Dear Sirs:

Re: 66 Resources Corp. (the "Company")
Preliminary Prospectus dated February 23, 2018 (the "Prospectus")

I, Derrick Strickland, P. Geo., have prepared the NI 43-101 Technical Report on the Champ Property located in the Nelson Mining Region of British Columbia dated November 27, 2017 (the "Technical Report") referred to in the Prospectus.

I hereby consent to being named in the Prospectus and consent to the public filing of the Technical Report and to an extract of the Technical Report ("Extract") being included in the Company's Prospectus and the filing of the Technical Report on sedar.com for review by securities regulatory authorities and by the public.

I also confirm that I have read the Prospectus, and confirm that the Extract of the Technical Report fairly and accurately represents the information in the Technical Report.

I also certify that:

- (i) I have read the Prospectus, and
- (ii) have no reason to believe that there are any misrepresentations in the information contained in it that are:
 - (A) derived from the Technical Report, or
 - (B) within my knowledge as a result of the services performed by me in connection with the Technical Report.

Sincerely,

Derrick Strickland, P. Geo
