Cautionary Note Regarding Forward-Looking Statements: *Certain disclosure in this release may constitute "forward-looking information" within the meaning of Canadian securities legislation. In making the forward-looking statements in this release, the Company has applied certain factors and assumptions that the Company believes are reasonable. However, the forward-looking statements in this release, including without limitation, statements pertaining to the future exercise of the Agreement to acquire an interest in the Property, the Company's exploration programs and the Company's mineral property development plans, are subject to numerous risks, uncertainties and other factors that may cause future results to differ materially from those expressed or implied in such forward-looking statements. Such uncertainties and risks include, without limitation, financing risks, delays in obtaining or inability to obtain required regulatory approvals, legislative, environmental and other judicial, regulatory, political or competitive developments, exploration and operational difficulties, the timing of future business expenditures, the potential of the Company's mineral properties and changes in economic conditions or financial markets. There can be no assurance that such statements will prove to be accurate, and actual results and future events could differ materially from those anticipated in such statements. Readers are cautioned not to place undue reliance on forward-looking statements. The Company does not intend, and expressly disclaims any intention or obligation to, update or revise any forward-looking statements whether as a result of new information, future events or otherwise, except as required by law.*
