13. INFORMATION

13.1 The Issuer shall make available or cause to be made available to the Agent and its counsel on a timely basis all information (financial or otherwise), data, documents, opinions, appraisals, valuations or other information relating to the Issuer and its properties, assets, liabilities, business and operations as the Agent or its counsel may reasonably require or deem appropriate in carrying out their obligations hereunder and under this Agreement. The Issuer will arrange for the Agent to have such timely access to directors, officers, employees, independent auditors and other consultants and to information concerning all aspects of the Issuer and its properties, assets, liabilities, business and operations as the Agent may reasonably require or deem appropriate in carrying out their obligations under this Agreement. The Agent shall keep all such information, data and documents received or obtained from or on behalf of the Issuer in connection with the Offering, which is not publicly available, confidential and shall not disclose same except to their counsel, employees and agents as necessary to perform their mandate hereunder or as required by law or by a regulatory authority having jurisdiction, including but not limited to the Investment Industry Regulatory Organization of Canada, any applicable stock exchange or any self-regulatory organization.

13.2 The Agent shall be entitled to rely upon, and to assume without independent verification, the accuracy and completeness of all information furnished to them pursuant to the above Section 13.1 and all other information that is filed with the Regulatory Authorities pursuant to applicable continuous disclosure obligations and the Agent shall be under no obligation to verify independently any such information provided.

13.3 The Issuer will not circulate or file with the Regulatory Authorities, any Prospectus or public document relating to the Offering without the prior consultation with and approval of such document by the Agent and its legal counsel, acting reasonably, unless the Issuer is required to do so under Applicable Legislation, in which event, to the extent possible, any such document shall be drafted in consultation with the Agent.

13.4 Unless required to do so under Applicable Legislation or by Regulatory Authorities, the Issuer shall not announce the Offering in any kind of format other than information contained in press releases that may be issued immediately following filing of the Prospectus or the Closing Date and/or in standard regulatory reporting documents required under the rules of continuous disclosure. Within a reasonable period of time prior to (i) releasing any press release relating to the Offering or (ii) making any advertisement, announcement or disclosure of the Offering, the Issuer shall submit a copy of any such advertisement, announcement or disclosure to the Agent and its counsel for their review and comment prior to release.

13.5 The Issuer will include the following legend on each page of any press release made in respect of the Offering:

“Not for distribution to United States newswire services or for dissemination in the United States.”

13.6 The Issuer will include the following disclosure in the body of any press release made in respect of the Offering:

“The offered securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the “U.S. Securities Act”), or any applicable state securities laws and may not be offered or sold in the United States or to “U.S. persons”, as such term is defined in Regulation S under the U.S. Securities Act, absent such registration or an applicable exemption from such registration requirements. This news release shall not constitute an offer to sell or the solicitation of an offer to buy the offered securities in any jurisdiction.”

14. EXPENSES OF AGENT

14.1 The Issuer will pay all of the expenses of the Offering and all the expenses reasonably incurred by the Agent in connection with the Offering including, without limitation, the fees and expenses of the solicitors for the Agent and applicable taxes and disbursements.

14.2 The Issuer will pay the expenses referred to in the previous Subsection even if the Prospectus and this Agreement are not accepted by the Regulatory Authorities or the transactions contemplated by this Agreement are not completed or this Agreement is terminated.

14.3 The Agent may, from time to time, render accounts to the Issuer for their expenses. The Issuer will pay all invoices within 10 business days' from the date of the invoice.

14.4 The Issuer authorizes the Agent to deduct their reasonable expenses in connection with the Offering from the proceeds of the Offering, including expenses for which an account has not yet been rendered to the Issuer.

14.5 The Agent acknowledges receipt of the sum of \$10,000, with such funds representing an advance with respect to expenses of the Agent payable pursuant to this Section.

15. ELIGIBILITY FOR INVESTMENT

15.1 The Issuer covenants that it will use commercially reasonable best efforts to obtain a letter from the Exchange confirming that the Offered Shares and the Agent's Warrant Shares will be listed on the Exchange as of the Closing Date (the **“Confirmation Letter”**).

15.2 The Issuer acknowledges that the Agent is relying on receipt of the Confirmation Letter with respect to sales of the Offered Shares into registered retirement savings plans, registered retirement income funds, deferred profit sharing plans, registered education savings plans, registered disability savings plans and tax-free savings accounts (collectively, the "**Plans**") and agrees that, if the Issuer has fulfilled its obligations under Section 15.1 by obtaining a Confirmation Letter and if the Exchange does not issue a bulletin in relation to the listing of the Offered Shares and the Agent's Warrant Shares at the close of market on the Business Day before the Closing, the Issuer will immediately notify the Agent and Closing may be delayed, at the sole discretion of the Agent.

16. RIGHT OF FIRST REFUSAL

16.1 The Issuer will notify the Agent (the "**ROFR Notice**") in writing of the terms of any further brokered financing from the date of this Agreement until that day (the "**ROFR Termination Date**") which falls 12 months from the Closing Date and the Agent will have the right of first refusal to lead any such brokered financing conducted by the Issuer.

16.2 The right of first refusal must be exercised by the Agent within 10 days following the receipt of the ROFR Notice by notifying the Issuer that it will provide such financing on the terms set out in the ROFR Notice and delivering an engagement agreement to the Issuer.

16.3 If the Agent fails to give the applicable notice within 10 days pursuant to Section 16.2, or the Agent gives notice in writing to the Issuer that it does not wish to exercise its right of first refusal, the Issuer will then be free to make other arrangements to obtain financing from another source on the same terms or on terms no less favourable to the Issuer, subject to obtaining the acceptance of the Regulatory Authorities.

16.4 For greater certainty, if the Agent does not exercise its right of first refusal following receipt of any ROFR Notice from the Issuer, notwithstanding whether the Issuer obtains financing from another source pursuant to Section 16.3 the Agent will, until the ROFR Termination Date, retain its right of first refusal with respect to any subsequent financing opportunities as set out in Section 16.1.

17. INDEMNITY

17.1 The Issuer (the "**Indemnitor**") agrees to indemnify and hold harmless the Agent and its affiliates, and each of their respective directors, officers, employees, agents, advisors, shareholders and each other person, if any, controlling the Agent or any of its affiliates (collectively, the "**Indemnified Parties**" and each, an "**Indemnified Party**"), to the full extent lawful, from and against all expenses, losses, damages and liabilities of any nature (including the reasonable fees and expenses of their respective counsel and other expenses, but not including any amount for lost profits) (collectively, "**Losses**") that are incurred in investigating, defending and/or settling any action, suit, proceeding, investigation or claim that may be made or threatened against any Indemnified Party (collectively, the "**Claims**") or to which an Indemnified Party may become subject or otherwise involved in any capacity insofar as the Claims arise out of or are based upon, directly or indirectly, the Agreement together with any Losses that are incurred in enforcing this indemnity. This indemnity shall not be available to an Indemnified Party in respect of Losses incurred where a court of competent jurisdiction in a final judgment that has become non-appealable determines that such Losses resulted solely from the negligence or willful misconduct of the Indemnified Party.

17.2 If for any reason (other than a determination as to any of the events referred to above) this indemnity is unavailable to an Indemnified Party or is insufficient to hold an Indemnified Party harmless in respect of any Claim, the Indemnitor shall contribute to the Losses paid or payable by such Indemnified Party as a result of such Claim in such proportion as is appropriate to reflect not only the relative benefits received by the Indemnitor on the one hand and the Indemnified Party on the other hand but also the relative fault of the Indemnitor and the Indemnified Party as well as any relevant equitable considerations; provided that the Indemnitor shall in any event contribute to the Losses paid or payable by an Indemnified Party as a result of such Claim, the amount (if any) equal to (i) such amount paid or payable, minus (ii) the amount of the fees received by the Indemnified Party, if any, under the Agreement.

17.3 The Indemnitor agrees that in case any legal proceeding shall be brought against, or an investigation is commenced in respect of, the Indemnitor and/or an Indemnified Party and an Indemnified Party or its personnel are required to testify in connection therewith or shall be required to respond to procedures designed to discover information regarding, in connection with or by reason of the Agreement, the Indemnified Party shall have the right to employ its own counsel in connection therewith, and the reasonable fees and expenses of such counsel as well as the reasonable costs (including an amount to reimburse the Indemnified Party for time spent by its personnel in connection therewith at their normal per diem rates together with such disbursements and out-of-pocket expenses incurred by the Personnel in connection therewith) shall be paid by the Indemnitor as they occur.

17.4 The Agent will notify the Indemnitor promptly in writing after receiving notice of an action, suit, proceeding or claim against the Agent or any other Indemnified Party or receipt of notice of the commencement of any investigation which is based, directly or indirectly, upon any matter in respect of which indemnification may be sought from the Indemnitor, stating the particulars thereof, will provide copies of all relevant documentation to the Indemnitor and, unless the Indemnitor assumes the defence thereof, will keep the Indemnitor advised of the progress thereof and will discuss all significant actions proposed. The omission to so notify the Indemnitor shall not relieve the Indemnitor of any liability which the Indemnitor may have to an Indemnified Party except only to the extent that any such delay in giving or failure to give notice as herein required materially prejudices the defence of such action, suit, proceeding, claim or investigation or results in any material increase in the liability under this indemnity which the Indemnitor would otherwise have incurred had the Agent not so delayed in giving, or failed to give, the notice required hereunder.

17.5 The Indemnitor shall be entitled, at its own expense, to participate in and, to the extent it may wish to do so, assume the defence of any Claim, provided such defence is conducted by experienced and competent counsel. Upon the Indemnitor notifying the Agent in writing of its election to assume the defence and retaining counsel, the Indemnitor shall not be liable to an Indemnified Party for any legal expenses subsequently incurred by it in connection with such defence. If such defence is assumed by the Indemnitor, the Indemnitor throughout the course thereof will provide copies of all relevant documentation to the Agent, will keep the Agent advised of the progress thereof and will discuss with the Agent all significant actions proposed.

17.6 Notwithstanding the foregoing paragraph, any Indemnified Party shall have the right, at the Indemnitor's expense, to separately retain counsel of such Indemnified Party's choice, in respect of the defence of any Claim if: (i) the employment of such counsel has been authorized by the Indemnitor; or (ii) the Indemnitor has not assumed the defence and employed counsel therefor promptly after receiving notice of such action, suit, proceeding, claim or investigation; or (iii) counsel retained by the Indemnitor or the Indemnified Party has advised the Indemnified Party that representation of both parties by the same counsel would be inappropriate for any

reason, including for the reason that there may be legal defences available to the Indemnified Party which are different from or in addition to those available to the Indemnitor (in which event and to that extent, the Indemnitor shall not have the right to assume or direct the defence on such Indemnified Party's behalf) or that there is a conflict of interest between the Indemnitor and the Indemnified Party or the subject matter of the Claim may not fall within the indemnity set forth herein (in any of which events the Indemnitor shall not have the right to assume or direct the defence on such Indemnified Party's behalf), provided that the Indemnitor shall not be responsible for the fees or expenses of more than one legal firm in any single jurisdiction for all of the Indemnified Parties. No admission of liability and no settlement of any Claim shall be made by the Indemnitor without the prior written consent of the Indemnified Parties affected (which consent may not be unreasonably withheld) unless such settlement includes an unconditional release of each Indemnified Party from any liabilities arising out of such Claim without any admission of negligence, misconduct, liability or responsibility by any Indemnified Party.

17.7 The Indemnitor hereby acknowledges that the Agent acts as trustee for the other Indemnified Parties of the Indemnitor's covenants under this indemnity and the Agent agrees to accept such trust and to hold and enforce such covenants on behalf of such persons.

17.8 The indemnity and contribution obligations of the Indemnitor hereunder shall be in addition to any liability which the Indemnitor may otherwise have (including under the Agreement), shall extend upon the same terms and conditions to the Indemnified Parties and shall be binding upon and enure to the benefit of any successors, permitted assigns, heirs and personal representatives of the Indemnitor, the Agent and any other Indemnified Party. The foregoing provisions shall survive any termination of the Agreement.

18. ASSIGNMENT AND SELLING GROUP PARTICIPATION

18.1 The Agent will not assign this Agreement or any of their rights under this Agreement or, with respect to the Securities, enter into any agreement in the nature of an option or a sub-option unless and until, for each intended transaction, the Agent has obtained the prior written consent of the Issuer and notice has been given to and accepted by the Regulatory Authorities.

18.2 The Agent may offer selling group participation in the normal course of the brokerage business to selling groups of other licensed dealers, brokers and investments dealers, who may or who may not be offered part of the commissions or warrants to be received by the Agent pursuant to this Agreement.

19. NO FIDUCIARY DUTY

The Issuer hereby acknowledges that (i) the transactions contemplated hereunder are arm's-length commercial transactions between the Issuer, on the one hand, and the Agent and any affiliate through which it may be acting, on the other, (ii) the Agent is acting as agent but not as fiduciary of the Issuer and (iii) the Issuer's engagement of the Agent in connection with the Offering and the process leading up to the Offering is as agent and not in any other capacity. Furthermore, the Issuer agrees that it is solely responsible for making its own judgments in connection with the Offering (irrespective of whether the Agent has advised or is currently advising the Issuer on related or other matters). The Agent has not rendered advisory services beyond those, if any, required of an investment dealer by Applicable Legislation in respect of an offering of the nature contemplated by this Agreement and the Issuer agrees that it will not claim that the Agent has rendered advisory services beyond those, if any, required of an investment

dealer by Applicable Legislation in respect of the Offering, or that the Agent owes a fiduciary or similar duty to the Issuer, in connection with such transaction or the process leading thereto.
