

# Spey Resources Hires INN for Social Media Engagement

Vancouver, British Columbia--(Newsfile Corp. - June 29, 2021) - Spey Resources Corp. (CSE: SPEY) (OTC: SPEYF) (FSE: 2JS) ("**Spey**" or the "**Company**") is pleased to announce that it has entered into an advertising and investor awareness campaign with Dig Media Inc. dba Investing News Network (INN). INN is a private company headquartered in Vancouver, Canada, dedicated to providing independent news and education to investors since 2007. For the 12 month term of the agreement, INN will provide advertising to increase awareness of the issuer. INN does not provide Investor Relations or Market Making services. The cost of the campaign is \$36,000 payable in standard net 7 terms. INN currently does not hold any shares in Spey Resources Corp.

Company CEO and Director Nader Vatanchi states, "We are happy to expand our social media visibility with the help of INN as they have a very good reputation. With their experience in the mining industry and our portfolio of lithium assets, we are confident that they will be able to help increase awareness of Spey Resources."

## About Spey Resources Corp.

Spey Resources is a Canadian mineral exploration company which holds two option agreements to acquire 100% interest in the Candela II, Pocitos I and II lithium brine projects located in the Salta Province, Argentina. Spey also holds an option to acquire a 100% undivided interest in the Silver Basin Project located in the Revelstoke Mining Division of British Columbia as well as an option to acquire a 100% interest in the Kaslo Silver project, west of Kaslo, British Columbia.

**Cautionary Note Regarding Forward-Looking Statements:** *Certain disclosure in this release may constitute "forward-looking information" within the meaning of Canadian securities legislation. In making the forward-looking statements in this release, the Company has applied certain factors and assumptions that the Company believes are reasonable. However, the forward-looking statements in this release, including without limitation, statements pertaining to the future exercise of the Agreement to acquire an interest in the Property, the Company's exploration programs and the Company's mineral property development plans, are subject to numerous risks, uncertainties and other factors that may cause future results to differ materially from those expressed or implied in such forward-looking statements. Such uncertainties and risks include, without limitation, financing risks, delays in obtaining or inability to obtain required regulatory approvals, legislative, environmental and other judicial, regulatory, political or competitive developments, exploration and operational difficulties, the timing of future business expenditures, the potential of the Company's mineral properties and changes in economic conditions or financial markets. There can be no assurance that such statements will prove to be accurate, and actual results and future events could differ materially from those anticipated in such statements. Readers are cautioned not to place undue reliance on forward-looking statements. The Company does not intend, and expressly disclaims any intention or obligation to, update or revise any forward-looking statements whether as a result of new information, future events or otherwise, except as required by law.*
