INTRODUCTION

This information circular (the “**Information Circular**”) accompanies the notice of annual general meeting of shareholders (the “**Notice**”) of Izotropic Corporation (the “**Company**”) and is furnished to shareholders (each, a “**Shareholder**”) holding common shares (each, a “**Share**”) of the Company in connection with the solicitation by the management of the Company of proxies to be voted at the annual general meeting (the “**Meeting**”) of the Shareholders to be held at the offices of Clark Wilson LLP, 900 – 885 West Georgia Street, Vancouver, BC V6C 3H1 at 1:00 pm (Vancouver time) on Monday, December 19, 2022, or at any adjournment or postponement thereof.

COVID-19

In view of the COVID-19 outbreak, the Company asks that, in considering whether to attend the Meeting in person, shareholders follow the instructions of the Public Health Agency of Canada (<https://www.canada.ca/en/public-health/services/diseases/2019-novel-coronavirus-infection.html>). The Company encourages shareholders not to attend the Meeting in person if experiencing any of the described COVID-19 symptoms of fever, cough or difficulty breathing. The Company may take additional precautionary measures in relation to the Meeting in response to further developments in the COVID-19 outbreak.

Date and Currency

The date of this Information Circular is November 17, 2022. Unless otherwise stated, all amounts herein are in Canadian dollars.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation to any of the directors, officers, and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers who are referred to as “NOBOs”, non-registered Shareholders who have not objected to their nominee or agent disclosing certain ownership information about themselves, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in

which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxy

Registered Shareholders are entitled to vote at the Meeting. A Shareholder is entitled to one vote for each Share that such Shareholder holds on the record date of November 17, 2022 (the “**Record Date**”) on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING.

A SHAREHOLDER MAY EXERCISE THIS RIGHT BY INSERTING THE NAME OF SUCH OTHER PERSON IN THE BLANK SPACE PROVIDED ON THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE’S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER’S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

The Shareholder may vote by mail, by telephone or via the Internet by following instructions provided in the form of proxy at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. The Chairman of the Meeting, in his sole discretion, may accept completed forms of proxy on the day of the Meeting or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder’s attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders, or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A Shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that Shareholder or by that Shareholder’s attorney-in-fact authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Shares and Proxies and Exercise of Discretion by Designated Persons

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space on the proxy. **The Shares represented by a proxy will be**

voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Shares of a Shareholder on any matter, the Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those Shareholders who do not hold Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular as “Beneficial Shareholders”) should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided by a broker, then in almost all cases those Shares will not be registered in the Beneficial Shareholder’s name on the records of the Company. Such Shares will more likely be registered under the names of the Beneficial Shareholder’s broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person well in advance of the Meeting.**

The Company does not have access to the names of all Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by his, her or its broker (or the agent of the broker) is similar to the form of proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Shares to be voted at the Meeting. If Beneficial Shareholders receive the voting instruction forms from Broadridge, they are requested to complete and return the voting instruction forms to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge’s dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have the applicable Shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his, her or its broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his, her or its broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his, her or its Shares.

Beneficial Shareholders consist of NOBOs and OBOs (as defined below) A NOBO is a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner does not object, for that account, to the intermediary disclosing ownership information about the beneficial owner under National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**") of the Canadian Securities Administrators. An objecting beneficial owner (an "**OBO**") means a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner objects, for that account, to the intermediary disclosing ownership information about the beneficial owner under NI 54-101.

The Company is sending proxy-related materials directly to NOBOs of the Shares. The Company will not pay for the delivery of proxy-related materials to OBOs of the Shares under NI 54-101 and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*. The OBOs of the Shares will not receive the materials unless their intermediary assumes the costs of delivery.

All references to Shareholders in this Information Circular are to registered Shareholders, unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of Shares without par value. As of the Record Date, determined by the board of directors of the Company (the "**Board**") to be the close of business on November 10, 2022, a total of 51,855,021 Shares were issued and outstanding. Each Share carries the right to one vote at the Meeting.

Only registered Shareholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting.

To the knowledge of the directors and executive officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Shares carrying more than 10% of the voting rights attached to the outstanding Shares of the Company.

FINANCIAL STATEMENTS

The audited financial statements of the Company for the year ended April 30, 2022, together with the auditor's report thereon, will be presented to the Shareholders at the Meeting. The Company's financial statements and management discussion and analysis are available on SEDAR at www.sedar.com.

NUMBER OF DIRECTORS

At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company at six (6). An ordinary resolution needs to be passed by a simple majority of the votes cast by the Shareholders present in person or represented by proxy and entitled to vote at the Meeting.

Management of the Company recommends the approval of setting the number of directors of the Company at six (6).

At present, the directors of the Company are elected at each annual general meeting and hold office until the next annual general meeting, or until their successors are duly elected or appointed in accordance with the Company's Articles or until such director's earlier death, resignation or removal.

Stock Option Plans and Other Incentive Plans

The Company's current stock option plan (the "**Plan**"), which it adopted on June 15, 2017 and amended on September 1, 2020, is a rolling plan, whereby the aggregate number of Shares reserved for issuance, together with any other Shares reserved for issuance under any other plan or agreement of the Company, shall not exceed ten (10%) percent of the total number of Shares (calculated on a non-diluted basis) at the time an option is granted. The Plan is intended to emphasize management's commitment to the growth of the Company. The grant of stock options, as a key component of the executive compensation package, enables the Company to attract and retain qualified executives. Stock option grants are based on the total of stock options available under the Plan. In granting stock options, the Board reviews the total of stock options available under the Plan and recommends grants to newly retained executive officers at the time of their appointment, and considers recommending further grants to executive officers from time to time thereafter. The amount and terms of outstanding options held by an executive are taken into account when determining whether and how new option grants should be made to the executive. The exercise periods are to be set at the date of grant. The stock option grants may contain vesting provisions in accordance to the Plan. The Plan was approved by the Shareholders at the annual general meeting held on October 2, 2020. As of the date of this Information Circular, 1,900,000 stock options are outstanding under the Plan.

On July 9, 2020, the Board adopted a long term incentive plan (the "**LTIP**") for the purposes of attracting, retaining and motivating key individuals whereby the number of Shares reserved for issuance under the LTIP shall not exceed ten (10%) percent of the total number of Shares (calculated on a non-diluted basis) at the time an Award is granted. The LTIP provides for the grant of restricted share units, performance share units and deferred share units (collectively, an "**Award**") to directors, key employees and consultants. The LTIP was approved by the Shareholders at the annual general meeting held on October 2, 2020. As of the date of this Information Circular, 1,112,500 Awards have been granted under the LTIP.

Employment, Consulting and Management Agreements

The Company is not party to any formal employment, consulting, or management agreements with respect to any NEOs or directors.

Oversight and Description of Director and NEO Compensation

The Company's executive compensation program during the most recently completed financial year ended April 30, 2022, was administered by the Board. The Board was solely responsible for determining the compensation to be paid to the Company's executive officers and evaluating their performance. The Board has not adopted any specific policies or objective for determining the amount or extent of compensation for directors or officers.

The overall objective of the Company's compensation strategy is to offer medium-term and long-term compensation components to ensure that the Company has in place programs to attract, retain and develop management of the highest caliber and has in place a process to provide for the orderly succession of management, including receipt on an annual basis of any recommendations of the CEO, if any, in this regard. The Company currently has short and long-term compensation components in place, and intends to further develop these compensation components. The Company does not have consulting or employment agreements in place with any NEOs. The objectives of the Company's compensation policies and procedures will be to align the interests of the Company's employees with the interests of the Shareholders.

The Company does not currently have in place a compensation and nominating committee. All tasks related to developing and monitoring the Company's approach to the compensation of officers of the Company, and to developing and monitoring the Company's approach to the nomination of directors to the Board, are performed by the members of the Board. The compensation of the NEOs and the Company's employees is reviewed, recommended and approved by Board.

Under the Company's compensation policies and practices, NEOs and directors are not prevented from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director. However, the Board does not believe that the Company's compensation policies and practices encourage executive officers to take unnecessary or excessive risk.

Significant Elements

The significant elements of compensation for the Company's NEOs, being the CEO, the CFO and the three other most highly compensated executive officers whose total compensation exceeds \$150,000, will be the Shares that have been previously issued, the stock options that have been previously granted and the grant of Awards pursuant to the LTIP. There is no policy or target regarding allocation between cash and non-cash elements of the Company's compensation program. The Board reviews annually the total compensation package of each of the Company's executives on an individual basis.

Pension Plan Benefits

The Company does not have any pension, defined benefit, defined contribution or deferred compensation plans in place.

CORPORATE GOVERNANCE

Pursuant to National Instrument 58-101 – *Disclosure of Corporate Governance Practices*, the Company is required to disclose its corporate governance practices as follows:

Board of Directors

The Board facilitates its exercise of independent supervision over the Company's management through frequent meetings or unanimous consent resolutions of the Board. The Board is currently comprised of six directors, consisting of Robert Thast, John McGraw, Ali Sodagar, John Boone, Ralph Proceviat and Alexander Tokman. The Board has no formal procedures designed to facilitate the exercise of independent supervision over management, relying instead on the integrity of the individual members of its management team to act in the best interests of the Company. The majority of the Board members are independent. John McGraw is not independent as he is the CEO of the Company and Robert Thast is not independent as he was the CEO and President of the Company from May 19, 2016, to April 5, 2021.

The Company has not developed written position descriptions for the chair and the chair of each board committee. The Board and CEO have not developed a written position description for the CEO. The directors are actively and

regularly involved in reviewing and supervising the operations of the Company and have regular and full access to management. The independent directors are able to meet at any time without any members of management including the non-independent directors being present. The Board expects management to operate the business of the Company with a high level of integrity. Management is expected to execute the Company's business plan and to meet performance goals and objectives.

Robert Thast is a director of Caplink Ventures Inc., a capital pool company listed on the TSX.V.

Board members are encouraged to communicate with management, auditors and technical consultants, to keep themselves current with industry trends and developments and changes in legislation with management's assistance and to attend related industry seminars and visit the Company's operations. Board members have full access to the Company's records.

Ethical Business Conduct

The Board has not adopted a written ethical business code of conduct for directors, officers and employees. However, the Board found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Compensation

Members of the Board are not currently compensated for their services as directors. In the event that such compensation is to be paid, it is expected that the Board as a whole will be responsible for determining compensation and that individual directors will abstain from voting in respect of compensation proposed to be paid to themselves.

Other Board Committees

The Company has no other committees other than the Audit Committee.

Assessments

The Board regularly monitors the adequacy and effectiveness of information given to directors, communications between the Board and management and the strategic direction and processes of the Board and its committees.

Diversity of the Board and Senior Management

As of the date of this Information Circular, the Company has not adopted a formal written diversity policy and has not established targets with respect to the appointment of individuals to the Board or senior management who are women, Indigenous peoples (First Nations, Inuit and Metis), persons with disabilities, members of visible minorities or who otherwise self-represent as being within designated groups (as that term is defined in the *Employment Equity Act* (Canada)). While the Company believes that nominations to the Board and appointments to senior management should be based on merit, the Company recognizes that diversity supports balanced debate and discussion which, in turn, enhances decision-making and the level of representation of women, Indigenous peoples, persons with disabilities and members of visible minorities is one factor taken into consideration during the search process for directors and members of the executive and senior management.

In assessing potential directors and members of the executive or senior management, the Company focuses on the skills, expertise, experience, and independence which the Company requires to be effective. Given that the Company is still in its growth stage, the Board believes that the qualifications and experience of proposed new directors and members of senior management should remain the primary consideration in the selection process. The Company will include diversity (including the level of representation of members of designated groups) as a factor in its future decision-making when identifying and nominating candidates for election or re-election to the Board and for senior management positions. As the Company develops beyond its growth stage, the Board will be looking to adopt a policy for targets with respect to the appointment of individuals to the Board or senior management who are within the designated groups.

As of the date of this Information Circular, of the six members of the Board, one member is of a visible minority group, representing 16.6% of the Board. Of the four executive officers of the Company, two of them are women, representing 50% of the senior management team.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed elsewhere in this Information Circular, no director or executive officer of the Company who was a director or executive officer since the beginning of the Company's last financial year, no proposed nominee for election as a director of the Company, nor any associate or affiliates of any such directors, officers or nominees, has any material interest, direct or indirect, by way of beneficial ownership of Shares or other securities in the Company or otherwise, in any matter to be acted upon at the Meeting, other than the election of directors and the grant of options which may be granted to such persons upon the approval of the Plan, as further discussed below.
