BIONXT SOLUTIONS ANNOUNCES CONVERTIBLE DEBENTURE AND INTEREST SETTLEMENT

Vancouver, Canada (November 24, 2023) - BioNxt Solutions Inc. (“**BioNxt**” or the “**Company**”) (CSE: BNXT / OTC: BNXTF / FSE: BXT) announces that it will be entering into a debenture and interest settlement agreement with an arm’s length creditor of the Company (the “**Creditor**”) to settle an aggregate of \$2,581,096 in convertible debentures and interest (the “**Debt**”). In settlement of the Debt the Company will issue the Creditor:

- 162,192 common shares in the capital of the Company (the “**Settlement Shares**”) at a deemed price of \$0.50 per Settlement Share; and
- an unsecured convertible debenture with a principal amount of \$2,500,000 (the “**Settlement Debenture**”), and together with the Settlement Shares, the “**Settlement Securities**”).

The Settlement Debenture will be convertible, at the option of the Creditor, into common shares in the capital of the Company (“**Shares**”) at a price of \$0.50 per Share (the “**Conversion Price**”). Further, the Settlement Debenture will mature and be repayable on the date that is one year from the date of issuance (the “**Maturity Date**”), and bear interest at a rate of 8% per annum until maturity, which will be calculated and payable semi-annually on the last day of June and December in each year. The Company will have the right to pay all accrued and unpaid interest either in cash or in Shares at the Conversion Price, in its sole discretion.

The terms of the Settlement Debenture further provide that the Company may from time to time, at the Company’s option, prepay all or part of the principal amount plus accrued and unpaid interest without penalty or bonus. Conversion of the Settlement Debenture may be forced at the option of the Company if the 15-day volume weighted average price of the Shares on the Canadian Securities Exchange exceeds 250% of the Conversion Price.

Canaccord Genuity Corp. (“**Canaccord**”) acted as the Company’s advisor in connection with the settlement of the Debt. As consideration for its advisory services, the Company has agreed to issue Canaccord:

- 125,000 common shares in the capital of the Company (the “**Advisory Shares**”) at a deemed price of \$0.55 per Advisory Share; and
- 125,000 common share purchase warrants (the “**Advisory Warrants**”, and together with the Advisory Shares, the “**Advisory Securities**”), each of which is exercisable by Canaccord to acquire one common share in the capital of the Company (an “**Advisory Warrant Share**”) at a price of \$0.55 per Advisory Warrant Share for a period of one year from the date of issuance.

The Settlement Securities, the Advisory Securities, and any securities issued upon conversion thereof, will be subject to a hold period of four months and one day in accordance with applicable securities laws.

The securities of the Company referred to in this news release have not been and will not be registered under the United States Securities Act of 1933, as amended (the “**U.S. Securities Act**”), or any state securities laws. Accordingly, the securities of the Company may not be offered or sold within the United States unless registered under the U.S. Securities Act and applicable state securities laws or pursuant to an exemption from the registration requirements of the U.S. Securities Act and applicable state securities laws. This news release does not constitute an offer to sell or a solicitation of any offer to buy any securities of the Company in any jurisdiction in which such offer, solicitation or sale would be unlawful.

About BioNxt Solutions Inc.

BioNxt Solutions Inc. is a bioscience accelerator focused on next-generation drug formulations and delivery systems, diagnostic screening tests, and new active pharmaceutical production and evaluation, including: precision transdermal and oral dissolvable drug formulations; rapid, low-cost infectious disease and oral health screening tests; and standardization and clinical evaluation of emerging active pharmaceutical ingredients for neurological applications. This news release includes certain statements that may be deemed “forward-looking statements”. All statements in this new release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words “expects”, “plans”, “anticipates”, “believes”, “intends”, “estimates”, “projects”, “potential” and similar expressions, or that events or conditions “will”, “would”, “may”, “could” or “should” occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include market prices, continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company’s management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking

statements in the event that management's beliefs, estimates or opinions, or other factors, should change.

Neither the Canadian Securities Exchange nor its Regulation Services Provider accepts responsibility for the adequacy or accuracy of this news release.
