

LUXXFOLIO Shares Now Available for Trading on Wealthsimple in Canada

DTC Application to Increase Platform Coverage in USA

VANCOUVER, BC, Aug. 13, 2021 /CNW/ - LUXXFOLIO Holdings Inc. (the "Company" or "LUXXFOLIO") (CSE: LUXX) (OTCQB: LUXFF) is pleased to announce that the Company's shares are now available for trading on the Wealthsimple Trade platform in Canada. Wealthsimple is a leading wealth management and commission-free brokerage platform with over 1.5 million users that is democratizing finance by providing access for everyone to financial products.

In addition, the Company is pleased to report that it has filed an application with the Depository, Trust and Clearing Corporation ("DTCC") in the USA in order to become DTC Eligible in the USA. DTCC supports centralized clearing of more than 50 exchanges and equity platforms, which provides greater accessibility and liquidity to investors to trading shares in a company through their electronic network. Once approved, this will make LUXXFOLIO shares available to a much broader audience of American investors whose brokerages have not previously provided access to LUXXFOLIO shares.

Dean Linden, CEO of LUXXFOLIO commented, "One of our primary goals as a company is to support the democratization of finance by allowing people globally to have access to acquiring financial assets including crypto currencies. It is great to see the progress being made in ensuring accessibility for investors around the world to trade in shares of LUXXFOLIO to maximize availability and liquidity for shareholders."
