MANAGEMENT INFORMATION CIRCULAR

(containing information as at November 9, 2023 unless otherwise stated)

For the Annual General & Special Meeting of Shareholders to be held on December 15, 2023

SOLICITATION OF PROXIES

This information circular (this “**Circular**”) is furnished in connection with the solicitation of proxies by the management of Spey Resources Corp. (the “**Company**”), for use at the general and special meeting (the “**Meeting**”) of the shareholders (“**Shareholders**”) of the Company to be held on Friday, December 15, 2023, at the time and place set out in the accompanying notice of Meeting (the “**Notice**”) and for the purposes set forth in the accompanying Notice. References in this Circular to the Meeting include any adjournment or postponement thereof.

The enclosed instrument of proxy (the “**Proxy**”) is solicited by management of the Company (“**Management**”). The solicitation will be primarily by mail, however, proxies may be solicited personally or by telephone by the regular officers and employees of the Company. The cost of solicitation will be borne by the Company.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the Proxy are representatives of the Company (the “**Designees**”).

A Shareholder entitled to vote at the Meeting has the right to appoint a person (who need not be a Shareholder) to attend and act on the Shareholder’s behalf at the Meeting other than the Designees. To exercise this right, a Shareholder shall strike out the names of the persons named in the Proxy and insert the name of the Shareholder’s nominee in the blank space provided or complete another suitable form of proxy.

A Proxy will not be valid unless it is duly completed, signed and deposited with the Company’s registrar and transfer agent, TSX Trust Company of Canada (“**TSX Trust**”), by mail at TSX Trust Company 301 -100 Adelaide Street West, Toronto, Ontario, M5H 4H1, by fax within North America at (416) 595-9593 or via the internet at www.voteproxyonline, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof. A Proxy must be signed by the Shareholder or by his attorney in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

VOTING BY PROXYHOLDER

Manner of Voting

The common shares in the capital of the Company represented by the Proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and, if the Shareholder specifies a choice on the Proxy with respect to any matter to be acted upon, the shares will be voted accordingly. On any poll, the persons named in the Proxy (the “**Proxyholders**”) will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the Proxyholder will do so in accordance with such direction.

The Proxy, when properly signed, confers discretionary authority on the Proxyholder with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Circular, Management is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to Management should properly come before the

Meeting, the proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the Proxyholder.

In the absence of instructions to the contrary, the Proxyholders intend to vote the Common Shares represented by each Proxy, properly executed, in favour of the motions proposed to be made at the Meeting as stated under the headings in this Circular.

Revocation of Proxy

A Shareholder who has given a Proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by instrument in writing executed by the Shareholder or by his or her attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer and deposited with the Company's registrar and transfer agent, TSX Trust, by mail at TSX Trust Company 301 -100 Adelaide Street West, Toronto, Ontario, M5H 4H1, by fax within North America at (416) 595-9593, or via the internet at www.voteproxyonline at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the Proxy is to be used, or to the Chair of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

Voting Thresholds Required for Approval

In order to approve a motion proposed at the Meeting, a majority of not less than one-half of the votes cast will be required (an "Ordinary Resolution").

ADVICE TO REGISTERED SHAREHOLDERS

Shareholders whose names appear on the records of the Company as the registered holders of Common Shares (the "Registered Shareholders") may choose to vote by proxy whether or not they are able to attend the Meeting in person virtually.

Registered Shareholders who are unable to attend the Meeting virtually are requested to complete, sign, date and return the Proxy either in the addressed envelope enclosed to TSX Trust, by mail at TSX Trust Company 301 -100 Adelaide Street West, Toronto, Ontario, M5H 4H1, by fax within North America at (416) 595-9593 or via the internet at www.voteproxyonline not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof. The Proxy may be signed by the Shareholder or by his or her attorney in writing, or, if the Registered Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

Returning your Proxy Form

To be effective, a completed, signed and dated Proxy must be received no later than 10:00 a.m. (Pacific Standard Time) on Wednesday, December 13, 2023, as indicated above.

If the Meeting is postponed or adjourned, a completed, signed and dated Proxy must be received by 10:00 a.m. (Pacific Standard Time), two full business days before any adjourned or postponed Meeting at which the Proxy is to be used. Late Proxies may be accepted or rejected by the Chairman of the Meeting at his or her discretion and he or she is under no obligation to accept or reject a late Proxy. The Chairman of the Meeting may waive or extend the proxy cut-off without notice.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold shares in their own name.

Shareholders who do not hold their shares in their own name (referred to in this Circular as “**Beneficial Shareholders**”) should note that only Proxies deposited by Registered Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting.

If shares are listed in an account statement provided to a Shareholder by an intermediary, such as a brokerage firm, then, in almost all cases, those shares will not be registered in the Shareholder’s name on the records of the Company. Such shares will more likely be registered under the name of the Shareholder’s intermediary or an agent of that intermediary, and consequently the Shareholder will be a Beneficial Shareholder. In Canada, the vast majority of such shares are registered under the name CDS & Co. (being the registration name for the Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). The shares held by intermediaries or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, an intermediary and its agents are prohibited from voting shares for the intermediary’s clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their shares are communicated to the appropriate person.**

Applicable regulatory rules require brokers and other intermediaries holding shares for others to seek voting instructions from Beneficial Shareholders in advance of Shareholders’ meetings. Every broker or intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the Beneficial Shareholder.

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications (“**Broadridge**”). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such shares are voted.**

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities which they own (“**OBOs**” for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (“**NOBOs**” for Non-Objecting Beneficial Owners). The Company does not intend to pay for intermediaries to deliver these securityholder materials to OBOs and, as a result, OBOs will not be sent paper copies unless their intermediary assumes the costs.

Non-Objecting Beneficial Owners

Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs. This year, the Company will rely on those provisions of NI 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable voting instruction form (“**VIF**”) from the Company’s transfer agent, TSX Trust. These VIFs are to be completed and returned to TSX Trust in the envelope provided or by facsimile. In addition, TSX Trust provides both telephone voting and internet voting as described on the VIF itself which contains complete instructions. TSX Trust will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

If you are a Beneficial Shareholder and the Company or its agent has sent these proxy-related materials to you directly, please be advised that your name, address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding your securities on your behalf. By choosing to send these proxy-related materials to you directly, the Company (and not the intermediaries holding securities your behalf) has assumed responsibility for (i) delivering the proxy-related materials to you and (ii) executing your proper voting instructions as specified in the VIF.

Objecting Beneficial Owners

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their shares are voted at the Meeting.

Applicable regulatory rules require intermediaries to seek voting instructions from OBOs in advance of Shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by OBOs in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to an OBO by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the OBO. The form of proxy provided to OBOs by intermediaries will be similar to the Proxy provided to Registered Shareholders. However, its purpose is limited to instructing the intermediary on how to vote your shares on your behalf. The majority of intermediaries now delegate responsibility for obtaining instructions from OBOs to Broadridge. Broadridge typically supplies voting instruction forms, mails those forms to OBOs, and asks those OBOs to return the forms to Broadridge or follow specific telephonic or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the meeting. **An OBO receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure that such shares are voted.**

Notice-and-Access

The Company is not relying on the notice-and-access delivery procedures outlined in NI 54-101 to distribute copies of the Circular, Proxy or VIF.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Exercise of Compensation Securities by Directors and NEOs

No NEO or director of the Company exercised compensation securities in the most recently completed financial year ended November 30, 2022.

Stock Option Plans and Other Incentive Plans

Other than the Company's current amended and restated stock option plan (the “**Plan**”) which provides for the grant of stock options (“**Options**”) rights to receive any number of fully paid and non-assessable Shares (“**Restricted Share Rights**”) as a discretionary payment in consideration of past services to the Company or as an incentive for future services, the Company currently does not have any stock option plan, stock option agreement made outside of a stock option plan, plan providing for the grant of stock appreciation rights, or any other incentive plan or portion of a plan under which awards are granted.

The Plan was approved by the board of directors of the Company (the “**Board**”) on October 3, 2022. The purpose of the Plan is to ensure that the Company is able to provide an incentive program for directors, officers, employees and persons providing services to the Company (each, an “**Awardee**”) that provides enough flexibility in the structuring of incentive benefits to allow the Company to remain competitive in the recruitment and maintenance of key personnel.

The Plan is administered by the Board, which shall, without limitation, have full and final authority in its discretion, but subject to the express provisions of the Plan, to interpret the Plan, to prescribe, amend and rescind rules and

regulations relating to it and to make all other determinations deemed necessary or advisable for the administration of the Plan, subject to any necessary Shareholder or regulatory approval. The Board may delegate any or all of its authority with respect to the administration of the Plan. The Board shall determine to whom Options shall be granted, the terms and provisions of the respective option agreements, the time or times at which such Options shall be granted and vested, and the number of Common Shares to be subject to each Option.

The key features of the Plan are as follows:

Options

- The maximum number of Common Shares issuable under the Plan shall not exceed 10% of the number of common shares of the Company issued and outstanding as of each award date, inclusive of all Common Shares reserved for issuance pursuant to previously granted stock options.
- The Options have a maximum term of 5 years from the date of issue.
- Options vest as the Board may determine upon the award of the Options.
- The exercise price of Options granted under the Plan will be determined by the Board but will not be less than the greater of the closing market price of the Company's common shares on the Canadian Securities Exchange on (a) the trading day prior to the date of grant of the Options; and (b) the date of grant of the Options.
- The expiry date of an Option shall be the earlier of the date fixed by the Company's board of directors on the award date, and: (a) in the event of the death of the option holder while he or she is a director or employee (other than an employee performing investor relations activities), 12 months from the date of death of the option holder, or while he or she is a consultant or an employee performing investor relations activities, 30 days from the date of death of the option holder; (b) in the event that the option holder holds his or her option as a director and such option holder ceases to be a director of the Company other than by reason of death, 90 days following the date the option holder ceases to be a director (provided however that if the option holder continues to be engaged by the Company as an employee or consultant, the expiry date shall remain unchanged), unless the option holder ceases to be a director as a result of ceasing to meet the qualifications set forth in section 124 of the *Business Corporations Act* (British Columbia) or a special resolution passed by the Shareholders of the Company pursuant to section 128(3) of the *Business Corporations Act* (British Columbia), in which case the expiry date will be the date that the option holder ceases to be a director of the Company; (c) in the event that the option holder holds his or her option as an employee or consultant of the Company (other than an employee or consultant performing investor relations activities) and such option holder ceases to be an employee or consultant of the Company other than by reason of death, 30 days following the date the option holder ceases to be an employee or consultant, unless the option holder ceases to be such as a result of termination for cause or an order of the British Columbia Securities Commission, the Canadian Securities Exchange or any regulatory body having jurisdiction to so order, in which case the expiry date shall be the date the option holder ceases to be an employee or consultant of the Company; and (d) in the event that the option holder holds his or her option as an employee or consultant of the Company who provides investor relations activities on behalf of the Company, and such option holder ceases to be an employee or consultant of the Company other than by reason of death, the expiry date shall be the date the option holder ceases to be an employee or consultant of the Company.

Restricted Share Rights

- The Plan allows the Company to grant, in its sole and absolute discretion, to any Awardee, Restricted Share Rights as a discretionary payment in consideration of past services to the Company or as an incentive for future services, subject to the Plan and with such additional provisions and restrictions as the Board may determine.
- For purposes of calculating the number of Restricted Share Rights to be granted, the Company shall be obligated to value the Common Shares underlying such Restricted Share Rights at not less than one hundred per cent (100%) of the closing market price of the Common Shares on the trading day prior to such date.
- Concurrent with the determination to grant Restricted Share Rights to an Awardee, the Board determines the period of time that a Restricted Share Right is not vested and the Awardee holding such Restricted Share Right remains ineligible to receive the relevant Common Shares, however, such period of time may be reduced or

eliminated from time to time and at any time and for any reason as determined by the Board, including, but not limited to, circumstances involving death or disability of an Awardee (the “**Restricted Period**”).

- In addition, at the sole discretion of the Board, at the time of grant, the Restricted Share Rights may be subject to performance conditions to be achieved by the Company or a class of Awardees or by a particular Awardee on an individual basis, within a Restricted Period, for such Restricted Share Rights to entitle the holder thereof to receive the underlying Common Shares.
- Upon expiry of the applicable Restricted Period (or on the Deferred Payment Date (as defined within the Plan), as applicable), a Restricted Share Right shall be automatically settled, and without the payment of additional consideration or any other further action on the part of the holder of the Restricted Share Right, the underlying Common Shares shall be issued to the holder of such Restricted Share Rights, which Restricted Share Rights shall then be cancelled.
- In the event and to the extent of the retirement or termination from all such roles with the Company: (i) during the Restricted Period, any Restricted Share Rights held by the Awardee shall immediately terminate and be of no further force or effect; provided, however, that the Board shall have the absolute discretion to modify the grant of the Restricted Share Rights to provide that the Restricted Period shall terminate immediately prior to the date of such occurrence; and (ii) following the Restricted Period and prior to a Deferred Payment Date, the Awardee shall be entitled to receive, and the Company shall issue forthwith, Common Shares in satisfaction of the Restricted Share Rights then held by the Awardee.
- In the event of the death or total disability of an Awardee, any Common Shares represented by Restricted Share Rights held by the Awardee shall be immediately issued by the Company to the Awardee or legal representative of the Awardee.
- In the event of a change of control, all Restricted Share Rights outstanding shall vest immediately and be settled by the issuance of Common Shares.
- Subject to the absolute discretion of the Board, in the event that a dividend (other than a stock dividend) is declared and paid by the Company on the Common Shares, an Awardee may be credited with additional Restricted Share Rights.

The Plan may be terminated at any time by resolution of the Board, but any such termination will not affect or prejudice rights of Awardees holding Options and Restricted Share Rights at that time. If the Plan is terminated, outstanding Options and Restricted Share Rights will continue to be governed by the provisions of the Plan.

Employment, Consulting and Management Agreements

Other than as described below, the Company has not entered into any agreement or arrangement under which compensation was provided during the most recently completed financial year ended November 30, 2022 or is payable in respect of services provided to the Company or any of its subsidiaries that were: (a) performed by a director or NEO, or (b) performed by any other party but are services typically provided by a director or a NEO.

The agreement with Mr. Thomas provided for termination:

- (a) by the consultant on 3 months’ notice to the Company;

Oversight and Description of Director and NEO Compensation

The objective of the Company's compensation program is to compensate the executive officers for their services to the Company at a level that is both in line with the Company's fiscal resources and competitive with companies at a similar stage of development.

The Company compensates its executive officers based on their skill, qualifications, experience level, level of responsibility involved in their position, the existing stage of development of the Company, the Company's resources, industry practice and regulatory guidelines regarding executive compensation levels.

The Board has implemented three levels of compensation to align the interests of the executive officers with those of the Shareholders. First, executive officers may be paid a monthly consulting fee or salary. Second, the Board may award executive officers long term incentives in the form of stock options. Finally, and only in special circumstances, the Board may award cash or share bonuses for exceptional performance that results in a significant increase in Shareholder value.

The base compensation of the executive officers is reviewed and set annually by the Board. The CEO has substantial input in setting annual compensation levels. The CEO is directly responsible for the financial resources and operations of the Company. In addition, the CEO and Board from time to time determine the stock option or restricted share right grants to be made pursuant to the Company's Plan. Previous grants of stock options and restricted share rights are taken into account when considering new grants. The Board awards bonuses at its sole discretion. The Board does not have pre-existing performance criteria or objectives.

Compensation for the most recently completed financial year should not be considered an indicator of expected compensation levels in future periods. All compensation is subject to and dependent on the Company's financial resources and prospects.

Pension Plan Benefits

No pension, retirement or deferred compensation plans, including defined contribution plans, have been instituted by the Company and none are proposed at this time.

Cease Trade Orders, Corporate and Personal Bankruptcies, Penalties and Sanctions

For purposes of the disclosure in this section, an “order” means a cease trade order, an order similar to a cease trade order, or an order that denied the relevant company access to any exemption under securities legislation, in each case that was in effect for a period of more than 30 consecutive days; and, for purposes of item (a)(i) below, specifically includes a management cease trade order which applies to directors or executive officers of a relevant company that was in effect for a period of more than 30 consecutive days whether or not the proposed director was named in the order.

Except as set out below, to the best of knowledge of the Company, none of the proposed directors, including any personal holding company of a proposed director:

- (a) is, as at the date of this Circular, or has been, within the 10 years before the date of this Circular, a director, chief executive officer or chief financial officer of any company (including the Company) that:

- (i) was subject to an order that was issued while the proposed director was acting in the capacity as a director, chief executive officer or chief financial officer of the company; or
 - (ii) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as a director, chief executive officer or chief financial officer of the company; or

On August 27, 2021, the British Columbia Securities Commission issued a cease trade order to the Company, which Nader Vatanchi serves as Director and formerly Chief Executive Officer, and that Ian Graham services as Director, for failing to file, following the transaction being determined as a major acquisition: (a) the Candela II Report; (b) a business acquisition report in respect of the Tech One Acquisition; (c) the material contracts in respect of the Tech One Acquisition; (d) a material change report in respect of the Tech One Acquisition and (e) the management discussion and analysis for the three and six months ended May 31, 2021. The cease trade order was revoked on August 12, 2022.

Ian Graham previously served as a director of Cache Exploration Inc. (“Cache”) from January 2020 to February 2022. The British Columbia Securities Commission issued a management cease trade order against insiders of Cache for failure to file annual audited financial statements and management’s discussion and analysis for the year ended September 30, 2020. Cache then failed to file the audited annual financial statements by the new deadline of March 29, 2021. Consequently, the BCSC issued a cease trade order against Cache for the failure to file the audited annual financial statements. The cease trade order and management cease trade order were both revoked on April 7, 2021. On June 4, 2021, while Mr. Graham was still in office, the BCSC issued another cease trade order against Cache for failing to file its interim financial statements and MDA for the period ending March 31, 2021. The order remains in effect.

Confirmation and Approval of Advance Notice Policy

Background

On November 6, 2023, the Board adopted an advance notice policy (the “**Advance Notice Policy**”) with immediate effect, as disclosed by press release dated November 6, 2023. A copy of the Advance Notice Policy is attached to this Information Circular as Schedule “C”. In order for the Advance Notice Policy to remain in effect following termination of the Meeting, the Advance Notice Policy must be ratified, confirmed and approved by the Company’s Shareholders at the Meeting.

Purpose of the Advance Notice Policy

The Company's Board is committed to: (a) facilitating an orderly and efficient annual or, where the need arises, special meeting, process; (b) ensuring that all Shareholders receive adequate notice of the director nominations and sufficient information with respect to all nominees; and (c) allowing Shareholders to register an informed vote having been afforded reasonable time for appropriate deliberation.

The purpose of the Advance Notice Policy is to provide the Company's Shareholders, Board and management with a clear framework for nominating directors. The Advance Notice Policy fixes a deadline by which holders of record of common shares of the Company must submit director nominations to the Company prior to any annual or special meeting of Shareholders and sets forth the information that a Shareholder must include in the notice to the Company in order for any director nominee to be eligible for election at any annual or special meeting of the Company's Shareholders.

Among other things, the Advance Notice Policy fixes a deadline by which holders of record of common shares of the Company must submit director nominations to the Company prior to any annual or special meeting of Shareholders and sets forth the specific information that a Shareholder must include in the written notice to the secretary of the Company for an effective nomination to occur. No person will be eligible for election as a director of the Company unless nominated in accordance with the provisions of the Advance Notice Policy.

In the case of an annual meeting of Shareholders, notice to the Company must be made not less than 30 days or more than 65 days prior to the date of the annual meeting; provided, however, that in the event that the annual meeting is to be held on a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made, notice may be made not later than the close of business on the 10th day following such public announcement.

In the case of a special meeting (which is not also an annual meeting) of Shareholders, notice to the Company must be made not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting was made.

The Board may, in its sole discretion, waive any requirement of the Advance Notice Policy.

4. the Board reserves the right to abandon the Advance Notice Policy should they deem it appropriate and in the best interests of the Company to do so;
