clearly historical in nature may constitute forward-looking information. In some cases, forward-looking information can be identified by words or phrases such as “may”, “will”, “expect”, “likely”, “should”, “would”, “plan”, “anticipate”, “intend”, “potential”, “proposed”, “estimate”, “believe” or the negative of these terms, or other similar words, expressions, and grammatical variations thereof, or statements that certain events or conditions “may” or “will” happen, or by discussions of strategy. Forward-looking information contained in this press release includes, but is not limited to, statements relating to the future potential of the Company’s mineral properties.

Where the Company expresses or implies an expectation or belief as to future events or results, such expectation or belief is based on assumptions made in good faith and believed to have a reasonable basis. Such assumptions include, without limitation, that the Company will have the resources, financial and otherwise, required to complete exploration activities on its properties as currently anticipated or at all.

However, forward-looking statements are subject to risks, uncertainties, and other factors, which could cause actual results to differ materially from future results expressed, projected, or implied by such forward-looking statements. Such risks include, but are not limited to: the risk that the Company will not be able to proceed with anticipated exploration activities on its properties as anticipated or at all; risks relating to the junior mining industry; global economic trends; and other risks as described in the Company's public disclosure record at www.sedarplus.ca.

Accordingly, undue reliance should not be placed on forward-looking statements and the forward-looking statements contained in this press release are expressly qualified in their entirety by this cautionary statement. The forward-looking statements contained herein are made as at the date hereof and are based on the beliefs, estimates, expectations, and opinions of management on such date. The Company does not undertake any obligation to update publicly or revise any such forward-looking statements or any forward-looking statements contained in any other documents whether as a result of new information, future events or otherwise or to explain any material difference between subsequent actual events and such forward-looking information, except as required under applicable securities law. Readers are cautioned to consider these and other factors, uncertainties, and potential events carefully and not to put undue reliance on forward-looking information.
